### Update For SR 523 Vehicular Homicide Investigation

**King County:** This is an update and request for information related to the press release that was sent out on October 31, 2024, reference a Felony Hit and Run that occurred on SR 523. The GMC Yukon has been recovered thanks to an alert citizen.

WSP detectives are asking for public's help in locating the driver of the running 2007 GMC Yukon involved in a deadly hit and run crash at N 145th St and Stone Ave N on October 30th. Investigators believe there is another vehicle associated with the Yukon that provided assistance to the running driver. That vehicle is a silver 2005 Chevrolet Silverado with black hood and black rear driver side quarter panel. Investigators are asking anyone who lives west of I-5 between Northgate Way and N 145th St to review their video cameras between 6:20pm and 7:30pm on October 30, 2024. Below are the photos of the actual vehicles. Please upload any video using the QR code below. Additionally, detectives are seeking anyone with information on the driver of the GMC Yukon to contact Detective Ivan Sergeev at [ivan.sergeev@wsp.wa.gov](mailto:ivan.sergeev@wsp.wa.gov).
