

## Environmental Policy

Maravai LifeSciences® and our portfolio of companies, including TriLink Biotechnologies®, Cygnus Technologies®, and Glen Research®, each recognize that we have a responsibility to the environment. It is our policy to responsibly manage the environmental impacts of our businesses and to continually seek opportunities for improvement. We will do so by adhering to the following principles:

- We will comply with and endeavor to exceed all relevant environmental regulatory requirements;
- We will endeavor to develop and employ management systems and procedures specifically designed to monitor and improve our environmental performance;
- We will promote participation and communicate our commitment to responsible environmental management by:
  - promoting environmental responsibility among our employees,
  - by informing suppliers of our environmental policy and encouraging them to adopt effective environmental management practices; and
  - by soliciting input from our stakeholders in developing our environmental initiatives.
