## PRECAUTIONARY STATEMENTS

### HAZARDS TO HUMANS AND DOMESTIC ANIMALS

**DANGER: Corrosive.** Causes irreversible eye damage. Wear protective eyewear. Causes skin burns. Do not get in eyes, on skin, or on clothing. Harmful if swallowed. Wear chemical-resistant gloves made of any waterproof material. Wear coveralls worn over long-sleeved shirt and long pants; socks; chemical-resistant footwear. Wash thoroughly with soap and water after handling and before eating, drinking, chewing gum, using tobacco, or using the toilet. Remove and wash contaminated clothing before reuse.

### ENVIRONMENTAL HAZARDS

Do not discharge effluent containing this product into lakes, streams, ponds, estuaries, oceans, or other waters unless in accordance with the requirements of a National Pollutant Discharge Elimination System

(NPDES) permit and the permitting authority has been notified in writing prior to discharge. Do not discharge effluent containing this product to sewer systems without previously notifying the local sewage treatment plant authority. For guidance contact your State Water Board or Regional Office of the EPA.

## DIRECTIONS FOR USE

It is a violation of Federal law to use this product in a manner inconsistent with its labeling.

**READ ENTIRE LABEL. USE STRICTLY IN ACCORDANCE WITH PRECAUTIONARY STATEMENTS AND DIRECTIONS, AND WITH APPLICABLE STATE AND FEDERAL REGULATIONS.**

**THIS PRODUCT IS ONLY FOR USE IN FURTHER PREPARATION OF FUNGICIDE PRODUCTS.**

**DO NOT USE FOR ANY OTHER PURPOSES.** Products formulated with **Potassium Carbonate (99.5% Fine Powder)** will require registration with the Environmental Protection Agency.

**ONLY FOR FORMULATION INTO FUNGICIDE PRODUCTS INTENDED FOR:**

**(1) The following approved uses:**

**AGRICULTURAL APPLICATIONS (GREENHOUSE, ORCHARD, NURSERY, AND FIELD):**

**FOR CONTROL OF CERTAIN DISEASES IN TURF AND ORNAMENTALS.**

**(2) Uses for which US EPA has accepted the required data and/or citations of data that the formulator has submitted in support of registration; and**

**(3) Uses for experimental purposes that are in compliance with US EPA requirements.**

## STORAGE AND DISPOSAL

Do not contaminate water, food, or feed by storage, disposal or cleaning of equipment.

### PESTICIDE STORAGE

Keep pesticide in original container. Do not put concentrate or dilute into food or drink containers. Store in cool dry place.

### PESTICIDE DISPOSAL

Wastes resulting from the use of this product may be disposed of on site or at an approved waste disposal facility. Open dumping is prohibited.

### CONTAINER HANDLING

**For solid dilutables in nonrefillable containers small enough to shake (50 pounds or less):**

**Nonrefillable container. Do not reuse or refill this container.** Triple Rinse as follows: Empty the remaining contents into application equipment or a mix tank. Fill the container 1/4 full with water and recap. Shake for 10 seconds. Pour rinsate into application equipment or a mix tank or store rinsate for later use or disposal. Drain for 10 seconds after the flow begins to drip. Repeat this procedure two more times.

**For solid dilutables in nonrefillable containers too large to shake (larger than 50 pounds):**

**Nonrefillable container. Do not reuse or refill this container.** Triple Rinse as follows: Empty remaining contents into application equipment or a mix tank. Fill the container 1/4 full with water. Replace and tighten closures. Tip container on its side and roll it back and forth, ensuring at least one complete revolution, for 30 seconds. Stand the container on its end and tip it back and forth several times. Turn the container over onto its other end and tip it back and forth several times. Empty the rinsate into application equipment or a mix tank or store rinsate for later use or disposal. Repeat this procedure two more times.

Once container is rinsed, offer for recycling, if available, or reconditioning or puncture and dispose of in a sanitary landfill or by other procedures approved by state and local authorities.

### LIMITED WARRANTY AND LIMITATIONS OF LIABILITY AND REMEDIES (CONDITIONS OF SALE)

The directions on this label are believed to be reliable and must be followed carefully. Insufficient control of pests and/or injury to the crop to which the product is applied may result from the occurrence of extraordinary or unusual weather conditions, the failure to follow the label directions, or failure to follow good application practices, all of which are beyond the control of Biofungitek, S.L., or seller. In addition, failure to follow label directions may cause injury to crops, animals, man or the environment.

Biofungitek, S.L. warrants that this product conforms to the chemical description on the label and is reasonably fit for the purpose referred to in the directions for use, subject to the factors noted above which are beyond the control of Biofungitek, S.L. Except as warranted by this label, Biofungitek, S.L. makes no other warranties or representations of any kind, express or implied, concerning the product, including no implied warranty of merchantability or fitness for any particular purpose.

To the extent consistent with applicable law, the exclusive remedy against Biofungitek, S.L. for any cause of action relating to the handling or use of this product is a claim of damage, and in no event shall damages or any other recovery of any kind against Biofungitek, S.L. exceed the price of the product which causes the alleged loss, damage, injury, or other claim. To the extent consistent with applicable law, Biofungitek, S.L. shall not be liable and any and all claims against Biofungitek, S.L. are waived, for special, indirect, incidental, or consequential damages or expense of any nature, including, but not limited to, loss of profits or income, whether or not based on the negligence of Biofungitek, S.L. breach of warranty, strict liability in tort, or any other cause of action. Biofungitek, S.L. and the seller offer this product, and the buyer and users accept it, subject to the foregoing conditions of sale and limitations of warranty, liability and remedy.
