Hey Nate – can you send broad availability for an interagency briefing next week?

Thanks!

Mike

Hey Mike

Good question, I think we touched on this when we met a few weeks ago. There is no separate RTC document. All of the comments that are within scope for the final rule are summarized and responded to in the preamble.

Nate,

We have received the MM2A final rule in ROCIS, however we don't see a response to comment document included; was that an inadvertent error?

Thanks,

Mike
