Directors' recommendation

The Directors (excluding Joanne Khoo Su Nee) recommend that Securityholders vote for this Resolution.

Resolution 2 – Election of Georg Johann Chmiel as a Director

Article 92 of the Company's Constitution provides that any Director appointed in addition to the existing Directors will hold office until the next following annual general meeting and is then eligible for re-election.

ASX Listing Rule 14.4 also provides that each additional director appointed during the year is to hold office until the next annual general meeting and is then eligible for election as a Director of the Company.

Georg Johann Chmiel was appointed as an additional Director of the Company on 13 November 2023 and has since served as a Director of the Company. Under this Resolution, Mr Chmiel seeks election as a Director of the Company at this AGM.

Georg was previously Executive Chair of iCarAsia (ASX:ICQ), the number 1 online automotive marketplace for SE Asia until its acquisition by CARSOME. He was also Managing Director & CEO of the iProperty Group (ASX:IPP) until its sale to REA Group in the biggest online takeover in SE Asia

He is a regular author and guest lecturer on disruptive technologies, AI and big data and entrepreneurship at various universities.

Directors' recommendation

The Directors (excluding Georg Johann Chmiel) recommend that Securityholders vote for this Resolution.

Resolution 3 - Approval of Re-appointment of Auditor

The current auditor, RSM Chio Lim LLP, were re-appointed as auditor of the Company on 30 May 2023 at the Company's 2023 Annual General Meeting.

Section 205(2) of the Companies Act states:

"A company must at each annual general meeting of the company appoint an accounting entity or accounting entities to be the auditor or auditors of the company, and any auditor or auditors so appointed hold office, subject to this section, until the conclusion of the next annual general meeting of the company."

The Board has been satisfied with the services of RSM Chio Lim LLP as auditor of the Company and thanks RSM Chio Lim LLP for these services and proposes to re-appoint them as auditor of the Company for the 2024 financial year.

Resolution 3, being an ordinary resolution, seeks that RSM Chio Lim LLP be re-appointed as auditor of the Company until the conclusion of the next annual general meeting of the Company and the Directors be authorised to agree the remuneration with the Auditor as deemed appropriate.

Directors' recommendation

The Board of Directors recommend that Securityholders vote for this Resolution.

Resolution 4 – Approval of Director Emoluments

Section 169 of the Companies Act requires that Directors' emoluments (which include fees as well as non-cash benefits) in respect of their office as such be approved by Securityholders. Securityholders previously set the maximum aggregate non-executive Directors' fees for the financial year ended 31 December 2023 at \$160,000 of which only \$101,852 (approximately SGD\$90,539) was paid to non-executive Directors as remuneration.

As it is not proposed to increase the Directors' emoluments from that amount that was approved at the Company's last annual general meeting, being \$160,000, approval is not required under ASX Listing Rule 10.17 and approval is therefore being sought in accordance with Section 169 of the

Companies Act only.

Resolution 3 therefore, seeks approval for the proposed maximum aggregate Directors' fees payable to all of its non-executive Directors to be set at \$160,000 for the financial year ending 31 December 2024.

The proposed level of permitted fees does not mean that the Company must pay the entire amount of the approved fees in each year. However, the Board considers that it is reasonable and appropriate to establish this amount as this will enable the Company to pay appropriate remuneration to its non-executive Directors, provide the Company with the flexibility to attract appropriately qualified Directors and to act quickly if the circumstances require it.

The Remuneration Committee reviews and approves the Company's remuneration policy in order to ensure that the Company is able to attract and retain executives and directors who will create value for Securityholders, having regard to the amount considered to be commensurate for an entity of the Company's size, complexity and level of activity as well as the relevant Directors' time, commitment and responsibility.

Resolution 4, being an ordinary resolution, seeks approval for the proposed maximum aggregate Directors' fees of \$160,000 for the financial year ending 31 December 2024.

Directors' recommendation

The Board of Directors recommend that Securityholders vote for this Resolution, noting that the non-executive Directors have an interest in their remuneration.

Resolution 5 – Approval of Authority to Issue Shares and Instruments

Section 161 of the Companies Act requires that the issue of any new Shares or other securities in the Company be approved by Securityholders.

Resolution 5 therefore seeks approval for the Directors to be empowered to issue Shares and other securities in the Company from the date of the Meeting to the conclusion of the next annual general meeting of the Company or the date by which next annual general meeting for the Company is required by law to be held, whichever is the earlier.

This authority will, unless revoked or varied at a general meeting of the Company, expire at the conclusion of the next annual general meeting of the Company.

Resolution 5 is not seeking approval for:

- (a) the issue of securities in the Company pursuant to the requirements of Listing Rule 7.1 or Listing Rule 7.1A; or
- (b) the issue of securities to related parties pursuant to the requirements of Listing Rule 10.11 or Listing Rule 10.14.

Resolution 5 will therefore be subject to the Listing Rules, in particular:

- (a) Listing Rule 7.1, which provides that the Company must not, subject to specified exceptions, issue or agree to issue, without Securityholder approval, more securities during any 12-month period than that amount which represents 15% of the number of fully paid ordinary securities on issue at the commencement of that 12 month period;
- (b) Listing Rule 10.11, which provides that the Company must not issue new securities to a related party and certain other persons without Securityholder approval; and
- (c) Listing Rule 10.14 which provides that the Company must not issue new securities under an employee share plan to a Director or an associate of a Director without Securityholder approval.

Resolution 5 is an ordinary resolution.

Directors' Recommendation

The Board of Directors recommend that Securityholders vote for this Resolution.

ASX Listing Rule 7.1A

Resolution 6 – ASX Listing Rule 7.1A Approval of Future Issue of Securities

Broadly speaking, and subject to a number of exceptions, Listing Rule 7.1 limits the amount of equity securities that a listed company can issue without the approval of its shareholders over any 12-month period to 15% of the fully paid ordinary securities it had on issue at the start of that period.

Under Listing Rule 7.1A, however, an eligible entity can seek approval from its members, by way of a special resolution passed at its annual general meeting, to add an additional 10% capacity.

An eligible entity for the purposes of Listing Rule 7.1A is an entity that is not included in the S&P/ASX 300 Index and has a market capitalisation less than the amount prescribed by ASX (currently \$300 million).

As of the date of this Notice of Meeting, the Company has a market capitalisation of approximately \$15 million and therefore is an eligible entity. If at the time of the Meeting the Company is no longer an eligible entity this Resolution will be withdrawn.

This Resolution seeks Securityholder approval by way of a special resolution for the Company to have the additional 10% capacity provided for in Listing Rule 7.1A to issue equity securities without Securityholder approval.

If this Resolution is passed, the Company will be able to issue equity securities up to the combined 25% limit in Listing Rules 7.1 and 7.1A without any further Securityholder approval.

If this Resolution is not passed, the Company will not be able to access the additional 10% capacity to issue equity securities without Shareholder approval provided for in Listing Rule 7.1A and will remain subject to the 15% limit on issuing equity securities without Securityholder approval set out in Listing Rule 7.1.

Information Required by ASX Listing Rule 7.3A

The following information is provided to Securityholder for the purposes of Listing Rule 7.3A.

Period for which the approval will be valid

An approval under this Listing Rule 7.1A commences on the date of the annual general meeting at which the approval is obtained and expires on the first to occur of the following:

- (a) the date which is 12 months after the date of the annual general meeting at which the approval is obtained;
- (b) the time and date of the entity's next annual general meeting; and
- (c) the time and date on which Securityholders approve a transaction under Listing Rule 11.1.2 (a significant change to the nature or scale of activities) or 11.2 (disposal of main undertaking).

Minimum price at which the equity securities may be issued under Listing Rule 7.1A

Any equity securities issued under Listing Rule 7.1A.2 must be an existing quoted class of the

Company's equity securities and issued for cash consideration.

The issue price per equity security must not be less than 75% of the volume weighted average market price of the equity securities in that class, calculated over 15 trading days on which trades in that class were recorded immediately before:

- (a) the date on which the price at the equity securities are to be issued is agreed by the Company and the recipient of the equity securities; and
- (b) if the equity securities are not issued within 10 trading days of the date in paragraph (a), the date on which the equity securities are issued.

Purposes for which the funds raised by an issue of equity securities under Listing Rule 7.1A may be used

As noted above, any equity securities issued under Listing Rule 7.1A.2 must be issued for cash consideration. Accordingly, every issue of equity securities under Listing Rule 7.1A.2 will have an accompanying proposed use of funds at the time of issue.

As at the date of this Notice, the Company has not formed an intention to offer any equity securities under Listing Rule 7.1A during the Listing Rule 7.1A mandate period, if Shareholders approve this Resolution. However, if Securityholders approved this Resolution and the Company did raise funds from the issue of equity securities under Listing Rule 7.1A, based on the Company's existing plans, the Company considers that the funds may be used for the following purposes:

- (a) raising funds to further develop the Company's business;
- (b) raising funds for possible acquisitions, joint ventures or strategic alliances; and
- (c) raising funds to be applied to the Company's working capital requirements.

Risk of economic and voting dilution to existing ordinary Securityholders

If this Resolution is approved, and the Company issues equity securities under Listing Rule 7.1A, the existing Securityholders' economic and voting power in the Company will be diluted.

There is a risk that:

- (a) the market price for the Company's equity securities in that class may be significantly lower on the issue date than on the date of the approval under Listing Rule 7.1A; and
- (b) the equity securities may be issued at a price that is at a discount (as described above) to the market price for the Company's equity securities on the issue date;

which may have an effect on the amount of funds raised by the issue of equity securities under Listing Rule 7.1A.

The table below shows the potential dilution of existing Securityholders on the basis of 3 different assumed issue prices and values for the variable "A" in the formula in rule 7.1A.2:

- (e) The table shows the effect of an issue of equity securities under Listing Rule 7.1A only, not under the Company's 15% placement capacity under Listing Rule 7.1.

Allocation policy for issues under Listing Rule 7.1A

The Company's allocation policy and the identity of the allottees of equity securities under Listing Rule 7.1A will depend on a number of factors, including:

- (a) the Company's intentions in relation to the possible issue of equity securities (for cash consideration) during the Listing Rule 7.1A mandate period;
- (b) the structure and timeframe of the capital raising opportunities available to the Company and any alternative methods for raising funds that are available to the Company (such as a pro rata offer or an offer under a share purchase plan);
- (c) the potential effect on the control of the Company;
- (d) the Company's financial position and the likely future capital requirements; and
- (e) advice from the Company's corporate or financial advisors.

Based on the Company's historical cashflow reports and capital raising activities in the past 12 months, the Company considers that it may raise funds during the Listing Rule 7.1A mandate period, although this cannot be guaranteed. As of the date of this Notice, no specific intention to issue equity securities in relation to any parties, investors or existing Securityholders have been formed. In addition, no intentions have been formed in relation to the possible number of issues, or the time frame in which the issues could be made. Subject to the requirements of the Listing Rules and the Companies Act, the Board of Directors reserve the right to determine at the time of any issue of equity securities under Listing Rule 7.1A, the allocation policy that the Company will adopt for that issue.

If and when the determination is made to proceed with an issue of equity securities during the Listing Rule 7.1A mandate period, details regarding the allottees and purposes of issue will be disclosed pursuant to the Company's obligations under Listing Rules 3.10.3 and 7.1A.4.

Offers made under Listing Rule 7.1A may be made to parties (excluding any related parties) including professional and sophisticated investors, existing Securityholders of the Company, clients of Australian Financial Service Licence holders and/or their nominees, or any other person to whom the Company is able to make an offer of equity securities.

Issue or agreement to issue equity securities under Listing Rule 7.1A in the 12 months prior to AGM

The Company has not issued or agreed to issue equity securities under Listing Rule 7.1A.2 in the 12 months preceding the AGM.

This Resolution is a Special Resolution. For a Special Resolution to be passed, at least 75% of the votes validly cast on the resolution by Securityholders must be in favour of this Resolution.

Resolution 7 – Ratification of Prior Issue of CHES Depositary Interests to the Vendors of Plata and Punta Sdn. Bhd.

Background

As announced on 21 December 2022, Xamble Group Limited (under its previous name of Netccentric Limited) agreed to increase its shareholding in its performance marketing agency, Plata and Punta Sdn Bhd (P&P) by way of a share swap with Desmond Kiu Fa Lung and Mohd Ziaouddin Namooya (Zia). The share swap raised Xamble's holding in P&P to 76.5% from 51.0%, giving the Group absolute voting rights to control and make decisions on all aspects of the agency's business.

Xamble wanted to increase its majority holding in P&P to a majority controlling stake given the growth-oriented agency had strong synergies with the Group's existing influencer marketing business at the time. P&P continues to be a key contributor to the Group's business today.

The consideration was an aggregate amount of up to a maximum of 2,289,160 shares and satisfied by the payment of the issue and allotment of CHES Depositary Interests (**CDIs**), with each CDI representing one ordinary share in the issued and paid-up capital of Xamble.

1,144,580CDIs (being 50% of the 2,289,160 CDIs) were issued upfront, with the remainder split in two equal tranches to be issued subject to P&P achieving earnout performance milestones linked to revenue and EBITDA targets for the financial years ending 31 December 2022 and 31 December 2023.

Whilst P&P did not achieve these past earnout milestones, the Xamble Board has decided to issue Desmond and Zia 25% of the remaining CDIs (a total of 572,290 CDIs, made up of 516,183 CDIs for Desmond and 56,107 for Zia), with the remaining 25% to be forfeited. These CDIs will be escrowed for 2 years. The remaining CDIs were issued on 9 May 2024 and are the subject of this resolution.

The Board's reasoning for the decision is that Desmond and Zia's share of P&P's net tangible assets (if they were still P&P shareholders) is 72% higher than the total consideration¹ The Board also believes this is in the spirit of best interest given Desmond's role as founder and Chief Executive Officer of Xamble's social media marketing agency, Sashimi.

ASX Listing Rule 7.1

This Resolution proposes that Securityholders of the Company approve and ratify the prior issue of the 572,290 CDIs pursuant to the agreement with the P&P Vendors.

All of the CDIs were issued by utilising the Company's existing capacity under Listing Rule 7.1.

Broadly speaking, and subject to a number of exceptions, Listing Rule 7.1 limits the amount of equity securities that a listed company can issue without the approval of its securityholders over any 12-month period to 15% of the fully paid ordinary securities it had on issue at the start of that period.

The issue of the CDIs did not fit within any of the exceptions to Listing Rule 7.1 and, as it has not been approved by the Company's Securityholders, it effectively uses up part of the 15% limit in Listing Rule 7.1, reducing the Company's capacity to issue further equity securities without Securityholder approval under Listing Rule 7.1 for the 12-month period following the date of issue.

Listing Rule 7.4 allows the Securityholders of a listed company to approve an issue of equity

¹ Based on Xamble's share price as at 29 April 2024 and P&P's financial statements as at 31 December 2023.

securities after it has been made or agreed to be made provided the securities will be issued within 3 months after the date of the Meeting. If they do, the issue is taken to have been approved under Listing Rule 7.1 and so does not reduce the Company's capacity to issue further equity securities without Securityholder approval under Listing Rule 7.1.

The Company wishes to retain as much flexibility as possible to issue additional equity securities into the future without having to obtain Securityholder approval for such issues under Listing Rule 7.1.

To this end, this Resolution seeks Securityholder approval to subsequently approve the issue for the purposes of Listing Rule 7.4.

If this Resolution is passed, the issue of the CDIs will be excluded in calculating the Company's 15% capacity to issue equity securities under Listing Rule 7.1 without Securityholder approval over the 12-month period following the date of issue.

If this Resolution is not passed, the issue of the CDIs will be included in calculating the Company's 15% capacity to issue equity securities under Listing Rule 7.1 without Securityholder approval over the 12-month period following the date of issue.

Information required by ASX Listing Rule 7.5

The following information is provided to Shareholders for the purposes of Listing Rule 7.5.

- (a) The CDIs were issued to the P&P Vendors being:
 - i. Desmond Kiu Fa Lung – 516,183 Upfront CDIs; and
 - ii. Mohammad Ziaouddin Namoooya - 56,107 Upfront CDIs
- (b) 572,290 CDIs were issued on 9 May 2024.
- (c) The CDIs were fully paid on issue and ranked equally in all aspects with all existing fully paid ordinary CDIs previously issued by the Company.
- (d) Each of the CDIs were at a notional issue price of \$0.10 per CDI.
- (e) The CDIs were issued in consideration for the P&P Vendors' 25.5% holding in Plata and Punta Sdn. Bhd. And as such, funds will not be raised from the issue of the Upfront CDIs.
- (f) The CDIs were issued under a Share Sale Agreement between the Company and the P&P Vendors dated 21 December 2022. The material terms of the agreement are set out in Annexure A of this Notice.

Resolution 8 - Ratification of Prior Issue of CHESS Depository Interests to Georg Chmiel

Background

As announced on 30 October 2023, Xamble Group Limited and together with its subsidiaries, entered into a subscription agreement to receive an AUD 400,000 investment from leading tech entrepreneur and public markets expert, Georg Chmiel.

Mr. Chmiel invested in Xamble via the subscription of new CDIs at 3.5 cents per CDI; a 16% premium to the 15-day VWAP1.

Mr Chmiel also joined the Xamble Board as an Independent Non-Executive Director upon completion of the investment. Completion occurred on 13 November 2023.

Shareholder approval was not required with respect to the issue of the CDIs pursuant to the subscription agreement as Mr Chmiel's appointment as director was conditional upon the issue of the subject CDIs. At the time of the issue, Mr Chmiel was a "future related party" for the purpose of Listing Rule 10.12 exception 12.

ASX Listing Rule 7.1

This Resolution proposes that Shareholders of the Company approve and ratify the prior issue and allotment of 11,428,571 CDIs which were issued on 13 November 2023 (**Issue Date**).

All of the CDIs and Options were issued by utilising the Company's existing capacity under Listing Rule 7.1.

Broadly speaking, and subject to a number of exceptions, Listing Rule 7.1 limits the amount of equity securities that a listed company can issue without the approval of its shareholders over any 12 month period to 15% of the fully paid ordinary securities it had on issue at the start of that period.

The issue of CDIs did not fit within any of the exceptions to Listing Rule 7.1 and, as it has not been approved by the Company's Shareholders, it effectively uses up part of the 15% limit in Listing Rule 7.1, reducing the Company's capacity to issue further equity securities without Shareholder approval under Listing Rule 7.1 for the 12 month period following the Issue Date.

Listing Rule 7.4 allows the Shareholders of a listed company to approve an issue of equity securities after it has been made or agreed to be made. If they do, the issue is taken to have been approved under Listing Rule 7.1 and so does not reduce the Company's capacity to issue further equity securities without Shareholder approval under Listing Rule 7.1.

The Company wishes to retain as much flexibility as possible to issue additional equity securities into the future without having to obtain Shareholder approval for such issues under Listing Rule 7.1.

To this end, this Resolution seeks Shareholder approval to subsequently approve the issue of CDIs for the purposes of Listing Rule 7.4.

If this Resolution is passed, the issue of CDIs will be excluded in calculating the Company's 15% capacity to issue equity securities under Listing Rule 7.1 without Shareholder approval over the 12 month period following the Issue Date.

If this Resolution is not passed, the issue of CDIs will be included in calculating the Company's 15% capacity to issue equity securities under Listing Rule 7.1 without Shareholder approval over the 12 month period following the Issue Date.

Information required by ASX Listing Rule 7.5

The following information is provided to Shareholders for the purposes of Listing Rule 7.5.

- (a) The CDIs were issued to Georg Johann Chmiel.
- (b) The Company issued 11,428,571 CDIs. The CDIs were fully paid on issue and ranked equally in all aspects with all existing fully paid CDIs previously issued by the Company.
- (c) The CDIs were issued on 13 November 2023.
- (d) Each of the CDIs were issued at an issue price of 3.5 cents per CDI, which raised AUD 400,000. No consideration was received by the Company for the issue of the Options.
- (e) Funds raised from the issue of the CDIs have been and will be used by the Company for working capital purposes.
- (f) The CDIs were issued under a subscription agreement between Xamble Group Limited and Georg Johann Chmiel. As announced on 30 October 2023 and explained above, the agreement stipulated Mr Chmiel's AUD 400,000 investment in the Company via a subscription of new CDIs at 3.5 cents per CDI. In addition, pursuant to the agreement, Mr Chmiel was entitled to be appointed as Director of the Company on completion of the agreement. Mr Chmiel was appointed Director of the Company immediately on completion of his investment on 13 November 2023.

Directors' recommendation

The Board of Directors recommend that Shareholders vote for this Resolution.

Resolution 9 - Ratification of Prior Issue of Options to Georg Chmiel

As discussed in the above notes to Resolution 8, Mr. Chmiel invested in Xamble via the subscription of new CDIs at 3.5 cents per CDI; a 16% premium to the 15-day VWAP1. In addition, pursuant to the subscription agreement, Xamble issued to Mr Chmiel 2 million options at an exercise price of 4.5 cents per CDI vesting over 5 years in equal tranches (**Options**) provided Mr Chmiel is a director at the respective vesting date.

Mr Chmiel also joined the Xamble Board as an Independent Non-Executive Director upon completion of the investment. Completion occurred on 13 November 2023.

Shareholder approval was not required with respect to the issue of the options pursuant to the subscription agreement as Mr Chmiel's appointment as director was conditional upon the issue of the subject options. At the time of the issue, Mr Chmiel was a "future related party" for the purpose of Listing Rule 10.12 exception 12.

ASX Listing Rule 7.1

This Resolution proposes that Shareholders of the Company approve and ratify the prior issue and allotment of 2,000,000 Options which were issued on 13 November 2023 (**Issue Date**).

All of the Options were issued by utilising the Company's existing capacity under Listing Rule 7.1.

Broadly speaking, and subject to a number of exceptions, Listing Rule 7.1 limits the amount of equity securities that a listed company can issue without the approval of its shareholders over any 12 month period to 15% of the fully paid ordinary securities it had on issue at the start of that period.

The issue of Options did not fit within any of the exceptions to Listing Rule 7.1 and, as it has not been approved by the Company's Shareholders, it effectively uses up part of the 15% limit in Listing Rule 7.1, reducing the Company's capacity to issue further equity securities without Shareholder approval under Listing Rule 7.1 for the 12 month period following the Issue Date.

Listing Rule 7.4 allows the Shareholders of a listed company to approve an issue of equity securities after it has been made or agreed to be made. If they do, the issue is taken to have been approved under Listing Rule 7.1 and so does not reduce the Company's capacity to issue further equity securities without Shareholder approval under Listing Rule 7.1.

The Company wishes to retain as much flexibility as possible to issue additional equity securities into the future without having to obtain Shareholder approval for such issues under Listing Rule 7.1.

To this end, this Resolution seeks Shareholder approval to subsequently approve the issue of Options for the purposes of Listing Rule 7.4.

If this Resolution is passed, the issue of Options will be excluded in calculating the Company's 15% capacity to issue equity securities under Listing Rule 7.1 without Shareholder approval over the 12 month period following the Issue Date.

If this Resolution is not passed, the issue of Options will be included in calculating the Company's 15% capacity to issue equity securities under Listing Rule 7.1 without Shareholder approval over the 12 month period following the Issue Date.

Information required by ASX Listing Rule 7.5

The following information is provided to Shareholders for the purposes of Listing Rule 7.5.

 - 400,000 Options will vest on 13 November 2027

As announced on 30 October 2023 and explained above, the agreement stipulated Mr Chmiel's AUD 400,000 investment in the Company via a subscription of new CDIs at 3.5 cents per CDI. In addition, pursuant to the agreement, Mr Chmiel was entitled to be appointed as Director of the Company on completion of the agreement. Mr Chmiel was appointed Director of the Company immediately on completion of his investment on 13 November 2023.

Directors' recommendation

The Board of Directors recommend that Shareholders vote for this Resolution.

Resolution 10 – Approval of Share Buy-Back Mandate

The Company is incorporated in Singapore and, pursuant to the Company's Constitution and the Companies Act, has the ability to buy-back its Shares. Accordingly, the Company seeks Shareholder approval, in accordance with Section 76E of the Companies Act, to have the discretion to conduct a buy-back and cancel (or hold as treasury shares) 29,558,481 Shares (being up to a maximum of 10% of the total number of Shares on issue) through an on-market buy-back during the period commencing on the date on which this Resolution is passed (if it is passed) and expiring on the date the next annual general meeting is held or is required by law to be held, whichever is the earlier, after the date of this Resolution.

For the purposes of Resolution 10 and in accordance with ASX Guidance Note 5 in relation to corporate actions involving CDIs, the term "Shares" is used to represent the holdings of CDI holders and each holder of CDIs will be treated as if it was a holder of a corresponding number of underlying securities.

ASX has confirmed that, pursuant to ASX Listing Rule 7.36, the Company is required to undertake the on-market buy back in accordance with the ASX Listing Rules and the applicable provisions of the Corporations Act, as if it were an entity subject to the requirements of the Corporations Act.

The Company notes that, in complying with Section 76E of the Companies Act, the Company will comply with Section 257C(1) of the Corporations Act for on-market buy-backs, which states that shareholder approval is required for a buyback if a company proposes to buy-back more than 10% of the smallest number of shares on issue during the last 12 months.

The Company further notes that, pursuant to Section 257B of the Corporations Act, were the Company an Australian company it would not be required to seek Securityholder approval to conduct the on-market buy-back as it does not intend to buy back more than 10% of the smallest number of shares it has had on issue during the last 12 months. The maximum limit to be bought back in accordance with this Resolution is 28,415,624 Shares which represents 10% of the Company's smallest number of shares on issue during the last 12 months being 283,011,666. However as obtaining Securityholder approval is required under Singapore Law, the Company deems it prudent and in the interests of its Securityholders to provide such information as would typically be expected to be disclosed under the applicable provisions of the Corporations Act.

In addition, the Company also intends to comply with all applicable provisions under the ASX Listing Rules, including but not limited to, ASX Listing Rule 7.33 and ASX Listing Rule 3.8A.

This Explanatory Statement sets out information that is material to the Securityholders' decision on how to vote on the buy-back resolution, including the reasons for the buy-back resolution, including the reasons for the buy-back, the applicable terms, the financial implications and the possible advantages and disadvantages of the on-market buy-back.

Securityholders should note that this is a permissive Resolution and does not oblige or require the Company to buy back Shares. Securityholders should note that there is no guarantee that the Company will buy-back the maximum number of Shares permitted under the Share Buyback Mandate if the Resolution is passed. The Company reserves the right to suspend or terminate the Share Buyback Mandate at any time. The size and timing of any Share buy-backs will be determined by the Board.

Resolution 10 seeks approval of the Securityholders for the proposed Share Buyback Mandate.

Resolution 10 will be approved if more than 50% of votes cast at the Meeting on the Resolution are in favour of the Resolution.

Reasons for buy-back

The Company's goal is to manage its capital to achieve the most efficient capital structure and optimise returns to Securityholders. By obtaining Securityholder approval to have the discretion to conduct an on-market buy-back during the Relevant Period, the Company is of the opinion that it will have the ability to use the Company's cash reserves to return value to its Securityholders should such circumstances arise where the Company believes it would be beneficial to do so.

An on-market buy-back gives Securityholders the choice whether to hold or sell their Shares over the buy-back period, whereas under other alternatives (such as an equal capital reduction or off-market equal access buy-back) Securityholders may not be given such flexibility. Further the on-market Share buy-back is simpler to implement than other forms of capital return.

Advantages and disadvantages of the buy-back

Should the Company choose to proceed with an on-market buy-back general advantages include:

- (a) purchases on-market can be tailored to changing market conditions;
- (b) the Company has complete flexibility to adjust the volume of Shares bought and can stop buying at any time; and
- (c) implementation of an on-market buy-back is simple and cost effective.

Securityholders should also be aware that, among other things, some of the disadvantages of the buy-back include:

- (a) the Company's net assets will be reduced by the amount expended on the buy-backs; and
- (b) the buy-backs may provide some liquidity in the Shares in the short term however may result in reducing the liquidity in the Shares in the long term due to a smaller number of Shares on issue for trading.

Number of Shares subject to buy-back

As at 18 April 2024, the Company has 295,584,813 Shares on issue and seeks to buy-back up to 29,558,481 Shares, representing 10% of the total issued share capital as at the date of this Notice. If the buy-back is fully completed, the Company will have 266,026,331 Shares on issue (excluding treasury shares and any shares issued after the date of this Notice). The Company will offer to buy-back Shares on-market through transactions on the ASX. Since an on-market buy-back involves Shares being acquired at the market price of Shares at that time, it is not possible to anticipate the value (and therefore the number) of Shares that may actually be bought back and cancelled or held as treasury shares. As a result, the Company is not required to buy-back a specific number of Shares or a minimum specified value of Shares over any period. The Company reserves the right not to buy-back any Shares at all.

Buy-back Price

The Shares will be bought back at the quoted selling price of the Shares on the ASX. In accordance with ASX Listing Rule 7.33, the price payable by the Company to buy-back Shares cannot be more than 5% above the volume weighted average market price per share for the last 5 days on which trades were recorded before the day of the buy-back. It should be noted that the Company cannot give any assurance as to the likely average price per share to be paid by the Company under the on-market buy-back. It will be a matter for Securityholders to determine with reference to their own individual circumstances (after taking independent advice, if appropriate) whether they want to sell their Shares on the ASX and, if so, the price at which they are prepared to sell their Shares.

Timing

If Resolution 10 is approved, it is intended that the on-market buy-backs (if any) will be undertaken at such time(s) as the Directors in their discretion may decide within the period set out in paragraph (b) of Resolution 10.

Financial Implications of the buy-back

The buy-back will be funded from the Company's available cash reserves. The Directors have determined that the buy-back will not materially prejudice the Company's ability to pay its creditors. As at 31 December 2023, the Company had consolidated net assets of SGD6,071,896 including SGD2,804,298 of consolidated cash reserves available as a source of funding the buy-back. The actual amount of the buy-back to be funded will not be determined until the completion of the buy-back program. The exact impact on earnings per Share of any buy-back cannot be determined until the buy-back is completed and will depend on the number of Shares bought back, the volume-weighted average buy-back price and the source of funds used to fund the buy-back program.

A buy-back may decrease the ASX trading volumes and liquidity in the Shares. It is not however possible to determine the extent of any potential decrease in liquidity at this time. Whilst it is not possible to anticipate the total actual amount that the Company will expend on paying for the Shares, the buy-back is not expected to materially and adversely affect net assets of the Company.

Effect on Control of the Company

It is not expected that there will be any effect on control of the Company following the buy-back.

Tax implications

Approval of Resolution 10 will not result in any tax implications for Securityholders if they do not sell their Shares. However, if a Securityholder chooses to participate in the buy-back by selling their Shares then that Securityholder should obtain specific tax advice on the treatment of the sale of their Shares taking into account their particular circumstances.

Directors' holdings

The following table shows the relevant voting interest that each Director would have if the Company bought back all 10% of the issued Shares under the proposed Share buy-back mandate and if no Directors' Shares or Shares in which the Directors have an interest were sold:

Name	Number of Shares Held	Voting Interest (pre buyback)	Voting Interest (post buyback)
Ganesh Kumar Bangah	216,723,851	73%	81%
Darren John Cooper	1,360,331	0.46%	0.51%
Robert William Sultan	1,158,333	0.39%	0.44%
Joanne Khoo Su Nee	Nil	0%	0%
Georg Johann Chmiel	12,000,000	4.06%	4.5%

The Directors do not intend to participate in any buy-back program.

Directors' Recommendation

The Directors recommend that Securityholders vote in favour of the buy-back resolution.
