## **November 12, 2024**

### **Nationwide Notices of Electronic Filing Scam**

Fake Notices of Electronic Filing (NEFs) are reportedly being sent to attorneys and law firms across the country. These simulated NEFs are phishing attempts to induce recipients to respond to the e-mails. After replying a recipient is sent a follow-up e-mail containing a link to access a document leading to a malicious website. Please exercise caution when receiving NEFs. You should only validate cases and case documentation through CM/ECF. Do not download any attachments or click any links from unofficial or questionable sources.
