Form 8937, Lines 15, 16, and 17: The merger is intended to be a tax-free reorganization pursuant to Section 368(a)(1)(A) of the Internal Revenue code. The aggregate tax basis of the shares of the Acquiring Fund received by the shareholder will be the same as the aggregate tax basis of the shares of the Target Fund. The holding period of the shares of the Acquiring Fund received by the shareholder includes the holding period of the shares of the Target Fund. Total shares of the Target Fund should be multiplied by the merger ratio in order to calculate the shares in the Acquiring Fund. The information contained on this form is not intended or written to be used as tax advice. Because everyone's tax situation is unique, you should consult your tax professional about tax consequences of the merger.
