

DTF Tax-Free Income 2028 Term Fund Inc. Announces Dividends

CHICAGO, September 19, 2024 – The Board of Directors of DTF Tax-Free Income 2028 Term Fund Inc. (NYSE: DTF) (the “Fund”), a closed-end fund advised by Duff & Phelps Investment Management Co., today authorized the payment of dividends on the Fund’s common stock as follows:

<u>Cents Per Share</u>	<u>Ex-Dividend Date</u>	<u>Record Date</u>	<u>Payable Date</u>
3.25	October 15, 2024	October 15, 2024	October 31, 2024
3.25	November 15, 2024	November 15, 2024	November 29, 2024
3.25	December 16, 2024	December 16, 2024	December 31, 2024

The Fund estimates that the above dividends are likely to exceed the Fund’s net income and net realized capital gains; therefore, a portion of these dividends is likely to result in a return of capital. A return of capital may occur, for example, when some or all of the money that you invested is paid back to you. A return of capital distribution does not necessarily reflect the Fund’s investment performance and should not be confused with “yield” or “income.” The actual amounts and sources of the amounts for tax reporting purposes will depend upon the Fund’s investment experience during the remainder of the fiscal year and may be subject to changes based on tax regulations. The Fund or your broker will send you a Form 1099-DIV for the calendar year that will tell you how to report these distributions for federal income tax purposes.

About the Fund

DTF Tax-Free Income 2028 Term Fund Inc. is a diversified closed-end investment management company whose investment objective is current income exempt from regular federal income tax consistent with preservation of capital. The Fund seeks to achieve its investment objective by investing in a diversified portfolio of investment-grade tax-exempt obligations.
