**Subject:** Notice of Issuance of Title V Operating Permit on the Uintah and Ouray Indian Reservation

This is to notify you that the EPA has issued a final renewed Clean Air Act (CAA) Title V operating permit for the Bonanza Power Plant pursuant to the Title V Operating Permit Program at 40 CFR Part 71 (Part 71). The administrative record that includes the final renewed Part 71 permit, denial orders and associated documents can be accessed on our website at: <https://www.epa.gov/caa-permitting/caa-permits-issued-epa-region-8>.

I have also provided a direct link to the administrative record for the Bonanza Power plant.

Docket #[EPA-R08-OAR-2019-0350](#)

*IMPORTANT NOTE: When viewing final documents in the docket on regulations.gov that are electronically signed, to view the valid signature, you may need to select "Enable Editing." Warning that if you actually edit the signed document, the signature will become invalid in your downloaded copy of the document.*

The EPA Region 8 is issuing this new final permit decision, pursuant to 40 CFR 124.19(l)(2)(i). The renewed permit number is #V-UO-000004-2019.00 and will become effective immediately upon signature. For purposes of judicial review of the EAB decision under Clean Air Act Section 307(b)(1), the EPA Region 8 will shortly be publishing a notice of this final agency action in the Federal Register, pursuant to 40 CFR 124.19(l)(3)(iii).

Thank you,
