Steve,

A corrected copy of the NO_x SIP call final rule, which includes the Secretary of State's signature and the effective date of the final rule, is attached as a revision to Tennessee's June 26, 2023, SIP submittal. All public participation requirements were met for this rule, and Tennessee's intent was to submit the signed copy with the effective date as the final SIP submission. This document replaces the unsigned version included in Attachment 1 of our June 26 submittal, and Tennessee requests that the signed copy be used as our final submission.
