## **JUDGMENT**

The Court heard the above-captioned adversary proceeding from September 10, 2024, to October 28, 2024. Defendants then orally moved for a directed verdict and the Court granted that motion. As stated on the record, Plaintiff failed to provide sufficient evidence that his claim against the Debtor should be deemed non-dischargeable in bankruptcy under 11 U.S.C. § 523(a)(4). It is, therefore,

**Ordered** that the above-captioned adversary proceeding is **DISMISSED**. It is further **Ordered** that any other relief sought by Plaintiff in this adversary proceeding is **DENIED**.
