

Mayor's Message

Hello Laguna Niguel!

The spooky season is upon us, and I'm excited to remind you about one of our city's most highly anticipated events—Haunted Trails at Crown Valley Park! If you haven't already experienced the thrills, don't worry because the fun continues tonight, Friday, October 11th, from 6:30 pm to 10:00 pm. Plus, there are still two more nights of chills ahead on Saturday, October 12th, from 6:30 pm to 10:00 pm and Sunday, October 13th, from 6:30 pm to 9:30 pm.

Our incredible City staff has been working tirelessly to ensure Haunted Trails is a thrilling and enjoyable experience for everyone who loves a little scare. From the eerie decorations to the immersive haunted path, this multi-day event is filled with frights and delights for the entire community. Whether you're looking to get your adrenaline pumping or simply enjoy the festive atmosphere, Haunted Trails is the perfect way to celebrate this October.

Tickets are available for purchase at the event for \$15 per person, and we're also offering a Ghoulish Group Rate—gather your friends because groups of 10 or more can buy tickets at just \$10 per person! However, please keep in mind that Haunted Trails is not recommended for children under 10, as it's designed to be a spine-tingling experience.

As we approach Halloween, I'd also like to share a few important safety reminders to ensure that everyone has a safe and happy experience. Please be sure to keep an eye on children when they are out trick-or-treating. I encourage you to use reflective gear or carry flashlights for visibility, and please utilize sidewalks when walking through neighborhoods. Homeowners should also check that walkways are well-lit and free of any obstacles that could cause a trip or fall.

While we hear this reminder every year, it cannot be stressed enough: it's essential to carefully check all candy before allowing children (or adults) to eat it. Please discard any candy that looks tampered with, unwrapped, or has damaged packaging. Ensuring that treats are safe to eat is a simple step that can make all the difference in keeping Halloween fun and safe for everyone.

I hope to see you at Haunted Trails this weekend, and I wish you all a safe and spooky Halloween!

Warm regards,

Kelly Jennings

Kelly Jennings
Mayor, City of Laguna Niguel
