37. Hazardous Waste Report Management Method Codes (i.e., codes for hazardous waste treatment, disposal, and recycling systems)							

IV. Instructions for Exporters or Owners and Operators of Receiving Facilities Designated on the Manifest

Item 36. Discrepancy Indication Space

Refer to Item 18. This space may be used to more fully describe information on discrepancies identified in Item 18a of the manifest form.

Item 37. Hazardous Waste Report Management Method Codes

For each field here, enter the sequential number that corresponds to the waste materials described under Item 27, and enter the appropriate process code that describes how the materials will be processed when received. Do not enter consent numbers in the shaded box. If additional continuation sheets are attached, continue numbering the waste materials and process code fields sequentially, and enter on each sheet the process codes corresponding to the waste materials identified on that sheet.

Note: The e-Manifest Act mandates several changes to the federal manifest program:

- Any facility (e.g., a RCRA-permitted facility, Subtitle D facility) that receives a manifest and any continuation sheets accompanying a state-only regulated waste must comply with 40 CFR 264.71 or 265.71 (use of the manifest) and 40 CFR 264.72 or 265.72 (manifest discrepancies).
- Any facility that receives a paper manifest accompanying a federally regulated waste or state-only regulated waste must submit the top copy (Page 1) of the manifest and any continuation sheets to the U.S. EPA's e-Manifest system within 30 days. The copies must be submitted in an acceptable format. Submissions must be made to the e-Manifest system. See EPA's e-Manifest website (www.epa.gov/e-manifest).
- Any exporter that receives a paper manifest accompanying a hazardous waste or state-only regulated waste must submit the top copy (Page 1) of the manifest and any continuation sheets to the U.S. EPA's e-Manifest system within 30 days. The copies must be submitted in an acceptable format. Submissions must be made to the e-Manifest system. See EPA's e-Manifest website (www.epa.gov/e-manifest).
- The exporter or facility will be assessed a fee for each manifest copy submitted.

II. Instructions for International Shipments Block

Item 33a. International Shipments

For export shipments, the primary exporter must check the export box and enter the point of exit (city and state) from the United States. The primary exporter also must enter its U.S. EPA identification number, if the primary exporter is not identified in item 5 of the manifest (EPA Form 8700-22) for the export shipment. The last transporter in the United States must sign and date the manifest to indicate the day the shipment left the United States via a road or rail border crossing or the date the shipment was delivered to a sea port of exit for loading onto an international carrier. The last transporter in the United States must also provide the top copy of the manifest and any continuation sheets to the primary exporter.

For import shipments, the importer must check the import box and enter the point of entry (city and state) into the United States.

Item 33b. Waste Stream Consent Numbers

Enter the consent number of each waste record in Item 9b into the corresponding numbered box of Item 33b. If a continuation sheet is used and wastes are recorded in Item 27b, the exporter or designated facility must enter the consent number and box number of each waste recorded in item 27b into the unnumbered boxes in Item 33b.

For export shipments, the primary exporter must enter consent numbers listed in the table from the Acknowledgment of Consent (AOC) letter into Item 33b for the wastes being exported.

For import shipments, the designated facility must enter consent numbers listed in the table from the AOC letter into Item 33b for the wastes being imported.

Do not enter consent numbers in the shaded box.

III. Instructions for Transporters

Item 34. Transporter—Acknowledgment of Receipt of Materials

Enter the same number of the Transporter as identified in Item 25. Enter also the name of the person accepting the waste on behalf of the Transporter (Company Name) identified in Item 25. That person must acknowledge acceptance of the waste described on the manifest by signing and entering the date of receipt.

Item 35. Transporter—Acknowledgment of Receipt of Materials

Enter the same number of the Transporter as identified in Item 26. Enter also the name of the person accepting the waste on behalf of the Transporter (Company Name) identified in Item 26. That person must acknowledge acceptance of the waste described on the manifest by signing and entering the date of receipt.

Instructions—Continuation Sheet
U.S. EPA Form 8700-22A

Read all instructions before completing this form.

Federal regulations require generators and transporters of hazardous waste and owners or operators of receiving facilities designated on the manifest to use the uniform hazardous waste manifest (EPA Form 8700-22) and, if necessary, this continuation sheet (EPA Form 8700-22A) for both interstate and intrastate transportation. This form must be used as a continuation sheet to U.S. EPA Form 8700-22 if:

- More than two transporters are to be used to transport the waste; or
- More space is required for the U.S. DOT descriptions and related information in Item 9 of U.S. EPA Form 8700-22; or
- Shipment is being imported or exported.

This form must be purchased from a registered printer (<https://www.epa.gov/hwgenerators/approved-registered-printers-epas-manifest-registry>) and has been designed to be filled out using standard computer printers; a firm point pen may also be used—press down hard. This form can also be completed electronically in EPA's e-Manifest system.

I. Instructions for Generators

Item 21. Generator's ID Number

Enter the generator's U.S. EPA twelve-digit identification number or, the state generator identification number if the generator site does not have an EPA identification number. If an import, enter the U.S. importer's EPA identification number.

Item 22. Page _

Enter the page number of this continuation sheet.

Item 23. Manifest Tracking Number

Enter the manifest tracking number from Item 4 of the manifest form to which this continuation sheet is attached.

Item 24. Generator's Name—

Enter the generator's name as it appears in Item 5 on the first page of the manifest. If an import, enter the U.S. importer's name as it appears in Item 5.

Item 25. Transporter—Company Name

If additional transporters are used to transport the waste described on this manifest, enter the company name of each additional transporter in the order in which they will transport the waste. Enter after the word "Transporter" the order of the transporter. For example, Transporter 3 Company Name. Also enter the U.S. EPA twelve-digit identification number of the transporter described in Item 25.

Item 26. Transporter—Company Name

If additional transporters are used to transport the waste described on this manifest, enter the company name of each additional transporter in the order in which they will transport the waste. Enter after the word "Transporter" the order of the transporter. For example, Transporter 4 Company Name. Each continuation sheet can record the names of two additional transporters. Also, enter the U.S. EPA twelve-digit identification number of the transporter named in Item 26.

Item 27. U.S. D.O.T. Description Including Proper Shipping Name, Hazardous Class, and ID Number (UN/NA)

For each row, enter a sequential number under Item 27b that corresponds to the order of wastes from one continuation sheet to the next, to reflect the total number of wastes being shipped. Refer to instructions for Item 9 of the manifest for the information to be entered.

Item 28. Containers (No. And Type)

Refer to the instructions for Item 10 of the manifest for information to be entered.

Item 29. Total Quantity

Refer to the instructions for Item 11 of the manifest form.

Item 30. Units of Measure (Weight/Volume)

Refer to the instructions for Item 12 of the manifest form.

Item 31. Waste Codes

Refer to the instructions for Item 13 of the manifest form.

Item 32. Special Handling Instructions and Additional Information

Refer to the instructions for Item 14 of the manifest form.
