Meeting Discussion:

OPP held two meetings with the EtO commercial sterilizer Midwest Sterilization Corporation (MSC) between September and October 2023 to discuss MSC's public comment on the EtO Proposed Interim Decision (PID), and to inform the mitigation in the EtO Interim Decision (ID).

September 28, 2023 and October 10, 2023

Discussed MSC's public comment on the EtO PID, including a number of suggestions from MSC for alternative approaches to reducing worker exposure to EtO.
