“We hope to celebrate the Texas Lottery player who became a \$2 million prize winner in the April 10, 2024 Powerball drawing,” said Ryan Mindell, executive director of the Texas Lottery. “We encourage our Powerball players to take another look at their tickets, and if your numbers match, sign the back of the ticket before claiming your prize at a Texas Lottery claim center.”

A ticket holder forfeits any claim to a prize for a draw game after the expiration of the 180th day following the draw date. The deadline may be extended for a period of time for certain eligible military personnel. Unclaimed prizes revert back to the state for programs authorized by the Texas Legislature.
