Jade Biosciences is merging with Aervoate Therapeutics to create a company focused on advancing breakthrough therapies for [#autoimmune](#) diseases. With our lead program, JADE-001, anticipated to move into the clinic in the second half of 2025 and strong financial backing, we're well positioned to make meaningful progress with our programs. Read our press release for all the details: <https://lnkd.in/gnKy4NVC>

NEWS ALERT
