Hi good afternoon Jennifer and Kori,

Following up from our call yesterday, EPA is requesting that SCW resubmit the updated permit application to reflect the changes to the SF6 switchgears and OCS generator engines, as discussed in the email sent on 6/06/2024 subject "EPA SCW Request for Additional Information". Please resubmit the updated permit application by Friday July 12, 2024. Please let me know if you have any questions or concerns. Thanks!

Respectfully,
