Further, based on protein density and sugar content, Stryve believes that its air-dried meat snack products are some of the healthiest shelf-stable snacks available today. Stryve also markets and sells human-grade pet treats under the brands Two

Tails and Primal Paws, made with simple, all-natural ingredients and 100% real beef with no fillers, preservatives, or by-products.

Stryve distributes its products in major retail channels, primarily in North America, including grocery, convenience store, mass merchants, and other retail outlets, as well as directly to consumers through its ecommerce websites and through the Amazon and Walmart platforms.
