Beaumont Police Department Awarded Grant to Fund Traffic Enforcement Efforts

Beaumont, CA—The City of Beaumont Police Department was awarded a \$167,000 grant from the California Office of Traffic Safety (OTS). The grant will support our ongoing enforcement and education programs to help reduce the number of serious injuries and deaths on our roads.

“This funding will strengthen our commitment to public safety in our community,” Beaumont Police Department, Chief of Police, Sean Thuilliez said. “We will be able to increase our efforts in making our roads safer for everyone and focus on critical areas such as distracted driving, impaired driving and speeding.”

The grant will provide additional programs and resources, including DUI checkpoints and patrols focused on stopping suspected impaired drivers.

- High visibility distracted driving enforcement operations targeting drivers in violation of California’s hands-free cell phone law.
- Enforcement operations focused on the most dangerous driver behaviors that put the safety of people biking or walking at risk.
- Enforcement operations focused on top violations that cause crashes: speeding, failure to yield, stop sign and/or red-light running, and improper turning or lane changes.
- Community presentations on traffic safety issues such as distracted driving, impaired driving, speeding and bicycle and pedestrian safety.
- Collaborative enforcement efforts with neighboring agencies.
- Officer training and/or recertification: Standard Field Sobriety Test (SFST), and Advanced Roadside Impaired Driving Enforcement (ARIDE).

The grant program will run through September 2025. Funding for this program was provided by a grant from the California Office of Traffic Safety, through the National Highway Traffic Safety Administration.
