

## OFFICE OF CHEMICAL SAFETY AND POLLUTION PREVENTION

WASHINGTON, D.C. 20460

July 21, 2021

**RE:** Meeting with American Chemistry Council (ACC) 1,3-Butadiene Toxic Substances Control Act (TSCA Risk) Evaluation Consortium

### *List of Items*

1. Summary
2. Attendees
3. ACC 1,3-Butadiene TSCA Risk Evaluation Consortium Overview of Exposure and Ecorisk

### *Meeting Summary*

On July 21, 2021, EPA met with ACC, including representatives from several of its member companies that comprise the ACC 1,3-Butadiene TSCA Risk Evaluation Consortium, to discuss current and potential future activities related to 1,3-butadiene (CASRN 106-99-0). ACC presented industrial hygiene data for workers and occupational non-users and described available data for TSCA Section 4 test orders.

### *Attendees*

#### EPA:

Marcy Card  
Marc Edmonds  
Andrew Gillespie  
Edward Lo  
Virginia Lee  
Brooke Porter  
Michelle Price

#### American Chemistry Council:

Neeraja Erraguntla  
Suzanne Hartigan  
Destiny Porter  
Luke Scarao

BASF Corporation:

Dana Orozco

Ann Tveit

Dow Inc:

Scott Arnold

Karen Millison

Bob Budinsky

ExxonMobil Biomedical Sciences, Inc.:

Silvia Maberti

Craig Davis

ExxonMobil Chemical Company:

Monica Jefferson

INEOS Olefins and Polymers US:

Nameer Youssef

Susan Zollers

NOVA Chemicals Corporation

Flora Ratpan

Linda Santry

Shell Company LP:

Lorraine Anderson

Todd Bell

Shell Health Americas:

Adriana Bejarano
