SUBJECT: NFA eFiling Meeting

DATE OF MEETING: 19 September 2024

LOG ENTRY SOURCE: Kat Rickerson, EXIS

LOCATION: Virtual Web meeting

SUMMARY OF MEETING: CPSC EXIS met with members of the NFA to discuss participation in eFiling and answer technical questions.

I. **Open Discussion**

- J. Joholske and other attendees discussed and addressed questions on how eFiling will impact importers of fireworks, the potential issues of confidentiality, obtaining accurate manufacturer data, and general questions on how to eFile certificates.

II. **Next Steps**

- EXIS staff recommended members of the NFA sign up for the voluntary stage of the Beta Pilot and to reach out as needed once using the Product Registry.
