3. ACC 1,3-Butadiene TSCA Risk Evaluation Consortium Presentation

Meeting Summary

On July 18, 2023, EPA hosted a meeting with ACC. The purpose of the meeting was to discuss 1,3-butadiene (CASRN 106-99-0). ACC provided an overview of the 1,3-Butadiene TSCA Risk Evaluation Consortium Presentation and members of the consortium provided an overview of 1,3-butadiene uses. Specifically, the Consortium provided a list of recent publications related to 1,3-butadiene. EPA stated that any raw data and additional information the Consortium can share would assist EPA in completing its 1,3-butadiene risk evaluation.
