Wellsville EMS Station, 704 E. 7th Street, Wellsville, KS

Franklin County is proud to announce the completion of the new Emergency Medical Services (EMS) Station in Wellsville. The community is invited to join us for a ribbon cutting ceremony and open house starting at 11:30 a.m. Cake and light refreshments will be available.

The new EMS station at 704 E. 7th Street houses a full-time ambulance and crew, ready to respond to medical emergencies 24/7/365. The facility is a new construction, with an ambulance bay, four bedrooms, an office, two bathrooms, and kitchen.
