			TIME:
SUBJECT: Cost of bulk sample analysis for asbestos			
SUMMARY OF COMMUNICATION: McCrone Associates was contacted for information on their charges for performing a building survey to identify and collect samples of friable materials and for performing bulk sample analysis for asbestos using PLM. The quoted cost were as follows: Building Survey - \$100 for first hour, then \$85 for each additional hour. Sample Analysis - \$100 minimum for first two samples, then \$35 for each additional sample.
