RECORD DATE AND SHARE OWNERSHIP

The close of business on Monday, July 15, 2024, has been fixed as the record date (the “Record Date”) for determining shareholders entitled to notice of and to vote at the Annual Meeting and any adjournment. At the close of business on July 15, 2024, the Fund had outstanding 7,015,786 shares of common stock held by approximately 285 registered owners and 1,338 beneficial owners.

QUORUM REQUIRED

A quorum must be present at the Annual Meeting for any business to be conducted. The presence at the Annual Meeting, in person, virtually, or by proxy, of the holders of a majority of all the shares entitled to vote at the Annual Meeting will constitute a quorum. Abstentions will be treated as shares present for quorum purposes. Shares held in street name for which the broker has not received voting instructions from the record holder and does not have discretionary authority to vote the shares on certain Proposals (which are considered “Broker Non-Votes” with respect to such Proposals) will be treated as shares present for quorum purposes.

If a quorum is not present at the Annual Meeting, the shareholders who are represented may adjourn the Annual Meeting until a quorum is present. The persons named as proxies will vote those proxies for such adjournment, unless marked to be voted against any Proposal for which an adjournment is sought, to permit the further solicitation of proxies.

VOTE REQUIRED

Each share of common stock of the Fund is entitled to one vote on each matter to be voted upon at the Annual Meeting. The common stock is the only class of securities of the Fund entitled to vote at the Annual Meeting. A shareholder is entitled to vote all shares of common stock held of record at the close of business on the Record Date, in person, virtually, or by proxy, at the Annual Meeting. There are no cumulative voting rights. All votes will be tabulated by the Inspector of Elections appointed for the meeting, who will separately tabulate affirmative and negative votes, abstentions, and broker non-votes.

Approval of the election of the Director (Proposal One). The affirmative vote of a majority of the votes cast at the Annual Meeting is sufficient to independently elect Douglas J. Cohen as a Director. Broker non-votes, if any, and abstentions will not be considered votes cast, and therefore will have no effect on the outcome of the election of the nominees.

Approval of the election of the Director (Proposal Two). The affirmative vote of a majority of the votes cast at the Annual Meeting is sufficient to independently elect Murray Stahl as a Director. Broker non-votes, if any, and abstentions will not be considered votes cast, and therefore will have no effect on the outcome of the election of the nominees.

Approval of the election of the Director (Proposal Three). The affirmative vote of a majority of the votes cast at the Annual Meeting is sufficient to independently elect Russell Cleveland as a Director. Broker non-votes, if any, and abstentions will not be considered votes cast, and therefore will have no effect on the outcome of the election of the nominees.

Approval of the election of the Director (Proposal Four). The affirmative vote of a majority of the votes cast at the Annual Meeting is sufficient to independently elect Alice C. Brennan as a Director. Broker non-votes, if any, and abstentions will not be considered votes cast, and therefore will have no effect on the outcome of the election of the nominees.

Approval of the election of the Director (Proposal Five). The affirmative vote of a majority of the votes cast at the Annual Meeting is sufficient to independently elect Eric Sites as a Director. Broker non-votes, if any, and abstentions will not be considered votes cast, and therefore will have no effect on the outcome of the election of the nominees.

Approval of the election of the Director (Proposal Six). The affirmative vote of a majority of the votes cast at the Annual Meeting is sufficient to independently elect Anita L. Allen as a Director. Broker non-votes, if any, and abstentions will not be considered votes cast, and therefore will have no effect on the outcome of the election of the nominees.

Approval of the election of the Director (Proposal Seven). The affirmative vote of a majority of the votes cast at the Annual Meeting is sufficient to independently elect Melinda J. Newman as a Director. Broker non-votes, if any, and abstentions will not be considered votes cast, and therefore will have no effect on the outcome of the election of the nominees.

Ratification of the Board's appointment of auditor of the Fund for the 2024 fiscal year (Proposal Eight). The affirmative vote of a majority of the shares present, in person, virtually, or by proxy, and entitled to vote at the Annual Meeting is required for the ratification of the selection of the Fund's independent auditor. An abstention will have the effect of a vote against the ratification of the appointment of Tait, Weller & Baker LLP, as the Fund's independent auditor. Shares represented by broker non-votes, if any, will not be considered entitled to vote on this Proposal, and therefore will not have any effect on the outcome of the vote to ratify the appointment of the auditor.

Broker-dealers are prohibited from voting on certain matters for which they have not received voting instructions from the beneficial owners of shares held in street name. Proxies submitted by brokers for non-routine proposals are considered "broker non-votes" with respect to such matters, and the shares represented by those proxies will not be considered entitled to vote on such matters but will be deemed present at the Annual Meeting for purposes of establishing a quorum. Under applicable stock exchange rules, broker-dealers are permitted to vote, in their discretion, on certain routine matters, such as the ratification of the appointment of auditors. Therefore, the Fund does not expect that there will be any broker non-votes on Proposal One through Seven.

Additional solicitation. If there are not enough votes to approve any Proposals at the Annual Meeting, the shareholders who are present or represented may adjourn the Annual Meeting to permit the further solicitation of proxies. The persons named as proxies will vote those proxies for such adjournment, unless marked to be voted against any Proposal for which an adjournment is sought to permit, the further solicitation of proxies. Also, a shareholder vote may be taken on any of the Proposals in this Proxy Statement prior to any such adjournment if there are sufficient votes for approval of such Proposal.

VOTING ELECTRONICALLY VIA THE INTERNET OR BY TELEPHONE

In lieu of mailing in the proxy card, shareholders whose shares are registered in their own names may vote either via the Internet or by telephone. Specific instructions to be followed by any registered shareholder interested in voting via the Internet or by telephone are set forth on the enclosed proxy card. The Internet and telephone voting procedures are designed to authenticate the shareholder's identity and to allow shareholders to vote their shares and confirm that their voting instructions have been properly recorded.

If your shares are registered in the name of a bank or brokerage firm, you may be eligible to vote your shares electronically over the Internet or by telephone. A large number of banks and brokerage firms are participating in the Broadridge Investor Communications Services online program, which provides eligible street-name shareholders the opportunity to vote via the Internet or by telephone. If your bank or brokerage firm is participating in that program, they will furnish you with a proxy card with instructions. If your proxy card does not reference Internet or telephone information, please complete and return the proxy card in the self-addressed, postage-paid envelope provided. To vote in person at the Annual Meeting, you must first obtain a valid legal proxy from your broker, bank or other agent and then register in advance to attend the Annual Meeting. Follow the instructions from your broker or bank included with these proxy materials or contact your broker or bank to request a legal proxy form.

After obtaining a valid legal proxy from your broker, bank or other agent, to then register to attend the Annual Meeting, you must submit proof of your legal proxy reflecting the number of your shares along with your name and email address to EQ. Board Member Attributes. The following is a summary of some of the experience, skills, and attributes that led to the conclusion that each member should serve as a Director for the Fund:

Russell Cleveland is a Chartered Financial Analyst with more than 40 years of experience as a specialist in investments in smaller capitalization companies. A graduate of the Wharton School of Business, Russell Cleveland has served as President of the Dallas Association of Investment Analysts. He also previously served as the President, Chief Executive Officer, sole Director, and beneficial shareholder of all of the shares of RENN Capital Group, Inc. (“RENN Group”), the prior investment adviser to the Fund. Mr. Cleveland is deemed to be a valuable Board member due to his depth of knowledge of the Fund, his business judgment, and extensive experience in the field of investment management.

Murray Stahl, the current President, Chief Executive Officer, and Director of the Fund, is a co-founder, Chief Executive Officer, and Chairman of the Board of Horizon Kinetics Asset Management LLC. He has over 30 years of investing experience and is responsible for overseeing Horizon Kinetics’ proprietary research. Murray is the Portfolio Manager of the Fund as well as Co-Portfolio Managers, Steven M. Bregman and Peter Doyle. Murray serves as Horizon Kinetics’ Chief Investment Officer, and chairs the firm’s Investment Committee, which is responsible for portfolio management decisions across the entire firm. He is also the Co-Portfolio Manager for a number of registered investment companies, private funds, and institutional separate accounts. Additionally, Murray is the Chairman and Chief Executive Officer of FRMO Corp. He is also a member of the Board of Directors of the Texas Pacific Land Corporation¹⁴, Bermuda Stock Exchange, MSRH, LLC, and the Minneapolis Grain Exchange. Prior to co-founding Horizon Kinetics, Murray spent 16 years at Bankers Trust Company (1978-1994) as a senior portfolio

¹⁴ The Adviser and its management persons have relationships or arrangements that may be material to the Adviser’s advisory business or to investors in the products and accounts managed by the Adviser and that present potential or actual conflicts of interest. Murray Stahl, Chairman of the Board, Chief Executive Officer, Chief Investment Officer and Co-Portfolio Manager for numerous funds and accounts managed by the Adviser, and, among other outside directorships, is a member of the Board of Directors of Texas Pacific Land Corporation (“TPL”), a public company whose shares trade on the New York Stock Exchange. TPL is a significant portfolio holding in many of the advisory accounts managed by the Adviser. In his roles as Chairman of the Board, Chief Executive Officer, Chief Investment Officer, and a Co-Portfolio Manager for certain accounts and funds managed by the Adviser and as a member of the Board of Directors of TPL, Mr. Stahl has fiduciary and other obligations to both such entities and/or their clients, and may come into possession of information (including confidential or material non-public information regarding TPL securities), that could give rise to a potentially conflicting division of loyalties and/or responsibilities, which could have an adverse effect on the funds and accounts managed by the Adviser and could benefit Mr. Stahl, the Adviser and/or TPL. In addition, Mr. Stahl has substantial personal investments in TPL stock – either directly through personal investment accounts or indirectly through products and accounts managed by the Adviser. As these situations may present conflicts of interest, in such instances where an investment professional (such as a portfolio manager) of the Adviser is a member of the board of directors or a member of an advisory board of a company that is held as an investment in any of the products or accounts managed by the Adviser, the Adviser’s Code requires that the investment professional abide by specific policies and procedures to ensure that transactions in the subject company are not made using material non-public information that was acquired as a result of the investment professional’s role as a member of the board of directors or a member of the advisory board of such company. Such policies and procedures also include, but are not limited to, requiring another portfolio manager who does not have material non-public information regarding the subject company’s securities to make trading decisions in the subject company’s securities for accounts managed by the investment professional (including the investment professional’s personal accounts). While Mr. Stahl has divested all trading discretion relating to TPL, he is permitted, pursuant to the Adviser’s Code of Ethics, to discuss TPL with investors so long as he does not disclose material non-public information or influence trading in the same. Furthermore, Adviser personnel in addition to Mr. Stahl, including personnel who are or may be involved in the management of advisory accounts managed by the Adviser, have personal investments in TPL stock, and these personal investments present potential or actual conflicts of interest. As discussed above, the Adviser’s Code governs the manner in which employees may engage in personal securities transactions.

a protracted period of decline. Ms. Newman holds an MBA with Honors in Finance from The Wharton School of the University of Pennsylvania, where she was named a Palmer Scholar. She is recognized by the National Association of Corporate Directors as NACD Directorship Certified.

Anita L. Allen is an Independent Director of the Fund. Ms. Allen is an experienced board director and strategist, skilled in advising companies and boards. Ms. Allen is president of Allen Advisory Group, a management consulting firm assisting clients with strategy development, digital transformation, and performance improvement. Ms. Allen chairs Audit and Nom/Gov committees. As a KPMG consulting partner and a practice leader with P&L responsibility, Ms. Allen was a key contributor to the growth of the management and technology consulting business. She has deep experience in strategic planning, business process improvement, performance measurement and strategic cost management, internal controls and enterprise risk, and the design and implementation of information systems across all functional areas. Ms. Allen holds a Bachelor of Science in Accounting from Monmouth University, and is a Certified Public Accountant. She is Board Chair Emeritus of the National Association of Corporate Directors New Jersey Chapter – NACD New Jersey, and holds the NACD Directorship Certification. She participated as a subject matter expert in developing the NACD Directorship Certification examination questions and review, and holds the CERT Certificate in Cybersecurity Oversight.

Diversity in Board Members. In selecting nominees for election or re-election to the Board, consideration is given to the presence on the Board of a broad spectrum of business acumen and personal perspectives. The Fund has members who bring experience in securities and finance, executive management of corporations, directorships, corporate governance and financial reporting, among others. The Fund has no policy regarding such, but it intends to keep a diversity of skills and attitudes in its Board makeup, and it assesses those qualities in any present Director or one who is being considered for nomination to the Board.

Board's Role in Risk Management. The Board endeavors to forestall risk by its development of fundamental investment policies for approval by the shareholders and other policies which are more flexible for the Adviser's activities on the Fund's behalf. The Board is also involved in the assessment and monitoring of risk by virtue of its review of the Fund's investment activities, noting whether the portfolio has industry or geographic susceptibilities, by the appointment of the Adviser's portfolio managers to directorships on portfolio boards when indicated, and by review of the financial particulars of the Fund, including any occasions of debt. It also considers the strength of the Adviser's staff to provide uninterrupted investment and administrative services to the Fund. The Board feels that its considerable oversight of risk fuses well with the Fund's leadership structure.

Board Structure. Murray Stahl serves as both the Chairman of the Board and the Fund's Chief Executive Officer, and the Board has determined that the dual role is appropriate for this Fund. Mr. Stahl is an interested person in the Fund by virtue of his roles with Horizon Kinetics Asset Management LLC, the Fund's investment adviser, giving him an additional incentive for its good performance and protection. He does not receive compensation from the Fund for either role except for his indirect benefit from Horizon Kinetics Asset Management LLC's management fee, if any. The appointment of a separate person to serve as chairman would likely require the Fund to incur additional fee expense for the position, which the Board feels is unwarranted at this time. While not being named as such, the chairs of the Fund's Audit and Governance Committees in essence serve as lead independent Directors. They regularly hold meetings without management present to assess matters concerning financial reporting and administrative risk and portfolio investment parameters and execution risk, and relay to the Chairman of the Board any concerns they may have.

Director Transactions with Affiliates. As of the record date, with the exception of interested Director Murray Stahl, none of the Directors own any interest in Horizon Kinetics Asset Management LLC, the Fund's investment adviser, or any person controlling, controlled by, or under common control with Horizon Kinetics Asset Management LLC; nor has any Director, or a member of his immediate family, engaged in, or had a material interest in, a transaction or series of similar transactions involving the Fund, RENN Group or Horizon Kinetics Asset Management LLC which exceeded \$120,000 in any fiscal year during the previous five fiscal years of the Fund; nor is any such transaction being currently considered. Since January 1, 2015, no Director or nominee, or a member of his or her immediate family, has had a material interest in any material transaction or any currently proposed material transaction involving the Fund, RENN Group or Horizon Kinetics Asset Management LLC, an officer of the Fund, RENN Group or Horizon Kinetics Asset Management LLC, a parent, subsidiary or other affiliate of RENN Group or Horizon Kinetics Asset Management LLC (or any officer of such a parent, subsidiary or affiliate) or any investment company having the same adviser as the Fund (or any officer of such an investment company).

Legal Proceedings. There have been no material pending legal proceedings in which any Director or nominee for Director or any affiliated person of such Director or nominee is a party adverse to the Fund or has a material interest adverse to the Fund or any of its affiliated persons. Director nominee Eric Sites filed for personal bankruptcy protection under Chapter 13 of the United States Bankruptcy Code in 2011. The Chapter 13 plan of reorganization was approved by the United States Bankruptcy Court for the Northern District of Illinois in October 2011, and Mr. Sites was granted a discharge in July 2016.

Additional information concerning the Directors may be included in the Statement of Additional Information contained in the N-2 registration statement filed with the SEC by the Fund. This information may be obtained without charge by calling 1-646-291-2300.

Board Meetings and Committees. The Board of Directors held four meetings during 2023. All current Directors, with the exception of recent nominees, Melinda Newman and Anita Allen, attended 100% of the meetings held by the Board and all committees on which such Director served during 2023. The Board has established an Audit Committee, a Nominating and Corporate Governance Committee, and a Pricing Committee.

The Fund does not have a formal policy regarding Director attendance at meetings of shareholders. Mr. Stahl, Mr. Sites, and Ms. Brennan were elected as Directors for the first time at the 2017 Meeting. Mr. Cleveland attended and served as chair of the 2017 Meeting. Mr. Cohen was elected as a Director for the first time at the 2022 Meeting. Ms. Allen and Ms. Newman were appointed as directors on June 6, 2024 by the Board.

Audit Committee. The Audit Committee is appointed by the Board of Directors to assist the Board in fulfilling its oversight responsibilities. In 2023, the Audit Committee held two meetings. The primary duties and responsibilities of the Audit Committee are:

- to select and approve the compensation of the Fund's independent auditors, including those to be retained for the purpose of preparing or issuing an audit report or performing other audit review or attest services for the Fund;
- to monitor the independence and performance of the Fund's independent auditors, who report directly to the Audit Committee;
- to oversee generally the accounting and financial reporting processes of the Fund and the audits of its financial statements;
- to review the reports and recommendations of the Fund's independent auditors;

- to provide an avenue of communication among the independent auditors, management, and the Board of Directors; and
- to address any matters between the Fund and its independent auditors regarding financial reporting.

During 2023, the Audit Committee was comprised of two Directors, Douglas J. Cohen and Alice C. Brennan. On June 6, 2024, Melinda J. Newman and Anita L. Allen were added as members of the Audit Committee. Ms. Brennan is expected to serve on the Board of Directors for Horizon Kinetics LLC upon the completion of the merger between Horizon Kinetics LLC and Scott’s Liquid Gold, Inc. (the “Merger”)¹⁶. Upon completion of the Merger, Ms. Brennan will no longer serve as a member of the Audit Committee.

The Audit Committee has a written charter, a copy of which is attached as Appendix B.

SEC rules recommend that an audit committee have a member who is a “financial expert.” The SEC rules do not require that an audit committee financial expert have any additional duties, obligations or liabilities, and he is not considered an expert under the Securities Act of 1933. The Board of Directors determined that Douglas J. Cohen, Melinda J. Newman, and Anita L. Allen satisfy the standard for “audit committee financial expert(s)” within the meaning of the rules.

Nominating and Corporate Governance Committee. The Nominating and Corporate Governance Committee was created in January 2004 and is responsible for nominating individuals to serve as Directors and to address such governance matters as the Board may request from time to time.

In its assessment of each potential nominee for Director, the Committee reviews the nominee’s judgment, experience, independence, financial literacy, knowledge of emerging growth companies, understanding of the Fund and its investment objectives, and such other factors as the Committee may determine. The Committee also considers the ability of a nominee to devote the time and effort necessary to fulfill his or her responsibilities. The Committee has no formal policy regarding the consideration of nominees for election as directors that may be recommended by shareholders of the Fund but would consider any qualified persons who might be recommended by shareholders in appropriate circumstances.

During 2023, the Nominating and Corporate Governance Committee held one meeting and is comprised of two independent Directors, Douglas J. Cohen and Alice C. Brennan. Ms. Brennan is expected to serve on the Board of Directors for Horizon Kinetics LLC upon the completion of the merger between Horizon Kinetics LLC and Scott’s Liquid Gold, Inc. (the “Merger”)¹⁷. Upon completion of the Merger, Ms. Brennan will no longer serve as a member of the Nominating and Corporate Governance Committee. Anita L. Allen, and Melinda J. Newman were added as members of the Nominating and Governance Committee on June 6, 2024.

The Nominating and Corporate Governance Committee has a written charter, a copy of which is attached as Appendix A to the Fund’s proxy statement.

Pricing Committee. The Pricing Committee held two meetings in 2023 and is comprised of Alice C. Brennan and Douglas J. Cohen. Ms. Brennan is expected to serve on the Board of Directors for Horizon Kinetics LLC upon the completion of the merger between Horizon Kinetics LLC and Scott’s Liquid Gold,

Director Compensation. The Fund does not pay any fees to, or reimburse expenses of, its Directors who are considered “interested persons” of the Fund. Directors who are not interested persons of either the Fund or its investment adviser – Horizon Kinetics Asset Management LLC – began receiving compensation in the amount of \$1,800 for each board meeting attended, effective March 7, 2024, and are entitled to out-of-pocket expenses for each quarterly meeting attended. For the fiscal year ending on December 31, 2023, the aggregate compensation paid by the Fund to each Director, and the aggregate compensation paid by any other funds in a Fund Complex with the Fund to each Director, is set forth below:

Name of Director	Aggregate Deferred Compensation from Fund	Retirement Benefits Accrued as Part of Fund Expenses	Estimated Annual Benefits upon Retirement	Total 2023 Compensation from Fund and Fund Complex^{19 20}

¹⁹ The term “Fund Complex” means all 1940-Act-registered investment funds, or separate portfolios of such a fund, which share a common investment adviser (or have investment advisers that are affiliated persons) or which hold themselves out to investors as related companies for purposes of investment and investment services. The Fund is not currently grouped into a Fund Complex with any other such funds.

²¹ Mr. Cleveland is an “interested person” as defined by Section 2(a)(19) of the 1940 Act by virtue of being a limited partner in the Cleveland Family Limited Partnership, which owns more than 5% of the Fund’s securities.

Ms. Brennan is expected to lose her independence on or about August 1, 2024 as a result of her service on the Board of Directors for Horizon Kinetics LLC.

Compensation Committee Interlocks and Insider Participation.

RATIFICATION OF APPOINTMENT OF AUDITOR

The Board of Directors selected Tait, Weller & Baker LLP to audit the Fund for the fiscal year ending December 31, 2024. Tait, Weller & Baker LLP was appointed as independent auditor to the Fund by Horizon Kinetics Asset Management LLC on April 20, 2017, and also served as the Fund’s independent auditor for the fiscal year ended December 31, 2023. Its selection was approved by the vote of a majority of the Board of Directors, including a majority of the directors who are not “interested persons” of the Fund, as defined in the 1940 Act.

Tait, Weller & Baker LLP performed the Fund’s audit for the fiscal year(s) ended December 31, 2023, and December 31, 2022. There were no disagreements between the Fund and Tait, Weller & Baker LLP on any matter of accounting principles or practices, financial statement disclosure or auditing scope or procedure, which disagreements, if not resolved to the satisfaction of Tait, Weller & Baker LLP, would have caused it to make reference to the subject matter of the disagreements in its reports on the financial statements of the Fund for such year.

During the Fund’s two previous fiscal years, which ended December 31, 2023, and December 31, 2022, and in the subsequent interim period through June 30, 2024, there were no “reportable events” (as defined in Item 304(a)(1)(v) of Regulation S-K under the Securities Exchange Act of 1934, as amended).

A representative of Tait, Weller & Baker LLP, is expected to attend the Annual Meeting, and will respond to appropriate questions from shareholders and will have the opportunity to make a statement, should he or she so desire.

The following table presents fees paid by the Fund for professional services rendered by Tait, Weller & Baker LLP, for the fiscal years which ended December 31, 2022, and December 31, 2023.

Fee Category	Fees for 2022	Fees for 2023
Audit Fees	\$ 33,000	\$ 33,000
Audit-Related Fees	0	0
Tax Fees	\$ 4,000	\$ 4,000
All Other Fees	0	0
Total Fees	\$ 37,000	\$ 37,000

Audit Fees were for professional services rendered for the audit of the Fund’s annual financial statements. No tax or other non-audit fees were incurred or paid by the Fund to the independent audit firm of Tait, Weller & Baker LLP for either of the fiscal years indicated in the table.

The Audit Committee has adopted a pre-approval policy that provides for the prior consideration by the Audit Committee of any audit or non-audit services that may be provided by its independent auditor to the Fund. Audit services were approved as delineated on the auditor’s engagement letter before services were commenced. Tax or other non-audit fees were pre-approved with regard to the auditor for the fiscal year ended December 31, 2023. Neither has the Audit Committee pre-approved its auditors providing any non-audit services for the Adviser, or any entity controlling, controlled by, or under common control with the Adviser that provides ongoing services to the Fund, nor is it aware of any such situation that would require its pre-approval.

Tait, Weller & Baker LLP’s address is 50 South 16th Street, Suite 2900, Philadelphia, PA 19102. No conflicts between the Fund and the auditor occurred during the conduct of the audit for the year ended December 31, 2023.

AUDIT COMMITTEE REPORT

The Audit Committee has reviewed and discussed the Fund’s audited financial statements for the fiscal year ended December 31, 2023, with the Fund’s management. The Audit Committee has discussed

with Tait, Weller & Baker LLP, the Fund's independent auditor, the matters required to be discussed by the standards of the Public Company Accounting Oversight Board. The Audit Committee has received the written disclosures and the letter of Tait, Weller & Baker LLP, required by current authoritative standards and has discussed with the auditor its independence.

Based on the review and discussions described above, among other things, the Audit Committee recommended to the Board of Directors that the audited financial statements of the Fund be included in the Fund's Annual Report to Shareholders for the fiscal year ended December 31, 2023. The Fund's Annual Report to Shareholders for the fiscal year ended December 31, 2023, which includes the Fund's audited financial statements for that year, was previously distributed to the Fund's shareholders.

The affirmative vote of a majority of shares present, in person, virtually, or by proxy, and entitled to vote at the Annual Meeting is required for the ratification of the selection of the Fund's independent auditors.

THE BOARD RECOMMENDS THAT SHAREHOLDERS VOTE FOR THE RATIFICATION OF THE APPOINTMENT OF TAIT, WELLER & BAKER LLP, AS THE FUND'S INDEPENDENT AUDITOR FOR THE FISCAL YEAR ENDING DECEMBER 31, 2024.

DISSENTER'S RIGHTS

The Texas Business Organizations Code does not grant shareholders of a Texas corporation dissenter's rights with respect to any of the Proposals covered by this Proxy Statement.

SECTION 16(a) BENEFICIAL OWNERSHIP REPORTING COMPLIANCE
