In Re: Nationwide Notices of Electronic Filing (NEFs) Scam

Recently, there have been nationwide reports of fake Notices of Electronic Filing (NEFs) being sent to attorneys and law firms. These fraudulent NEFs are phishing attempts designed to prompt recipients to reply, after which they receive a follow-up email containing a link to a malicious website. We urge you to exercise caution if you receive any suspicious NEFs. Please verify case details and documents solely through CM/ECF and avoid downloading attachments or clicking on links from unofficial or unverified sources.

In San Juan, Puerto Rico, this 6th day of November 2024.

Wilma Jaime-De Jesús
Clerk of Court
