| Number of Beneficial Shareholders of at least 100 shares ³ | (G) | <u>420</u> | <u>June 17, 2024</u> |

¹ Restricted Shares means securities that are subject to resale restrictions for any reason. Your transfer agent should be able to provide the total number of restricted securities.

² Public Float means the total number of unrestricted shares not held directly or indirectly by an officer, director, any person who is the beneficial owner of more than 10 percent of the total shares outstanding (a “10 percent Control Person”), or any Affiliates thereof, or any Family Members of officers, directors, and control persons. Family Member shall mean a Person’s spouse, parents, children, and siblings, whether by blood, marriage or adoption, or anyone residing in such Person’s home. OTCQB traded securities are required to have a freely traded public float of at least 10% of the shares outstanding unless an exemption applies.

³ Beneficial Shareholder means any person who, directly or indirectly has or shares voting power of such security or investment power, which includes the power to dispose, or to direct the disposition of, such security. OTCQB traded securities are required to have at least 50 beneficial shareholders unless an exemption applies.

5. Convertible Debt:

The following is a complete list of all promissory notes, convertible notes, convertible debentures, or any other debt instruments that may be converted into a class of the issuer’s equity securities that were issued or outstanding at any time during the last complete fiscal year and any interim period between the last fiscal year end and the date of this OTCQB Certification. **(If the note is no longer outstanding as of the current date, but was outstanding during the previously described period, the note must still be disclosed in the table below.):**

Check this box to confirm there were no promissory notes, convertible notes, or other convertible debt arrangements issued or outstanding at any point during this period.

| Date of Note Issuance | Principal Amount at Issuance (\$) | Outstanding Balance (\$) (include accrued interest) | Maturity Date | Conversion Terms (e.g., pricing mechanism for determining conversion of instrument to shares) | # Shares Converted to Date | # of Potential Shares to be Issued Upon Conversion ⁴ | Name of Noteholder (entities must have individual with voting / investment control disclosed). ⁵ | Reason for Issuance (e.g., Loan, Services, etc.) |

Use the space below to provide any additional details, including footnotes to the table above:

The Promissory notes were issued in 2019 and the settlement of the obligation, both principal and interest, is contingent upon the timing of commencement of commercial production. Given the lack of certainty at this time as to whether the Corporation will reach the operational and economic milestones needed to achieve commercial production, and the estimated timeline to do so, the notes currently have nominal or no fair value..

6. Disclosure and Administrative Service Providers:

Annual Report Preparation:

List any law firm(s) and attorney(s) (including internal counsel) that acted as the Company’s primary legal counsel in preparing its most recent annual report. (If no attorney assisted in putting together the disclosure, identify the person(s) who prepared the disclosure and their relationship to the company.)

⁴ The total number of shares that can be issued upon full conversion of the Outstanding Balance. The number should not factor any “blockers” or limitations on the percentage of outstanding shares that can be owned by the Noteholder at a particular time. For purposes of this calculation, please use the current market pricing (e.g. most recent closing price, bid, etc.) of the security if conversion is based on a variable market rate.

⁵ International Reporting Companies may elect not to disclose the names of noteholders who are non-affiliates of the company. “Affiliate” is a Person that directly, or indirectly through one or more intermediaries, controls or is controlled by, or is under common control with, an officer, a director, or a shareholder beneficially owning 10 percent or more of the Company’s outstanding shares.
