About Billtrust

[Billtrust](#) (NASDAQ: BTRS) is a leading provider of cloud-based software and integrated payment processing solutions that simplify and automate B2B commerce. Accounts receivable is broken and relies on conventional processes that are outdated, inefficient, manual and largely paper based. Billtrust is at the forefront of the digital transformation of AR, providing mission-critical solutions that span [credit decisioning and monitoring](#), [online ordering](#), [invoice delivery](#), [payments and remittance capture](#), [invoicing](#), [cash application](#) and [collections](#). For more information, visit [Billtrust.com](#).

Forward-Looking Statements

In addition to Harris, other highlighted speakers include *Customer Success Economy* author and Gainsight CEO Nick Mehta, who will present strategies to motivate teams to work together in total service to the customer, and *The Guide to the Ecosystem Economy* author Rik Vera, who will discuss how to be ready to cope with randomness and unexpected events in a world where traditional boundaries have disappeared.

This year's event also features a strong roster of fintech industry experts including prominent analysts Kevin Permenter of IDC and Liz Herbert of Forrester, as well as Karen Webster of [PYMNTS.com](#), InterPayments CEO Nagendra Jayanty, Billows CFO Scott Pressler, Steam Logistics CFO Adam Shearer and PepsiCo's Mike Bevilacqua. Attendees will also explore Billtrust's new research, "The DNA of Future CFOs," and hear from leading CFOs as they reveal how the next generation needs to be equipped.

"Billtrust Insight features the best voices in our industry and beyond," said Flint Lane, Billtrust Founder and CEO. "Unlike any other event, Billtrust Insight is where financial professionals learn best practices for making strategic decisions about their business and get the most current, up-to-date view of where the billing and payments ecosystem is going and how Billtrust can help get them there."

Billtrust Insight 2022 will offer a broad array of educational sessions, user groups, workshops and customer breakouts covering Billtrust products and initiatives, best AR and B2B payments practices and industry benchmarking.

About Dan Harris

Dan Harris is a former co-anchor for the weekend edition of Good Morning America on ABC News, as well as a former correspondent for such broadcasts as Nightline and World News Tonight. He is also the author of *10% Happier*, a #1 New York Times best-selling book about a fidgety, skeptical news anchor who stumbles upon meditation. This ancient practice—too long associated exclusively with hippies and robed gurus—has been shown by modern science to boost resilience, focus, creativity, emotional intelligence, and overall mental and physical health. With meditation and mindfulness now being embraced by executives, athletes, educators and entertainers, Harris has become a leading voice for pushing the practice into the mainstream, using plain English and dry humor. He has spoken in front of a variety of audiences—corporations, health and wellness organizations, and schools and universities. Harris has received Murrow and Emmy awards for his reporting. Prior to joining ABC, he was in local news in

This press release includes certain statements that are not historical facts but are forward-looking statements for purposes of the safe harbor provisions under the United States Private Securities Litigation Reform Act of 1995. These forward-looking statements are not intended to serve as, and must not be relied on by any investor as, a guarantee, an assurance, a prediction or a definitive statement of fact or probability. Actual events and circumstances are difficult or impossible to predict and will differ from assumptions. Many actual events and circumstances are beyond the control of the Company. These forward looking statements are subject to a number of risks and uncertainties, including those factors discussed in the Company's filings with the SEC, including in the "Risk Factors" and "Management's Discussion and Analysis of Financial Condition and Results of Operations" sections of the Company's most recently filed periodic reports on Form 10-K and Form 10-Q and subsequent filings. If the risks materialize or assumptions prove incorrect, actual results could differ materially from the results implied by these forward-looking statements. These forward-looking statements are subject to a number of risks and uncertainties. There may be additional risks that the Company presently does not know or that they currently believe are immaterial that could also cause actual results to differ from those contained in the forward-looking statements. In addition, forward-looking statements reflect the Company's expectations, plans or forecasts of future events and views as of the date of this press release. The Company anticipates that subsequent events and developments will cause its assessments to change. However, while the Company may elect to update these forward-looking statements at some point in the future, the Company specifically disclaims any obligation to do so. These forward-looking statements should not be relied upon as representing the Company's assessments as of any date subsequent to the date of this press release. Accordingly, undue reliance should not be placed upon the forward-looking statements.
