Beaumont Police Captain Greg Fagan Retires After 32 Years of Dedicated Service and Leadership

Beaumont, CA—The City of Beaumont Police Department is honored to announce the retirement of Captain Greg Fagan, who after nearly 32 years of exceptional service and commitment to our community, is embarking on a new chapter. His leadership and dedication have left an indelible mark, and we celebrate his incredible career and wish him all the best in his well-deserved retirement!

Captain Fagan began his law enforcement career with the Los Angeles County Sheriff's Department in 1992 before joining the City of Beaumont Police Department in 1996. Throughout the years, he served in various key roles, including detective, field training officer, defensive tactics instructor, administrative sergeant, and training coordinator. One of his most significant accomplishments was overseeing the development and implementation of a multi-million-dollar upgrade to the Beaumont Police Department's communication infrastructure, introducing advanced technologies that have proved pivotal in solving and preventing crimes.

In addition to his operational contributions, Captain Fagan has played an active role in law enforcement leadership, serving as a committee member for the Riverside County Law Enforcement Administrator's Association, chair member of the Law Enforcement Appreciation Committee (LEAC), and previously serving as Past President of the Beaumont-Cherry Valley Rotary Club. He is also a graduate of the prestigious FBI National Academy, 260th Class, and LAPD Leadership Course.

"Captain Fagan has been a driving force behind the department's efforts to strengthen community policing, enhance officer training, and foster partnerships with local organizations," said Chief Sean Thuilliez. "His leadership helped shape the department and align it with modern policing principles and systems. His departure will be felt deeply by his colleagues, fellow officers, and the community."

The Beaumont Police Department celebrates Captain Fagan's achievements and wishes him well in his retirement and future endeavors.
