Voting by proxy or online prior to Meeting

To submit a vote prior to the Meeting, or to appoint a proxy online, please go to <https://investor.automic.com.au> and follow the instructions on your Voting Form.

You may also appoint a proxy by completing and signing the enclosed Voting Form and returning it by the time and in accordance with the instructions set out on the Voting Form.

In accordance with section 249L of the Corporations Act, Shareholders are advised that:

- each Shareholder has a right to appoint a proxy;
- the proxy need not be a Shareholder of the Company; and
- a Shareholder who is entitled to cast 2 or more votes may appoint 2 proxies and may specify the proportion or number of votes each proxy is appointed to exercise. If the Shareholder appoints 2 proxies and the appointment does not specify the proportion or number of the Shareholders' votes, then in accordance with section 249X(3) of the Corporations Act, each proxy may exercise one-half of the votes.

Proxy vote if appointment specifies way to vote

Section 250BB (1) of the Corporations Act provides that an appointment of a proxy may specify the way the proxy is to vote on a particular Resolution and if it does:

- the proxy need not vote on a show of hands, but if the proxy does so, the proxy must vote that way (i.e. as directed); and
- if the proxy has 2 or more appointments that specify different ways to vote on the Resolution, the proxy must not vote on a show of hands; and
- if the proxy is the Chair, the proxy must vote on a poll, and must vote that way (i.e., as directed); and
- if the proxy is not the Chair, the proxy need not vote on the poll, but if the proxy does so, the proxy must vote that way (i.e., as directed).

Transfer of non-chair proxy to Chair in certain circumstances

Section 250BC of the Corporations Act provides that, if:

- an appointment of a proxy specifies the way the proxy is to vote on a particular Resolution at the Meeting; and
- the appointed proxy is not the Chair; and
- at the Meeting, a poll is duly demanded on the Resolution; and
- either of the following applies:
 - the proxy is not recorded as attending the Meeting; or
 - the proxy does not vote on the Resolution,

the Chair is taken, before voting on the Resolution closes, to have been appointed as the proxy for the purposes of voting on the Resolution at the Meeting.

Voting prior to the Meeting

A Shareholder may vote by indicating on the Voting Form that they are casting their vote directly and then placing a mark in one of the boxes opposite each item of business on the Voting Form. All of the Shareholder's shares will be voted in accordance with such direction, unless the Shareholder indicates that their direction is:

- to vote only a portion of their votes on any item; or
- to cast their votes in different ways on any item, by inserting the number of shares in the appropriate box or boxes.

If a Shareholder indicates that they are lodging their votes directly and then does not mark any of the boxes on a given item, no direct vote will be recorded on that item. If a Shareholder indicates that they are delivering their votes directly and then marks more than one box on an item, their vote on that item will be invalid. If a Shareholder inserts a number of shares in boxes on any item that in total exceeds the number of shares that the Shareholder holds as at the voting entitlement time, the Shareholder's vote on that item will be invalid, unless the Shareholder inserted the number of shares in one box only, in which case it will be taken to be valid for the total number of shares held at that time.

Your proxy voting instruction must be received by **11:00am (AEDT) on Sunday, 27 October 2024**, being not later than 48 hours prior to the commencement of the Meeting. Any Proxy Voting instructions received after that time will not be valid for the scheduled Meeting.

Shareholders who submit direct votes appoint the Chair as their representative for the purposes of Article 9.4(b) of the Constitution (determination of quorum).

However, Shareholders who submit direct votes will not be entitled to the following rights of Shareholders attending the Meeting by proxy, attorney or representative:

- to join in the election of the chair of the Meeting under Article 9.5(b) of the Constitution if there is a vacancy in the chair; or
- to object to the qualification of a voter under Article 9.1 0(g) of the Constitution.

Corporate representatives

A Shareholder that is a body corporate may appoint an individual to act as its representative at the Meeting by providing a duly executed certificate of appointment of corporate representative (Certificate). Unless otherwise specified in the Certificate, the representative may exercise all or any of the powers that the body corporate may exercise at the Meeting or in voting on a Resolution. A Certificate is available upon request from the Share Registry.

EXPLANATORY MEMORANDUM

This Explanatory Memorandum has been prepared to provide information which the Directors believe to be material to Shareholders in deciding whether or not to pass the Resolutions.

RESOLUTION 1 – ADOPTION OF REMUNERATION REPORT

General

The Corporations Act requires that, at a listed company's annual general meeting, a resolution that the remuneration report be adopted must be put to the shareholders. However, such a resolution is advisory only and does not bind the company or the directors of the company.

The Remuneration Report sets out the Company's remuneration arrangements for the Directors and other Key Management Personnel of the Company. The Remuneration Report is part of the Directors' Report contained in the Annual Report. The Chair must allow a reasonable opportunity for its Shareholders to ask questions about or make comments on the Remuneration Report at the Annual General Meeting.

Voting consequences

Under the Corporations Act, a company is required to put to its shareholders a resolution proposing the calling of another meeting of shareholders to consider the appointment of directors of the company (**Spill Resolution**) if, at two consecutive annual general meetings, at least 25% of the votes cast on a resolution in respect of a remuneration report vote against the adoption of the remuneration report and at the first of those annual general meetings a Spill Resolution was not put to a vote. If required, the Spill Resolution must be put to vote at the second of those annual general meetings.

If more than 50% of votes cast are in favour of the Spill Resolution, the company must convene a shareholder meeting (**Spill Meeting**) within 90 days of the second annual general meeting. If a Spill Resolution is put to shareholders, all of the directors of the company who were in office when the directors' report (as included in the company's annual financial report for the most recent financial year) was approved, other than the managing director of the company, will cease to hold office immediately before the end of the Spill Meeting but may stand for re-election at the Spill Meeting.

Following the Spill Meeting, each person whose election or re-election as a director of the company was approved will continue as a director of the company.

Proxy voting restrictions

Shareholders appointing a proxy for this Resolution should note the following in accordance with section 250R of the Corporations Act:

RESOLUTION 8 – APPROVAL OF 10% PLACEMENT CAPACITY

General

ASX Listing Rule 7.1A provides that an eligible entity may seek shareholder approval at its annual general meeting to allow it to issue equity securities (which term has the meaning given to it in the ASX Listing Rules) to up to 10% of its issued capital over a period up to 12 months after its annual general meeting (10% Placement Capacity). The 10% Placement Capacity is in addition to the capacity to issue securities under ASX Listing Rule 7.1 without shareholder approval.

If Shareholders approve this Resolution, the number of equity securities the Company may issue under its 10% Placement Capacity will be determined in accordance with the formula prescribed in ASX Listing Rule 7.1 A.2. This Resolution is a Special Resolution.

ASX Listing Rule 7.1A

The ASX Listing Rules provide that an entity that satisfies both of the following tests may seek shareholder approval under ASX Listing Rule 7.1 A:

- (a) the entity is not included in the S&P/ASX 300 Index; and
- (b) the entity's market capitalisation (excluding restricted securities and securities quoted on a deferred settlement basis) is not greater than \$300,000,000.

The Company is not included in the S&P/ASX 300 Index and has a market capitalisation, as at 20 September 2024, of approximately \$206 million.

Any equity securities issued in reliance of ASX Listing Rule 7.1 A must be in the same class as an existing class of quoted equity securities. The Company currently has one class of equity securities on issue which are quoted, being Shares.

ASX Listing Rule 7.1A.2 provides that an eligible entity which has obtained shareholder approval at an annual general meeting may issue or agree to issue, during the 12-month period after the date of the annual general meeting, a number of equity securities calculated in accordance with the following formula:

(A x D)- E

Where:

A is the number of shares on issue at the commencement of the relevant period:

- (1) plus the number of shares issued in the relevant period under an exception in ASX Listing Rule 7.2 other than exception 9, 16 or 17;

- (2) plus the number of shares issued in the relevant period on the conversion of convertible securities within ASX Listing Rule 7.2 exception 9 where:
- (a) the convertible securities were issued or agreed to be issued before the commencement of the relevant period; or
 - (b) the issue of, or agreement to issue, the convertible securities was approved, or taken under these rules to have been approved, under ASX Listing Rule 7.1 or 7.4;
- (3) plus the number of shares issued in the relevant period under an agreement to issue securities within ASX Listing Rule 7.2 exception 16 where:
- (a) the agreement was entered into before the commencement of the relevant period; or
 - (b) the agreement or issue was approved, or taken under these rules to have been approved, under ASX Listing Rule 7.1 or rule 7.4,
- (4) plus the number of any other shares issued in the relevant period with approval under ASX Listing Rule 7.1 or 7.4;
- (5) plus the number of partly paid shares that became fully paid in the relevant period; and
- (6) less the number of shares cancelled in the relevant period.

D is 10%.

E is the number of equity securities issued or agreed to be issued under ASX Listing Rule 7.1A.2 in the relevant period where the issue or agreement has not been subsequently approved by the holders of shares under ASX Listing Rule 7.4.

Information required by ASX Listing Rule 7.3A

ASX Listing Rule 7.3A requires the following information to be provided in relation to this Resolution:

10% Placement Capacity period

The equity securities may be issued under the 10% Placement Capacity commencing on the date of the Annual General Meeting and ceasing to be valid on the first to occur of:

- (a) 12 months after the date of the Annual General Meeting;
- (b) the time and date of the Company's next annual general meeting; or
- (c) the time and date of approval by Shareholders of any transaction under ASX Listing Rule 11.1.2 (a significant change to the nature or scale of the Company's activities) or ASX Listing Rule 11.2 (disposal of the Company's main undertaking).

Minimum Price

The minimum price at which the equity securities may be issued under the 10% Placement Capacity is 75% of the VWAP of equity securities in that class, calculated over the 15 trading days on which trades in that class were recorded on the ASX immediately before:

- (a) the date on which the price at which the equity securities are to be issued is agreed by the Company and the recipient of the securities; or
- (b) if the equity securities are not issued within 10 trading days of the date in paragraph (a) above, the date on which the equity securities are issued.

Purpose of an issue under 10% Placement Capacity

Equity securities issued under the 10% Placement Capacity can only be made for cash consideration. The purpose of any issue would be set out for Shareholders at the time of such an issue. In general terms, the Company can issue

equity securities under the 10% Placement Capacity as cash consideration in which case the Company intends to use funds raised for, either or both of, working capital purposes or to fund growth opportunities.

Risk of economic and voting dilution

Any issue of equity securities under the 10% Placement Capacity will dilute the interests of Shareholders who do not receive their pro rata interest in the Shares allotted under the issue.

If this Resolution is approved by Shareholders and the Company issues the maximum number of equity securities available under the 10% Placement Capacity, the economic and voting dilution of existing Shares would be as shown in the table below, in the circumstances set out in the table below.

The table below shows the dilution of existing shareholders on the basis of the number of, and the closing price of, the Shares on the ASX on 11 September 2024 (Closing Price) and the number of Shares for variable A, calculated in accordance with the formula outlined in ASX Listing Rule 7.1A.2, on the date of this Notice.

The table also shows the voting dilution impact where the number of Shares on issue (variable A in the formula) has increased by 50% and by 100% and the economic dilution where the issue price of Shares issued under the 10% Placement Capacity is 50% less than the Closing Price and 100% greater than the Closing Price.

Variable "A" ASX Listing Rule 7.1A.2		Potential Dilution and Funds Raised		
		\$0.19 50% decrease in issue price	\$0.38 issue price	\$0.76 100% increase in issue price
"A" is the number of shares on issue, being 543,310,415 Shares	10% voting diluted	54,331,042	54,331,042	54,331,042
	Funds raised	\$10,322,898	\$20,645,796	\$41,291,592
"A" is a 50% increase in shares on issue, being 814,965,622 Shares	10% voting diluted	81,496,562	81,496,562	81,496,562
	Funds raised	\$15,484,347	\$30,968,694	\$61,937,387
"A" is a 100% increase in shares on issue, being 1,086,620,830 Shares	10% voting diluted	108,662,083	108,662,083	108,662,083
	Funds raised	\$20,645,796	\$41,291,592	\$82,583,183

The number of Shares on issue (variable A in the formula) could increase as a result of the issue of Shares that do not require Shareholder approval (such as under a pro-rata rights issue or scrip issued under a takeover offer) or that are issued with shareholder approval under ASX Listing Rule 7.1.

The table above has been prepared on the basis of the following assumptions:

- the Issue Price set out in the table is the closing price of the Shares on the ASX on 11 September 2024;
- the Company issues the maximum possible number of equity securities under the 10% Placement Capacity;
- no options or rights convertible into Shares are exercised;
- the Company has not issued any equity securities in the 12 months prior to the date of the Annual General Meeting that were not issued under an exception in ASX Listing Rule 7.2 or which were not approved under ASX Listing Rule 7.1, 7.1A or 7.4;
- this table does not set out any dilution pursuant to approvals under ASX Listing Rule 7.1 or ASX Listing Rule 10.11 obtained at the Meeting; and
- the issue of equity securities under the 10% Placement Capacity consists only of Shares.

Shareholders should note that there is a risk that:

- the market price for the Shares may be significantly lower on the issue date than on the date of the Annual General Meeting; and

- (b) the equity securities under the 10% Placement Capacity may be issued at a price that is at a discount to the market share price for the shares on the date of issue or the equity securities may be issued as part of the consideration for the acquisition of an asset, both of which may affect the amount of funds raised by the issue.

Shareholders should also note that the calculations in the table do not show the dilution that any one particular shareholder will be subject to. All shareholders should consider the dilution caused to their own shareholding depending on their specific circumstances.

Allocation under the 10% Placement Capacity

The allottees of the equity securities to be issued under the 10% Placement Capacity will depend on prevailing market conditions and will be determined on a case by case basis. However, the allottees of the equity securities could consist of the current Shareholders, new investors or both, provided that such allottee is not a related party of the company. Allottees may also include vendors of assets into the company.

The company will determine the allottees at the time of the issue under the 10% Placement Capacity, having regard to the following factors:

- (a) the purpose of the issue;
- (b) Alternative methods for raising funds available to the company at that time, including, but not limited to, an entitlement of issue or other offer where existing shareholders may participate;
- (c) the effect of the issue of the equity securities on the control of the Company;
- (d) the circumstances of the Company, including, but not limited to, the financial position and solvency of the Company;
- (e) prevailing market conditions; and
- (f) advice from corporate, financial and broking advisers (if applicable).

This Resolution seeks Shareholder ratification pursuant to Listing Rule 7.4 for the issue of 12,784,048 Shares issued under Listing Rule 7.1 (**LR 7.1 Placement Shares**).

Listing Rule 7.1 provides that a Company must not, subject to specified exceptions, issue or agree to issue more equity securities during any 12-month period than that amount which represents 15% of the number of fully paid ordinary securities on issue at the commencement of that 12-month period.

The Board (other than Alistair Cray) recommends that you vote in **favour** of this Resolution. The Chair of the meeting intends to vote all available undirected proxies in **favour** of this Resolution.

BACKGROUND TO RESOLUTIONS 21 TO 23

On Tuesday, 17th September 2024, the Company announced a private placement to raise \$25m (before costs), by issue of Shares at an issue price of \$0.35 per Share. A total of 71,428,571 Shares are intended to be issued in the placement.

The funds raised are proposed to be used primarily to fund the purchase of capital equipment including equipment required for commissioning of the second atomizer and completion of the fit out of the Company's headquarters in Tennessee.

The placement is formed of two tranches:

Tranche 1:

- (a) 56,070,027 Tranche 1 Placement Shares which were issued to the participants in the placement on 23 September 2024 and were issued using the Company's available 15% placement capacity under ASX Listing Rule 7.1 and the Company's additional 10% placement capacity under ASX Listing Rule 7.1A (**Tranche 1 Placement Shares**).

Tranche 2:

An additional 15,358,544 Tranche 2 Placement Shares, intended to be issued on 1 November 2024, are subject to Shareholder approval which is being sought at this Meeting (**Tranche 2 Placement Shares**).

The investors in the placement are institutional investors and high net worth individuals.

The resolutions ask Shareholders to:

- (a) ratify and subsequently approve the issue of Tranche 1 Placement Shares; and
- (b) approve the issue of Tranche 2 Placement Shares.

RESOLUTION 21 – RATIFICATION OF ISSUE OF PLACEMENT SHARES UNDER LISTING RULE 7.1 (TRANCHE 1 – ISSUE TO PLACEMENT INVESTORS)

General

As part of the Tranche 1 Placement, the Company issued 55,621,605 Placement Shares under its Listing Rule 7.1 Placement Capacity at \$0.35 per Share to Placement Investors on 23 September 2024.

The Company issued these Tranche 1 Placement Shares without prior Shareholder approval using its 15% placement capacity under ASX Listing Rule 7.1 as at the date of the issue of the Tranche 1 Placement Shares.

The Tranche 1 Placement Shares were not issued to any Related Parties of the Company.

ASX Listing Rules 7.1 and 7.4

Broadly speaking and subject to a number of exceptions, ASX Listing Rule 7.1 limits the amount of equity securities that a listed company can issue without the approval of its shareholders over any 12-month period to 15% of the fully paid ordinary securities it had on issue at the start of that 12-month period.

The Tranche 1 Placement Shares do not fall within any exception of ASX Listing Rule 7.2, and, as the issue has not yet been approved by the Shareholders, the issue of Tranche 1 Placement Shares uses up the 15% limit in ASX Listing Rule 7.1, reducing the Company's capacity to issue further equity securities without Shareholder approval.

ASX Listing Rule 7.4 allows shareholders of a listed company to approve an issue of securities after it has been made or agreed to be made. If they do, the issue is taken to have been approved under ASX Listing Rule 7.1, and therefore does not reduce the company's capacity to issue further securities without shareholder approval. The Company wishes to retain flexibility to potentially issue further securities in the future.

Information required by ASX Listing Rule 14.1A

If Resolution 21 is passed, the Tranche 1 Placement Shares will be excluded in calculating the Company's 15% limit in ASX Listing Rule 7.1, increasing the number of equity securities the company can issue without Shareholder approval over the 12-month period following the date of issue of the Tranche 1 Placement Shares.

If Resolution 21 is not passed, the Tranche 1 Placement Shares will be included in calculating the Company's 15% limit in ASX Listing Rule 7.1, decreasing the number of securities the Company can issue without Shareholder approval over the 12-month period following the date of issue of the Tranche 1 Placement Shares.

Information required by ASX Listing Rule 7.5

Pursuant to ASX Listing Rule 7.5, the following information is provided in respect of this Resolution:

1. Tranche 1 Placement Shares were issued to institutional, sophisticated and professional investors identified by Joint Lead Managers, Curran & Co Pty Ltd and Shaw and Partners Limited, and are not related parties of the Company.
2. 55,621,605 fully paid ordinary shares were issued using the Company's available Listing Rule 7.1 Placement Capacity and all rank equally with the Company's existing Shares on issue.
3. The Tranche 1 Placement Shares were issued on 23 September 2024.
4. The Tranche 1 Placement Shares were issued at a price of \$0.35 per share.
5. The funds raised will primarily be used to fund the purchase of capital equipment including equipment required for commissioning of the second atomizer and completion of the fit out of the Company's headquarters in Tennessee.

The Company will disregard any votes cast in favour of this Resolution by or on behalf of any person or entity who participated in the issue or any of their associates. The Company issued these Tranche 1 Placement Shares without prior Shareholder approval using its available additional 10% placement capacity under ASX Listing Rule 7.1A as at the date of the issue of the Tranche 1 Placement Shares.

The Tranche 1 Placement Shares were not issued to any Related Parties of the Company.

ASX Listing Rules

Listing Rule 7.1A provides that in addition to issues permitted without prior Shareholder approval under ASX Listing Rule 7.1, an entity that is eligible and obtains shareholder approval under ASX Listing Rule 7.1A may issue or agree to issue, during the period the approval is valid, a number of equity securities which represents 10% of the number of fully paid ordinary securities on issue at the commencement of that 12-month period as adjusted in accordance with the formula in ASX Listing Rule 7.1A.

Having obtained Shareholder approval at the Company's Annual General Meeting on 31 October 2023, the Company has an additional 10% placement capacity under Listing Rule 7.1A.

Issues of securities made under Listing Rule 7.1A can also, after they have been made, be ratified under Listing Rule 7.4. this has the effect of refreshing the Company's ability to issue Shares within the additional 10% limit and restoring the Company's ability to make placements within that limit without the need for Shareholder approval.

By ratifying the issue, the Company will retain the flexibility to issue equity securities within the additional 10% limit under ASX Listing Rule 7.1A.

Information required by ASX Listing Rule 14.1A

If Resolution 22 is passed, the Tranche 1 Placement Shares will be excluded in calculating the Company's 10% limit in ASX Listing Rule 7.1A, increasing the number of equity securities the company can issue without Shareholder approval over the 12-month period following the date of issue of the Tranche 1 Placement Shares.

If Resolution 22 is not passed, the Tranche 1 Placement Shares will be included in calculating the Company's 10% limit in ASX Listing Rule 7.1A, decreasing the number of securities the Company can issue without Shareholder approval over the 12-month period following the date of issue of the Tranche 1 Placement Shares.

Information required by ASX Listing Rule 7.5

Pursuant to ASX Listing Rule 7.5, the following information is provided in respect of this Resolution:

1. Tranche 1 Placement Shares were issued to institutional, sophisticated and professional investors identified by Joint Lead Managers, Curran & Co Pty Ltd and Shaw and Partners Limited, and are not related parties of the Company.
2. 448,422 fully paid ordinary shares were issued using the Company's available Listing Rule 7.1A Placement Capacity and all rank equally with the Company's existing Shares on issue.
3. The Tranche 1 Placement Shares were issued on 23 September 2024.
4. The Tranche 1 Placement Shares were issued at a price of \$0.35 per share.
5. The funds raised will primarily be used to fund the purchase of capital equipment including equipment required for commissioning of the second atomizer and completion of the fit out of the Company's headquarters in Tennessee.

RESOLUTION 23 – APPROVAL TO ISSUE ORDINARY SHARES PURSUANT TO ASX LISTING RULE 7.1 (TRANCHE 2 – ISSUE TO PLACEMENT INVESTORS)

As part of Tranche 2 of the Placement, the Company proposes to issue 15,358,544 Placement Shares at \$0.35 per Share to Placement Investors, subject to Shareholder approval which is being sought at this Meeting.

ASX Listing Rule 7.1

Broadly speaking and subject to a number of exceptions, ASX Listing Rule 7.1 limits the amount of equity securities that a listed company can issue without the approval of its shareholders over any 12-month period to 15% of the fully paid ordinary securities it had on issue at the start of that 12-month period.

Resolution 23 seeks the required Shareholder approval to issue of the Tranche 2 Placement Shares under and for the purposes of ASX Listing Rule 7.1.

Information required by ASX Listing Rule 14.1A

If Resolution 23 is passed, the Company will be able to proceed with the issue of the Tranche 2 Placement Shares to Placement Investors and raise a further \$5,375,491 via the Tranche 2 Placement (before costs) intended to be used for purposes described below. In addition, the issue of these Tranche 2 Placement Shares will be excluded from the calculation of the number of equity securities that the Company can issue without shareholder approval under ASX Listing Rule 7.1.

If Resolution 23 is not passed, the Company will not be able to proceed with the issue of the Tranche 2 Placement Shares and will not receive the \$5,375,491 in proceeds.

Information required by ASX Listing Rule 7.3

Pursuant to and in accordance with ASX Listing Rule 7.3, the following information is provided in relation to this Resolution:

1. The Company intends to issue the Placement Shares to Placement Investors, who are institutional, sophisticated and professional investors identified by Joint Lead Managers, Curran & Co Pty Ltd and Shaw and Partners Limited, and are not related parties of the Company.
2. The Company intends to issue 15,358,544 fully paid ordinary shares, subject to Shareholder approval, and all will rank equally with the Company's existing Shares on issue.
3. The intended date of issue of the Tranche 2 Placement Shares is 1 November 2024, following Shareholder approval.
4. The Tranche 2 Placement Shares will be issued at a price of \$0.35 per share.
5. The funds raised will primarily be used to fund the purchase of capital equipment including equipment required for commissioning of the second atomizer and completion of the fit out of the Company's headquarters in Tennessee.
