GENERAL MEETING INFORMATION

We are providing this Proxy Statement on behalf of the board of trustees of National Storage Affiliates Trust, a Maryland real estate investment trust (the "Company," "we," "our" or "us"), to solicit your proxies for use at the Annual Meeting. Our common shares of beneficial interest, par value \$0.01 per share (the "Common Shares"), are listed on the New York Stock Exchange (the "NYSE") under the symbol "NSA".

This Proxy Statement, the Notice of Annual Meeting of Shareholders and the related proxy card are first being made available to shareholders on or about April 5, 2019.

VOTING INFORMATION

Meeting Date, Time and Location

The Annual Meeting will be held at 8400 East Prentice Avenue, 2nd Floor, Greenwood Village, Colorado 80111, on May 23, 2019, at 8:00 a.m., local time, or at any postponements or adjournments thereof.

Record Date

The record date is March 29, 2019.

Who Can Vote

Holders of our Common Shares on the close of business on the record date are entitled to vote. For all matters submitted for a vote at the Annual Meeting, each Common Share is entitled to one vote. As of March 29, 2019, we had 56,699,541 Common Shares that are issued, outstanding and entitled to vote at the Annual Meeting (including unvested restricted Common Shares).

Proxy Materials Provided Through Internet

Pursuant to the rules adopted by the Securities and Exchange Commission (the "SEC"), we have provided access to our proxy materials over the Internet, and we are sending a Notice of Internet Availability of Proxy Materials (the "Notice") to our common shareholders of record who are entitled to vote at the Annual Meeting. We believe that posting these materials on the Internet enables us to provide shareholders with the information that they need more quickly. It also lowers our costs of printing and delivering these materials and reduces the environmental impact of the Annual Meeting. The Notice and this Proxy Statement summarize the information you need to know to vote by proxy or in person at the Annual Meeting.

Shareholders of Record and Holders in "Street Name"

If you are a registered holder of Common Shares as of the close of business on the record date, the Notice was sent directly to you and you may vote your Common Shares in person at the Annual Meeting or by proxy. If you hold Common Shares in "street name" through a brokerage firm, bank, broker-dealer or other intermediary, you are a beneficial owner, and the Notice was forwarded to you by that intermediary and you must follow the instructions provided by the intermediary regarding how to instruct the intermediary to vote your Common Shares.

Recommendations of our Board of Trustees

Our board of trustees recommends that your vote:

- ✓ **FOR the Election of Nine Trustees to Serve on our Board of Trustees**
- ✓ **FOR the Ratification of KPMG LLP as our Independent Registered Public Accounting Firm for 2019**
- ✓ **FOR the Advisory Approval of our Executive Compensation**

The board of trustees knows of no other matters that may properly be brought before the Annual Meeting. If other matters are properly introduced, the persons named in the proxy as the proxy holders will vote on such matters in their discretion.

Quorum Required

The presence, in person or by proxy, of holders of Common Shares entitled to cast a majority of all the votes entitled to be cast at the Annual Meeting on any matter to be considered at the Annual Meeting shall constitute a quorum. Abstentions and broker non-votes are each included in the determination of the number of shares present at the Annual Meeting for the purpose of determining whether a quorum is present.

A broker non-vote occurs when a nominee holding shares for a beneficial owner (*i.e.*, a brokerage firm, bank, broker-dealer or other intermediary) delivers a properly-executed proxy but does not vote on a particular proposal because the nominee does not have discretionary voting power for that particular matter and has not received instructions from the beneficial owner.

Vote Required

If a quorum is present, then the affirmative vote required to approve the proposals described in this Proxy Statement are as follows:

Proposal	Vote Required
Election of a Trustee	A majority of votes cast for and against the election of such nominee
Ratification of KPMG LLP as Independent Registered Public Accounting Firm for 2019	A majority of votes cast on the proposal
Non-Binding Vote to Approve Executive Compensation	A majority of votes cast on the proposal

The vote on compensation is advisory and not binding on our board of trustees. However, our board of trustees and the Compensation, Nominating and Corporate Governance Committee of our board of trustees (our "CNCG Committee") value all shareholder feedback and will consider the outcome of the vote in reviewing executive compensation.

How Proxies will be Voted

Common Shares represented by properly submitted proxies received by us prior to the Annual Meeting will be voted according to the instructions specified on those proxies.

If you are a registered holder of Common Shares and have given a properly authorized proxy without specifying any voting instructions, and the proxy is not revoked prior to the Annual Meeting, then the Common Shares represented by such proxy will be voted:

- **FOR** the election of the nominees named in this Proxy Statement as trustees;
- **FOR** the ratification of the appointment of KPMG LLP as our independent registered public accounting firm for the fiscal year ending December 31, 2019; and
- **FOR** the approval of the compensation of the Named Executive Officers as described in this Proxy Statement.

As to any other business which may properly come before the Annual Meeting or any postponements or adjournments thereof, the persons named as proxy holders on your proxy card will vote the Common Shares represented by properly submitted proxies in their discretion.

If you hold your Common Shares in "street name" through a brokerage firm, bank, broker-dealer or other intermediary, then under NYSE rules, your nominee may vote your Common Shares without receiving instructions from you only with respect to the ratification of the appointment of KPMG LLP as our independent registered public accounting firm for the fiscal year ending December 31, 2019. All other matters that are to be voted upon at the Annual Meeting are considered to be "non-routine" matters. If you hold your shares in street name and do not give the intermediary specific voting instructions on the election of trustees or the advisory vote regarding the compensation of our Named Executive Officers, your shares will not be voted on those items, and a broker non-vote will occur. Broker non-votes and abstentions will have no effect on the voting results for any of the proposals.

How to Vote

You can vote in any of the following ways:

- **By Internet:** To use the Internet to transmit your voting instructions and for electronic delivery of information, have your proxy card in hand when you access the website at www.proxyvote.com, and follow the instructions to obtain your records and to create an electronic voting instruction form. If you hold your Common Shares in street name, you must obtain a proxy form from your brokerage firm, bank, broker-dealer or other intermediary in order to vote your Common Shares at the Annual Meeting. To vote in person at the Annual Meeting, you will be required to present a valid form of identification.

Even if you plan to attend the Annual Meeting, your plans may change, so we recommend you vote in advance of the meeting.

How to Revoke a Proxy

Any common shareholder of record submitting a proxy retains the power to revoke such proxy at any time prior to its exercise at the Annual Meeting by (i) delivering at or prior to the Annual Meeting a written notice of revocation to our secretary at National Storage Affiliates Trust, 8400 East Prentice Avenue, 9th Floor, Greenwood Village, CO 80111, (ii) submitting a later-dated proxy or (iii) voting in person at the Annual Meeting. Attending the Annual Meeting will not automatically revoke your previously submitted proxy unless you vote in person at the Annual Meeting.

ANNUAL REPORT

This Proxy Statement is accompanied by our annual report on Form 10-K, as supplemented by our Form 10-K/A, for the year ended December 31, 2018 (collectively, our "Form 10-K"), which is our Annual Report to Shareholders for the year ended December 31, 2018.

PROPOSAL 1: ELECTION OF TRUSTEES

BOARD OF TRUSTEES

Our board of trustees is currently comprised of nine trustees. Kevin M. Howard, one of our current trustees, has elected to retire from the Board effective May 23, 2019, the date of our Annual Meeting. Accordingly, Mr. Howard is not standing for re-election at the Annual Meeting. Upon the recommendation of our CNCG Committee, our board of trustees has determined to maintain the size of our board at nine trustees, has nominated our other current trustees for re-election, and has also nominated J. Timothy Warren to stand for election at the Annual Meeting. As a result, the trustee nominees standing for re-election or election, as the case may be, at the Annual Meeting are listed below.

Arlen D. Nordhagen	Chad L. Meisinger	Rebecca L. Steinfort
George L. Chapman	Steven G. Osgood	Mark Van Mourick
Paul W. Hylbert, Jr.	Dominic M. Palazzo	J. Timothy Warren

Each trustee elected will hold office until our next annual meeting of shareholders and until a successor has been duly elected and qualifies, or until the trustee's earlier resignation, death or removal.

We seek highly qualified trustee candidates from diverse business, professional and educational backgrounds who combine a broad spectrum of experience and expertise with a reputation for the highest personal and professional ethics, integrity and values. The CNCG Committee considers diversity of gender, age, experience and skills as important factors in choosing the most qualified candidates. We believe that, as a group, the nominees bring a broad range of perspectives that contribute to the effectiveness of our board of trustees as a whole. The procedures and considerations of the CNCG Committee in recommending qualified trustee candidates are described below under "Corporate Governance—Identification of Trustee Candidates" in this Proxy Statement. The CNCG Committee and our board of trustees concluded that each of our trustee nominees should be nominated for election based on the qualifications and experience described in the biographical information below under "—Information Regarding Nominees for Election as Trustees."

It is intended that the Common Shares represented by properly submitted proxies will be voted by the persons named therein as proxy holders **FOR** the election of Messrs. Nordhagen, Chapman, Hylbert, Meisinger, Osgood, Palazzo, Van Mourick and Warren and Ms. Steinfort as trustees, unless otherwise instructed. If the candidacy of any trustee nominee should, for any reason, be withdrawn prior to the Annual Meeting, the proxies will be voted by the proxy holders in favor of such substituted candidates (if any) as shall be nominated by our board of trustees. Our board of trustees has no reason to believe that, if elected, any of the nominees will be unable or unwilling to serve as a trustee.

Ms. Steinfort graduated from Harvard University with a masters in business administration and graduated from Princeton University with a bachelor of arts degree. We believe that her valuable experience in marketing, technology and strategic planning will continue to bring valuable experience and perspective to our board of trustees and her experience and knowledge qualify her to serve as one of our trustees.</p>

MARK VAN MOURICK Age: 62	Mr. Van Mourick has served as one of our trustees since the closing of our IPO in April 2015. Mr. Van Mourick is a co-owner of Optivest Properties, LLC ("Optivest"), one of our PROs, which he co-founded in 2007. He is also the founder, and was the chief executive officer until 2018, of Optivest Wealth Management, an SEC registered wealth management firm serving wealthy families in southern California since 1987. In addition, Mr. Van Mourick currently serves as the chairman of the board of Optivest Foundation and serves on the board of Northrise University. Mr. Van Mourick has been a principal, general partner, managing member and/or agent in more than 80 real estate syndications since 1991. Prior to founding Optivest and Optivest Wealth Management, Mr. Van Mourick was a senior vice president and principal at Smith Barney, Harris, Upham. Mr. Van Mourick graduated from the University of Southern California with a dual bachelor of science degree in international finance and management. We believe his unique combination of real estate, self storage and financial experience will continue to bring valuable perspective to our board of trustees and his experience and knowledge qualify him to serve as one of our trustees.
J. TIMOTHY WARREN Age: 64	Mr. Warren has been nominated to serve as one of our trustees and would qualify as an independent trustee. Mr. Warren has served as a member of our PRO advisory committee since our IPO in April 2015. Since 1996, Mr. Warren has served as president of Three Oaks Development Co., a commercial real estate development company specializing in building and leasing industrial business parks in Portland, Oregon. During this time, Mr. Warren has also played an active role in developing and acquiring over 33 self storage facilities in conjunction with Northwest Self Storage, one of the Company's PROs. Prior to joining Three Oaks Development Co. in 1995, Mr. Warren founded JTW Computer Systems in 1976, which provided hardware, software and a time share computing environment for small to medium sized companies nationwide. Mr. Warren served as president of JTW Computer Systems until the company was sold in 1995. Mr. Warren has also served on the board of directors and as president of the Portland Chapter of NAIOP (National Association of Industrial and Office Properties), and as an elected official on the Board of Supervisors of Multnomah County Drainage District #1. Mr. Warren graduated from the University of Oregon with a bachelor of science degree in computer science and a minor in accounting. We believe that Mr. Warren's background in self storage, real estate, technology and strategic planning bring valuable experience and perspective to our board of trustees and qualify him to serve as one of our trustees.

A summary of the experience of our trustee nominees is set forth below.

Our board of trustees recommends a vote FOR the election of Messrs. Nordhagen, Chapman, Hylbert, Meisinger, Osgood, Palazzo, Van Mourick and Warren and Ms. Steinfort as trustees.

We have not received notice of any additional candidates to be nominated for election as trustees at the Annual Meeting and the deadline for notice of additional candidates has passed. Consequently, the election of trustees will be an uncontested election and the provisions of our Second Amended and Restated Bylaws (the "Bylaws") providing for majority voting in uncontested elections will apply. See "Corporate Governance–Majority Vote and Trustee Resignation Policy" below. Under majority voting, to be elected as a trustee, a nominee must receive votes "FOR" his or her election constituting a majority of the total votes cast for and against such nominee at the Annual Meeting at which a quorum is present. If a nominee who currently is serving as a trustee does not receive sufficient "FOR" votes to be re-elected, Maryland law provides that the trustee would continue to serve on our board of trustees as a "holdover" trustee. Under our Bylaws and corporate governance guidelines (the "Guidelines"), he or she must submit his or her resignation to our board of trustees. Our CNCG Committee will consider such tendered resignation and recommend to our board of trustees whether to accept it. Our board of trustees will decide whether to accept any such resignation within 90 days after certification of the election results and will publicly disclose its decision. If the resignation is not accepted, the trustee will continue to serve until the trustee's successor is duly elected and qualifies or until the trustee's earlier death, resignation, retirement or removal. If a trustee's offer to resign is accepted by our board of trustees, or if a nominee for trustee is not elected and the nominee is not an incumbent trustee, then our board of trustees, in its sole discretion, may fill any resulting vacancy pursuant to the Bylaws. Proxies solicited by our board of trustees will be voted **FOR** Messrs. Nordhagen, Chapman, Hylbert, Meisinger, Osgood, Palazzo, Van Mourick and Warren and Ms. Steinfort, unless otherwise instructed. Abstentions and broker non-votes will not be counted as votes cast and will have no effect on the result of the vote, although they will be considered present for the purpose of determining the presence of a quorum.

In accordance with our declaration of trust (the "Declaration of Trust") and our Bylaws, any vacancies occurring on our board of trustees, including vacancies occurring as a result of the death, resignation, or removal of a trustee, or due to an increase in the size of the board of trustees, may be filled only by the affirmative vote of a majority of the remaining trustees in office, even if the remaining trustees do not constitute a quorum, and any trustee elected to fill a vacancy will serve for the remainder of the full term of the trusteeship in which the vacancy occurred and until a successor is duly elected and qualifies.

There is no familial relationship, as defined under SEC regulations, among any of the trustees or our Named Executive Officers. See "Corporate Governance–Trustee Independence."

PROPOSAL 2: RATIFICATION OF APPOINTMENT OF INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM

The audit committee of our board of trustees (the "Audit Committee") has appointed KPMG LLP as our independent registered public accounting firm for the fiscal year ending December 31, 2019. Our board of trustees is requesting that our shareholders ratify this appointment of KPMG LLP.

KPMG LLP has audited our consolidated financial statements since the Company's formation. KPMG LLP has also provided certain other services to us.

Neither our Bylaws nor other governing documents or law require shareholder ratification of the Audit Committee's appointment of KPMG LLP as our independent registered public accounting firm. However, our board of trustees is submitting the appointment of KPMG LLP to the shareholders for ratification as a matter of good corporate practice. If the ratification of this appointment is not approved at the Annual Meeting, the Audit Committee will review its future selection of our independent registered public accounting firm. Even if the selection is ratified, the Audit Committee, in its discretion, may direct the appointment of a different independent registered public accounting firm at any time during the year if it determines that such a change would be in our best interests.

Representatives of KPMG LLP are expected to be present at the Annual Meeting and will be provided with an opportunity to make a statement if so desired and to respond to appropriate inquiries from shareholders.

INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM FEES

The following table summarizes the aggregate fees billed to us for professional services provided by KPMG LLP for the years ended December 31, 2018 and 2017.

	2018	2017
Audit Fees ⁽¹⁾	\$ 903,169	\$ 1,092,500
Audit-Related Fees	-	-
Tax Fees	-	-
All Other Fees	-	-
Total	\$ 903,169	\$ 1,092,500

(1) Audit Fees include fees related to the annual audit of the Company included in our annual report on Form 10-K, the review of the consolidated financial statements included in our quarterly reports on Form 10-Q, accounting consultations attendant to the audit, and for services associated with our public offerings, including review of registration statements and prospectuses and related issuances of comfort letters and consents and other services related to SEC matters. Audit fees also include costs related to the audit of the Company's internal control over financial reporting based on criteria established in 2013 by the Committee of Sponsoring Organizations of the Treadway Commission.

In accordance with the Audit Committee charter, the Audit Committee reviews and pre-approves the engagement fees and the terms of all audit and non-audit services to be provided by the external auditors and evaluates the effect thereof on the independence of the external auditors.

A majority of all of the votes cast on this proposal at the Annual Meeting is required for its approval. Proxies solicited by our board of trustees will be voted FOR this proposal, unless otherwise instructed. Abstentions and broker non-votes will not be counted as votes cast and will have no effect on the result of the vote, although they will be considered present for the purpose of determining the presence of a quorum.

Our board of trustees recommends a vote FOR the ratification of the appointment of KPMG LLP as our independent registered public accounting firm for our fiscal year ending December 31, 2019.

PROPOSAL 3: NON-BINDING VOTE ON EXECUTIVE COMPENSATION

We are requesting that our shareholders approve, on an advisory (non-binding) basis, the compensation of our Named Executive Officers as disclosed in this Proxy Statement.

We believe that our compensation policies and practices are strongly aligned with the long-term interests of our shareholders. Shareholders are urged to read the Compensation Discussion and Analysis section of this Proxy Statement, which discusses our compensation philosophy and how our compensation policies and practices implement our philosophy.

As described more fully in that discussion, our compensation programs are designed to attract and retain the best executive talent in a way that allows us to align the interests of our Named Executive Officers with those of our shareholders. We seek to encourage the achievement of our business strategies, the creation of company growth, and the retention of our Named Executive Officers in a manner that is consistent with appropriate risk-taking and based on sound corporate governance practices.

In furtherance of this philosophy, the CNCG Committee has implemented a pay for performance compensation framework to compensate our Named Executive Officers for favorable shareholder returns, the Company's competitive position within its segment of the real estate industry and each Named Executive Officer's contributions to the Company.

We are requesting your non-binding vote on the following resolution:

"RESOLVED, that our shareholders approve, on an advisory basis, the compensation of our Named Executive Officers as described in this Proxy Statement for the 2019 Annual Meeting of Shareholders pursuant to the compensation disclosure rules of the SEC, including the Compensation Discussion and Analysis, the Summary Compensation Table and the other related tables and narrative disclosure."

Because your vote is advisory, it will not be binding upon us or our board of trustees. However, the CNCG Committee, which is responsible for designing and administering our executive compensation programs, values your opinion and will take into account the outcome of the vote when considering future executive compensation arrangements.

If a quorum is present, the affirmative vote of a majority of the votes cast on the proposal at the Annual Meeting is required to approve, on an advisory basis, the compensation of our Named Executive Officers. Proxies solicited by our board of trustees will be voted FOR this proposal, unless otherwise instructed. Abstentions and broker non-votes will not be counted as votes cast and will have no effect on the result of the vote, although they will be considered present for the purposes of determining the presence of a quorum.

Our board of trustees recommends a vote FOR approval of the compensation of the Named Executive Officers as described in the Compensation Discussion and Analysis, the compensation tables and other narrative disclosure in this Proxy Statement.

REPORT OF THE AUDIT COMMITTEE

The Audit Committee has furnished the following report for the fiscal year ending December 31, 2018:

The Audit Committee is responsible for monitoring the integrity of our consolidated financial statements, our system of internal controls, our risk management, the qualifications, independence and performance of our independent registered public accounting firm and our compliance with related legal and regulatory requirements. The Audit Committee has the sole authority and responsibility to select, determine the compensation of, evaluate and, when appropriate, replace our independent registered public accounting firm. The Audit Committee operates under a written charter adopted by our board of trustees.

Management is primarily responsible for our financial reporting process including the system of internal controls and for the preparation of consolidated financial statements in accordance with accounting principles generally accepted in the United States. KPMG LLP, our independent registered public accounting firm, is responsible for performing an independent audit of our annual consolidated financial statements and expressing an opinion as to their conformity with accounting principles generally accepted in the United States and on the effectiveness of the company's internal controls over financial reporting based on criteria established in 2013 by the Committee of Sponsoring Organizations of the Treadway Commission. The Audit Committee's responsibility is to oversee and review the financial reporting process. The Audit Committee is not, however, professionally engaged in the practice of accounting or auditing and does not provide any expert or other special assurance as to such financial statements concerning compliance with laws, regulations or accounting principles generally accepted in the United States or as to auditor independence. The Audit Committee relies, without independent verification, on the information provided to it and on the representations made by our management and our independent registered public accounting firm.

The Audit Committee held seven meetings in 2018. Representatives of KPMG LLP were in attendance at six of our Audit Committee meetings. These meetings were designed, among other things, to facilitate and encourage communication among the Audit Committee, management and KPMG LLP. At these meetings, among other things, the Audit Committee reviewed and discussed with management the consolidated financial statements contained in our quarterly and annual periodic reports, as applicable, as well as our earnings releases. The Audit Committee also discussed with KPMG LLP matters that independent accounting firms must discuss with audit committees under generally accepted auditing standards and standards of the Public Company Accounting Oversight Board ("PCAOB"), including, among other things, matters related to the conduct of the audit of our consolidated financial statements and the matters

required to be discussed by Auditing Standard No. 1301: Communications with Audit Committees, which included a discussion of KPMG LLP's judgments about the quality (not just the acceptability) of our accounting principles as applied to financial reporting. The Audit Committee met with KPMG LLP, with and without management present, to discuss the results of their audits.

The Audit Committee also discussed with KPMG LLP their independence from us. KPMG LLP provided to the Audit Committee the written disclosures and the letter required by applicable requirements of the PCAOB regarding the independent accountant's communication with audit committees concerning independence and represented that it is independent from us. The Audit Committee also received regular updates on the amount of fees and scope of audit and tax services provided by KPMG LLP.

Based on the Audit Committee's review and these meetings, discussions and reports, and subject to the limitations on the Audit Committee's role and responsibilities referred to above and in its written charter, the Audit Committee unanimously recommended to our board of trustees that our audited consolidated financial statements for the fiscal year ended December 31, 2018 be included in our annual report on Form 10-K filed with the SEC.

Dominic M. Palazzo
Steven G. Osgood
Rebecca L. Steinfort

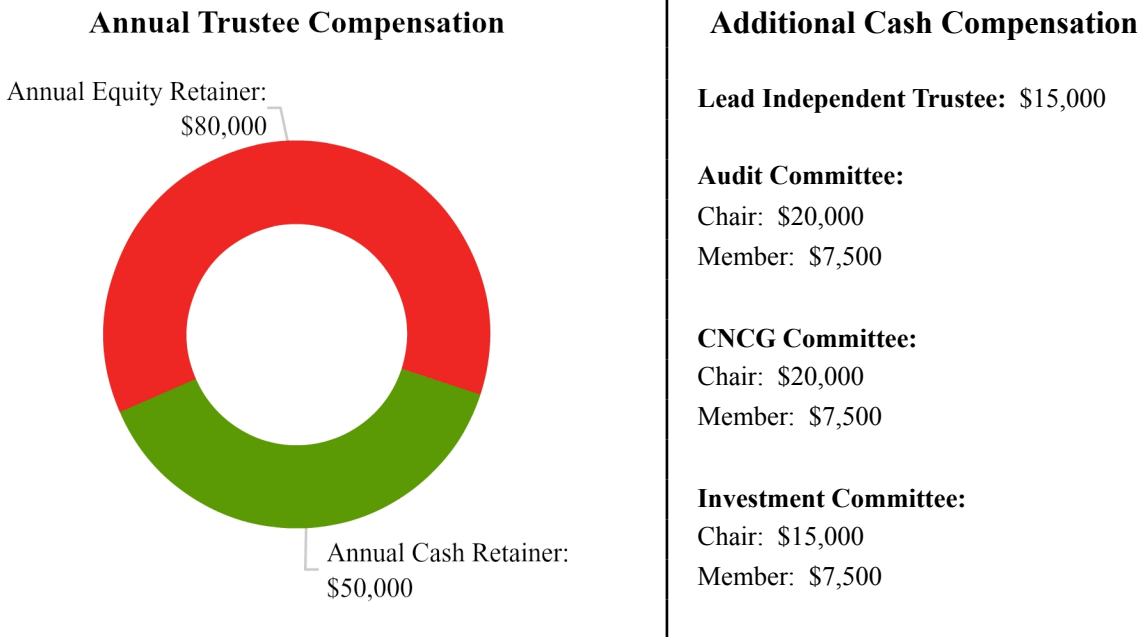

The foregoing Report of the Audit Committee shall not be deemed under the Securities Act of 1933, as amended (the "Securities Act"), or the Exchange Act, to be (i) "soliciting material" or "filed" or (ii) incorporated by reference by any general statement into any filing made by us with the SEC, except to the extent that we specifically incorporate such report by reference.

COMPENSATION OF INDEPENDENT TRUSTEES

Each independent trustee is permitted, but is not obligated, to elect to receive between 50% and 100% of the value of the total annual cash compensation described below in equity, with such election to be made annually. We also reimburse each of our trustees for travel expenses incurred in connection with attending board of trustees and committee meetings.

The table below summarizes the annual compensation received by our independent trustees during 2018.

For 2018, each independent trustee elected to receive some or all of their annual cash compensation in the form of equity

- (1) For those trustees that elected in 2018 to receive any portion of the value of their 2018 annual cash compensation in equity, grants for the full value of such compensation were made on May 24, 2018, based on the closing price of our common shares on May 24, 2018 of \$27.29. Each of Messrs. Chapman, Hylbert, Meisinger, and Osgood and Ms. Steinfort elected to receive payment of 100% of the value of his or her 2018 annual cash compensation in LTIP units which represent a class of partnership interests in our operating partnership, NSA OP, LP (our "operating partnership") and Mr. Palazzo elected to receive 50% of such value in LTIP units. Accordingly, Messrs. Chapman, Hylbert, Meisinger, Osgood and Palazzo and Ms. Steinfort were awarded 5,497, 5,589, 5,314, 5,589, 4,352, and 5,039 LTIP units, respectively. With respect to the portion of Mr. Palazzo's 2018 annual cash compensation taken in cash, Mr. Palazzo was paid three-fourths of such amount in equal quarterly installments between April 1, 2018 and December 31, 2018 and one-fourth of such amount was paid in 2018 in respect of his 2017 compensation levels. The remaining installment of Mr. Palazzo's 2018 cash compensation was paid in 2019 and is not reflected in the above table. The dollar value shown in the table above for the LTIP units taken in lieu of cash compensation represents the aggregate grant date fair value computed in accordance with Financial Accounting Standards Board Accounting Standards Codification ("ASC") Topic 718. The following table sets forth the aggregate number of outstanding compensatory LTIP units held by our non-employee trustees that had not vested as of December 31, 2018:

- (2) Messrs. Howard and Van Mourick did not receive compensation as trustees because we did not consider them independent in 2018 under the NYSE listing standards and our Independence Standards (as defined below). In February 2019, our board of trustees determined that Mr. Van Mourick satisfied the qualifications to be an independent trustee under the NYSE listing standards and our Independence Standards. In addition, the board of trustees determined that Mr. Warren, who is a trustee nominee, also satisfies such standards, subject to his election at the Annual Meeting. See "Corporate Governance—Trustee Independence" below. Accordingly, in 2019, subject to their election at the Annual Meeting, Messrs. Van Mourick and Warren will be eligible to receive trustee compensation as independent trustees.
- (3) Excludes consideration paid to Messrs. Howard and Van Mourick or entities controlled or managed by each of them, or in which they have an ownership interest, in connection with the acquisition by us of self storage properties. Each independent trustee is subject to our minimum equity ownership guidelines. See "Compensation Discussion and Analysis—Minimum Equity Ownership Guidelines."

ROLE OF THE BOARD OF TRUSTEES AND RISK OVERSIGHT

Pursuant to our Declaration of Trust and Bylaws, our business and affairs are managed under the direction of our board of trustees. Our board of trustees has the responsibility for establishing broad corporate policies and for our overall performance and direction, but is not involved in our day-to-day operations. Members of our board of trustees keep informed of our business by participating in meetings of our board of trustees and its committees, by reviewing analyses, reports and other materials provided to them and through discussions with Mr. Nordhagen, our chairman and chief executive officer, and other Named Executive Officers.

In connection with their oversight of risk to our business, our board of trustees and the Audit Committee consider feedback from management concerning the risks related to our business, operations and strategies. The Audit Committee discusses and reviews policies with respect to our risk assessment and risk management, including guidelines and policies to govern the process by which risk assessment and risk management is undertaken, the adequacy of our insurance coverage, our interest rate risk management, our counter-party and credit risks, our capital availability and refinancing risks, and any cyber-security or environmental risks, if applicable. The Audit Committee also considers enterprise risk management. Management regularly reports to our board of trustees on our leverage policies, our asset acquisition process, any asset impairments and our compliance with applicable real estate investment trust ("REIT") rules and other regulations. Members of our board of trustees routinely meet with management in connection with their consideration of matters submitted for the approval of our board of trustees and the risks associated with such matters.

Our board of trustees believes that its composition protects shareholder interests and provides sufficient independent oversight of management. Eight of our nine trustee nominees are "independent" under NYSE standards and our Independence Standards, as more fully described under "Corporate Governance—Trustee Independence." The independent trustees meet separately from management on at least a quarterly basis and are very active in the oversight of our Company. The independent trustees oversee such critical matters as the integrity of our financial statements, the evaluation and compensation of our Named Executive Officers and the selection and evaluation of trustees. Each independent trustee has the ability to add items to the agenda of board of trustees meetings or raise subjects for discussion that are not on the agenda for that meeting.

Our board of trustees believes that its super-majority independent composition and the roles that our independent trustees perform provide effective corporate governance at the board of trustees' level and independent

oversight of both our board of trustees and management. The current governance structure, when combined with the functioning of the independent trustee component of our board of trustees and our overall corporate governance structure, strikes an appropriate balance between strong and consistent leadership and independent oversight of our business and affairs.

LEADERSHIP STRUCTURE OF THE BOARD OF TRUSTEES

Leadership of our board of trustees is vested in our chairman of the board and in our lead independent trustee. The CNCG Committee and the board of trustees have determined that combining the roles of chairman of the board and chief executive officer is advantageous as it enhances the understanding and communication between management and the board of trustees, allows for better understanding and evaluation of our operations, and improves the board of trustees' ability to perform its oversight role.

In recognition of the importance of the board of trustees' independent oversight role and the need to maintain a strong independence from management, our board of trustees appointed Paul W. Hylbert, Jr. as lead independent trustee during 2016. Our lead independent trustee works with Mr. Nordhagen, the chairman of our board of trustees and our chief executive officer, to establish the agenda for regular meetings of our board of trustees. Mr. Hylbert also serves as chair of regular meetings of our board of trustees when our chairman is absent, presides at executive sessions, serves as a liaison between our chairman and chief executive officer and our independent trustees, and encourages dialogue between our independent trustees and Named Executive Officers. He also establishes the agenda for meetings of our independent trustees and performs such other duties as our board of trustees may establish or delegate.

CODE OF BUSINESS CONDUCT AND ETHICS

Our board of trustees has adopted a Code of Business Conduct and Ethics (the "Code of Conduct") that applies to our trustees, officers and employees. Among other matters, the Code of Conduct is designed to deter wrongdoing and to promote, honest and ethical conduct, including the ethical handling of actual or apparent conflicts of interest between personal and professional relationships, full, fair, accurate, timely and understandable disclosure in our SEC reports and other public communications, compliance with applicable governmental laws, rules and regulations, prompt internal reporting of violations of the Code of Conduct to appropriate persons identified in the code, and accountability for adherence to the Code of Conduct. Any waiver of the Code of Conduct for our trustees or officers may be made only by our board of trustees or our CNCG Committee and will be promptly disclosed as required by law or stock exchange regulations. The Code of Conduct is available for viewing on our website at www.nationalstorageaffiliates.com. We will also provide the Code of Conduct, free of charge, to shareholders who request it. Requests should be directed to Tamara D. Fischer, our president, chief financial officer, treasurer and secretary, at National Storage Affiliates Trust, 8400 East Prentice Avenue, 9th Floor, Greenwood Village, CO 80111.

CORPORATE GOVERNANCE GUIDELINES

Our board of trustees has adopted Corporate Governance Guidelines that address significant issues of corporate governance and set forth procedures by which our board of trustees carries out its responsibilities, including the trustee resignation policy as described under "Majority Vote and Trustee Resignation Policy" below. In addition, among the areas addressed by the Guidelines are the composition of our board of trustees, its functions and responsibilities, its standing committees, its PRO advisory committee, trustee qualification standards, access to management and independent advisors, trustee compensation, management succession, trustee orientation and continuing education, and the annual performance evaluation and review of our board of trustees and committees. The Guidelines are available for viewing on our website at www.nationalstorageaffiliates.com. We will also provide the Guidelines, free of charge, to shareholders who request it. Requests should be directed to Tamara D. Fischer, our president, chief financial officer, treasurer and secretary, at National Storage Affiliates Trust, 8400 East Prentice Avenue, 9th Floor, Greenwood Village, CO 80111.

TRUSTEE INDEPENDENCE

The Guidelines provide that a majority of the trustees serving on our board of trustees must be independent as required by the NYSE listing standards. In addition, our board of trustees has adopted certain independence standards

(the "Independence Standards") to assist it in making determinations with respect to the independence of trustees. The Independence Standards are available for viewing on our website at www.nationalstorageaffiliates.com. Based upon its review of all relevant facts and circumstances, in 2018, our board of trustees affirmatively determined that six of our nine trustees—George L. Chapman, Paul W. Hylbert, Jr., Chad L. Meisinger, Steven G. Osgood, Dominic M. Palazzo, and Rebecca L. Steinfort—qualified as independent trustees under the NYSE listing standards and the Independence Standards. In 2019, our board of trustees conducted a similar review and assessment and affirmatively determined that seven of our nine trustees—George L. Chapman, Paul W. Hylbert, Jr., Chad L. Meisinger, Steven G. Osgood, Dominic M. Palazzo, Rebecca L. Steinfort and Mark Van Mourick—qualify as independent trustees under the NYSE listing standards and the Independence Standards. In addition, based upon its review of all relevant facts and circumstances, our board of trustees has affirmatively determined that Mr. Warren, a trustee nominee, would qualify as an independent trustee under the NYSE listing standards and the Independence Standards if he is elected at the Annual Meeting. Mr. Howard is not standing for re-election.

In making these determinations, the board of trustees considered the relationships and transactions described below under "Certain Relationships and Related Transactions." In addition, in determining independence with respect to Mr. Warren, the board of trustees considered an agreement between the Company and an entity owned and controlled by Mr. Warren, pursuant to which such entity performed services for the Company related to the identification and recruitment of additional PROs. In connection with these services, between January 2018 through March 2019, the Company paid or expects to pay the entity an aggregate of \$115,000. As of March 2019, the Company and Mr. Warren have concluded the agreement for these services. The board of trustees also considered reimbursements paid by the Company to Mr. Warren for travel expenses incurred in connection with attending PRO advisory committee meetings. In conjunction with Mr. Warren becoming a trustee, subject to his election at the Annual Meeting, he will resign as a member of the PRO advisory committee.

IDENTIFICATION OF TRUSTEE CANDIDATES

In accordance with the Guidelines and the CNCG Committee's written charter, the CNCG Committee is responsible for identifying and recommending trustee candidates to our board of trustees for consideration as nominees to stand for election at our annual meetings of shareholders. Trustee candidates are recommended for nomination for election as trustees in accordance with the procedures set forth in the written charter of the CNCG Committee.

We seek highly qualified trustee candidates from diverse business, professional and educational backgrounds who combine a broad spectrum of experience and expertise with a reputation for the highest personal and professional ethics, integrity and values. The CNCG Committee periodically reviews the appropriate skills and characteristics required of our trustees in the context of the current composition of our board of trustees, our operating requirements and the long-term interests of our shareholders. In accordance with the Guidelines, trustees should possess the highest personal and professional ethics, integrity and values, exercise good business judgment, be committed to representing the long-term interests of our Company and our shareholders and have an inquisitive and objective perspective, practical wisdom and mature judgment. The CNCG Committee reviews trustee candidates with the objective of assembling a slate of trustees that can best fulfill and promote our goals, regardless of gender, age or race, and recommends trustee candidates based upon contributions they can make to our board of trustees and management and their ability to represent our long-term interests and those of our shareholders.

The CNCG Committee evaluates the skill sets required for service on our board of trustees and periodically identifies potential trustee candidates. If it is determined there is the need for additional or replacement members of our board of trustees, the CNCG Committee will assess potential trustee candidates previously identified as well as other appropriate potential trustee candidates based upon information it receives regarding such potential candidates or otherwise possesses, which assessment may be supplemented by additional inquiries. In conducting this assessment, the CNCG Committee considers knowledge, experience, skills, diversity and such other factors as it deems appropriate in light of our current needs and those of our board of trustees. The CNCG Committee considers diversity of gender, age, experience and skills as important factors in choosing the most qualified candidates. The CNCG Committee also evaluates, among other things, each potential trustee's knowledge and experience with self storage, REITs and other real estate investment and management businesses, roll-up operations, public companies, and business strategy and operations. The CNCG Committee may seek input on such trustee candidates from other trustees, including our chairman and chief executive officer, and recommends trustee candidates to our board of trustees for nomination. The CNCG

Committee does not solicit trustee nominations, but it will consider recommendations by shareholders with respect to elections to be held at an annual meeting, so long as such recommendations are sent within a reasonable period of time prior to the decision. The CNCG Committee will evaluate nominees recommended by shareholders against the same criteria that it uses to evaluate other nominees. The CNCG Committee may, in its sole discretion, engage one or more search firms or other consultants, experts or professionals to assist in, among other things, identifying trustee candidates or gathering information regarding the background and experience of trustee candidates. If the CNCG Committee engages any such third party, the CNCG Committee will have sole authority to approve any fees or terms of retention relating to these services.

In March 2018, upon the recommendation of our CNCG Committee, our board of trustees increased the size of our board from eight trustees to nine trustees and nominated Rebecca L. Steinfort for the ninth trustee position. Ms. Steinfort was elected at our 2018 annual meeting of shareholders (the "2018 Annual Meeting"). The CNCG Committee engaged FPL to assist with the trustee recruitment efforts by conducting interviews with trustee candidates identified by the CNCG Committee and preparing summary assessments for final candidates. In March 2019, as a result of Mr. Howard's election to retire as a trustee, and upon the recommendation of our CNCG Committee, our board of trustees nominated J. Timothy Warren for election to the board of trustees. Mr. Warren has been a member of our PRO advisory committee since our initial public offering and he has played an active role in developing and acquiring more than 33 self storage facilities in conjunction with Northwest Self Storage ("Northwest"), one of our PROs, though he has no ownership interests in Northwest.

PERSONAL LOANS TO EXECUTIVE OFFICERS AND TRUSTEES

We comply with, and operate in a manner consistent with, applicable law prohibiting extensions of credit in the form of personal loans to or for the benefit of our trustees and executive officers.

TRUSTEE ATTENDANCE AT ANNUAL MEETINGS OF SHAREHOLDERS

Our policy is to encourage and promote the attendance by each trustee at all meetings of our shareholders. All of our then-current trustees, and Ms. Steinfort, our then-trustee nominee, attended the 2018 Annual Meeting.

COMMUNICATIONS WITH THE BOARD OF TRUSTEES

Our board of trustees has approved a process to enable communications with the independent members of the board of trustees, including our lead independent trustee, or the chair of any of the committees of the board of trustees. Communications by email should be sent to NSABoard@nsareit.net. Communications by regular mail should be sent to the attention of Tamara D. Fischer, our president, chief financial officer, treasurer and secretary, at National Storage Affiliates Trust, 8400 East Prentice Avenue, 9th Floor, Greenwood Village, CO 80111. Each communication received will be reviewed to determine whether the communication requires immediate action. All appropriate communications received, or a summary of such communications, will be sent to the appropriate member(s) of our board of trustees. However, we reserve the right to disregard any communication we determine is unduly hostile, threatening, illegal, does not reasonably relate to us or our business, or is similarly inappropriate. Our secretary, or her delegate, has the authority to disregard any inappropriate communications or to take other appropriate actions with respect to any such inappropriate communications. In addition, any of our shareholders and any other person may make a good faith report to the Audit Committee regarding any questionable or unethical accounting or auditing matters via regular mail addressed to the Audit Committee, National Storage Affiliates Trust, 8400 East Prentice Avenue, 9th Floor, Greenwood Village, CO 80111. We also encourage members of our board of trustees to be available to speak to institutional shareholders outside of formal meeting settings.

EXECUTIVE SESSIONS OF INDEPENDENT TRUSTEES

The independent trustees serving on our board of trustees meet in executive sessions at least four times per year at regularly scheduled meetings of our board of trustees. These executive sessions of our board of trustees are presided over by Mr. Hylbert, our lead independent trustee.

ACTIVE SHAREHOLDER OUTREACH AND CORPORATE GOVERNANCE

Our board of trustees values the input and insights of our shareholders and believes that effective shareholder engagement strengthens the board's role as an informed and engaged fiduciary. We are committed to serving our shareholders' interests, and recognize that communicating with shareholders on a regular basis is a critical component of our corporate governance program. As part of this commitment, management actively engages with our shareholders in order to fully understand their viewpoints concerning our company, to gather feedback on what we can do better and to help our shareholders understand our performance and strategy. In addition to answering questions from shareholders on our quarterly earnings calls, our management regularly engages with shareholders by participating in industry conferences, through in-person meetings with our shareholders and prospective investors, and by telephone with many shareholders at other times throughout the year to solicit input and answer questions on a variety of topics. During 2018, we held approximately 190 such meetings with current and prospective investors to discuss various key corporate matters, including our differentiated growth strategy, financing strategy, risk management practices, and strong corporate governance practices. Interested parties, including shareholders, may communicate their concerns directly to the independent members of our board of trustees, including our lead independent trustee, or the chair of any of the committees of the board of trustees as described above under "-Communications with the Board of Trustees," or to management.

Our board's engagement efforts center on our corporate governance practices, which it regularly reviews to ensure that our practices are consistent with prevailing best practices and the views of our shareholders. For example, in 2018, we took the following measures:

- nominated our first female trustee, who was elected at our 2018 Annual Meeting;
- implemented majority voting in uncontested elections together with a trustee resignation policy (see "-Majority Vote and Trustee Resignation Policy" below); and
- provided equityholders with the right to amend our Bylaws (see "-Bylaw Amendments" below).

We have adopted various policies and guidelines to better align the interests of our trustees and Named Executive Officers with those of our shareholders, including those listed below.

Year Implemented	Policy
2015	Not having a shareholders rights plan ("poison pill") No staggered board of trustees - each of our trustees is subject to re-election annually Opted out of Maryland's unsolicited takeover statute and required shareholder approval to opt back in
2016	Appointed a lead independent trustee Adopted a clawback policy Adopted minimum equity ownership guidelines Adopted a policy to prohibit hedging the value of the Company's securities
2017	Implemented pay-for-performance compensation framework
2018	Adopted trustee majority voting policy Adopted a policy to permit shareholders to amend our Bylaws

MAJORITY VOTE AND TRUSTEE RESIGNATION POLICY

We have adopted a majority voting policy for the election of trustees. Under majority voting, to be elected as a trustee in an uncontested election, a nominee must receive votes "FOR" his or her election constituting a majority of the total votes cast for and against such nominee at the annual meeting at which a quorum is present. If an incumbent trustee does not receive sufficient "FOR" votes to be re-elected, Maryland law provides that the trustee would continue

to serve on the Company's board of trustees as a "holdover" trustee. Under the Company's Guidelines, he or she must submit his or her resignation to the Company's board of trustees. The Company's CNCG Committee will consider such tendered resignation and recommend to the Company's board of trustees whether to accept it. The Company's board of trustees will decide whether to accept any such resignation within 90 days after certification of the election results and will publicly disclose its decision. If the resignation is not accepted, the trustee will continue to serve until the trustee's successor is duly elected and qualifies or until the trustee's earlier death, resignation, retirement or removal. If a trustee's offer to resign is accepted by the Company's board of trustees, or if a nominee for trustee is not elected and the nominee is not an incumbent trustee, then the Company's board of trustees, in its sole discretion, may fill any resulting vacancy pursuant to the Bylaws. In a contested election, trustees shall be elected by a plurality of all the votes cast at a meeting of shareholders duly called and at which a quorum is present.

BYLAW AMENDMENTS

We have a policy to permit equityholders to alter or repeal any provision of the Bylaws and to adopt new Bylaws. Approval of amendments to the Bylaws requires the affirmative vote of both:

- holders of a majority of the Company's Common Shares outstanding as of the Determination Date (as defined below); and
- holders of Common Shares and limited partners (other than the Company) of our operating partnership representing a majority of the number of Common Shares outstanding as of the Determination Date together with the number of additional Common Shares that would be issuable if:
 - all Class A common units of limited partner interest in our operating partnership ("OP units") outstanding as of the Determination Date were exchanged on a one-for-one basis, subject to adjustments as provided in the Third Amended and Restated Agreement of Limited Partnership of our operating partnership (as amended, the "Partnership Agreement"), for Common Shares, and
 - the OP units which would be outstanding if each series of Class B common units of limited partner interest in our operating partnership ("subordinated performance units") (or other similar class or series of OP units created from time to time) outstanding as of the Determination Date (whether or not then convertible) were converted into OP units using the conversion ratio for each such class or series in effect as of the last day of the most recent fiscal year determined pursuant to the terms of the Partnership Agreement and as approved by the Company's board of trustees, were exchanged on a one-for-one basis, subject to adjustments as provided in the Partnership Agreement, for Common Shares.

"Determination Date" means the close of business on the record date for determining the shareholders and holders of OP units and subordinated performance units entitled to cast votes at a duly called annual meeting or special meeting of shareholders.

COMPENSATION DISCUSSION AND ANALYSIS

This section of our Proxy Statement discusses the principles underlying our executive compensation policies and decisions. In addition, it provides qualitative information about the manner and context in which compensation is awarded to, and earned by, our Named Executive Officers, and places in perspective the data presented in the tables and narrative that follow.

EXECUTIVE COMPENSATION PROGRAM OBJECTIVES

The primary goals for our executive compensation program are:

- ✓ **Attract and retain the best executive talent**
- ✓ **Align the interests of our Named Executive Officers and our shareholders**
- ✓ **Encourage the achievement of our business strategies and the creation of company growth**
- ✓ **Encourage appropriate risk-taking and reflect sound corporate governance practices**

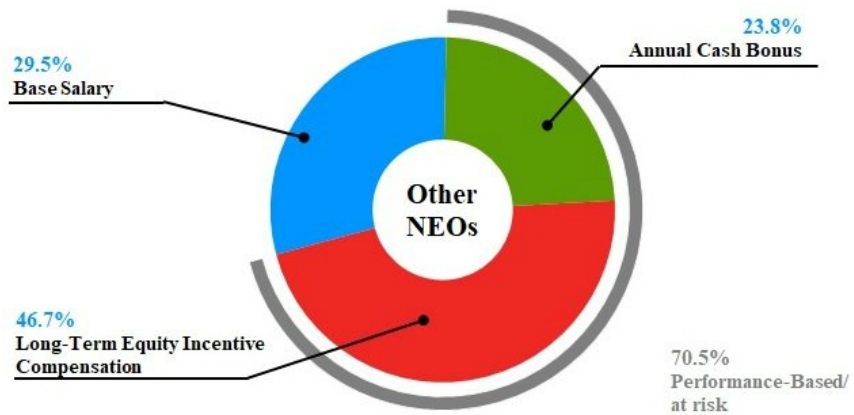

To achieve these goals, we have implemented a pay for performance compensation framework to compensate our Named Executive Officers for favorable shareholder returns, the Company's competitive position within its segment of the real estate industry and each Named Executive Officer's contributions to the Company.

We expect to continue to pay competitive base salaries to our Named Executive Officers and anticipate that our compensation incentives will take the form of annual cash bonuses and long-term equity incentives measured by objective Company performance targets and, to a lesser extent with respect to annual cash bonuses, subjective individual performance targets, established by our CNCG Committee, which are specifically tailored to each Named Executive Officer. In addition, our CNCG Committee may determine to make awards to new Named Executive Officers and other existing and new personnel in order to retain and attract talented professionals.

The main elements of our executive compensation program are set forth below:

Type	Pay Elements	Form and Purpose
Fixed	Base Salary	<ul style="list-style-type: none"> – Paid in cash – Fixed annually, taking into account our budgeted operating expenses – Compensates individuals for day-to-day performance
Variable	Annual Incentive Bonus	<ul style="list-style-type: none"> – Paid in cash – Based on achievement of certain quantitative and qualitative Company and individual performance objectives over the course of each year – Rewards short-term annual performance
	Long Term Equity Compensation	<ul style="list-style-type: none"> – Consists of performance-based awards and time-based awards – Performance-based awards are earned over a three-year performance period contingent upon achievement of performance criteria – Time-based awards are earned in equal annual installments over a three-year period, subject to continued employment – Promotes retention and encourages creation of long-term shareholder value and achievement of long-term business strategies

Our CNCG Committee believes having a significant portion of variable or performance-based compensation achieves our goals of encouraging high performance, promoting accountability and motivating our Named Executive Officers to achieve our business objectives and aligning their interests with those of our shareholders. In 2018, more than 70% of our Named Executive Officers' target pay was at risk.

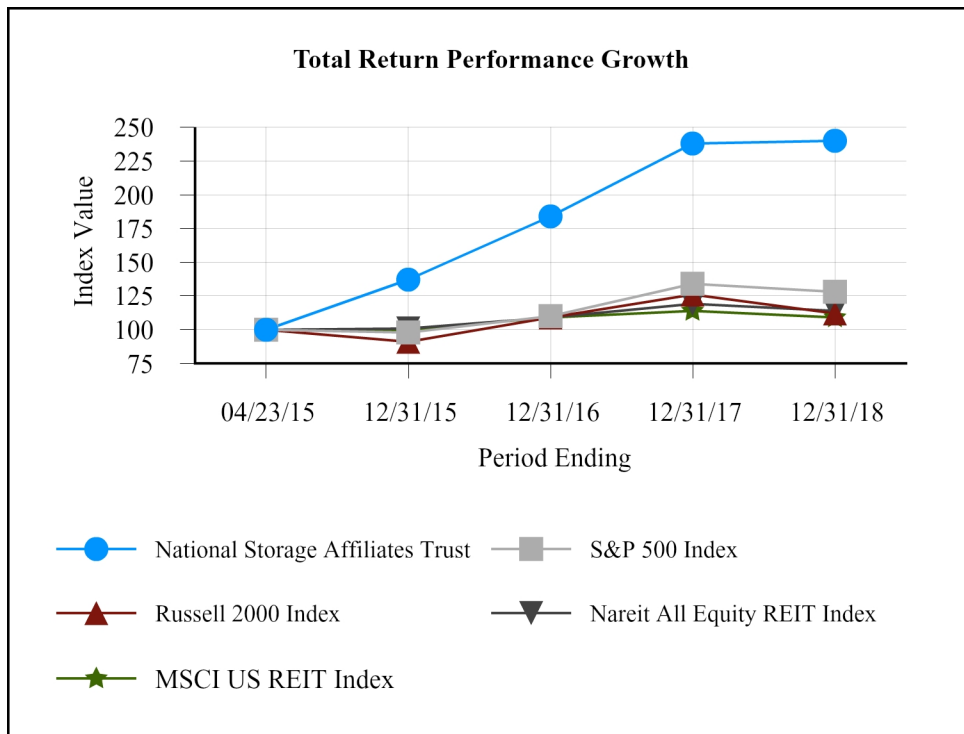

2018 BUSINESS HIGHLIGHTS

We are focused on the ownership, operation, and acquisition of self storage properties located within the top 100 metropolitan statistical areas ("MSAs") throughout the United States. As of December 31, 2018, we held ownership interests in and operated a geographically diversified portfolio of 675 self storage properties, located in 34 states and Puerto Rico, comprising approximately 43.0 million rentable square feet, configured in approximately 345,000 storage units. According to the 2019 Self-Storage Almanac, we are the fifth largest owner and operator of self storage properties in the United States, based on number of properties with company ownership.

Our 2018 financial highlights include the following:

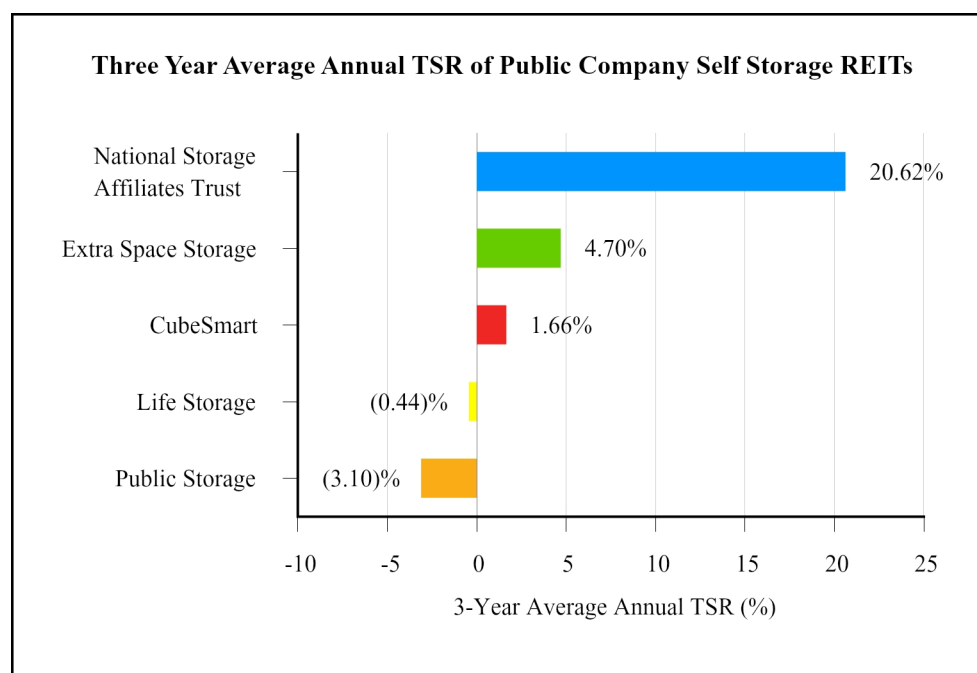

Our same store portfolio is defined in our annual report on Form 10-K filed with the SEC on February 26, 2019. Core FFO and NOI are defined and reconciled to their most directly comparable GAAP measure in Appendix A to this Proxy Statement.

The above chart assumes \$100.00 invested on April 23, 2015, with dividends reinvested and compares the yearly cumulative total shareholder return ("TSR") for our common shares with the cumulative shareholder return of companies on (i) the S&P 500 Index, (ii) the Russell 2000 Index, (iii) the Nareit All Equity REIT Index as provided by Nareit, and (iv) the Morgan Stanley Capital International US REIT Index (the "MSCI US REIT Index"), for the period beginning April 23, 2015 and ending December 31, 2018. We have included the MSCI US REIT Index as we utilize that index as a metric for our long-term equity incentive program.

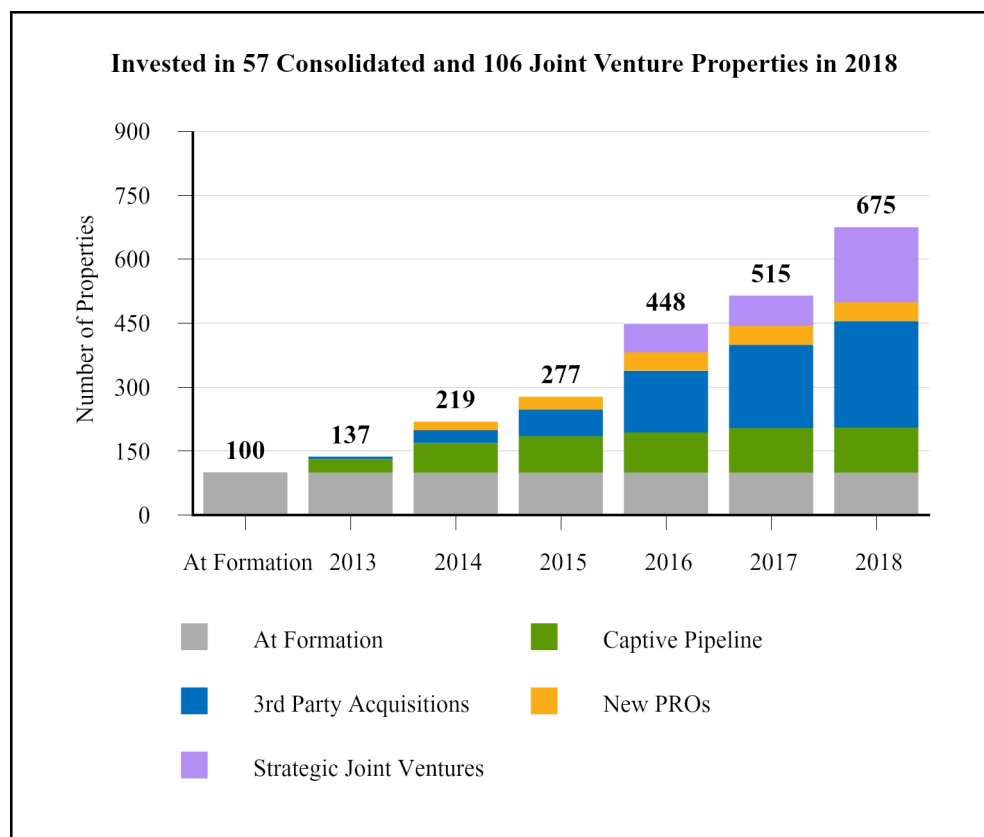

Index	Period Ending				
	4/23/2015	12/31/2015	12/31/2016	12/31/2017	12/31/2018

Nareit All Equity REIT Index	100	101	109	119	114
MSCI US REIT Index	100	100	109	114	109

Based on our average annual TSR performance of 20.62% over the three-year period ended December 31, 2018, we outperformed our public company self storage REIT peers and ranked 9th out of 141 REITs in the MSCI US REIT Index.

We also completed a significant number of acquisitions in 2018.

ROLES OF OUR CNCG COMMITTEE, COMPENSATION CONSULTANT AND MANAGEMENT

CNCG Committee

Our CNCG Committee, which is comprised entirely of independent trustees, has overall responsibility for monitoring the performance of the Company's Named Executive Officers and evaluating and approving our executive compensation plans, policies and programs. In addition, our CNCG Committee oversees our 2015 equity incentive plan (our "Equity Incentive Plan").

Our CNCG Committee determines all components of Mr. Nordhagen's compensation. With respect to Ms. Fischer, Mr. Treadwell and Mr. Togashi, our CNCG Committee seeks input from Mr. Nordhagen and reviews and approves all components of Ms. Fischer's, Mr. Treadwell's and Mr. Togashi's compensation.

Compensation Consultant

Our CNCG Committee has engaged FPL, an outside compensation consultant, to provide guidance with respect to the development and implementation of our compensation programs. FPL provides our CNCG Committee with advice concerning the types and levels of compensation to be paid to our Named Executive Officers and independent trustees.

Our CNCG Committee policy requires that its compensation consultants be independent of Company management. Our CNCG Committee performs an annual assessment of FPL's independence to determine whether the

consultant is independent. Our CNCG Committee assessed FPL's independence most recently in February 2019 and determined that the engagement did not raise any conflict of interests with management.

Management

Mr. Nordhagen, our chairman and chief executive officer, and Ms. Fischer, our president, chief financial officer, treasurer and secretary, generally attend CNCG Committee meetings, provide information as to the individual performance of the Named Executive Officers and other key employees, and Mr. Nordhagen makes annual recommendations to our CNCG Committee of appropriate compensation levels for Ms. Fischer, Mr. Treadwell and Mr. Togashi, as well as for other key employees. Nonetheless, all components of our Named Executive Officers' compensation are approved by our CNCG Committee in its sole discretion and Mr. Nordhagen is not present during our CNCG Committee's determination with respect to his own compensation.

BENCHMARKING PROCESS

Our CNCG Committee, in consultation with FPL, conducted compensation benchmarking analyses to ensure that our compensation programs for our Named Executive Officers and independent trustees are competitive with those of certain other publicly traded REITs (each, a "Benchmarking Analysis" and together, the "Benchmarking Analyses"). The Benchmarking Analyses included a comprehensive review of each component of the total compensation opportunities for our Named Executive Officers and independent trustees relative to market data for REITs with market capitalization and enterprise value similar to that of our Company. We refer to this group of REITs as our "peer group". The peer group used for the Named Executive Officer Benchmarking Analysis in 2018 is listed below.

Peer Group 2018 Named Executive Officer Benchmarking Analysis	
CoreSite Realty Corporation	Physicians Realty Trust
CubeSmart	Rexford Industrial Realty, Inc.
DiamondRock Hospitality Company	Sabra Health Care REIT, Inc.
EastGroup Properties, Inc.	STAG Industrial, Inc.
First Industrial Realty Trust, Inc.	Terreno Realty Corporation
Kite Realty Group Trust	Xenia Hotels & Resorts, Inc.
Life Storage, Inc.	

In 2018, the peer group was modified to add CoreSite Realty Corporation, DiamondRock Hospitality Company, First Industrial Realty Trust, Inc. and Kite Realty Group Trust and to remove DCT Industrial Trust Inc., Hershah Hospitality Trust, LTC Properties, Inc. and Ramco-Gershenson Properties. In 2017, the peer group was modified to add CubeSmart, DCT Industrial Trust Inc. and Life Storage, Inc. and to remove Cedar Realty Trust, Inc. and TIER REIT, Inc.

The market data for our Named Executive Officers was sourced from FPL's proprietary database and the 2016, 2017 and 2018 Nareit Compensation Surveys conducted by FPL. For our independent trustees, the market data was sourced from the January 2017 National Association of Corporate Directors Director Compensation Report, an August 31, 2017 SNL Financial Report and the public filings of the REITs included in the analysis. This information was considered by our CNCG Committee in approving increased annual base salaries to our Named Executive Officers in 2018 and 2019, as set forth below under "Elements of our Compensation—Base Salary." The independent trustee Benchmarking Analysis was considered by our CNCG Committee in approving our independent trustee compensation program for 2018, as described above under "Compensation of Independent Trustees." These changes are intended to better align each Named Executive Officer's and independent trustee's total compensation with the peer group.

GOVERNANCE HIGHLIGHTS

We strive to adopt policies and practices that we believe are in the best interests of our Company and our shareholders. See "Corporate Governance—Governance Highlights" and "Corporate Governance—Active Shareholder Outreach and Corporate Governance" for additional information.

ELEMENTS OF OUR COMPENSATION PROGRAM

The compensation provided to our Named Executive Officers consists of base salary, annual cash bonus and long-term equity incentive compensation.

Base Salary

Base salaries are a fixed component of compensation that reflects each Named Executive Officer's position and responsibilities. Base salaries are reviewed annually by our CNGC Committee and may be adjusted to better match competitive market levels or to recognize a Named Executive Officer's professional growth, development, and increased responsibility. The table below summarizes the 2018 and 2017 base salary and corresponding percentage change against the prior year for each Named Executive Officer:

Executive	Base Salary		
	2018	2017	Change
Arlen D. Nordhagen	\$ 495,000	\$ 495,000	0.0%
Tamara D. Fischer	340,000	315,000	7.9%
Steven B. Treadwell	290,000	250,000	16.0%
Brandon S. Togashi	235,000	210,000	11.9%

The increase in 2018 base salaries was based on the 2016 Named Executive Officer Benchmarking Analysis and the 2017 Nareit Compensation Survey, each conducted by FPL, and the Named Executive Officers' new roles and responsibilities that became effective July 1, 2018, as described above under "Information Regarding Our Named Executive Officers." Based on the 2016 Named Executive Officer Benchmarking Analysis and the 2017 Nareit Compensation Survey, the CNGC Committee determined that the base salaries of the Named Executive Officers needed to be increased to be brought in line with the Company's peers. The base salary levels for 2018 approximately align with the 25th percentile of the market data in the 2016 Named Executive Officer Benchmarking Analysis and the 2017 Nareit Compensation Survey.

For 2019, our CNCG Committee revised the base salaries for our Named Executive Officers in line with our compensation objectives. Our CNCG Committee approved base salary levels for 2019 for Mr. Nordhagen, Ms. Fischer, Mr. Treadwell and Mr. Togashi of \$500,000, \$370,000, \$335,000 and \$250,000, respectively. Such revised base salaries are intended to preserve an appropriate mix of compensation such that base salary remains a modest portion of the overall compensation opportunity for each Named Executive Officer.

Annual Incentive Cash Bonus Payments

We have provided and expect to continue to provide cash bonuses to encourage outstanding individual and Company performance by motivating our Named Executive Officers to achieve short-term Company performance objectives and individual goals. Our annual cash bonus program for our Named Executive Officers is based primarily on objective factors aligned with our Company's performance, and to a lesser extent on subjective factors.

For an explanation of how we calculate NOI and Core FFO, which are both non-GAAP financial measures, see Appendix A to this Proxy Statement.

The following table shows the objective metrics and weightings and the associated 2018 incentive cash bonus opportunity levels for our Named Executive Officers, along with the actual performance achieved in 2018 for the objective metrics. The levels of each metric are set annually by the CNCG Committee and take into account, among

other things, the Company's prior performance and market conditions that may influence or affect the Company's performance during the upcoming year.

For purposes of the metric relating to the addition of new PROs, due to the size of the Simply Self Storage portfolio acquisition, the CNCG Committee treated that acquisition and the formation of the new 2018 Joint Venture as analogous to the addition of a new PRO. With respect to the acquisitions volume metric, the acquisition volume of \$673 million for 2018 reflects our net investment in acquisitions (after giving effect to dispositions).

The operating metrics set forth above are used for the limited purpose described above and should not be understood to be statements of management's expectations of our future results or other guidance. Investors should not apply these metrics in any other context.

The following table shows the threshold, target and maximum incentive cash bonus opportunities that were available to each of our Named Executive Officers for 2018 as a percentage of their base salary, as well as the actual bonus earned for the year ended December 31, 2018. Whether any of the threshold, target or maximum bonus levels were attained was determined by our CNCG Committee based on achievement and weighting of the criteria set forth in the table above.

Long-Term Equity Incentive Compensation

Our CNCG Committee believes that a substantial portion of each Named Executive Officer's compensation should be in the form of long-term equity incentive compensation because equity incentive awards:

- Encourage management to create shareholder value over the long-term;
- Promote management retention because full vesting of the awards generally requires continued employment for multiple years; and

- Encourage company growth and the achievement of our business strategies that can take more than one year to execute when they are tied to specific performance criteria.

Long-term equity incentive compensation may be granted in many forms under our Equity Incentive Plan, including restricted shares and LTIP units, representing a class of partnership interests in our operating partnership, and other equity awards. For a further description of such awards, see "–Awards Under the Plan" below.

Our long-term equity incentive compensation framework is designed to align the interests of the Company's Named Executive Officers with those of the Company's shareholders in a multi-year pay-for-performance structure utilizing both performance-based and time-based LTIP unit awards. The awards are structured to reward, among other things, favorable shareholder returns, the Company's competitive position within its segment of the real estate industry, and each Named Executive Officer's contributions to the Company. For each long-term incentive grant in 2018, 50% of the award is time-based, and the remaining 50% is performance-based.

(1) The MSCI Component represents 50% of the total performance-based LTIP unit awards.

(2) The Storage Peer Component represents 50% of the total performance-based LTIP unit awards. As of December 31, 2018, there were five public company self storage peers, including us.

The performance-based LTIP unit awards granted to our Named Executive Officers in 2018 represent the maximum amount of LTIP units that can vest contingent upon the achievement of performance criteria during the period between January 1, 2018 and December 31, 2020 (the "performance period"), which is based on the Company's TSR relative to the TSR of the companies in the MSCI US REIT Index and to the TSR of its public company peers in the self storage industry. If the Company TSR is between threshold and target, or target and maximum, performance with respect to the MSCI US REIT Index, then the percentage of the MSCI Component to vest will be determined by linear interpolation between the threshold and target, or target and maximum, amounts. If the Company's TSR during the performance period relative to the TSR of the companies in the MSCI US REIT Index equals or exceeds the 75th

percentile, or if our TSR ranks in 1st place among our public company peers in the self storage industry, each Named Executive Officer will earn 150% of the target amount of MSCI Component or Storage Peer Component, as applicable. If the threshold level of performance is not achieved with respect to a criterion, such that our TSR during the performance period relative to the TSR of the companies in the MSCI US REIT Index is less than the 35th percentile or that our TSR ranks below 4th place among our public company peers in the self storage industry, then none of the performance-based awards will vest with respect to that criterion.

The Company must perform above average as compared to the MSCI US REIT Index in order to achieve target payout for that element of the LTIP unit award

We have focused on the Company's TSR performance relative to the TSR of our peers in the self storage industry, because TSR achievement is a particularly useful metric for ensuring that our executives are thinking about the interests of our shareholders as they execute on our business plans.

During the vesting period for the performance-based LTIP units, each Named Executive Officer will be entitled to receive interim distributions with respect to each performance-based LTIP unit at the maximum level equal to 10% of the distributions paid to a holder of an equal number of OP units. Upon vesting, each Named Executive Officer will be entitled to receive full distributions on each such performance-based LTIP unit earned equal to the distributions payable during the vesting period on an equal number of OP units less the amount of interim distributions already paid. Thereafter, each Named Executive Officer will be entitled to receive distributions on each vested LTIP unit equal to the distributions paid to a holder of an OP unit as distributions on OP units are made.

During the vesting period for time-based LTIP units, each Named Executive Officer will be entitled to receive distributions with respect to each time-based LTIP unit equal to each distribution paid to a holder of an OP unit as distributions on OP units are made.

If a Named Executive Officer's employment is terminated by us without "cause" or by the Named Executive Officer for "good reason" (each as defined in the applicable employment agreement), or by reason of the Named Executive Officer's death or "disability" (as defined in the applicable employment agreement) prior to the completion of the vesting period, then any unvested LTIP units will vest or be forfeited as set forth under "Employment Agreements" herein, except in the event that a termination of service as described above follows a change of control which occurs after June 30, 2019, in which case all outstanding performance-based LTIP units will vest without being subject to proration in accordance with the calculation set forth in the LTIP unit award agreements. For more information, see "Employment Agreements" herein.

The following table summarizes the minimum, threshold, target and maximum number of performance-based awards granted in 2018 that may be earned by each Named Executive Officer contingent upon performance between January 1, 2018 and December 31, 2020 and the total number of time-based awards granted in 2018 that each Named Executive Officer may earn by January 1, 2021:

Named Executive Officer	Performance-based Award ⁽¹⁾				Time-based Award ⁽²⁾

Brandon S. Togashi	—	2,230	4,460	6,690	4,036

(1) For each level of performance, the amounts shown assume that the same level of performance is achieved for both the MSCI Component and the Storage Peer Component.

(2) On January 1, 2019, one-third of the time-based awards set forth in this column vested. The remaining two-thirds are scheduled to vest in equal annual installments on January 1, 2020 and January 1, 2021, respectively, subject to the continued employment of the Named Executive Officer.

EQUITY INCENTIVE PLAN

Our Equity Incentive Plan allows for grants of share options, restricted Common Shares, phantom shares, dividend equivalent rights, LTIP units and other restricted limited partnership units issued by our operating partnership and other equity-based awards.

Our Equity Incentive Plan is administered by our CNCG Committee. The CNCG Committee consists solely of independent trustees, each of whom is intended to be, to the extent required by Rule 16b-3 under the Exchange Act, a non-employee trustee.

For additional information about our Equity Incentive Plan, see "–Equity Compensation Plan Information" below.

AVAILABLE SHARES

Our Equity Incentive Plan provides for grants of share options, restricted Common Shares, phantom shares, dividend equivalent rights, LTIP units and other restricted limited partnership units issued by our operating partnership and other equity-based awards up to an aggregate of 5% of the Common Shares issued and outstanding from time to time on a fully diluted basis (assuming, if applicable, the exercise of all outstanding options and the conversion of all warrants and convertible securities, including OP units and subordinated performance units, into Common Shares). If an award granted under our Equity Incentive Plan expires, is forfeited or terminates, the Common Shares subject to any portion of the award that expires, is forfeited or terminates without having been exercised or paid, as the case may be, will again become available for issuance of additional awards. Unless previously terminated by our board of trustees, no new award may be granted under our Equity Incentive Plan after the tenth anniversary of the earlier of (1) the date that such plan was approved by our board of trustees and (2) the date that such plan was approved by the holders of our Common Shares.

AWARDS UNDER THE PLAN

Restricted Shares

A restricted share award is an award of Common Shares that are subject to forfeiture, vesting schedules, restrictions on transferability and such other restrictions as our CNCG Committee may impose at the date of grant. The restrictions may lapse separately or in combination at such times, under such circumstances, including, without limitation, a specified period of employment or the satisfaction of pre-established criteria, in such installments or otherwise, as our CNCG Committee may determine. Generally, a participant granted restricted Common Shares has all of the rights of a shareholder, including, without limitation, the right to vote and the right to receive dividends on the restricted Common Shares. Although dividends will be paid on restricted Common Shares, whether or not vested, at the same rate and on the same date as on our Common Shares (unless otherwise provided in an award agreement), holders of restricted Common Shares are prohibited from selling such shares until they vest.

Dividend Equivalents

A dividend equivalent is a right to receive (or have credited) the equivalent value (in cash or Common Shares) of dividends paid on Common Shares otherwise subject to an award. Our CNCG Committee may provide that amounts payable with respect to dividend equivalents shall be converted into cash or additional Common Shares. Our CNCG Committee will establish all other limitations and conditions of awards of dividend equivalents as it deems appropriate.

LTIP Units

LTIP units are a special class of partnership interest in our operating partnership. Each LTIP unit awarded will be deemed equivalent to an award of one Common Share under the Equity Incentive Plan, reducing the availability for other equity awards on a one-for-one basis. The vesting period for LTIP units, if any, will be determined at the time of issuance. Initially, LTIP units will not have full parity with OP units with respect to liquidating distributions. Under the terms of the LTIP units, our operating partnership will revalue its assets upon the occurrence of certain specified events, and any increase in valuation from the time of grant until such event will be allocated first to the holders of LTIP units to equalize the capital accounts of such holders with the capital accounts of OP unit holders. Upon equalization

of the capital accounts of the holders of LTIP units with other holders of OP units, the LTIP units will achieve full parity with OP units of our operating partnership for all purposes, including with respect to liquidating distributions. For LTIP units granted under our Prior Incentive Plan or our current Equity Incentive Plan, upon reaching parity (or, under the current Equity Incentive Plan, earlier if provided under the individual award agreement), holders of LTIP units will be entitled to receive distributions from our operating partnership equal to those made on our Common Shares whether or not such LTIP units are vested. If such parity is reached, vested LTIP units may be converted into an equal number of OP units, and thereafter enjoy all the rights of OP units. However, there are circumstances under which such parity would not be reached. Until and unless such parity is reached, the value that will be realized for a given number of vested LTIP units will be less than the value of an equal number of Common Shares.

Other Equity-Based Awards

Our Equity Incentive Plan authorizes the granting of other awards based upon our Common Shares (including share options, phantom shares, and securities convertible into Common Shares), subject to terms and conditions established at the time of grant.

We have filed with the SEC a Registration Statement on Form S-8 covering our Common Shares issuable under our Equity Incentive Plan.

CHANGE IN CONTROL

Under our Equity Incentive Plan, a change in control is defined as the occurrence of any of the following events: (1) the acquisition of more than 50% of our then outstanding Common Shares or the combined voting power of our outstanding securities by any person; (2) the sale or disposition of all or substantially all of our assets, other than certain sales and dispositions to entities owned by our shareholders; (3) a merger, consolidation, conversion, or statutory share exchange where our shareholders immediately prior to such event hold less than 50% of the voting power of the surviving or resulting entity; (4) during any consecutive 24 calendar month period, the members of our board of trustees at the beginning of such period, the "Incumbent Trustees," cease for any reason (other than due to death) to constitute at least a majority of the members of our board of trustees (for these purposes, any trustee whose election or nomination for election was approved or ratified by a vote of at least a majority of the Incumbent Trustees shall be deemed to be an Incumbent Trustee); or (5) shareholder approval of a plan or proposal for our liquidation or dissolution.

Upon a change in control, awards may be subject to accelerated automatic or conditional accelerated vesting depending on the terms of the grant agreement establishing the award. In addition, the CNCG Committee may make such adjustments as it, in its discretion, determines are necessary or appropriate in light of the change in control, but only if the CNCG Committee determines that the adjustments do not have an adverse economic impact on the participants (as determined at the time of the adjustments).

AMENDMENTS AND TERMINATION

Our board of trustees may amend, suspend, alter or discontinue our Equity Incentive Plan but cannot take any action that would impair the rights of an award recipient with respect to an award previously granted without such award recipient's consent unless such amendments are required in order to comply with applicable laws. Our board of trustees may not amend our Equity Incentive Plan without shareholder approval in any case in which amendment in the absence of such approval would cause our Equity Incentive Plan to fail to comply with any applicable legal requirement or applicable exchange or similar requirement, such as an amendment that would:

- other than through adjustment as provided in our Equity Incentive Plan, increase the total number of Common Shares reserved for issuance under our Equity Incentive Plan;
- materially expand the class of trustees, officers, employees, consultants and advisors eligible to participate in our Equity Incentive Plan;
- reprice any share options under our Equity Incentive Plan; or
- otherwise require such approval.

EMPLOYMENT AGREEMENTS

We have entered into employment agreements with our Named Executive Officers. Each employment agreement provides for an initial three year term, with automatic one-year extensions thereafter, unless either party provides at least 90 days' notice of non-renewal. These employment agreements require our Named Executive Officers to devote substantially all of their time to our affairs.

The employment agreements provide for:

- a specified minimum annual base salary, subject to increases at the discretion of our board of trustees or the CNCG Committee;
- eligibility for annual cash performance bonuses based on the satisfaction of performance goals established by our board of trustees or our CNCG Committee, which will be awarded at the discretion of our CNCG Committee;
- participation in our Equity Incentive Plan, as well as other incentive, savings and retirement plans applicable generally to Named Executive Officers; and
- medical and other group welfare plan coverage and fringe benefits provided to our Named Executive Officers.

In addition, our Named Executive Officers are eligible for regular, annual grants under our Equity Incentive Plan.

Under the employment agreements, if a Named Executive Officer's employment is terminated by us without "cause" or by the Named Executive Officer for "good reason" (each as defined in the applicable employment agreement), or as a result of our notice of non-renewal of the applicable employment term, the Named Executive Officer will be entitled to the following severance payments and benefits, subject to the execution and non-revocation of a general release of claims:

- accrued but unpaid base salary, bonus and other benefits earned and accrued but unpaid prior to the date of termination;
- an amount equal to the sum of the Named Executive Officer's then-current annual base salary plus the greater of the annual average bonus over the prior two years (or such fewer years with respect to which the Named Executive Officer received an annual bonus) and the Named Executive Officer's target annual bonus for the year of termination, multiplied by three for Mr. Nordhagen, by two for Ms. Fischer, and by one for each of Mr. Treadwell and Mr. Togashi;
- health benefits for the Named Executive Officer and eligible family members for two years following the Named Executive Officer's termination of employment at the same level as in effect immediately preceding such termination, subject to reduction to the extent that the Named Executive Officer receives comparable benefits from a subsequent employer; and
- 100% of the unvested shares or share-based awards held by the Named Executive Officer will become fully vested and/or exercisable.

Each employment agreement also provides that each Named Executive Officer, or his or her estate, will be entitled to certain severance benefits in the event of death or disability. Specifically, each Named Executive Officer or, in the event of such person's death, his or her beneficiaries will receive:

- accrued but unpaid base salary, bonus and other benefits earned and accrued but unpaid prior to the date of termination;
- prorated annual bonus for the year in which the termination occurs;

- health benefits for the Named Executive Officer and/or eligible family members for two years following the Named Executive Officer's termination of employment at the same level as in effect immediately preceding the Named Executive Officer's death or disability; and
- for all outstanding unvested share awards held by the Named Executive Officer, a prorated portion (based on the number of days of employment during a year until the date of death or disability, as applicable, over 365) of any share that would have vested for the year of the Named Executive Officer's death or disability, as applicable, will become vested and/or exercisable and any remaining portion of such awards will be forfeited. For information about the vesting of awards under our long-term equity incentive compensation program following certain change of control transactions, see "Compensation Discussion and Analysis—Elements of our Compensation—Long-Term Equity Incentive Compensation."

The employment agreements also define "good reason" following a change-in-control (as defined in the applicable employment agreement), and provide for 100% of the unvested shares (or share-based awards) held by the Named Executive Officer to become fully vested and/or exercisable if the Named Executive Officer's employment is terminated by our Company without cause or if the Named Executive Officer quits for "good reason" following the effective date of a change in control.

The employment agreements also contain standard confidentiality provisions, which apply indefinitely, and both non-competition and non-solicitation provisions, which apply during the term of the employment agreements and for a period of six months following termination of employment.

EMPLOYEE BENEFITS

We have a tax-qualified 401(k) Retirement Savings Plan, or the 401(k) Plan. All eligible employees are able to participate in our 401(k) plan, including our Named Executive Officers. We provide this plan to enable our employees to save some amount of their cash compensation for retirement in a tax efficient manner. Under our 401(k) plan, employees are eligible to defer a portion of their salary, and we currently match a portion of each eligible employee's contributions. We do not intend to provide an option for our employees to invest in our Common Shares through our 401(k) plan.

PERQUISITES AND OTHER PERSONAL BENEFITS

We provide no perquisites or other personal benefits to our Named Executive Officers, except as disclosed under "—Summary Compensation Table" below.

CLAWBACK POLICY

We have adopted a formal clawback policy, which allows us to recoup incentive compensation paid to officers covered by the policy based on financial results that are subsequently restated. Our CNCG Committee intends to periodically review this clawback policy and, as appropriate, conform it to any applicable final rules adopted pursuant to the Dodd-Frank Wall Street Reform and Consumer Protection Act.

MINIMUM EQUITY OWNERSHIP GUIDELINES

We have adopted robust minimum equity ownership guidelines that require each Named Executive Officer and each independent trustee to maintain a minimum number of Common Shares (including OP units and LTIP units) having a market value equal to: six times annual base salary for Mr. Nordhagen; three times annual base salary for the Ms. Fischer; two times annual base salary for each of Mr. Treadwell and Mr. Togashi; and five times annual cash compensation for all independent trustees. Each person covered by the policy is required to meet these requirements within five years after the date that they became subject to the policy (or, if the requirements increase due to a change in position of employment, any incremental increase in the required ownership level must be satisfied within five years after the change in position has become effective). The CNCG Committee annually reviews progress toward achieving these ownership levels. As of March 15, 2019, each Named Executive Officer and each independent trustee was in compliance with the minimum equity ownership guidelines.

POLICY ON HEDGING TRANSACTIONS

We prohibit our Named Executive Officers, senior officers, trustees and PRO advisory committee members from engaging in hedging transactions or arrangements designed to lock in the value of their Company securities. This prevents such persons from continuing to own Company securities without having the full risks and rewards of ownership.

TAX GROSS-UP PAYMENTS

We do not provide any gross-up or similar payments to our Named Executive Officers. According to their employment agreements, if any payments or benefits to be paid or provided to any Named Executive Officer would be subject to "golden parachute" excise taxes under Section 280G of the Code, the Named Executive Officer's payments and benefits under his or her employment agreement will be reduced to the extent necessary to avoid such excise taxes, but only if such a reduction of pay or benefits would result in a greater net after-tax receipt for the Named Executive Officer.

TAX IMPLICATIONS - DEDUCTIBILITY OF NAMED EXECUTIVE OFFICER COMPENSATION

Section 162(m) of the Code limits the deductibility on the Company's tax return of compensation over \$1 million to any of the chief executive officer and the two most highly-compensated executive officers of the Company other than the chief executive officer. Section 162(m) has historically contained an exception for compensation paid pursuant to a plan which is performance related, non-discretionary and has been approved by the Company's shareholders. On December 22, 2017, the Tax Cuts and Jobs Act was enacted, which eliminated the exception for performance-based compensation under Section 162(m) for tax years beginning on or after January 1, 2018. It is our CNGC Committee's responsibility to address issues raised by Section 162(m) in connection with compensation paid to Named Executive Officers. However, the Company believes that, because it has elected and believes it has qualified as a REIT under the Code and pays dividends sufficient to minimize federal income taxes, the payment of compensation that does not satisfy the requirements of Section 162(m) will generally not affect the Company's net income. Our CNGC Committee's compensation policy and practices therefore are not directly guided by considerations relating to Section 162(m).

RISK CONSIDERATIONS IN OUR COMPENSATION PROGRAMS

Our CNGC Committee has discussed the concept of risk as it relates to our compensation programs with management and FPL, and our CNGC Committee does not believe the goals, or the underlying philosophy, of our compensation programs encourage excessive or inappropriate risk taking.

CNGC COMMITTEE INTERLOCKS AND INSIDER PARTICIPATION

No member of our CNGC Committee is a current or former officer or employee of ours or any of our subsidiaries. None of our Named Executive Officers serves as a member of the board of trustees or CNGC Committee of any company that has one or more of its executive officers serving as a member of our board of trustees or CNGC Committee.

PAY RATIO

Pursuant to SEC rules, we have described below the ratio of the annual total compensation of our chief executive officer, Mr. Nordhagen, to that of our median employee.

To identify our median employee:

- We included all 461 employees in the analysis (other than Mr. Nordhagen), including full-time, part-time and seasonal employees, who were employed by us on December 31, 2018.
- We reviewed the 2018 total W-2 compensation for all of our employees, subject to certain adjustments as described below.

- Due to the significant growth in the number of our employees during 2018, we approximated W-2 wages based upon annualized compensation of full-time and part-time employees who were employed by us for less than a full year. For hourly employees, the annualized compensation was calculated based upon a 2,080 hour year for full-time employees and a 1,040 hour year for part-time employees.

- We excluded from the analysis certain retention bonuses that were paid to employees who were hired in connection with our acquisition of the Simply Self Storage portfolio, as we do not typically pay retention bonuses to our employees.

- We did not make any other assumptions, adjustments or estimates with respect to total W-2 compensation and did not apply any cost of living adjustments.

The employee who was identified using the above process was only employed with us for a partial year. As a result, we calculated the pay ratio utilizing the median employee's compensation calculated on an annualized basis consistent with the above. As a result, our median employee for 2018 is one of our on-site property managers, who is paid on an hourly basis, and the pay ratio for 2018 is set forth below.

Median of the annual total compensation of our employees (other than Mr. Nordhagen)	\$28,358
Annual total compensation for Mr. Nordhagen set forth in the Summary Compensation Table below	\$2,040,167
Our chief executive officer to median employee pay ratio	72 to 1

COMPENSATION COMMITTEE REPORT

The CNCG Committee evaluates and establishes compensation for our Named Executive Officers and administers our Equity Incentive Plan. While management has the primary responsibility for our financial reporting process, including the disclosure of executive compensation, the CNCG Committee has reviewed and discussed with management the Compensation Discussion and Analysis set forth in this Proxy Statement. The CNCG Committee is satisfied that the Compensation Discussion and Analysis fairly represents the philosophy, intent and actions of the CNCG Committee with regard to executive compensation. EQUITY COMPENSATION PLAN INFORMATION

Our Equity Incentive Plan authorizes our CNCG Committee to grant share options, restricted Common Shares, phantom shares, dividend equivalent rights, LTIP units and other restricted limited partnership units issued by our operating partnership and other equity-based awards up to an aggregate of 5% of the Common Shares issued and outstanding from time to time on a fully diluted basis (assuming, if applicable, the exercise of all outstanding options and the conversion of all warrants and convertible securities, including OP units and LTIP units, into Common Shares). In connection with our IPO, we terminated our operating partnership's Prior Incentive Plan but the awards granted thereunder remained outstanding after its termination. For additional information about our Equity Incentive Plan, see "--Equity Incentive Plan" above.

The following table presents certain information about our equity compensation plans as of December 31, 2018:

Plan Category	Number of securities to be issued upon exercise of outstanding options warrants and rights	Weighted average exercise price of outstanding options warrants and rights	Number of securities remaining available at fiscal year-end for future issuance under equity compensation plans (excluding securities reflected in column (a)) ⁽¹⁾
	(a)	(b)	(c)
Equity compensation plans approved by shareholders	N/A	N/A	4,797,404
Equity Compensation plans not approved by shareholders	—	—	—
Total	N/A	N/A	4,797,404

- (1) This amount represents 5,413,736 securities, which is the total number of securities available to us under our Equity Incentive Plan as of December 31, 2018 to make grants of share options, restricted Common Shares, phantom shares, dividend equivalent rights, LTIP units and other restricted limited partnership units issued by our operating partnership and other equity-based awards (including 3,476 securities that were previously awarded under the Equity Incentive Plan but have been forfeited) less 616,332, which is the number of securities that have been issued (but not forfeited) under our Equity Incentive Plan. Our Equity Incentive Plan provides for grants of equity awards up to, in the aggregate, the equivalent of 5% of the issued and outstanding Common Shares from time to time on a fully diluted basis (assuming, if applicable, the exercise of all outstanding options and the conversion of all warrants and convertible securities into Common Shares) at the time of the award. We estimate that the number of Common Shares issued and outstanding on a fully diluted basis is equal to 108,274,715. This is comprised of 56,654,009 Common Shares issued and outstanding as of December 31, 2018 and up to 51,620,706 Common Shares issuable directly or indirectly upon conversion or exchange of the outstanding units in our operating partnership and certain of its subsidiaries as of December 31, 2018, assuming that all such units are convertible into or exchangeable for Common Shares directly or indirectly on a one for one basis, in the case of OP units, OP units in one or more subsidiaries of our operating partnership ("DownREIT OP units") and LTIP units, and on a 1.32 to one basis, in the case of subordinated performance units and subordinated performance units in one or more subsidiaries of our operating partnership ("DownREIT subordinated performance units"), and that existing lock-up prohibitions on conversions and exchanges do not apply. For additional information on the conversion of subordinated performance units (including DownREIT subordinated performance units) into OP units, see "Item 7. Management's Discussion and Analysis of Financial Condition and Results of Operations-Liquidity and Capital Resources-Cash Distributions from our Operating Partnership" in our annual report on Form 10-K for the year ended December 31, 2018, filed with the SEC. The actual number of OP units into which subordinated performance units will become convertible may vary significantly from these estimates and will depend upon the conversion formula in effect at the time of conversion. This table excludes 2,474,710 LTIP unit awards granted under our Prior Incentive Plan because our Prior Incentive Plan was terminated in connection with the closing of our IPO. As of December 31, 2018, we did not have outstanding under our equity compensation plans, any options, warrants or rights to purchase Common Shares.

OPTION EXERCISES AND SHARES VESTED

We have not awarded any options to our Named Executive Officers and, therefore, there were no option awards outstanding at the fiscal year ended December 31, 2018. The following table summarizes the number of LTIP units held by our Named Executive Officers that vested on the dates set forth below during the fiscal year ended December 31, 2018 and value realized on vesting.

Steven B. Treadwell	1/1/18	8,999	245,313
Brandon S. Togashi	1/1/18	4,213	114,846

- (1) Represents the aggregate number of LTIP units that vested in 2018.
- (2) The value realized on vesting of the LTIP units is the product of (a) the closing price on the New York Stock Exchange of the Company's common shares on the vesting date (or, if the vesting date was not a trading day, the immediately preceding trading day), multiplied by (b) the number of LTIP units vesting. In each case, the value realized is before payment of any applicable taxes and brokerage commissions, if any.

POTENTIAL PAYMENTS UPON TERMINATION OR FOLLOWING A CHANGE IN CONTROL

As set forth in the Employment Agreements for each of our Named Executive Officers, our Named Executive Officers will be entitled to certain compensation and benefits in the event of a termination of employment. Assuming a termination of employment occurred on December 31, 2018 and a price per share of our common shares on the date of termination of \$26.46 (based on the closing price of our common shares on the New York Stock Exchange as of December 31, 2018), the amount of compensation that would have been payable to each Named Executive Officer in each situation is listed in the table below. The amounts shown in the table below are for illustrative purposes only. Actual amounts that would be paid on any termination of employment can only be determined at the time of any actual separation from the Company.

- (1) We pay base salary to each our Named Executive Officers in equal installments twice each month. Accordingly, accrued and unpaid base salary, which is reflected under each termination scenario above for each our Named Executive Officers as of December 31, 2018 is equal to 1/24th of each Named Executive Officers' base salary as set forth above in the Summary Compensation Table. The line item "Without Cause or for Good Reason" also includes an amount equal to the Named Executive Officer's then-current annual base salary multiplied by three for Mr. Nordhagen, by two for Ms. Fischer and by one for each of Mr. Treadwell and Mr. Togashi.
- (2) On February 20, 2019, our CNCG Committee determined the bonus awards payable to each of our Named Executive Officers in respect of 2018 performance. Such amounts are also disclosed above in the Summary Compensation Table. The line item "Without Cause or for Good Reason" also includes an amount equal to the Named Executive Officer's then-current accrued, but unpaid bonus, as set forth for each of our Named Executive Officers under "Non-Equity Incentive Plan Compensation" in the Summary Compensation Table above plus the target amount of such bonus as set forth in the 2018 Grants of Plan-Based Awards Table above multiplied by three for Mr. Nordhagen, by two for Ms. Fischer and by one for each of Mr. Treadwell and Mr. Togashi.
- (3) Represents the cost of two years of medical benefits for each Named Executive Officer and/or eligible family members at the same annual level as in effect immediately preceding December 31, 2018.
- (4) Reflects the amount and value of LTIP Unit awards that would vest on December 31, 2018, as further described under the Outstanding Equity Awards as Fiscal Year End Table above. The line item "Death or Disability" reflects a prorated portion of the actual time-based awards that vested for each Named Executive Officer on January 1, 2019 as further described in footnote 2 under the Outstanding Equity Awards at Fiscal Year End Table above based on 364 days of employment over 365. Beginning in 2019, following certain changes of control (as defined in the 2015 Equity Incentive Plan), the performance-based LTIP unit awards under our long-term equity incentive compensation program will vest without being subject to proration. For additional information, see "Compensation Discussion and Analysis—Elements of our Compensation—Long-Term Equity Incentive Compensation" above.

- (5) The definition of "Good Reason" includes our delivery of a notice of non-renewal to the Named Executive Officer, but does not include the Named Executive Officer's delivery of a notice of non-renewal to us. Following a change in control (as defined in the Equity Incentive Plan), any change in job title or diminution of roles, reporting lines or responsibilities and any reduction in the Named Executive Officer's annual salary or annual bonus potential would be expected to constitute a Good Reason. See "Compensation Discussion and Analysis-Change In Control".

Concurrent with the IPO, we entered into the registration rights agreement with certain of our holders of our Common Shares (including Common Shares issuable upon redemption of OP units).

Facilities Portfolio, Sales Commission and Asset Management Agreements

Each self storage property that was contributed to our operating partnership or one of its subsidiaries by a PRO continues to be managed by the PRO that contributed the property, including those controlled by Mr. Nordhagen, our chairman and chief executive officer, and Mr. Howard, one of our trustees, and those in which Mr. Van Mourick, one of our trustees, has an interest. Each PRO has entered into a facilities portfolio management and sales commission agreement with our Company with respect to its contributed portfolio together with asset management agreements for each property. Each of our non-independent trustees is party to a facilities portfolio management and sales commission agreement and various asset management agreements or controls or is an investor in an entity that controls a party to such agreements. The asset management agreements include payments of supervisory and administrative fees and expense reimbursements to SecurCare, Northwest and Optivest. For the year ended December 31, 2018, supervisory and administrative fees of \$6.4 million, \$2.8 million, and \$2.1 million were paid to SecurCare, Northwest and Optivest, respectively. Of these supervisory and administrative fees paid to SecurCare, Northwest and Optivest, Mr. Nordhagen's, Mr. Howard's and Mr. Van Mourick's interests were approximately \$3.4 million, \$1.4 million and \$0.9 million, respectively, excluding their respective share of any costs associated with such fees. For the year ended December 31, 2018, expense reimbursements of \$10.1 million, \$4.0 million, and \$4.1 million were paid to SecurCare, Northwest and Optivest, respectively. Such expense reimbursements between the Company, as property owner, and each PRO, as property manager, are considered customary and do not result in any profit for the PRO. Of these expense reimbursements, Mr. Nordhagen's, Mr. Howard's and Mr. Van Mourick's interests were approximately \$5.3 million, \$2.0 million and \$1.7 million, respectively. Upon certain retirement events, the management of the properties in such PRO's contributed portfolio will be transferred to us (or our designee) in exchange for OP units with a value equal to four times the average of the normalized annual EBITDA from the management contracts related to such PRO's contributed portfolio over the immediately preceding 24-month period. Forms of our facilities portfolio management agreements are filed as exhibits to our SEC filings, available at www.sec.gov.

Tenant Insurance-Related Arrangements

We and certain of our PROs have various arrangements with regulated insurance companies to enable us to assist our tenants in obtaining insurance or tenant protection plans in association with storage rentals. These insurance companies typically pay some of our PROs access fees to help them procure business at our properties, and we receive a portion of such fees which are recognized as revenue at our properties. For the year ended December 31, 2018, tenant insurance-related and tenant protection plan-related access fees of \$0.5 million, \$0.1 million, and \$0.5 million were paid to an affiliate of SecurCare, Northwest, and Optivest, respectively. Of these tenant insurance-related and tenant protection plan-related access fees paid to the affiliate of SecurCare, Northwest, and Optivest, Mr. Nordhagen's, Mr. Howard's and Mr. Van Mourick's interests were approximately \$0.2 million, \$0.1 million and \$0.2 million, respectively. Each PRO that arranges tenant insurance and/or tenant protection plans to tenants at the properties they manage maintains its own insurance or protection program, and in some cases our PROs or their affiliates have an ownership interest in the regulated insurance company that provides insurance coverage to our tenants at certain of the properties that they manage. As such, these PROs or their affiliates may benefit from our success in improving tenant insurance penetration through both improved property performance and improved performance of the respective insurance companies in which they may have an ownership stake.

RELATED TRANSACTIONS POLICY

In our code of business conduct and ethics and our transaction approval policy, we have a conflicts of interest policy that prohibits our trustees, officers and employees who provide services to us from engaging in any transaction that involves an actual or potential conflict of interest with us unless approved by a majority of our disinterested independent trustees. Exceptions may be made only after review and approval of specific or general categories by our board of trustees (in the case of executive officers or trustees) and our compliance officer (in the case of employees who are not executive officers and trustees).

SECURITY OWNERSHIP OF CERTAIN BENEFICIAL OWNERS AND MANAGEMENT

The following table sets forth information as of March 15, 2019 regarding the (A) beneficial ownership of Common Shares, which includes OP units and vested LTIP units in our operating partnership as if each unit were redeemed for one Common Share, by (i) each person known to us to be the beneficial owner of more than 5% of the outstanding Common Shares, (ii) our Named Executive Officers, (iii) our trustees and trustee nominees and (iv) all of our trustees, trustee nominees and Named Executive Officers as a group and (B) beneficial ownership of subordinated performance units, which may become voluntarily convertible by the holder into OP units if (1) the applicable lockup has expired, (2) certain performance thresholds for the year ended December 31, 2019 relating to the properties to which such units relate are achieved, and (3) notice of conversion is submitted by such holder on or prior to December 1st of a given year. Upon satisfaction of the foregoing conditions, conversions into OP units will become effective on the immediately succeeding January 1st (the "conversion date") and will convert based upon a formula utilizing cash available for distribution, or CAD, for the immediately trailing fiscal year prior to the conversion date. For more information, including information about conversions that became effective on January 1, 2019, see Note 15 to the Company's Consolidated Financial Statements in our annual report on Form 10-K for the year ended December 31, 2018. The number of OP units into which a subordinated performance unit is convertible as of March 15, 2019 is not yet determinable for conversions made by subordinated performance unit holders on or prior to December 1, 2019 to be effective on January 1, 2020.

Beneficial ownership includes any shares over which the beneficial owner has sole or shared voting or investment power and also any shares that the beneficial owner has the right to acquire within 60 days of such date through the exercise of options or other rights.

OTHER MATTERS

Our board of trustees knows of no other business that may be properly presented at the Annual Meeting. The proxies for the Annual Meeting confer discretionary authority on the persons named therein as proxy holders to vote on any matter proposed by shareholders for consideration at the Annual Meeting. As to any other business which may properly come before the Annual Meeting, the persons named as proxy holders on your proxy card will vote the Common Shares represented by properly submitted proxies in their discretion.

SUBMISSION OF SHAREHOLDER PROPOSALS

Any shareholder intending to present a proposal at our 2020 annual meeting of shareholders (the "2020 Annual Meeting") and have the proposal included in the proxy statement and proxy card for such meeting (pursuant to Rule 14a-8 of the Exchange Act) must, in addition to complying with the applicable laws and regulations governing submissions of such proposals, deliver the proposal in writing to us no later than December 7, 2019.

Our Bylaws currently provide that any shareholder intending to nominate a trustee or present a shareholder proposal of other business for consideration at the 2020 Annual Meeting, but not intending for such a nomination or proposal to be considered for inclusion in our proxy statement and proxy card relating to such meeting (i.e., not pursuant to Rule 14a-8 of the Exchange Act), must deliver a notification to us in writing no earlier than the 150th day and not later than 5:00 p.m., mountain time, on the 120th day prior to the first anniversary of the date that the proxy statement for the immediately preceding annual meeting of shareholders is first released to our shareholders; provided, however, that in the event that the date of the annual meeting is advanced or delayed by more than 30 days from the first anniversary of the date of the preceding year's annual meeting, notice by the shareholder, to be timely, must be so delivered not earlier than the 150th day prior to the date of such annual meeting and not later than 5:00 p.m., mountain time, on the later of the 120th day prior to the date of such annual meeting, as originally convened, or, if later, the tenth day following the day on which public announcement of the date of such meeting is first made. Accordingly, assuming that the date of the 2020 Annual Meeting is not advanced or delayed by more than 30 days from the first anniversary of the date of the 2019 Annual Meeting, to timely submit a trustee candidate for nomination or propose other business for consideration at our 2020 Annual Meeting, shareholders must have delivered the nomination or proposal, in writing, by December 7, 2019, but in no event earlier than November 7, 2019. The written notice must set forth the information and include the materials required by our Bylaws. The advanced notice procedures set forth in our Bylaws do not affect the right of shareholders to request the inclusion of certain proposals in our proxy statement pursuant to SEC rules.

Any such nomination or proposal should be sent to Tamara D. Fischer, our president, chief financial officer, treasurer and secretary, at National Storage Affiliates Trust, 8400 East Prentice Avenue, 9th Floor, Greenwood Village, CO 80111, and, to the extent applicable, must include the information and other materials required by our Bylaws.

Our board of trustees knows of no other matters or business to be presented for consideration at the Annual Meeting. If, however, any other matters properly come before the Annual Meeting or any adjournments or postponements thereof, it is the intention of the persons named in the enclosed proxy to vote such proxy in accordance with their discretion on any such matters.

DELIVERY OF MATERIALS

In accordance with SEC rules, instead of mailing a printed copy of our proxy materials to our shareholders, we are, except as described below, furnishing proxy materials, including this Proxy Statement and our 2018 Annual Report to Shareholders, by providing access to these documents on the Internet. Accordingly, on or about April 12, 2019, the Notice will be sent to our beneficial owners of shares (i.e., those who hold in street name through a bank, broker or other intermediary). The Notice provides instructions for accessing our proxy materials on the Internet and instructions for receiving printed copies of the proxy materials without charge by mail or electronically by email. Please follow the instructions included in the Notice.

The Notice provides you with instructions regarding the following: (1) viewing our proxy materials for the Annual Meeting on the Internet; (2) voting your shares after you have viewed our proxy materials; (3) requesting a printed copy of the proxy materials; and (4) instructing us to send our future proxy materials to you. We believe the delivery options allow us to provide our shareholders with the proxy materials they need, while lowering the cost of the delivery of the materials and reducing the environmental impact of printing and mailing. If you choose to receive future proxy materials by email, you will receive an email next year with instructions containing a link to view those proxy materials and a link to the proxy voting site. Your election to receive proxy materials by email will remain in effect until you terminate it.

In addition, certain shareholders of record (i.e., those who hold shares directly in their name with our transfer agent) will be sent, by mail, this Proxy Statement, the Notice of Annual Meeting of Shareholders and the related proxy card on or about April 12, 2019.

MULTIPLE COPIES OF OUR ANNUAL REPORT TO SHAREHOLDERS

The SEC permits a single set of annual reports and proxy statements to be sent to any household at which two or more shareholders reside if they appear to be members of the same family. Each shareholder continues to receive a separate proxy card. This procedure, referred to as householding, reduces the volume of duplicate information shareholders receive and mailing and printing expenses. A number of brokerage firms have instituted householding.

As a result, if you hold your shares through a broker and you reside at an address at which two or more shareholders reside, you will likely receive only one annual report and proxy statement unless any shareholder at that address has given the broker contrary instructions. However, if any such beneficial shareholder residing at such an address wishes to receive a separate annual report or proxy statement in the future, or if any such beneficial shareholder that elected to continue to receive separate annual reports or proxy statements wishes to receive a single annual report or proxy statement in the future, that shareholder should contact their broker or send a request to our corporate secretary at our principal executive offices, National Storage Affiliates Trust, 8400 East Prentice Avenue, 9th Floor, Greenwood Village, CO 80111, telephone number (720) 630-2600. We will deliver, promptly upon written or oral request to the corporate secretary, a separate copy of the 2018 Annual Report to Shareholders and this Proxy Statement to a beneficial shareholder at a shared address to which a single copy of the documents was delivered. Similarly, you may also contact us if you received multiple copies of such materials and would prefer to receive a single copy in the future.

CHANGING THE WAY YOU RECEIVE PROXY MATERIALS IN THE FUTURE

Instead of receiving a Notice in the mail for future meetings, shareholders may elect to receive links to proxy materials by e-mail or to receive a paper copy of the proxy materials and a paper proxy card by mail. If you elect to receive proxy materials by e-mail, you will not receive a Notice in the mail. Instead, you will receive an e-mail with links to proxy materials and online voting. In addition, if you elect to receive a paper copy of the proxy materials, or if applicable rules or regulations require paper delivery of the proxy materials, you will not receive a Notice in the mail. If you received a paper copy of the proxy materials or the Notice in the mail, you can eliminate all such paper mailings in the future by electing to receive an e-mail that will provide Internet links to these documents. Opting to receive all future proxy materials online will save us the cost of producing and mailing such documents to you and help us conserve natural resources. You can change your election by directing your request in writing to National Storage Affiliates Trust,

8400 East Prentice Avenue, 9th Floor, Greenwood Village, CO 80111, Attention: Investor Relations, by sending a blank e-mail with the 16-digit control number on your Notice to sendmaterial@proxyvote.com, via the Internet at www.proxyvote.com, or by telephone at 1-800-579-1639. Your election will remain in effect until you change it.

MISCELLANEOUS

We are bearing all costs associated with the solicitation of proxies in connection with the Annual Meeting. This solicitation is being made primarily by mail but may also be made by our trustees, Named Executive Officers and employees by telephone, facsimile transmission, electronic transmission, Internet, mail or personal interview. No additional compensation will be given to our trustees, Named Executive Officers or employees for this solicitation. We will request brokerage firms, banks, broker-dealers and other intermediaries who hold Common Shares in their names to furnish proxy materials to beneficial owners of such shares and will reimburse such brokerage firms, banks, broker-dealers and other intermediaries for their reasonable expenses incurred in forwarding solicitation materials to such beneficial owners.

A COPY OF OUR ANNUAL REPORT ON FORM 10-K (FILED WITH THE SEC), WHICH CONTAINS ADDITIONAL INFORMATION ABOUT US, IS AVAILABLE FREE OF CHARGE TO ANY SHAREHOLDER. REQUESTS SHOULD BE DIRECTED TO INVESTOR RELATIONS AT NATIONAL STORAGE AFFILIATES TRUST, 8400 EAST PRENTICE AVENUE, 9TH FLOOR, GREENWOOD VILLAGE, CO 80111.

By Order of the Board of Trustees,

Arlen D. Nordhagen
Chairman of the Board of Trustees and Chief
Executive Officer

Greenwood Village, Colorado

APPENDIX A - RECONCILIATIONS OF NON-GAAP FINANCIAL MEASURES

CORE FFO

Funds from operations, or FFO, is a widely used performance measure for real estate companies and is provided here as a supplemental measure of our operating performance. The April 2002 National Policy Bulletin of Nareit, which we refer to as the White Paper, as amended, defines FFO as net income (loss) (as determined under GAAP), excluding gains (or losses) from sales of real estate and related impairment charges, plus real estate depreciation and amortization, and after adjustments for unconsolidated partnerships and joint ventures. We include amortization of customer in-place leases in real estate depreciation and amortization in the calculation of FFO because we believe the amortization of customer in-place leases is analogous to real estate depreciation, as the value of such intangibles is inextricably connected to the real estate acquired. Distributions declared on subordinated performance units and DownREIT subordinated performance units represent our allocation of FFO to noncontrolling interests held by subordinated performance unitholders and DownREIT subordinated performance unitholders. For purposes of calculating FFO attributable to common shareholders, OP unitholders and LTIP unitholders, we exclude distributions declared on subordinated performance units, DownREIT subordinated performance units, preferred shares and preferred units. We define Core FFO as FFO, as further adjusted to eliminate the impact of certain items that we do not consider indicative of our core operating performance. These further adjustments consist of acquisition costs, organizational and offering costs, gains on debt forgiveness, gains (losses) on early extinguishment of debt and after adjustments for unconsolidated partnerships and joint ventures.

Management uses FFO and Core FFO as key performance indicators in evaluating the operations of our properties. Given the nature of our business as a real estate owner and operator, we consider FFO and Core FFO as key supplemental measures of our operating performance that are not specifically defined by GAAP. We believe that FFO and Core FFO are useful to management and investors as a starting point in measuring our operational performance because FFO and Core FFO exclude various items included in net income (loss) that do not relate to or are not indicative of our operating performance such as gains (or losses) from sales of self storage properties and depreciation, which can make periodic and peer analyses of operating performance more difficult. Our computation of FFO and Core FFO may not be comparable to FFO reported by other REITs or real estate companies.

FFO and Core FFO should be considered in addition to, but not as a substitute for, other measures of financial performance reported in accordance with GAAP, such as total revenues, operating income and net income (loss). FFO and Core FFO do not represent cash generated from operating activities determined in accordance with GAAP and are not a measure of liquidity or an indicator of our ability to make cash distributions. We believe that to further understand our performance, FFO and Core FFO should be compared with our reported net income (loss) and considered in addition to cash flows computed in accordance with GAAP, as presented in our consolidated financial statements.

The following table presents a reconciliation of earnings (loss) per share - diluted to FFO and Core FFO per share and unit for the periods presented:

	Year Ended December 31,	
	2018	2017
Earnings (loss) per share - diluted	\$ 0.07	\$ 0.01
Impact of the difference in weighted average number of shares ⁽¹⁾	(0.03)	—
Impact of GAAP accounting for noncontrolling interests, two-class method and treasury stock method ⁽²⁾	0.49	0.59
Add real estate depreciation and amortization	1.04	1.00
Add Company's share unconsolidated venture real estate depreciation and amortization	0.12	0.10
Subtract gain on sale of self storage properties	—	(0.08)
FFO attributable to subordinated performance unitholders	(0.32)	(0.39)
FFO per share and unit	1.37	1.23
Add acquisition costs, Company's share of unconsolidated real estate venture acquisition costs and loss on early extinguishment of debt	0.01	0.01
Core FFO per share and unit	\$ 1.38	\$ 1.24

- (1) Adjustment accounts for the difference between the weighted average number of shares used to calculate diluted earnings per share and the weighted average number of shares used to calculate FFO and Core FFO per share and unit. Diluted earnings per share is calculated using the two-class method for the company's restricted common shares, the treasury stock method for certain unvested LTIP units, and includes the assumption of a hypothetical conversion of subordinated performance units and DownREIT subordinated performance units into OP units, even though such units may only be convertible into OP units (i) after a lock-out period and (ii) upon certain events or conditions. For additional information about the conversion of subordinated performance units, DownREIT subordinated performance units and LTIP units into OP units, see Note 10 of our annual report on Form 10-K filed with the SEC on February 26, 2019. The computation of weighted average shares and units for FFO and Core FFO per share and unit includes all restricted common shares and LTIP units that participate in distributions and excludes all subordinated performance units and DownREIT subordinated performance units because their effect has been accounted for through the allocation of FFO to the related unitholders based on distributions declared.
- (2) Represents the effect of adjusting the numerator to consolidated net income (loss) prior to GAAP allocations for noncontrolling interests, after deducting preferred share and unit distributions, and before the application of the two-class method and treasury stock method, as described in footnote ⁽¹⁾.

NOI

We define NOI as net income (loss), as determined under GAAP, plus general and administrative expenses, depreciation and amortization, interest expense, loss on early extinguishment of debt, equity in earnings (losses) of unconsolidated real estate ventures, acquisition costs, organizational and offering expenses, income tax expense, impairment of long-lived assets, losses on the sale of properties and non-operating expense and by subtracting management fees and other revenue, gains on sale of properties, debt forgiveness, and non-operating income. NOI is not a measure of performance calculated in accordance with GAAP.

We believe NOI is useful to investors in evaluating our operating performance because:

- NOI is one of the primary measures used by our management and our PROs to evaluate the economic productivity of our properties, including our ability to lease our properties, increase pricing and occupancy and control our property operating expenses;
- NOI is widely used in the real estate industry and the self storage industry to measure the performance and value of real estate assets without regard to various items included in net income that do not relate to or are not indicative of operating performance, such as depreciation and amortization, which can vary depending upon accounting methods, the book value of assets, and the impact of our capital structure; and
- We believe NOI helps our investors to meaningfully compare the results of our operating performance from period to period by removing the impact of our capital structure (primarily interest expense on our outstanding indebtedness) and depreciation of the cost basis of our assets from our operating results.

There are material limitations to using a non-GAAP measure such as NOI, including the difficulty associated with comparing results among more than one company and the inability to analyze certain significant items, including depreciation and interest expense, that directly affect our net income (loss). We compensate for these limitations by considering the economic effect of the excluded expense items independently as well as in connection with our analysis of net income (loss). NOI should be considered in addition to, but not as a substitute for, other measures of financial performance reported in accordance with GAAP, such as total revenues, income from operations and net loss.

The following table presents a reconciliation of net income (loss) to NOI and same store data for the periods presented (dollars in thousands):
