## SHINHAN BANK VIETNAM INSTALLS CLEAN WATER SYSTEM AND ORGANIZES MID-AUTUMN FESTIVAL FOR CHILDREN AT HOA SON KINDERGARTEN, HOA VANG DISTRICT, DA NANG CITY

*Ho Chi Minh City, September 17th, 2024* – Shinhan Bank Vietnam (“SHBVN”) corporates with National Fund for Vietnamese Children to install clean water system with a total sponsorship value of VND 100 million, and organize Mid-Autumn Festival with a total sponsorship value of over VND 55 million at Hoa Son Kindergarten, Hoa Vang District, Da Nang City.

Despite of living near to the Nam My dam, thousands households in Hoa Son Commune (Hoa Vang District, Da Nang City) usually do not have enough clean water for daily life. People in this place have to use spring water for daily activities that poses many potential health risks.

With the clean water system installation, Shinhan Bank desires of providing clean, safe and sustainable water sources for children, as well as support community development and health protection activities. The clean water system installation will also help minimize the water-borne diseases and protect children in this place, supporting children to have good health and achieve good results in education. Children are also encouraged to bring clean drinking water home and spread the benefits to their families and the community.

Previously, in July 2024, Shinhan Bank, through National Fund for Vietnamese Children, also installed a clean water system for Thach Ngoc Kindergarten, Thach Ha District, Ha Tinh Province with a total sponsorship value of up to VND 140 million, contributing to improve living conditions for teachers and students.

Mr. Yang Ho Rim – Deputy General Director of Shinhan Bank Vietnam stated: *“The clean water system we are installing today at Hoa Son Kindergarten, Hoa Vang Ward, Da Nang City is more than*

*infrastructure; it conveys the faith and hope for the future generations. Through this CSR activity, we hope to create a lasting impact on the lives of children, and promote their future educational opportunities.”*

Clean water system installation activity at kindergartens/schools is also a part of Shinhan Bank’s efforts in strengthening community activities in line with ESG strategy issued by the Shinhan Financial Group Korea, contributing to implement the National Strategy in green growth until 2030, simultaneously affirming a sustainable bonding with Vietnam’s market.
