Subject: Takoma Rec Center monitoring site update

Hi Lori,

Monitoring operation at our Takoma Recreation Center site (AQS ID: 110010050) is down starting 4/4/23 15:00. The site has been broken-into via a window by vandals who stole data logging PC. We are working to get monitoring up and running and will keep you updated.

Berhan Teklu

Environmental Protection Specialist
Air Quality Monitoring Branch
Air Quality Division
