Mirion to Host Investor Day on December 3, 2024

ATLANTA--(BUSINESS WIRE)-- Mirion (NYSE: MIR), a leading provider of radiation safety solutions supporting advancements in nuclear power and cancer care, today announced that it will host **an Investor Day on Tuesday, December 3, 2024, beginning at 2:00 p.m. ET**. The event will be held at the New York Stock Exchange and webcast live.

Due to limited capacity, in-person attendance is by invitation only. Institutional investors and financial analysts wishing to attend in-person should contact ir@mirion.com before in-person registration closes on Monday, November 18, 2024. Interested parties can register for the live webcast at <https://mirion-investor-day.open-exchange.net/>. A link to the live webcast will also be available on the Mirion Investor Relations website at ir.mirion.com.

The event will feature presentations by members of Mirion's leadership team, including:

- **Thomas Logan, CEO**, discussing the Company's strategy and growth through radiation safety expertise;
- **Brian Schopfer, CFO**, sharing Mirion's financial outlook and value creation strategy;
- **Loic Eloy, President of the Technologies Group**, presenting an overview of the Technologies Group and its innovations supporting the nuclear renaissance;
- **Luis Rivera, EVP of the Medical Group**, highlighting the Medical Group's role in the growth of cancer care.

Formal presentations will be followed by a question-and-answer session.
