

# YOU'RE INVITED!

## CALLING ALL RESIDENTS FROM TROY, ST. JACOB & MARINE!

**TRIAD TOGETHER**, a team of parents, community members and Triad School District staff, is looking for your input on long-term facilities challenges the district faces, including:

- ▶ Functional spaces to accommodate students' academic and co-curricular needs
- ▶ Space dedicated to student learning and enrichment
- ▶ Facility maintenance and repair

We want to gather feedback from residents from all of our communities on how best to address these challenges and guide the future of the Triad School District. Please plan to attend one of our Community Engagement Events to learn more and see our schools' needs first-hand.
