Grand Opening Ceremony Celebrates New Outdoor Pickleball Courts

MORGAN HILL, CA (August 30, 2024) – Calling all pickleball enthusiasts! The wait is over. The City of Morgan Hill is thrilled to announce the grand opening and ribbon-cutting ceremony for its brand new, state-of-the-art outdoor pickleball courts.

Join the Celebration

The ceremony will take place on September 7, 2024, at 10:00 am at Morgan Hill Community Park, located at 171 W. Edmundson Avenue, Morgan Hill. The event will feature welcoming remarks from City officials and representatives of the Morgan Hill Pickleball Club, a ceremonial ribbon cutting, and a chance to test out the new pickleball courts.

Pickleball Paradise

These four high-quality courts represent a significant investment in Morgan Hill's growing pickleball community. Previously, players relied on shared courts with other sports. The dedicated courts will provide a safe, designated space for players of all skill levels to enjoy this fun and fast-paced game.

"Everyone is so excited about the new courts. With these additional outdoor courts, tournaments, clinics, and lessons can now be organized, and with having more courts to play on, many new people of all levels will be coming to Morgan Hill and experiencing so much of what our community has to offer," shared Tim Hendrick, President of the 150+ member Pickleball Club. "With the variety of indoor and outdoor courts that we now have, all levels can find someone of comparable experience to play with, and the various hours work for most everyone."

"We're thrilled to officially open these new courts," says Jennie Tucker, Recreation Manager at Morgan Hill Parks and Recreation. "Pickleball has become a popular pastime for many Morgan Hill residents, and these courts are a testament to the City's commitment to providing recreational opportunities."

The new pickleball courts are open to the public and free to use. Whether you're a seasoned competitor or a curious newcomer, grab your paddle and head down to the Morgan Hill Community Park. Don't miss out on the chance to celebrate this exciting addition to Morgan Hill's park system!
