Solutions for Tomorrow's Travelers

Disclaimer – FLS

This investor presentation (this “Presentation”) is for informational purposes only. The information contained herein does not purport to be all-inclusive and none of NextTrip, Inc. (“NextTrip,” the “Company”) or its affiliates makes any representation or warranty, express or implied, as to the accuracy, completeness or reliability of the information contained in this Presentation. The Company has not verified, and will not verify, any part of this Presentation. The recipient should make its own independent investigations and analyses of the Company and its own assessment of all information and material provided, or made available, by the Company or any of its directors, officers, employees, affiliates, agents, advisors or representatives. This Presentation does not constitute a solicitation of a proxy, consent or authorization with respect to any securities. This Presentation shall also not constitute an offer to sell, a solicitation of an offer to buy, or a recommendation to purchase any securities. You should consult your own counsel and tax and financial advisors as to legal and related matters concerning the matters described herein, and, by accepting this Presentation, you confirm that you are not relying upon the information contained herein to make any decision.

Certain statements in this Presentation may be considered forward-looking statements. Forward-looking statements generally relate to future events or the Company’s future financial or operating performance. In some cases, you can identify forward-looking statements by terminology such as “may”, “should”, “expect”, “intend”, “will”, “estimate”, “anticipate”, “believe”, “predict”, “potential”, “could”, “might”, “plan”, “possible”, “project”, “would” or “continue”, or the negatives of these terms or variations of them or similar terminology. Such forward-looking statements are subject to risks, uncertainties, and other factors which could cause actual results to differ materially from those expressed or implied by such forward looking statements. These forward-looking statements are based upon estimates and assumptions that, while considered reasonable by the Company and its management, are inherently uncertain and subject to risks, variability and contingencies, many of which are beyond the Company’s control. The forward-looking statements contained in this Presentation are based on our current expectations and beliefs concerning future developments and their potential effects on us. There can be no assurance that future developments affecting us will be those that we have anticipated. We will not undertake any obligation to update or revise any forward-looking statements, whether as a result of new information, future events or otherwise, except as may be required under applicable laws. You should not place undue reliance on forward-looking statements. By accepting this presentation, the recipient agrees that it shall not seek to sue or otherwise hold the Company or any of its directors, officers, employees, affiliates, agents, advisors or representatives liable in any respect for the provision of this Presentation, the information contained in this Presentation, or the omission of any information from this Presentation.

This presentation uses financial measures that are not presented in accordance with generally accepted accounting principles in the United States (“GAAP”), such as EBITDA, to supplement financial information presented in accordance with GAAP. There are limitations to the use of the non-GAAP financial measures presented in this presentation. For example, the non-GAAP financial measures may not be comparable to similarly titled measures of other companies. Other companies may calculate non-GAAP financial measures differently than we do, limiting the usefulness of those measures for comparative purposes.

This Presentation also contains estimates and other statistical data made by independent parties and by the Company relating to market size and growth and other data about the Company’s industry. This data involves a number of assumptions and limitations, and you are cautioned not to give undue weight to such estimates. In addition, projections, assumptions, and estimates of the future performance of the markets in which the Company operates are necessarily subject to a high degree of uncertainty and risk.

NextTrip: Building the Future of Travel

The pandemic has drastically shifted travel habits, opening new chances to attract travelers by improving search and booking experiences.

Millennials and Gen Zs are now using video, user reviews, concierge services, and AI assistance as key tools to discover, plan, and book their trips.

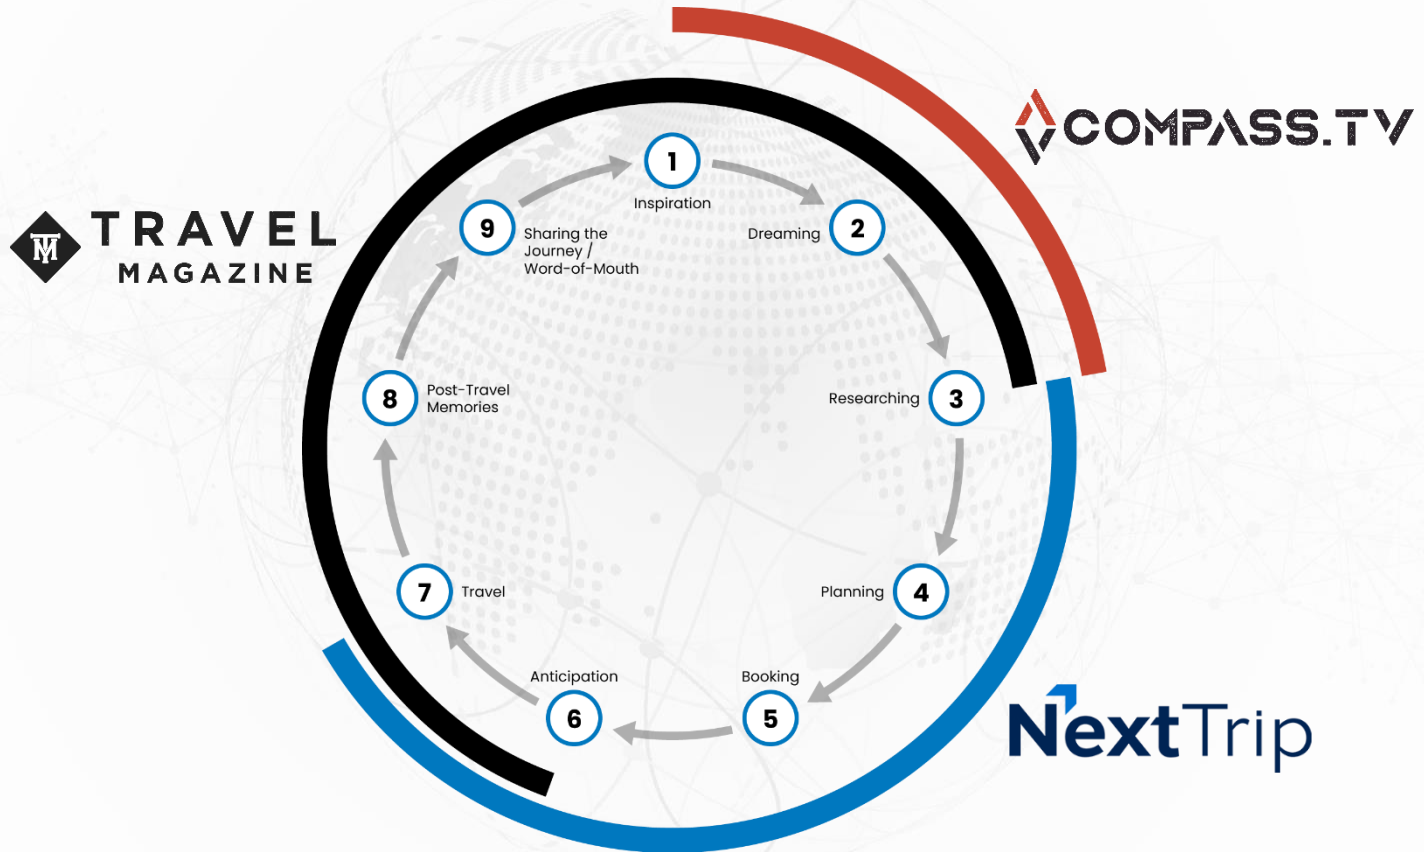

NextTrip provides innovative technology and booking solutions for all types of travelers.

Our vision is to lead the travel industry's evolution by offering personalized travel services.

Our technology targets untapped and under-served areas in the travel market.

Our growth is driven by advanced technology, immersive media, and personalized services, blending modern and traditional approaches.

NextTrip Engages Travel Consumers At All Stages Of Travel

NextTrip Booking Solutions

Integrated Travel Booking Platform

- NextTrip acquired Bookit.com's booking engine, built with over \$40 million investment and handled \$480 million in yearly transactions.
- This technology is being enhanced to support direct consumers, travel agents, group bookings, alternative lodging and business travel.
- The platform will offer white-label options and embeddable booking widgets.
- Partnerships with over 3 million lodging, air and tour product suppliers are already in place.
- The platform is accessible on all devices and allows users to save their progress while traveling.

Key Differentiators in our Booking Platform targeting underserved areas of Travel

- **Groups Platform** - Our group booking platform is designed for groups of 10 to 1000+ modern travelers, attending everything from conferences and conventions, to destination weddings and family reunions. We offer an unmatched and seamless experience for group travel.
- **Licensing Solutions** - Our technology drives product expansion and revenue through technology licensing, including white-labeled solutions. We're also developing a SaaS model with monthly subscriptions for key tech and innovative platforms.
- **Travel Agent Platform** - We will be delivering a modern platform to allow travel agents to access our inventory, social media programs and owner participation in our company.
- **Travel Planning Assist** - Our dedicated concierge team and AI integration work together to provide personalized travel planning, streamline operations, reduce costs, and enhance customer service.
- **Relationship Building** - Unique approach lowers acquisition costs, improves service quality, and fosters long-term customer relationships with superior travel experiences.

NextTrip Media Solutions

NextTrip Acquisition(s)

NextTrip Plans to Acquire Five Star Alliance

Launched in 2004, Five Star Alliance is considered the authority on luxury hotels with coverage by CBS News, The Sun, Business Insider, Forbes, Travel & Leisure, USA Today, Nikkei Japan

The screenshot shows the Five Star Alliance website's search interface. At the top, there is a navigation bar with the logo, a search bar, and links for reviews and reservations. Below this is a main navigation menu with categories like 'World's Best Hotels', 'Offers', 'Cruise', 'Residences', 'Why Book with Us', 'FAQ', and 'Find a Luxury Hotel'. The central part of the page features a search form for 'SEARCH EXCLUSIVE LUXURY HOTELS OFFERS' with dropdown menus for 'REGION', 'COUNTRY', and 'CITY', and date pickers for 'CHECK IN' and 'CHECK OUT'. A 'Search Hotels' button is positioned to the right of the date pickers. Below the search form is a section for 'SEARCH EXCLUSIVE LUXURY CRUISE OFFERS' with a hand cursor icon. At the bottom, there is a welcome message and a small icon of the Five Star Alliance logo.

SEARCH EXCLUSIVE LUXURY CRUISE OFFERS

Welcome to Five Star Alliance, the luxury travel experts. We offer the lowest rates, extra amenities, and exclusive offers at the most comprehensive, hand-picked collection of five star luxury hotels and resorts. We're secure, trusted, and have been highly recommended since 2005. Backed by our award winning staff to guide and assist you throughout your entire journey, we provide a full range of travel products including airfare, transportation, luxury river and ocean cruises, group and meeting services, plus concierge services.

- ➔ Boasts the largest collection of luxury hotel and cruise offerings in the world under one brand.
- ➔ Five Star Alliance's 20 year reputation and awareness in the marketplace gives NextTrip a valued partner with established relationships, media influence, and press coverage.
- ➔ Two decades of history has helped to build more than 5,000 contracted rates created directly and across consortia, cruise, and hotel programs

NextTrip's Travel Platform and Consolidation Opportunity

NextTrip <u>Travel</u> Projections *	2025
Leisure Travel	\$12,823,000
5 Star (acquisition)	\$12,000,000
New Platforms	
Groups	\$2,500,000
Travel Agents	\$200,000
Cruise	\$576,000
Total	\$28,099,000*

* assumes NextTrip acquires Five Star Alliance and successfully integrates early 2025 with added marketing and operation capital from funding

- **Branding** – One Trust Pilot's highest rated travel brands
- **Site Traffic** – Significant travel enquiries and site traffic with ZERO Marketing budget
- **Consortia Ownership** – Five Star Alliance has a fractional ownership in the Signature Travel Agent Consortia which sources private travel offers from over 2000 global travel suppliers. The Consortia's combined sales volume exceeds \$11 billion. This purchasing power gives the Network access to highly discounted travel offerings with exclusive benefits to its 286 owners.
- **Cruise Platform** – Five Star has access to significantly discounted cruise contracts and booking platform NextTrip can capitalize on by using its staff and 6 million email list to launch luxury cruise programs
- **Proprietary Search Engine** – the platform sources significant discounts on over 5000 4 and 5-Star properties that can be incorporated into NextTrip booking engine.
- **Groups Travel** – the company generated over 25 leads per month for groups travel (10 to 1000 travelers) that can be immediately fed into the NextTrip Groups Platform with in-house service and increased margin.

NEXTTRIP FOUNDING INVESTORS

Collectively invested over \$9 million into NextTrip with key investors below expected to become NextTrip Board Members

Donald P. Monaco has nearly five decades of experience in international information technology and business management. With deep roots in the technology innovation, he served as a Partner and Senior Executive at Accenture during his 28 years with the organization. He is also the founder and owner of Monaco Air Duluth and has been appointed by Minnesota Governors since 2009 to serve as a Commissioner of the Metropolitan Airports Commission in Minneapolis–St. Paul, Minnesota.

Jeff Olyniec is a General Partner at early-stage Venture Capital firm Moneta Ventures located in Sacramento and Austin. Since 1996, Jeff has assumed various management roles within the sports and hospitality industries in China. Jeff has founded several companies served in many leadership positions at the executive and board levels, including as the co-founder and CEO of a global electronics manufacturing company, New Vision Display.

David Jiang is an experienced entrepreneur and investment executive currently focused on disruptive and socially impactful projects in AI, GreenTech, FinTech, and BioTech. He brings deep international perspectives, having held senior executive positions in Tokyo, London, Hong Kong, Shanghai, San Francisco and New York. He was CEO of AIG's \$75 Billion PineBridge Investments, operating in over 20 countries. Prior to PineBridge, he was CEO of BNY Mellon asset management for Asia-Pacific.

William La Macchia Jr. has more than 30 years of experience in travel, hotel, airlines and hospitality management, Bill brings deep industry experience and an extensive background in strategic development, operations, business acquisition and integration. Bill was Chief Engagement Officer of The Mark Travel Corporation (TMT) and Trisept Solutions, leading the company to more than \$4 billion in annual sales.

Stephen Kircher has extensive international experience in operations and mergers and acquisitions of both public and private companies along with a deep knowledge of both the capital and private markets. He has managed companies and operations in the US, China, and Europe. The Kircher Family Office holdings include ownership of the Frangipani Beach Resort, a boutique hotel on Anguilla, British West Indies and Global Unlimited Processing, an ISO with direct relationships to First Data and other merchant processors.

Management Team

Bill Kerby, Founder & CEO, brings more than two decades of experience in the travel and media industries, and approximately a decade of experience in the financial industry. He has extensive experience bringing companies into public markets in both the TSX and Nasdaq, serving as CEO for various travel and media companies including Maupintour, Extraordinary Vacations, Travelbyus and Leisure Canada.

Frank Orzechowski, CFO, serves as Chief Financial Officer bringing significant experience leading financial operations across the public and private sectors. He previously served as the Chief Financial Officer of Storm Harbour Partners LP, an independent global markets and financial advisory firm. Prior to that, he held a variety of senior executive positions, primarily in the financial services industry. He began his career at Coopers & Lybrand, and is a Certified Public Accountant.

Lyndsey North, President, has nearly 20 years of experience in leisure tour and travel technology with industry-leading companies. Prior to joining NextTrip, Lyndsey oversaw supplier strategy and investments for The Mark Travel Corporation / Apple Leisure Group across the B2B and B2C travel marketplace. She brings deep experience in building brands with a focus on profitability and scalability.

Gregory P. Miller, VP, has served as both a CFO and CEO across several verticals, including multiple companies in the travel industry. With more than 30 years of experience in both the public and private sectors, Greg has led multiple acquisitions and has a proven track record of exceeding growth targets.

Rama Marupilla, CIO, has over 25 years of experience in software development, infrastructure management and data security, Rama Marupilla brings a holistic approach to technology development. Prior to joining NextTrip, Rama served as part of the technology leadership team for NYC & Company. Most recently, he served as Partner and VP of Software Development at Marketing Edge Group.

Amy Proost, Chief Sales & Ops. Officer, is a seasoned travel executive with more than 25 years of experience across the OTA and the wholesale travel product space. Amy brings strong operational knowledge, deep industry relationships and a relationship-focused approach to growing the business.

Richard Marshall, Director of Corp. Development, has 30 years of senior executive experience generating growth opportunities and developing relationships for global corporations. Previously, he was Director of Corporate Development at Monaker Group & NextPlay. He also served as VP of IR and VP corporate development at a NYSE-traded natural resources company, helping secure \$600 million in financings and was a key member of the team that won a WorldBank ICSID \$1.4 Billion Arbitration Award against Venezuela.
