

MEMORANDUM

TO: EPA-HQ-OAR-2003-0156

FROM: Noel Cope, EPA

SUBJECT: Redline/Strikeout – Standards Of Performance for New Stationary Sources for
Other Solid Waste Incineration Units – Subpart EEEE

The attachments to this memorandum, for the convenience of interested parties, present the redline/strikeout (RLSO) version of subpart EEEE as proposed in Standards of Performance for New Stationary Sources and Emission Guidelines for Existing Sources: Other Solid Waste Incineration Units Revisions to Definitions.
