

***Cboe Japan Certification Environment:
Temporary alphanumeric supported symbol change on 14, 15
December 2023.***

Tuesday 12 December 2023
Reference ID: C2023121200

OVERVIEW

Cboe Japan will temporarily disable currently supported alphanumeric and test symbols in our Certification environment [this Thursday \(14 Dec\) and Friday \(15 Dec\)](#) for our internal testing needs.

5 other alphanumeric symbols will be added.

The following symbols will be disabled:

1001	1002	1111	1112	1A2C	1H2J	234S	2F1G	3C45
3C4A	4H56	546M	567F	678D	789J	7N8P	897F	8G90
8G9A	8K0K	9L23	9R01					

The following alphanumeric symbols will be added and usable during this two days:

1Y26	1A0A	130C	130D	2A11
------	------	------	------	------

We will reverse back to the same symbols from next Monday, 18 December 2023 and apologies for any inconvenience on such short notice.
