Review of operations

The loss for the Company after providing for income tax amounted to \$66,811 (31 December 2023: profit of \$987,202).

The company did not trade during the financial year.

On 6 May 2024, the company announced that it has entered into a binding Head of Agreement to acquire 100% of Scalare Partners Pty Ltd. The completion of the transaction is subject to a number of conditions including approval from the company's shareholders and re-compliance with Chapters 1 and 2 of the ASX listing rules. As part of the transaction the company will seek to complete a capital raise of between \$4 million and \$8 million before costs.

During the financial year, Scalare Partners Pty Ltd has also lent the company \$125,000 via an interest free loan, to pay existing creditors and fund costs associated with the company's readmission to the ASX.

Significant changes in the state of affairs

During the current period, the company elected to change its financial year to 30 June 2024, to align with the reporting period of Scalare Partners Pty Ltd, a company that it is seeking to acquire.

There were no other significant changes in the state of affairs of the Company during the financial period, and up to the date of this report, except for the matters outlined in the review of operations section of the Directors' Report.

Matters subsequent to the end of the financial period

On 21 August 2024 the Company lodged notice of an extraordinary general meeting of shareholders to be held on 23 September 2024 to approve nine resolutions which are summarised below:

- (1) To change the nature and scale of the activities of the Company;
- (2) To effect a 56 to 1 share consolidation,
- (3) The acquisition of Scalare Partners Pty Ltd through the issue of 72 million shares (on a post share consolidation basis);
- (4) To issue 9.5 million shares (on a post share consolidation basis) to the proposed directors and management of the Company post re-admission to the ASX official list;
- (5) To raise up to \$8 million for the issue of up to 32 million shares (on a post share consolidation basis) and the issue of 1.2 million shares (on a post share consolidation basis) to Novus Capital Limited as broker for the share issue;
- (6) That the Company name be changed to Scalare Partners Holdings Limited;
- (7) The issue of securities under the equity incentive plan;
- (8) The maximum total aggregate amount of directors fees to all non-executive directors be increased to \$600,000; and
- (9) The issue of 214,490 shares (on a post share consolidation basis) for outstanding directors fees.

At the same time the Company lodged a prospectus to raise between \$4 million and \$8 million and are seeking readmission of CLB shares on the Australian Securities Exchange.

Remuneration report (audited)

The remuneration report details the key management personnel remuneration arrangements for the Company, in accordance with the requirements of the Corporations Act 2001 and its Regulations.

Key management personnel are those persons having the authority and responsibility for planning, directing and controlling the activities of the entity, directly or indirectly, including all directors.

The remuneration report is set out under the following main headings:

- Principles used to determine the nature and amount of remuneration
- Details of remuneration
- Share-based compensation
- Additional information
- Additional disclosures relating to key management personnel

Principles used to determine the nature and amount of remuneration

Prior to entering voluntary administration, the company observed the following factors in setting remuneration:

- competitiveness and reasonableness
- acceptability to shareholders
- performance linkage / alignment of executive compensation
- transparency.

During the period of voluntary administration, previously applied remuneration arrangements with key management personnel were suspended.

Practices observed prior to entering voluntary administration

The board is responsible for determining and reviewing remuneration arrangements for its directors and executives. The performance of the company depends on the quality of its directors and executives. The remuneration philosophy is to attract, motivate and retain high performance and high quality personnel.

The reward framework is designed to align executive reward to shareholders' interests. The Board have considered that it should seek to enhance shareholders' interests by:

- having economic performance as a core component of plan design
- focusing on sustained growth in shareholder wealth, consisting of dividends and growth in share price, and delivering constant or increasing return on assets as well as focusing the executive on key non-financial drivers of value
- attracting and retaining high calibre executives

Candy Club Holdings Limited

Directors' report

30 June 2024

Additionally, the reward framework should seek to enhance executives' interests by:

- rewarding capability and experience
- reflecting competitive reward for contribution to growth in shareholder wealth
- providing a clear structure for earning rewards

In accordance with best practice corporate governance, the structure of non-executive director and executive director remuneration is separate.

Non-executive directors' remuneration

Fees and payments to non-executive directors reflect the demands and responsibilities of their role. Non-executive directors' fees and payments are reviewed annually by the board. The board may, from time to time, receive advice from independent remuneration consultants to ensure non-executive directors' fees and payments are appropriate and in line with the market. The chairman's fees are determined independently to the fees of other non-executive directors based on comparative roles in the external market. The chairman is not present at any discussions relating to the determination of his own remuneration. Non-executive directors do not receive share options or other incentives.

ASX listing rules require the aggregate non-executive directors' remuneration be determined periodically by a general meeting. The annual level of non-executive remuneration was set a maximum of \$250,000 at the company's 2019 annual general meeting.

Executive remuneration

The Company aims to reward executives based on their position and responsibility, with a level and mix of remuneration which has both fixed and variable components.

The executive remuneration and reward framework has three components:

- base pay and non-monetary benefits
- short term performance incentives
- share based payments
- other amounts such as superannuation and leave

The combination of these comprises the executive's total remuneration.

Fixed remuneration, consisting of base salary, superannuation and non-monetary benefits, are reviewed annually by the board based on individual and business unit performance, the overall performance of the Company and comparable market remunerations.

Executives may receive their fixed remuneration in the form of cash or other fringe benefits (for example motor vehicle benefits) where it does not create any additional costs to the Company and provides additional value to the executive.

The short-term incentives ('STI') program is designed to align the targets of the business units with the performance hurdles of executives. STI payments are granted to executives based on specific annual targets and key performance indicators ('KPI's') being achieved. KPI's include customer satisfaction, leadership contribution and product management.

The long-term incentives ('LTI') include long service leave and share-based payments. The Board reviewed the long-term equity-linked performance incentives.

Company performance and link to remuneration

Remuneration for certain individuals is directly linked to the performance of the company (group prior to loss of control of US based subsidiaries). A portion of cash bonus and incentive payments are dependent on targets being met. Refer to the section 'Additional information' below for details of the earnings and total shareholders return for the last four years.

Use of remuneration consultants

The company has not made use of remuneration consultants.

Voting and comments made at the company's 6 November 2023 Annual General Meeting ('AGM')

At the 6 November 2023 AGM, 100% of the votes received supported the adoption of the remuneration report for the year ended 31 December 2022.

Note 1. Material accounting policy information

The accounting policies that are material to the Company are set out below. The accounting policies adopted are consistent with those of the previous financial year, unless otherwise stated.

New or amended Accounting Standards and Interpretations adopted

The company has adopted all of the new or amended Accounting Standards and Interpretations issued by the Australian Accounting Standards Board ('AASB') that are mandatory for the current reporting period.

Any new or amended Accounting Standards or Interpretations that are not yet mandatory have not been early adopted.

Going concern

The financial statements have been prepared using the going concern basis, which contemplates continuity of normal business activities and the realisation of assets and settlement of liabilities in the ordinary course of business. The company incurred a loss from ordinary activities of \$66,811 for the period ended 30 June 2024, had negative cash from operating activities of \$70,725 (2023 \$386,202), and had net liabilities of \$199,163.

The directors have reviewed the cashflow forecasts and believe that there are reasonable grounds to believe that the company will be able to continue as a going concern due to the following factors:

- On 6 May 2024, the company announced that it has entered into a binding Head of Agreement to acquire 100% of Scalare Partners Pty Ltd. The completion of the transaction is subject to a number of conditions including approval from the company's shareholders and re-compliance with Chapters 1 and 2 of the ASX listing rules. As part of the transaction the company will seek to complete a capital raise of between \$4 million and \$8 million before costs;
- Since 31 December 2023, Scalare Partners Pty Ltd has provided the company \$125,000 via an interest free loan, to pay existing creditors and fund costs associated with the company's readmission to the ASX;
- A cash flow forecast has been prepared for the next 12 months which is dependant on further fundraising; and
- The company has received a letter of financial support from an entity associated with its majority shareholder, Annerley Property Holdings Pty Ltd ("Annerley Property"), where Annerley Property has guaranteed to provide on-going financial support to the Company sufficient for the Company to pay its debts as and when they fall due and payable. This financial support remains in place for a minimum of 12 months following the signing of the 30 June 2024 annual report, and will be required in the event that the proposed acquisition of Scalare Partners Pty Ltd does not proceed.

Accordingly, the Directors believe that the company will be able to continue as a going concern and that it is appropriate to adopt the going concern basis in the preparation of the financial report.

In the event that the company is unsuccessful in implementing the above-stated initiatives, a material uncertainty exists, that may cast significant doubt on the company's ability to continue as a going concern and its ability to recover assets and discharge liabilities in the normal course of business and at the amounts shown in the financial report.

Should the company be unable to continue as a going concern it may be required to realise its assets and discharge its liabilities other than in the normal course of business and at amounts different from those stated in the financial statements.

Change of reporting period

During the current period, the company elected to change its financial year to 30 June 2024, to align with the reporting period of Scalare Partners Pty Ltd, a company that it is seeking to acquire. The current financial information covers the period from 1 January 2024 to 30 June 2024.

Basis of preparation

These general purpose financial statements have been prepared in accordance with Australian Accounting Standards and Interpretations issued by the Australian Accounting Standards Board ('AASB') and the Corporations Act 2001, as appropriate for for-profit oriented entities. These financial statements also comply with International Financial Reporting Standards as issued by the International Accounting Standards Board ('IASB').

Historical cost convention

The financial statements have been prepared under the historical cost convention.

Note 1. Material accounting policy information (continued)

Critical accounting estimates

The preparation of the financial statements requires the use of certain critical accounting estimates. It also requires management to exercise its judgement in the process of applying the Company's accounting policies. The areas involving a higher degree of judgement or complexity, or areas where assumptions and estimates are significant to the financial statements, are disclosed in note 2.

Revenue and income recognition

The Company recognises revenue and other income as follows:

Interest income

Interest income is recognised as interest accrues using the effective interest method. This is a method of calculating the amortised cost of a financial asset and allocating the interest income over the relevant period using the effective interest rate, which is the rate that exactly discounts estimated future cash receipts through the expected life of the financial asset to the net carrying amount of the financial asset.

Other income

Other income is recognised when it is received or when the right to receive payment is established.

New Accounting Standards and Interpretations not yet mandatory or early adopted

Australian Accounting Standards and Interpretations that have recently been issued or amended but are not yet mandatory, have not been early adopted by the Company for the annual reporting period ended 30 June 2024. The Company has not yet assessed the impact of these new or amended Accounting Standards and Interpretations.

Note 2. Critical accounting judgements, estimates and assumptions

The preparation of the financial statements requires management to make judgements, estimates and assumptions that affect the reported amounts in the financial statements. Management continually evaluates its judgements and estimates in relation to assets, liabilities, contingent liabilities, revenue and expenses. Management bases its judgements, estimates and assumptions on historical experience and on other various factors, including expectations of future events, management believes to be reasonable under the circumstances. There are no critical accounting judgements, estimates and assumptions that are likely to affect the current or future financial years.

Note 3. Operating segments

Identification of reportable operating segments

The company is organised into one operating segment, being administration services in Australia, since disposing of its US based subsidiaries. This operating segment is based on the internal reports that are reviewed and used by the Board of Directors (who are identified as the Chief Operating Decision Makers ('CODM')) in assessing performance and in determining the allocation of resources.

Ordinary shares

Ordinary shares entitle the holder to participate in dividends and the proceeds on the winding up of the Company in proportion to the number of and amounts paid on the shares held. The fully paid ordinary shares have no par value and the Company does not have a limited amount of authorised capital.

On a show of hands every member present at a meeting in person or by proxy shall have one vote and upon a poll each share shall have one vote.

Share buy-back

There is no current on-market share buy-back.

Capital risk management

The company's objectives when managing capital is to safeguard its ability to continue as a going concern, so that it can provide returns for shareholders and benefits for other stakeholders and to maintain an optimum capital structure to reduce the cost of capital. Refer to going concern disclosures in Note 1.

Note 8. Reserves

Note 9. Dividends

There were no dividends paid, recommended or declared during the current or previous financial period.

Note 10. Financial instruments

Financial risk management objectives

The company's activities expose it to a variety of financial risks: market risk (including foreign currency risk, and interest rate risk), credit risk and liquidity risk. The company's overall risk management program focuses on the unpredictability of financial markets and seeks to minimise potential adverse effects on the financial performance of the company. The company uses different methods to measure different types of risk to which it is exposed. These methods include sensitivity analysis in the case of interest rate and foreign exchange.

Risk management is carried out by senior finance executives ('finance') under policies approved by the Board of Directors ('the Board'). These policies include identification and analysis of the risk exposure of the company and appropriate procedures, controls and risk limits.

Market risk

Foreign currency risk

The company is not exposed to significant foreign exchange risk.

Price risk

The Company is not exposed to any significant price risk.

Interest rate risk

The company is not exposed to significant interest rate risk. Its only borrowings are interest free.

Credit risk

The company is not exposed to significant credit risk.

Liquidity risk

Vigilant liquidity risk management requires the company to maintain sufficient liquid assets (mainly cash and cash equivalents) and available borrowing facilities to be able to pay debts as and when they become due and payable.

The Company manages liquidity risk by maintaining adequate cash reserves by continuously monitoring actual and forecast cash flows and matching the maturity profiles of financial assets and liabilities.

Refer to going concern disclosures in Note 1 for further details.

Remaining contractual maturities

The following tables detail the Company's remaining contractual maturity for its financial instrument liabilities. The tables have been drawn up based on the undiscounted cash flows of financial liabilities based on the earliest date on which the financial liabilities are required to be paid. The tables include both interest and principal cash flows disclosed as remaining contractual maturities and therefore these totals may differ from their carrying amount in the statement of financial position.

** This loan is interest free and has no fixed term for repayment, and includes a first ranking security interest over all of the company's present and after acquired property.

Note 16. Events after the reporting period

On 21 August 2024 the Company lodged notice of an extraordinary general meeting of shareholders to be held on 23 September 2024 to approve nine resolutions which are summarised below:

- (1) To change the nature and scale of the activities of the Company;
- (2) To effect a 56 to 1 share consolidation;
- (3) The acquisition of Scalare Partners Pty Ltd through the issue of 72 million shares (on a post share consolidation basis);
- (4) To issue 9.5 million shares (on a post share consolidation basis) to the proposed directors and management of the Company post re-admission to the ASX official list;
- (5) To raise up to \$8 million for the issue of up to 32 million shares (on a post share consolidation basis) and the issue of 1.2 million shares (on a post share consolidation basis) to Novus Capital Limited as broker for the share issue;
- (6) That the Company name be changed to Scalare Partners Holdings Limited;
- (7) The issue of securities under the equity incentive plan;
- (8) The maximum total aggregate amount of directors fees to all non-executive directors be increased to \$600,000; and
- (9) The issue of 214,490 shares (on a post share consolidation basis) for outstanding directors fees.

At the same time the Company lodged a prospectus to raise between \$4 million and \$8 million and are seeking readmission of CLB shares on the Australian Securities Exchange.

No other matter or circumstance has arisen since 30 June 2024 that has significantly affected, or may significantly affect the Company's operations, the results of those operations, or the Company's state of affairs in future financial years.

CANDY CLUB HOLDINGS LIMITED
INDEPENDENT AUDITOR'S REPORT

To the Directors of Candy Club Holdings Limited

Opinion

We have audited the financial report of Candy Club Holdings Limited ("the Company"), which comprises the statement of financial position as at 30 June 2024, the statement of profit or loss and other comprehensive income, the statement of changes in equity and the statement of cash flows for the financial period from 1 January 2024 to 30 June 2024, and notes to the financial statements, including a summary of material accounting policy information, the consolidated entity disclosure statement and the directors' declaration.

In our opinion, the financial report of the Company is in accordance with the *Corporations Act 2001*, including:

- a) giving a true and fair view of the Company's financial position as at 30 June 2024 and of its performance for the financial period ended on that date; and
- b) Complying with Australian Accounting Standards and *Corporations Regulations 2001*

Basis for Opinion

We conducted our audit in accordance with Australian Auditing Standards. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Report section of our report. We are independent of the Company in accordance with the ethical requirements of the Accounting Professional and Ethical Standards Board's APES 110 *Code of Ethics for Professional Accountants (including Independence Standards)* ("the Code") that are relevant to our audit of the financial report in Australia.

We confirm that the independence declaration required by the *Corporations Act 2001*, which has been given to the directors of the Company, would be in the same terms if given to the directors as at the time of this auditor's report.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

CANDY CLUB HOLDINGS LIMITED

INDEPENDENT AUDITOR'S REPORT (continued)

Key Audit Matters

Key audit matters are those matters that, in our professional judgement, were of most significance in our audit of the financial report of the current period. These matters were addressed in the context of our audit of the financial report as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters.

Borrowings	How our Audit Addressed the Key Audit Matter
<p>We considered borrowings to be a key audit matter given its materiality to the financial report.</p>	<p>Our procedures included:</p> <ul style="list-style-type: none"> • Review of the underlying loan agreements; • Obtained confirmations of loan balances outstanding at year end; and • Assessed the ability of the entity to repay these loans.

Material Uncertainty Related to Going Concern

We draw attention to Note 1 in the financial report, which indicates that the Company incurred a loss of \$66,811 during the financial period ended 30 June 2024, a deficiency in net assets of \$199,163 as at 30 June 2024, and net cash outflows from operations of \$70,725. These events or conditions along with other matters as set forth in Note 1 indicate that a material uncertainty exists that may cast significant doubt on the Company's ability to continue as a going concern and therefore the Company may be unable to realise its assets and discharge its liabilities in the normal course of business. Our opinion is not modified in respect of this matter.

Other Matter

The financial report of Candy Club Holdings Limited for the year ended 31 December 2023, was audited by another auditor who expressed an adverse opinion on that report on 3 June 2024.

The adverse opinion was issued as the Company did not consolidate the results and cash flows of its formerly wholly owned subsidiaries comprising Candy Club Holdings Inc. and other subsidiaries ("the subsidiaries"), on the basis that it concluded the disposal and settlement of the subsidiaries on 31 January 2023 represented an adjusting event in the preceding year, requiring the Company to account for the disposal of the subsidiaries during the year ended 31 December 2022. The results and cash flows of the subsidiaries have therefore been omitted from the Company's financial report for the year ended 31 December 2023 and consolidation accounting has not been applied.

The adverse opinion also noted that the Company prepared standalone rather than consolidated financial statements for the years ended 31 December 2022 and 2023, contrary to the requirements of Australian Accounting Standards. Under Australian Accounting Standards, the Company should have prepared consolidated financial statements incorporating the transactions and cash flows of its subsidiaries up until loss of control on 31 January 2023. Had the subsidiaries been consolidated, many elements in those financial report and the comparative information would have been materially affected. The effects on the financial report of the failure to consolidate have not been determined.

For personal use only

CANDY CLUB HOLDINGS LIMITED

INDEPENDENT AUDITOR'S REPORT (continued)

Other Matter (continued)

The effects of the predecessor auditor's adverse opinion does not impact the performance of the Company for the financial period ended 30 June 2024; its position as at that date; nor its opening position as at 1 January 2024.

We have determined that adjusting the prior corresponding figures related to financial performance in line with Australian Accounting Standards would offer limited comparability to the users of the financial report given the change in the Company's structure and operations. Consequently, we have concluded that the impact of the predecessor auditor's adverse opinion is not material to the users of the financial report for the financial period ended 30 June 2024.

This report replaces our previous auditor's report issued on 10 July 2024.

Other Information

The directors are responsible for the other information. The other information comprises the information included in the Company's annual report for the financial period ended 30 June 2024 but does not include the financial report and our auditor's report thereon.

Our opinion on the financial report does not cover the other information and accordingly we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial report, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial report or our knowledge obtained in the audit or otherwise appears to be materially misstated.

If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

Responsibilities of the Directors for the Financial Report

The directors of the Company are responsible for the preparation of:

- a) the financial report that gives a true and fair view in accordance with Australian Accounting Standards and the *Corporations Act 2001*; and
- b) the consolidated entity disclosure statement that is true and correct in accordance with the *Corporations Act 2001*, and

for such internal control as the directors determine is necessary to enable the preparation of:

- a) the financial report that gives a true and fair view and is free from material misstatement, whether due to fraud or error; and
- b) the consolidated entity disclosure statement that is true and correct and is free of misstatement, whether due to fraud or error.

In preparing the financial report, the directors are responsible for assessing the ability of the Company to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the directors either intend to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

INDEPENDENT AUDITOR'S REPORT (continued)

Auditor's Responsibilities for the Audit of the Financial Report

Our objectives are to obtain reasonable assurance about whether the financial report as a whole is free from material misstatement, whether due to fraud or error; and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not a guarantee that an audit conducted in accordance with Australian Auditing Standards will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of this financial report.

A further description of our responsibilities for the audit of the financial report is located at the Auditing and Assurance Standards Board website at:

https://www.auasb.gov.au/auditors_responsibilities/ar1.pdf. This description forms part of our auditor's report.

Report on the Remuneration Report

We have audited the Remuneration Report included in the directors' report for the financial period ended 30 June 2024. The directors of the Company are responsible for the preparation and presentation of the Remuneration Report in accordance with section 300A of the *Corporations Act 2001*. Our responsibility is to express an opinion on the Remuneration Report, based on our audit conducted in accordance with Australian Auditing Standards.

Opinion

In our opinion, the Remuneration Report of Candy Club Holdings Limited for the financial period ended 30 June 2024 complies with section 300A of the *Corporations Act 2001*.
