Manufacturing Use Product

An Antimicrobial Pesticide only for Formulation into Registered Products

Active Ingredient:

Glycerol Formate.....99.7%

Other Ingredients.....0.3%

Total:.....100.0%

KEEP OUT OF REACH OF CHILDREN

CAUTION

PRECAUTIONARY STATEMENTS

CIUDADO: Si usted no puede leer ingles, pida ayuda y pregunte sobre el contenido y las instrucciones de uso antes de emplear este producto.

(CAUTION: If you cannot read English, ask your supervisor for the appropriate instructions before handling this product.)

HAZARDS TO HUMANS AND DOMESTIC ANIMALS

CAUTION: Harmful if swallowed. Causes moderate eye irritation. Avoid contact with eyes. In case of contact immediately flush eyes or skin with plenty of water. Wash thoroughly with soap and water after handling and before eating, drinking, chewing gum, using tobacco or using the toilet.

FIRST AID

IF IN EYES: Hold eye open and rinse slowly and gently with water for 15-20 minutes. Remove contact lenses, if present, after the first 5 minutes, then continue rinsing eye. Call a poison control center or doctor for treatment advice.

IF SWALLOWED: Call a poison control center or doctor immediately for treatment advice. Have person sip a glass of water if able to swallow. Do not induce vomiting unless told to do so by the poison control center or doctor. Do not give anything by mouth to an unconscious person.

**FOR EMERGENCY MEDICAL INFORMATION CALL TOLL FREE: 1-800-328-0026
OUTSIDE NORTH AMERICA, CALL 1-651-222-5352)**

Have the product container or label with you when calling a Poison Control Center or doctor or going for treatment.

PHYSICAL AND CHEMICAL HAZARDS

This material is stable when dry at ambient temperatures in a closed container. Substance may decompose in the presence of water.

DIRECTIONS FOR USE

It is a violation of Federal law to use this product in a manner inconsistent with its labeling.

Only for Formulation into an Antimicrobial Pesticide Product for:

1. Nonfood uses on Medical Premises and Equipment such as the nonfood areas Hospitals/Medical Institutions, Nursing Homes/Assisted Living Facilities, and noncritical patient care items and noncritical environmental surfaces; and

{Note to reviewer: Items in parentheses (AAA) are optional or interchangeable text.}

2. Uses for which US EPA has accepted the required data and/or citations of data that the formulator has submitted in support of the registration such as non-food contact institutional uses
3. Uses for Experimental Use Permits that are in compliance with the requirements of the U.S. Environmental Protection Agency.

Formulators using this product are responsible for obtaining EPA registration for their formulated product.

Note: Glycerol formate is an active precursor for use in an aqueous solution with a second “activating” ingredient. The second active precursor product must be incorporated by the formulator [Ecolab]. Contact Ecolab for details.

ENVIRONMENTAL HAZARDS

Do not discharge effluent containing the product into lakes, streams, ponds, estuaries, oceans or other waters unless in accordance with the requirements of a National Pollutant Discharge Elimination System (NPDES) permit and the permitting authority has been notified in writing prior to discharge. Do not discharge effluent containing this product in your sewer systems without previously notifying the local sewage treatment plant authority. For guidance contact your State Water Board or Regional Office of the EPA.

STORAGE AND DISPOSAL

Do not contaminate water, food or feed by storage or disposal.

Pesticide Storage: Product must be kept cool and in a vented container to avoid any explosion hazard. [Do not store in [direct] sunlight]. [Vented container, store upright].

Pesticide Disposal: Pesticide wastes are acutely hazardous. Improper disposal of excess pesticide, spray mixture, or rinsate is a violation of Federal Law. If these wastes cannot be disposed of by use according to label instructions, contact your State Pesticide or Environmental Control Agency, or the Hazardous Waste Representative at the nearest EPA Regional Office for guidance.

Container Handling: (For containers >5-55 gallons.) Non-refillable container. Do not reuse or refill this container. Triple rinse as follows: Empty remaining contents into application equipment or a mix tank. Fill the container ¼ full with water. Replace and tighten closures. Tip container on its side and roll it back and forth, ensuring at least one complete revolution for 30 seconds. Stand the container on its end and tip it back and forth several times. Turn the container over onto its other end and tip it back and forth several times. Empty the rinsate into application equipment or a mix tank or store rinsate for later use or disposal. Repeat procedure two more times. [Follow Pesticide Disposal instructions for rinsate disposal.] Then offer for recycling or reconditioning if appropriate or puncture and dispose of in a sanitary landfill or by incineration.
