TRAEGER, INC.
NOTES TO UNAUDITED CONDENSED CONSOLIDATED FINANCIAL STATEMENTS

1 – DESCRIPTION OF BUSINESS AND BASIS OF PRESENTATION

Nature of Operations – Traeger, Inc. and its wholly owned Subsidiaries (collectively “Traeger” or the “Company”) design, source, sell, and support wood pellet fueled barbecue grills sold to retailers, distributors, and direct to consumers. The Company produces and sells the pellets used to fire the grills and also sells Traeger-branded rubs, spices, and sauces, as well as grill accessories (including P.A.L. Pop-And-Lock accessory rails, covers, barbecue tools, trays, liners, MEATER smart thermometers and merchandise). A significant portion of the Company’s sales are generated from customers throughout the United States (“U.S.”), and the Company continues to develop distribution in Canada and Europe. The Company’s headquarters are in Salt Lake City, Utah.

Basis of Presentation and Principles of Consolidation – The accompanying unaudited condensed consolidated financial statements have been prepared in accordance with accounting principles generally accepted in the United States of America (“U.S. GAAP”).

The balance sheet as of December 31, 2023 has been derived from the audited consolidated financial statements at that date but does not include all information and footnotes required by U.S. GAAP for complete financial statements. These unaudited condensed consolidated financial statements should be read in conjunction with the Company’s audited consolidated financial statements for the year ended December 31, 2023 included in the Company’s [Annual Report on Form 10-K](#), filed with the Securities and Exchange Commission (“SEC”) on March 8, 2024 (the “Annual Report on Form 10-K”).

In the opinion of management, the accompanying unaudited condensed consolidated financial statements contain all normal and recurring adjustments necessary to fairly present the consolidated financial position, results of operations and cash flows for the interim periods presented. Operating results for the three and six months ended June 30, 2024 are not necessarily indicative of results that may be expected for any other interim period or for the year ended December 31, 2024.

The accompanying unaudited condensed consolidated financial statements include the accounts of the Company and its wholly owned subsidiaries. All intercompany balances and transactions have been eliminated in consolidation. Certain prior period amounts have been reclassified to conform with the current period’s presentation. The reclassifications did not have a significant impact on the accompanying unaudited condensed consolidated financial statements.

There have been no significant changes in the Company’s significant accounting policies during the three and six months ended June 30, 2024, as compared with those disclosed in the Company’s [Annual Report on Form 10-K](#) for the year ended December 31, 2024 filed with the SEC on March 8, 2024.

Emerging Growth Company Status – The Company is an “emerging growth company” as defined in the Jumpstart Our Business Startups Act of 2012 (“JOBS Act”). Under the JOBS Act, emerging growth companies can delay adopting new or revised financial accounting standards until such time as those standards apply to private companies. The Company has elected to use the extended transition period for complying with the adoption of new or revised accounting standards and as a result of this election, its financial statements may not be comparable to companies that comply with public company effective dates. The Company will remain an emerging growth company until the earliest of (i) the end of the fiscal year in which the market value of its common stock that is held by non-affiliates is at least \$700 million as of the last business day of its most recently completed second fiscal quarter, (ii) the end of the fiscal year in which the Company has total annual gross revenues of \$1.24 billion or more during such fiscal year, (iii) the date on which the Company issues more than \$1.0 billion in non-convertible debt in a three-year period, or (iv) December 31, 2026.

2 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Use of Estimates – The preparation of these financial statements in accordance with U.S. GAAP requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. The most significant estimates and the assumptions made by management that present the greatest amount of estimation uncertainty include the customer credits and returns, obsolete inventory reserves, valuation and impairment of intangible assets including goodwill, unrealized positions on foreign currency derivatives and reserves for warranty. Actual results could differ from these estimates.

[Table of Contents](#)

Concentrations – Financial instruments that potentially subject the Company to concentrations of credit risk consist of cash in banks, trade accounts receivable, foreign currency contracts, and business activity with certain third-party contract manufacturers of our products. Credit is extended to customers based on an evaluation of the customer’s financial condition and collateral is not generally required in the Company’s sales transactions. Three customers (each large U.S. retailers) that accounted for a significant portion of net sales are as follows:

	Three Months Ended June 30,		Six Months Ended June 30,	
	2024	2023	2024	2023
Customer A	22 %	22 %	22 %	20 %
Customer B	18 %	13 %	18 %	18 %
Customer C	11 %	13 %	10 %	13 %

Concentrations of credit risk exist to the extent credit terms are extended with four customers that account for a significant portion of the Company’s trade accounts receivables. As of June 30, 2024, there were four large customers A, B, C and D that accounted for 28%, 24%, 7%, and 14% of the Company’s trade accounts receivable as compared to 37%, 11%, 6%, and 14% as of December 31, 2023. A disruption to a business that would impact its ability to meet its financial obligations on the part of any one of these four customers could result in a material amount of exposure to the Company. No other single customer accounted for greater than 10% of trade accounts receivable as of June 30, 2024 or December 31, 2023. Additionally, no other single customer accounted for greater than 10% of the Company’s net sales for the three and six months ended June 30, 2024 and 2023, respectively.

The Company’s sales to dealers and distributors located outside the United States are generally denominated in U.S. dollars. The Company does have sales to certain dealers located in the European Union, the United Kingdom and Canada which are denominated in Euros, British Pounds and Canadian Dollars, respectively.

The Company relies on a limited number of suppliers for its contract manufacturing of grills and accessories. A significant disruption in the operations of certain of these manufacturers, or in the transportation of parts and accessories would impact the production of the Company’s products for a substantial period of time, which could have a material adverse effect on the Company’s business, financial condition and results of operations.

Revenue Recognition and Sales Returns and Allowances – The Company recognizes revenue at the amount to which it expects to be entitled when a contract exists with a customer that specifies the goods and services to be provided at an agreed upon sales price and when the performance obligation is satisfied. The performance obligation for most of the Company’s sales transactions is considered complete when control transfers, which is determined when products are shipped or delivered to the customer depending on the terms of the contract. Sales are made on normal and customary short-term credit terms or upon delivery of point-of-sale transactions.

Shipping charges billed to customers are included in net sales and related shipping costs are included in cost of sales. The company has elected to account for shipping and handling activities performed after control has been transferred to the customer as a fulfillment cost.

The Company enters into contractual arrangements with customers in the form of individual customer orders which specify the goods, quantity, pricing, and associated order terms. The Company does not have long-term contracts that are satisfied over time. Due to the nature of the contracts, no significant judgment exists in relation to the identification of the customer contract or satisfaction of the performance obligation. The Company expenses incremental costs of obtaining a contract due to the short-term nature of the contracts.

The Company has certain contractual programs and practices with customers that can give rise to elements of variable consideration such as customer cooperative advertising and volume incentive rebates. The Company estimates the variable consideration using the most likely amount method based on sales and contractual rates with each customer and records the estimated amount of credits for these programs as a reduction to net sales.

The Company has entered into contracts with some customers that allow for credits to be claimed for certain matters of operational compliance or for returns to the retail customer from end consumers. Credits that will be issued associated with these items are estimated using the expected value method and are based on actual historical experience and are recorded as a reduction of revenue at the time of recognition or when circumstances change resulting in a change in estimated returns. Revenue is recognized net of any taxes collected from customers, which are subsequently remitted to governmental authorities.

7 – DERIVATIVES

Interest Rate Swap

On February 25, 2022, the Company entered into a floating-to-fixed interest rate swap agreement to hedge or otherwise protect against fluctuations on a portion of the Company's variable rate debt. The agreement provides for a notional amount of \$379.2 million, fixed rate of 2.08% and a maturity date of February 28, 2026. This agreement was designated as a cash flow hedge on the exposure of the variability of future cash flows subject to the variable monthly interest rates on \$379.2 million of the term loan portion under the First Lien Term Loan Facility (as defined below). The Company assessed hedge effectiveness at the time of entering into the agreement, utilizing a regression analysis, and determined the hedge was expected to be highly effective.

As a cash flow hedge, the interest rate swap is revalued at current market rates, with the changes in valuation being recorded in other comprehensive income within the accompanying condensed consolidated statements of operations and comprehensive loss, to the extent that the hedge is effective. The gains or losses on the interest rate swaps are recorded in accumulated other comprehensive income within the accompanying condensed consolidated balance sheets and are reclassified into interest expense in the periods in which the interest rate swap affects earnings. The cash flows related to interest settlements and changes in valuation are classified consistent with the treatment of the hedged monthly interest payments generally as operating activities on the accompanying condensed consolidated statement of cash flows.

In January 2023, the Company changed the interest reset period from one month to three months on the term loan portion under the First Lien Term Loan Facility (as defined below). As a result, the Company dedesignated its hedging relationship. At the time of dedesignation total amount recorded in accumulated other comprehensive income ("AOCI") was \$21.3 million and will be amortized into earnings as a reduction of interest expense over the term of the previously hedged interest payments. As of June 30, 2024 the Company had \$6.9 million remaining within AOCI to be amortized into earnings as a reduction of interest expense.

Foreign Currency Contracts

The Company is exposed to foreign currency exchange rate risk related to its purchases and international operations. The Company utilizes foreign currency contracts to manage foreign currency risk in purchasing inventory and capital equipment, and future settlement of foreign denominated assets and liabilities. The volume of the Company's foreign currency contract activity is limited by the amount of transaction exposure in each foreign currency and the Company's election as to whether to hedge the transactions. There are no derivative instruments entered into for speculative purposes.

The Company had outstanding foreign currency contracts as of June 30, 2024 and December 31, 2023. The Company did not elect hedge accounting for any of these contracts. The fair market value of the contracts in an asset position are offset by the fair market value of the contracts in a liability position to reach a net position. For periods where the net position is an asset balance, the balance is recorded within prepaid expenses and other current assets on the accompanying condensed consolidated balance sheets and for periods where the net position is a liability balance, the balance is recorded within other current liabilities on the accompanying condensed consolidated balance sheets. Changes in the net fair value of contracts are recorded in other income, net within the accompanying condensed consolidated statements of operations and comprehensive loss.

The gross and net balances from foreign currency contract positions were as follows (in thousands):

8 – FAIR VALUE MEASUREMENTS

For financial assets and liabilities recorded at fair value on a recurring or non-recurring basis, fair value is the price the Company would receive to sell an asset, or pay to transfer a liability, in the principal or most advantageous market for the asset or liability in an orderly transaction between market participants on the measurement date. In the absence of such data, fair value is estimated using internal information consistent with what market participants would use in a hypothetical transaction. In determining fair value, observable inputs reflect market data obtained from independent sources, while unobservable inputs reflect market assumptions. These two types of inputs create the following fair value hierarchy:

- Level 1: Quoted prices for identical instruments in active markets.
- Level 2: Quoted prices for similar instruments in active markets; quoted prices for identical or similar instruments in markets that are not active; and model-derived valuations whose inputs are observable or whose significant value drivers are observable.
- Level 3: Significant inputs to the valuation model are unobservable.

[Table of Contents](#)

The following table presents information about the fair value measurement of the Company's financial instruments (in thousands):

(2) Included in prepaid expenses and other current assets and other non-current assets in the accompanying condensed consolidated balance sheets.

(3) Included in other current liabilities in the accompanying condensed consolidated balance sheets.

(4) Included in current contingent consideration in the accompanying condensed consolidated balance sheets.

Transfers of assets and liabilities among Level 1, Level 2 and Level 3 are recorded as of the actual date of the events or change in circumstances that caused the transfer. As of June 30, 2024 and December 31, 2023, there were no transfers between levels of the fair value hierarchy of the Company's assets or liabilities measured at fair value.

The fair value of the Company's derivative assets through its foreign currency contracts is based upon observable market-based inputs that reflect the present values of the differences between estimated future foreign currency rates versus fixed future settlement prices per the contracts, and therefore, are classified within Level 2. The fair value of the Company's interest rate swap contract held with a financial institution is classified as a Level 2 financial instrument, which is valued using observable underlying interest rates and market-determined risk premiums at the reporting date.

On November 10, 2022, the Company entered into the second amendment to the share purchase agreement associated with the Apption Labs business combination to extend the earn out period through the end of fiscal year 2023. This amendment also modified the contingent consideration calculation associated with the achievement of certain revenue, earnings, and successful product launch thresholds for fiscal years 2022 and 2023. In April 2024, the Company paid the remaining \$15.0 million of contingent consideration based on the achievement of certain earnings and product launch thresholds for fiscal year 2023.

The fair value of the Company's contingent consideration earn out obligation was estimated using a Black Scholes model. Key assumptions used in these estimates include the weighted average cost of capital and the probability assessments with respect to the likelihood of achieving the forecasted performance targets consistent with the level of risk of achievement. As these are significant unobservable inputs, the contingent consideration earn out obligation is included in Level 3 inputs.

At each reporting date, the Company revalues the contingent consideration obligation to its fair value and records increases and decreases in fair value in the revaluation of contingent consideration in our accompanying condensed consolidated statements of operations and comprehensive loss. Changes in the fair value of the contingent consideration obligation results from changes in discount periods and rates, and changes in probability assumptions with respect to the likelihood of achieving the performance targets.

9 – DEBT AND FINANCING ARRANGEMENTS

Notes Payable

On June 29, 2021, the Company refinanced its existing credit facilities and entered into a new first lien credit agreement, as borrower, with Credit Suisse AG, Cayman Islands Branch, as administrative agent and collateral agent, and other lenders party thereto as joint lead arrangers and joint bookrunners (the “First Lien Credit Agreement”). The First Lien Credit Agreement provides for a \$560.0 million senior secured term loan facility (the “First Lien Term Loan Facility”), including a \$50.0 million delayed draw term loan, and a \$125.0 million revolving credit facility (the “Revolving Credit Facility” and, together with the First Lien Term Loan Facility, the “Credit Facilities”). The Company entered into an agency transfer agreement on April 30, 2024, pursuant to which Morgan Stanley Senior Funding, Inc. succeeded Credit Suisse AG, Cayman Islands Branch, as administrative agent and collateral agent for the Credit Facilities. The Company’s obligations under the First Lien Credit Agreement are substantively unchanged.

[Table of Contents](#)

The First Lien Term Loan Facility accrues interest at a rate per annum that considers both fixed and floating components. The fixed component ranges from 3.00% to 3.25% per annum based on the Company's Public Debt Rating (as defined in the First Lien Credit Agreement). The floating component was based on the Term SOFR (as defined in the First Lien Credit Agreement) for the relevant interest period. The First Lien Term Loan Facility requires periodic principal payments from December 2021 through June 2028, with any remaining unpaid principal and any accrued and unpaid interest due on the maturity date of June 29, 2028. As of June 30, 2024, the total principal amount outstanding on the First Lien Term Loan Facility was \$403.7 million.

Loans under the Revolving Credit Facility accrue interest at a rate per annum that considers both fixed and floating components. The fixed component ranges from 2.75% to 3.25% per annum based on the Company's most recently determined First Lien Net Leverage Ratio (as defined in the First Lien Credit Agreement). The floating component was based on the Term SOFR for the relevant interest period. The Revolving Credit Facility also has a variable commitment fee, which is based on the Company's most recently determined First Lien Net Leverage Ratio and ranges from 0.25% to 0.50% per annum on undrawn amounts. Letters of credit may be issued under the Revolving Credit Facility in an amount not to exceed \$15.0 million which, when issued, lower the overall borrowing capacity of the facility. The Revolving Credit Facility expires on June 29, 2026 and no principal payments are due before such date. As of June 30, 2024, the Company had no outstanding loan amounts under the Revolving Credit Facility.

The First Lien Credit Agreement contains certain affirmative and negative covenants that limit the Company's ability to, among other things, incur additional indebtedness or liens (with certain exceptions), make certain investments, engage in fundamental changes or transactions including changes of control, transfer or dispose of certain assets, make restricted payments (including dividends), engage in new lines of business, make certain prepayments and engage in certain affiliate transactions. In addition, the Company is subject to a financial covenant and is required to maintain a First Lien Net Leverage Ratio (as defined in the First Lien Credit Agreement) not to exceed 6.20 to 1.00. As of June 30, 2024, the Company was in compliance with the covenants under the Credit Facilities.

Accounts Receivable Credit Facility

On November 2, 2020, the Company entered into a receivables financing agreement (as amended, the "Receivables Financing Agreement"). Through the Receivables Financing Agreement, the Company participates in a trade receivables securitization program, administered on its behalf by MUFG Bank Ltd. ("MUFG"), using outstanding accounts receivable balances as collateral, which have been contributed by the Company to its wholly owned subsidiary and special purpose entity, Traeger SPE LLC (the "SPE"). While the Company provides operational services to the SPE, the receivables are owned by the SPE once contributed to it by the Company. The Company is the primary beneficiary and holds all equity interests of the SPE, thus the Company consolidates the SPE without any significant judgments.

On November 8, 2023, we entered into Amendment No. 9 to the Receivables Financing Agreement in order to extend the expiration of the facility by one year to June 27, 2025. As part of the amendment, the maximum borrowing capacity was decreased from \$100.0 million to \$75.0 million and a mechanism was added to allow for seasonal adjustments to the maximum borrowing capacity, which can now be set between \$30.0 million and \$75.0 million. A seasonal adjustment schedule was established upon the effectiveness of Amendment No. 9, and further adjustments can be made up to two times annually at the discretion of the Company (with consent of the lenders under the Receivables Financing Agreement). The Company is required to pay fixed interest on outstanding cash advances of 2.5%, a floating interest based on the CP Rate or Adjusted Term SOFR (each as defined in the Receivables Financing Agreement), and an unused capacity charge that ranges from 0.25% to 0.5%. Amendment No. 9 also implemented a new liquidity threshold at \$42.5 million of liquidity. If our liquidity falls below this threshold, it may result in an increase in the required level of reserves, which would result in a reduction of our borrowing base under the Receivables Financing Agreement during such a liquidity shortfall.

On August 6, 2024, the Company entered into Amendment No. 10 to the Receivables Financing Agreement in order to extend the expiration of the facility to August 6, 2027. As part of the amendment, the Company is required to pay an upfront fee for the facility, along with a fixed interest rate on outstanding cash advances of approximately 2.6% and a floating interest rate based on the CP Rate or Adjusted Term SOFR (each as defined in the Receivables Financing Agreement). The Company was in compliance with the covenants under the Receivables Financing Agreement as of June 30, 2024.

As of June 30, 2024, the Company had drawn down \$23.5 million under this facility for general corporate and working capital purposes.

11 – STOCK-BASED COMPENSATION

The Traeger, Inc. 2021 Incentive Award Plan (the “2021 Plan”) provides for the grant of stock options, including incentive stock options, and nonqualified stock options, restricted stock, dividend equivalents, restricted stock units, stock appreciation rights, and other stock or cash awards to the Company’s employees and consultants and directors of the Company and its subsidiaries. Subject to the adjustment described in the following sentence, the initial number of shares of the Company’s common stock available for issuance under awards granted pursuant to the 2021 Plan is equal to 14,105,750 shares, which increased to 19,983,145 shares on January 1, 2022 by operation of an annual increase provision in the 2021 Plan, and which shares may be authorized but unissued shares, treasury shares, or shares purchased in the open market. On January 1, 2024 and 2023, an additional 6,293,265 and 6,131,220 shares of common stock became available for issuance under awards granted pursuant to the 2021 Plan, respectively, as a result of the operation of an automatic annual increase provision in the 2021 Plan. Notwithstanding anything to the contrary in the 2021 Plan, no more than 100,000,000 shares of our common stock may be issued pursuant to the exercise of incentive stock options under the 2021 Plan.

The Company’s stock-based compensation was classified as follows in the accompanying condensed consolidated statements of operations and comprehensive loss (in thousands):

2023 Performance Shares

On April 13, 2023, following mutual agreement between the Company and each named executive officer, our board of directors approved the cancellation and termination of the unearned performance stock units originally granted to certain executives in connection with the initial public offering. On the same day, the Company’s board of directors approved a grant to the Chief Executive Officer (“CEO”) of an award of 1,037,728 performance-based restricted shares (the “2023 Performance Shares”).

The 2023 Performance Shares were eligible to be earned upon the achievement of an Adjusted EBITDA goal during the fiscal year ending on December 31, 2023. Based on the achievement of the Adjusted EBITDA goal, the 2023 Performance Shares became earned and vested on March 31, 2024.

2024 Performance Shares

On February 6, 2024, the Company’s board of directors approved a grant to the CEO of an award of 2,075,456 performance-based restricted shares (the “2024 Performance Shares” and, together with the 2023 Performance Shares, the “CEO Performance Shares”). The 2024 Performance Shares were issued under the 2021 Plan and are intended to retain and incentivize the CEO to lead the Company to sustained, long-term superior financial performance.

The number of 2024 Performance Shares eligible to be earned are determined upon the achievement of the Threshold, Target and Maximum Adjusted EBITDA Goals (as defined in the performance-based restricted stock agreement) for the fiscal year ending on December 31, 2024. Any 2024 Performance Shares that become earned based on the achievement of the Adjusted EBITDA goals will vest on March 31, 2025.

To the extent that the Company achieves Adjusted EBITDA that is less than the Threshold Adjusted EBITDA Goal during the 2024 fiscal year, then 1,037,728 of the 2024 Performance Shares will instead become eligible to be earned based on the achievement of a stock price goal of \$18.00 per share (the “Stock Price Goal”) for the period beginning on January 1, 2025 and ending on August 2, 2031. If the Stock Price Goal is achieved, the 2024 Performance Shares that become earned as a result of the achievement of the Stock Price Goal will vest on the later of March 31, 2025 or the date on which the Stock Price Goal is achieved.

[Table of Contents](#)

The vesting of the 2024 Performance Shares is in all cases subject to the CEO's continued service as the Company's Chief Executive Officer or Executive Chairman of our board of directors.

Performance-Based Restricted Stock Units

On April 5, 2024, the Company's board of directors approved the granting of performance-based restricted stock units ("PSUs") to certain executives. The number of PSUs eligible to be earned are determined upon the achievement of the Threshold, Target and Maximum Adjusted EBITDA Goals (as defined in the PSU Agreement) for the fiscal year ending on December 31, 2024. Any PSUs that become earned based on the achievement of the Adjusted EBITDA goals will primarily vest on March 31, 2025.

The vesting of the PSUs is in all cases subject to the continued employment with the Company or its affiliates.

For the time-based restricted stock units ("RSUs") and PSUs, the compensation expense is recognized on a straight-line basis over the vesting schedule and on an accelerated basis over the tranche's requisite service period, respectively. For the CEO Performance Shares, the compensation expense is recognized on an accelerated basis over the tranche's requisite service period. The compensation expense related to the PSUs and CEO Performance Shares could increase or decrease depending on the estimated probability of achieving the Adjusted EBITDA goals over the requisite service period. In addition, when an award is forfeited prior to the vesting date, the Company will recognize an adjustment for the previously recognized expense in the period of the forfeiture, with the exception of performance-based awards for which the requisite service period has been satisfied.

The grant date fair value of the 2024 Performance Shares and PSUs were based on the shares and units eligible to be earned under the Target Adjusted EBITDA Goal as of the applicable grant date.

A summary of the time-based restricted stock unit activity during the six months ended June 30, 2024 was as follows:

As of June 30, 2024, the Company had \$4.3 million of unrecognized stock-based compensation expense related to unvested performance-based restricted stock units and performance-based restricted shares that are expected to be recognized over a weighted-average period of 0.87 years.

12 – INCOME TAXES

[Table of Contents](#)

For the three months ended June 30, 2024 and 2023, the Company recorded a benefit and provision for income taxes of \$24,000 and \$198,000, respectively. For the six months ended June 30, 2024 and 2023, the Company recorded a provision for income taxes of \$166,000 and \$362,000, respectively.

The Company regularly evaluates the realizability of its deferred tax assets and establishes a valuation allowance if it is more likely than not that some or all the deferred tax assets will not be realized. In making such a determination, the Company considers all available positive and negative evidence, including future reversals of existing taxable temporary differences, projected future taxable income, loss carryback and tax planning strategies. Generally, more weight is given to objectively verifiable evidence, such as the cumulative loss in recent years, as a significant piece of negative evidence to overcome. As of June 30, 2024, the Company's U.S. operations have resulted in losses, and as such, the Company maintains a valuation allowance against substantially all its U.S. deferred tax assets.

13 – RELATED PARTY TRANSACTIONS

The Company outsources a portion of its customer service and support through a third party who is an affiliate of the Company through common ownership. For the three months ended June 30, 2024 and 2023, the Company recorded expenses associated with such services of \$1.3 million and \$1.7 million, respectively. For the six months ended June 30, 2024 and 2023, the Company recorded expenses associated with such services of \$2.5 million and \$2.7 million, respectively. Amounts payable to the third party as of June 30, 2024 and December 31, 2023 was \$0.9 million and \$1.0 million, respectively.

14 – NET LOSS PER SHARE

The Company computes basic earnings (loss) per share (“EPS”) attributable to common stockholders by dividing net loss attributable to common stockholders by the weighted-average number of shares of common stock outstanding during the period. Diluted EPS is calculated by adjusting weighted average shares outstanding for the dilutive effect of potential common shares, determined using the treasury-stock method. For purposes of the diluted EPS calculation, restricted stock units and performance shares are considered to be potential common shares.

The following table sets forth the computation of the Company's basic and diluted EPS attributable to common stockholders for the fiscal periods indicated (in thousands, except share and per share amounts):

	Three Months Ended June 30,		Six Months Ended June 30,	
	2024	2023	2024	2023

ITEM 2. MANAGEMENT’S DISCUSSION AND ANALYSIS OF FINANCIAL CONDITION AND RESULTS OF OPERATIONS

The following discussion and analysis of financial condition and results of operations should be read together with our condensed consolidated financial statements and the related notes and other financial information included elsewhere in this Quarterly Report on Form 10-Q, as well as our audited consolidated financial statements and the related notes included in our [Annual Report on Form 10-K](#) for the year ended December 31, 2023 (our “Annual Report on Form 10-K”), filed with the Securities and Exchange Commission (the “SEC”) on March 8, 2024. Some of the information contained in this discussion and analysis or set forth elsewhere in this Quarterly Report on Form 10-Q contains forward-looking statements that involve risks and uncertainties. As a result of many important factors, such as those set forth in Part I, Item 1A. “Risk Factors” of our [Annual Report on Form 10-K](#), our actual results may differ materially from those anticipated in these forward-looking statements. For convenience of presentation, some of the numbers have been rounded in the text below.

Overview

Traeger is the creator and category leader of the wood pellet grill, an outdoor cooking system that ignites all-natural hardwoods to grill, smoke, bake, roast, braise, and barbecue. Our grills are versatile and easy to use, empowering cooks of all skill sets to create delicious meals with a wood-fired flavor that cannot be replicated with gas, charcoal, or electric grills. Grills are at the core of our platform and are complemented by Traeger wood pellets, rubs, sauces and accessories.

Our marketing strategy has been instrumental in building our brand and driving customer advocacy and revenue. We have disrupted the outdoor cooking market and created a passionate community, the Traegerhood, which includes foodies, pitmasters, backyard heroes, moms and dads, professional athletes, outdoorsmen and outdoorswomen, and world-class chefs. This community, together with our various marketing initiatives, has helped to promote our brand and products to the wider consumer population and supported our efforts to redefine outdoor cooking as an experience accessible to everyone. We have an active online and social media presence and a content-rich website that drives significant customer engagement and brings our Traegerhood together. We also directly engage with our current and target customers by sponsoring and participating in a variety of events, including live shows, outdoor festivals, rodeos, music and film festivals, barbecue competitions, fishing tournaments, and retailer events. We believe the style and authenticity of our customer engagement reinforces our brand and drives new and existing customer interest in our products and community.

Our revenue is primarily generated through the sale of our wood pellet grills, consumables and accessories. We currently offer seven series of grills – Pro (with and without WiFIRE), Ironwood, Timberline, and Flatrock – as well as a selection of smaller, portable grills within our Town and Travel Series and a special Club Lineup through targeted channels. Our grills are available in a number of different sizes and can be upgraded through a variety of accessories. A growing number of our grills feature WiFIRE technology, which allows users to monitor and adjust their grills remotely using our Traeger app. Our consumables include our wood pellets, which are made from natural, virgin hardwood and are available in a variety of flavors, as well as rubs and sauces. Our accessories include MEATER smart thermometers, P.A.L. Pop-And-Lock accessory rails, grill covers, liners, tools, apparel and other ancillary items.

We sell our grills using an omnichannel distribution strategy that consists primarily of retail and direct to consumer (“DTC”) channels. Our retail channel covers brick-and-mortar retailers, e-commerce platforms, and multichannel retailers, who, in turn, sell our grills to their end customers. Our retailers include Ace Hardware, Amazon, Costco, The Home Depot, and Best Buy, among others, as well as a significant number of independent retailers that cater to local communities and specific categories, such as hardware, camping, outdoor, farm, ranch, barbecue and other categories. Our DTC channel covers sales directly to customers through our website and Traeger app, as well as certain country- and region-specific Traeger or distributor websites. Our consumables and accessories are available through the same channels as our grills.

Over the last several years, we have made significant investments in our supply chain and manufacturing operations. Our supply chain includes third party manufacturers for our grills and accessories and pellet production facilities for our wood pellets that we own or lease. We work closely with our manufacturers to evolve on design, manufacturing process and product quality. Our grills are currently manufactured in China and Vietnam, our wood pellets are produced at facilities located in New York, Oregon, Georgia, Virginia, and Texas, and our MEATER smart thermometer accessories are currently manufactured in Taiwan. We have entered into manufacturing agreements covering the supply of substantially all of our grills and accessories, pursuant to which we make purchases on a purchase order basis. We rely on several third-party suppliers for the components used in our grills, including integrated circuits, processors, and system on chips.

Our revenue decreased by 1.8% and 3.5% for the three and six months ended June 30, 2024, respectively, as compared to the three and six months ended June 30, 2023, respectively, and was \$168.5 million and \$313.4 million for the three and six

[Table of Contents](#)

months ended June 30, 2024, respectively, down from \$171.5 million and \$324.7 million for the three and six months ended June 30, 2023, respectively. We recorded a net loss of \$2.6 million and \$7.3 million for the three and six months ended June 30, 2024, respectively, compared to net loss of \$30.2 million and \$41.1 million for the three and six months ended June 30, 2023, respectively.

Key Factors Affecting Our Financial Condition and Results of Operations

We believe that our financial condition and results of operations have been, and will continue to be, affected by a number of factors that present significant opportunities for us but also pose risks and challenges, including those below and in Part I, Item 1A. “Risk Factors” of our [Annual Report on Form 10-K](#).

Macroeconomic Conditions

We believe challenging macroeconomic pressures and uncertainties have resulted in decreased discretionary consumer spending, particularly for durable goods, and therefore contributed to a decline in our revenue for the three and six months ended June 30, 2024, compared to the prior year period. For example, we experienced a mid-single digit percentage decline in demand for grills, as measured by unit volume, for the six months ended June 30, 2024, compared to the prior year period. We expect these macroeconomic trends, and a shift in consumer demand away from big-ticket, home related products such as grills, and towards experiences, services, and leisure, to continue throughout fiscal year end 2024, which could result in continued pressure on our revenue and results of operations.

We experienced a mid-double digit increase in our inbound freight container rates primarily due to global transportation factors for the six months ended June 30, 2024, as compared to the prior year period. If supply chain challenges persist, we anticipate increases in our cost of revenues which could impact our future operating results.

In response to these macroeconomic conditions, we have taken actions to identify and execute on cost savings initiatives, while simultaneously seeking to maintain product quality and reliability across the supply chain. For example, we took actions to reduce overhead expenses, execute long-term transportation contracts, enact freight surcharges, and implement operational efficiencies across our pellet mill operations. As a result of these actions, we expect cost savings to improve operating results in the long-term, but given the uncertainty of the current macroeconomic environment, there can be no assurance regarding the outcome of our continuing efforts to help mitigate the effects of these conditions on our business.

Components of Results of Operations

Revenue

We derive substantially all of our revenue from the sale of grills, consumables and accessories in North America, which includes the United States and Canada. We recognize revenue, net of product returns, for our grills, consumables and accessories generally at the time of delivery to retailers through our retail channel and to customers through our DTC channel. Estimated product returns are recorded as a reduction of revenue at the time of recognition and are calculated based on product returns history, observable changes in return behavior, and expected returns based on sales volume and mix. We also have certain contractual programs that can give rise to elements of variable consideration, such as volume incentive rebates, with estimated amounts of credits recorded as a reduction to revenue.

Although we experience demand for our products throughout the year, we believe there can be certain seasonal fluctuations in our revenue. We have typically experienced moderately higher levels of sales of our grills in the first and second quarters of the year as our retailers purchase inventory in advance of warmer weather, when demand for outdoor cooking products is the highest across our key markets. Higher sales also coincide with social events and national holidays, which occur during the same warm weather timeframe. Additionally, we have experienced higher sales volume of our accessories during the fourth quarter of the year, due in part to seasonal holiday demand.

Gross Profit

Gross profit reflects revenue less cost of revenue. Cost of revenue consists of product costs, including the costs of components, costs of products from our third-party manufacturers, direct and indirect manufacturing costs across all products, packaging, inbound freight and duties, warehousing and fulfillment, warranty costs, product quality testing and inspection costs, excess and obsolete inventory write-downs, cloud-hosting costs for our WiFIRE connected grills, depreciation of tooling and manufacturing equipment, amortization of internal use software and patented technology, and certain employee-related expenses.

[Table of Contents](#)

We calculate gross margin as gross profit divided by revenue. Gross margin can be impacted by several factors, including, in particular, product mix and sales channel mix. For example, gross margin on sales through our DTC channel is generally higher than gross margin on sales through our retail channel. If our DTC sales grow faster than sales from our retail channel, and if we are able to realize greater economies of scale or product cost improvements through engineering and sourcing, we would expect a favorable impact to overall gross margin over time. Additionally, gross margin on sales of certain of our products is higher than for others. If revenue from sales of wood pellets increased as a percentage of total revenue, we would expect to see an increase in overall gross margin. These favorable anticipated gross margin impacts may not be realized, or may be offset by other unfavorable gross margin factors. Additionally, any new products that we develop, or our planned expansion into new geographies, may impact our future gross margin. External factors beyond our control, such as duties and tariffs and costs of doing business in certain geographies can also impact gross margin.

Sales and Marketing

Sales and marketing expense consists primarily of the costs associated with advertising and marketing of our products and employee-related expenses, including salaries, benefits, and stock-based compensation expense, as well as sales incentives and professional services. These costs can include print, internet and television advertising, travel-related expenses, direct customer acquisition costs, costs related to conferences and events, and broker commissions. We anticipate that sales and marketing expense as a percentage of revenue will fluctuate from period to period based on revenue for such period and the timing of the expansion of our sales and marketing functions, as these activities may vary in scope and scale over future periods.

General and Administrative

General and administrative expense consists primarily of employee-related expenses and facilities for our executive, finance, accounting, legal, human resources, information technology and other administrative functions. General and administrative expense also includes fees for professional services, such as external legal, accounting, and information and technology services, and insurance.

In addition, general and administrative expense includes research and development expenses incurred to develop and improve our future products and processes, which primarily consist of employee and facilities-related expenses, including salaries, benefits and stock-based compensation expense, as well as fees for professional services, costs related to prototype tooling and materials, and software platform costs. Research and development expense was \$4.8 million and \$3.0 million for the three months ended June 30, 2024 and 2023, respectively, and \$8.5 million and \$5.2 million for the six months ended June 30, 2024 and 2023, respectively.

We continue to expect our general and administrative expenses, including our research and development expenses and external legal and accounting expenses, to normalize as we continue to manage our investments to support our growth and develop new and enhance existing products. We anticipate that general and administrative expense as a percentage of revenue will vary from period to period, but we expect to leverage these expenses over time as we grow our revenue.

Amortization of Intangible Assets

Amortization of intangible assets primarily consists of amortization of identified finite-lived customer relationships, distributor relationships, non-compete arrangements and trademark assets that were allocated a considerable portion of the purchase price from the corporate reorganization and acquisition of our Company in 2017, as well as the July 2021 acquisition of Apption Labs Limited and its subsidiaries (collectively, "Apption Labs") pursuant to a share purchase agreement. These costs are amortized on a straight-line basis over 2.5 to 25 year useful lives and, as a result, amortization expense on these assets is expected to remain stable over the coming years. Future business acquisitions may result in incremental amortization of intangible assets acquired in any such transactions.

Change in Fair Value of Contingent Consideration

The fair values of our contingent consideration earn out obligation associated with the Apption Labs business combination is estimated based on probability adjusted present values of the consideration expected to be transferred using significant inputs. At each reporting date, we revalue the contingent consideration obligation to its fair value and records increases and decreases in fair value in the general and administrative expenses in our accompanying condensed consolidated statements of operations and comprehensive loss. Changes in the fair value of the contingent consideration obligation results from changes in discount periods and rates, and changes in probability assumptions with respect to the likelihood of achieving certain performance targets. For the three and six months ended June 30, 2024, there was no change in fair value of contingent

[Table of Contents](#)

consideration and in April 2024, the Company paid the remaining \$15.0 million of contingent consideration based on the achievement of certain earnings and product launch thresholds for fiscal year 2023.

Total Other Expense

Total other expense consists of interest expense and other income, net. Interest expense includes interest and other fees associated with our Credit Facilities, Receivables Financing Agreement (each as defined below) as well as the amortization of amounts recorded within accumulated other comprehensive income prior to the dedesignation of the interest rate swap derivative contracts as a cash flow hedge. Other income, net also consists of any realized and unrealized gains (losses) from our interest rate swap derivative contract subsequent to the dedesignation of the swap contract from a cash flow hedge, foreign currency realized and unrealized gains and losses resulting from exchange rate fluctuations on transactions denominated in a currency other than the U.S. Dollar and from the foreign currency contracts that we use to manage our exposure to foreign currency exchange rate risk related to our purchases and international operations.

Results of Operations

The following tables summarize key components of our unaudited results of operations for the periods presented (dollars in thousands). The period-to-period comparisons of our historical results are not necessarily indicative of the results that may be expected in the future.

Total Revenue	\$ 168,471	\$ 171,512	\$ (3,041)	(1.8)%

Revenue decreased by \$3.0 million, or 1.8%, to \$168.5 million for the three months ended June 30, 2024 compared to \$171.5 million for the three months ended June 30, 2023. The decrease was driven by lower sales from MEATER smart thermometer and lower consumables sales, partially offset by higher sales of grills.

Revenue from our grills increased by \$1.8 million, or 2.0%, to \$95.0 million for the three months ended June 30, 2024 compared to \$93.1 million for the three months ended June 30, 2023. The increase was primarily driven by high-double digit increase in volume partially offset by mid-double digit reduction in average selling price. Higher unit volume was driven by effective promotional activity and strategic pricing action on select grills. The decrease in average selling price was primarily due to mix shift to lower priced grills, strategic pricing action on select grills, and higher mix of direct import sales.

Revenue from our consumables decreased by \$1.1 million, or 3.1%, to \$33.8 million for the three months ended June 30, 2024 compared to \$34.9 million for the three months ended June 30, 2023. The decrease was driven by mid-single digit reduction in wood pellet average selling price and volume in addition to low-double digit reduction in food consumables average selling price, partially offset by food consumables volume increase in excess of 20%.

Revenue from our accessories decreased by \$3.8 million, or 8.8%, to \$39.7 million for the three months ended June 30, 2024 compared to \$43.5 million for the three months ended June 30, 2023. The decrease was driven primarily by lower sales of MEATER smart thermometers.

Gross profit increased by \$9.0 million, or 14.2%, to \$72.3 million for the three months ended June 30, 2024 compared to \$63.3 million for the three months ended June 30, 2023. Gross margin increased to 42.9% for the three months ended June 30, 2024 from 36.9% for the three months ended June 30, 2023. The increase in gross margin was driven primarily by favorability from freight and logistics costs, optimization of operations, and favorable foreign exchange rates.

expense increased to 16.8% for the three months ended June 30, 2024 from 16.3% for the three months ended June 30, 2023. The increase in sales and marketing expense was driven by increased investment in brand awareness and increased employee related costs partially offset by reduced professional fees.

General and administrative expense decreased by \$21.9 million, or 41.8%, to \$30.5 million for the three months ended June 30, 2024 compared to \$52.4 million for the three months ended June 30, 2023. As a percentage of revenue, general and administrative expense decreased to 18.1% for the three months ended June 30, 2024 from 30.5% for the three months ended June 30, 2023. The decrease in general and administrative expense was driven by lower stock-based compensation expense of \$25.9 million primarily due to the cancellation of the unearned CEO PSUs and IPO PSUs in the comparable prior year period. The decreases were partially offset by higher costs related to legal matters.

Change in fair value of contingent consideration, attributable to the revalued earn out obligation associated with the Apption Labs business combination, decreased by \$1.8 million for the three months ended June 30, 2024 as compared to the prior year period. The change in fair value was primarily driven by the change during each period in the likelihood of achieving the fiscal year 2023 performance targets. In April 2024, the Company paid the remaining \$15.0 million of contingent consideration based on the achievement of certain earnings and product launch thresholds for fiscal year 2023.

Revenue from our grills decreased by \$11.1 million, or 6.1%, to \$171.8 million for the six months ended June 30, 2024 compared to \$182.9 million for the six months ended June 30, 2023. The decrease was primarily driven by low-double digit reduction in average selling price, partially offset by high-single digit increase in volume.

Revenue from our consumables increased by \$1.1 million, or 1.8%, to \$66.1 million for the six months ended June 30, 2024 compared to \$64.9 million for the six months ended June 30, 2023. The increase was driven by an increase in excess of 20% in unit volume of food consumables and low-single digit increase in wood pellet volume, partially offset by low-double digit reduction in average selling price of food consumables.

Revenue from our accessories decreased by \$1.4 million, or 1.8%, to \$75.5 million for the six months ended June 30, 2024 compared to \$76.9 million for the six months ended June 30, 2023. The decrease was driven primarily by high-single digit reduction in Traeger branded accessories, partially offset by higher sales of MEATER smart thermometers.

Gross Profit

	Six Months Ended June 30,		Change	
	2024	2023	Amount	%
<i>(dollars in thousands)</i>				
Gross profit	\$ 134,891	\$ 118,754	\$ 16,137	13.6 %
Gross margin (Gross profit as a percentage of revenue)	43.0 %	36.6 %		

Gross profit increased by \$16.1 million, or 13.6%, to \$134.9 million for the six months ended June 30, 2024 compared to \$118.8 million for the six months ended June 30, 2023. Gross margin increased to 43.0% for the six months ended June 30, 2024 from 36.6% for the six months ended June 30, 2023. The increase in gross margin was driven primarily by favorability from freight and logistics costs, optimization of operations, and favorable foreign exchange rates.

Sales and Marketing

	Six Months Ended June 30,		Change	
	2024	2023	Amount	%
<i>(dollars in thousands)</i>				
Sales and marketing	\$ 49,903	\$ 49,990	\$ (87)	(0.2)%
As a percentage of revenue	15.9 %	15.4 %		

Sales and marketing expense decreased by \$0.1 million, or 0.2%, to \$49.9 million for the six months ended June 30, 2024 compared to \$50.0 million for the six months ended June 30, 2023. As a percentage of revenue, sales and marketing expense increased to 15.9% for the six months ended June 30, 2024 from 15.4% for the six months ended June 30, 2023. The decrease

[Table of Contents](#)

in sales and marketing expense was driven by a decrease in commissions and professional fees, offset by increased employee expenses.

General and Administrative

	Six Months Ended June 30,		Change	
	2024	2023	Amount	%
	<i>(dollars in thousands)</i>			
General and administrative	\$ 62,629	\$ 79,050	\$ (16,421)	(20.8)%
<i>As a percentage of revenue</i>	20.0 %	24.3 %		

General and administrative expense decreased by \$16.4 million, or 20.8%, to \$62.6 million for the six months ended June 30, 2024 compared to \$79.1 million for the six months ended June 30, 2023. As a percentage of revenue, general and administrative expense decreased to 20.0% for the six months ended June 30, 2024 from 24.3% for the six months ended June 30, 2023. The decrease in general and administrative expense was driven by lower stock-based compensation expense of \$23.7 million primarily due to the cancellation of the unearned CEO PSUs and IPO PSUs in the comparable prior year period, as well as losses on the disposal of property, plant and equipment, partially offset by higher costs related to legal matters and employee related costs.

Change in Fair Value of Contingent Consideration

	Six Months Ended June 30,		Change	
	2024	2023	Amount	%
	<i>(dollars in thousands)</i>			
Change in fair value of contingent consideration	\$ —	\$ 2,808	\$ (2,808)	(100.0)%
<i>As a percentage of revenue</i>	— %	0.9 %		

Change in fair value of contingent consideration, attributable to the revalued earn out obligation associated with the Apption Labs business combination, decreased by \$2.8 million for the six months ended June 30, 2024 as compared to prior year period. The change in fair value was primarily driven by the change in likelihood of achieving the fiscal year 2023 performance targets. In April 2024, the Company paid the remaining \$15.0 million of contingent consideration based on the achievement of certain earnings and product launch thresholds for fiscal year 2023.

Total Other Expense

Total other expense	\$ (11,817)	\$ (9,863)	\$ 1,954	19.8 %
<i>As a percentage of revenue</i>	(3.8)%	(3.0)%		

Total other expense increased by \$2.0 million, or 19.8%, to \$11.8 million for the six months ended June 30, 2024 compared to \$9.9 million for the six months ended June 30, 2023. This increase was primarily due to decreases in the realized and unrealized gains on our interest rate swap, partially offset by changes in realized and unrealized gains and losses from foreign currencies.

Liquidity and Capital Resources

Historically, our cash requirements have principally been for working capital purposes, capital expenditures, and debt service payments. We have funded our operations through cash flows from operating activities, cash on hand, and borrowings under our credit facilities and receivables financing agreement. In the event of failure of any of our financial institutions where we maintain our cash and cash equivalents, there can be no assurance that we would be able to access uninsured funds in a

[Table of Contents](#)

timely manner or at all. Any inability to access or delay in accessing these funds could adversely affect our business and financial position.

As of June 30, 2024, we had cash and cash equivalents of \$18.0 million, \$125.0 million borrowing capacity under our Revolving Credit Facility (as defined below) and \$31.9 million borrowing capacity under our Receivables Financing Agreement (as defined below). As of June 30, 2024, we had no outstanding loan amounts under the Revolving Credit Facility and had drawn down \$23.5 million on the Receivables Financing Agreement. As of June 30, 2024, the total principal amount outstanding under our First Lien Term Loan Facility was \$403.7 million. Based on our current business plan and revenue prospects, we continue to believe that our existing cash and cash equivalents, availability under our Revolving Credit Facility and Receivables Financing Agreement, and our anticipated cash flows from operating activities will be sufficient to meet our working capital and operating resource expenditure requirements for at least the next twelve months from the date of this Quarterly Report on Form 10-Q. However, our future working capital requirements will depend on many factors, including our rate of revenue growth and profitability, the timing and size of future acquisitions, and the timing of introductions of new products and investments in our supply chain and implementation of technologies.

We may from time to time seek to raise additional equity or debt financing to support our growth or in connection with the acquisition of complementary businesses. Any equity financing we may undertake could be dilutive to our existing stockholders, and any additional debt financing we may undertake could require debt service and financial and operational requirements that could adversely affect our business. There is no assurance we would be able to obtain future financing on acceptable terms or at all. See Part I, Item 1A. "Risk Factors" in our [Annual Report on Form 10-K](#) and Part II, Item 1A. "Risk Factors" in this Quarterly Report on Form 10-Q.

Cash Flows

The following table sets forth cash flow data for the periods indicated therein (in thousands):

	Six Months Ended June 30,	
	2024	2023
Net cash provided by operating activities	\$ 1,269	\$ 25,856
Net cash used in investing activities	(7,890)	(6,627)
Net cash used in financing activities	(5,275)	(56,288)
Net decrease in cash, cash equivalents and restricted cash	\$ (11,896)	\$ (37,059)

Cash Flow from Operating Activities

Cash flows related to operating activities are dependent on net loss, non-cash adjustments to net loss, and changes in working capital. The decrease in cash provided by operating activities during the six months ended June 30, 2024 compared to cash provided by operating activities during the six months ended June 30, 2023 is primarily due to an increase in net cash used for working capital, partially offset by a decrease in net loss, adjusted for non-cash items, as compared to the prior year period. The increase in cash used for working capital was primarily due to a decrease in the change in accounts receivable in the current period, primarily driven by the collections of large trade receivable balances in the prior year period that were outstanding at the beginning of the prior year period, partially offset by a decrease in the change in inventory balances in the current period as a result of strategic inventory management in the prior year period to reduce the high inventory levels at the beginning of the prior year period.

Cash Flow from Investing Activities

The increase in cash used in investing activities during the six months ended June 30, 2024 was primarily related to the purchase of tooling equipment and internal-use software costs, partially offset from the prior year sale of property, plant, and equipment.

Cash Flow from Financing Activities

The decrease in cash used in financing activities during the six months ended June 30, 2024 was primarily driven by the decrease in net borrowing on our Revolving Credit Facility, and payment in the prior year period associated with the acquisition date fair value of contingent consideration.

Credit Facilities

On June 29, 2021, we refinanced our existing credit facilities and entered into a new first lien credit agreement, as borrower, with Credit Suisse AG, Cayman Islands Branch, as administrative agent and collateral agent, and other lenders party thereto as joint lead arrangers and joint bookrunners (the “First Lien Credit Agreement”). The First Lien Credit Agreement provides for a senior secured term loan facility (the “First Lien Term Loan Facility”) and a revolving credit facility (the “Revolving Credit Facility”) and, together with the First Lien Term Loan Facility, the “Credit Facilities”). We entered into an agency transfer agreement on April 30, 2024, pursuant to which Morgan Stanley Senior Funding, Inc. succeeded Credit Suisse AG, Cayman Islands Branch, as administrative agent and collateral agent for the Credit Facilities. Our obligations under the First Lien Credit Agreement are substantively unchanged.

First Lien Credit Agreement

The First Lien Credit Agreement provides for a \$560.0 million First Lien Term Loan Facility (including a \$50.0 million delayed draw term loan) and a \$125.0 million Revolving Credit Facility.

The First Lien Term Loan Facility accrues interest at a rate per annum that considers both fixed and floating components. The fixed component ranges from 3.00% to 3.25% per annum based on our Public Debt Rating (as defined in the First Lien Credit Agreement). The floating component is based on the Term SOFR (as defined in the First Lien Credit Agreement) for the relevant interest period. The First Lien Term Loan Facility requires periodic principal payments from December 2021 through June 2028, with any remaining unpaid principal and any accrued and unpaid interest due on the maturity date of June 29, 2028. As of June 30, 2024, the total principal amount outstanding on the First Lien Term Loan Facility was \$403.7 million.

Loans under the Revolving Credit Facility accrue interest at a rate per annum that considers both fixed and floating components. The fixed component ranges from 2.75% to 3.25% per annum based on our most recently determined First Lien Net Leverage Ratio (as defined in the First Lien Credit Agreement). The floating component is based on the Term SOFR for the relevant interest period. The Revolving Credit Facility also has a variable commitment fee, which is based on our most recently determined First Lien Net Leverage Ratio and ranges from 0.25% to 0.50% per annum on undrawn amounts. Letters of credit may be issued under the Revolving Credit Facility in an amount not to exceed \$15.0 million which, when issued, lower the overall borrowing capacity of the facility. The Revolving Credit Facility expires on June 29, 2026 and no principal payments are due before such date. As of June 30, 2024, we had no outstanding loan amounts under the Revolving Credit Facility.

Except as noted below, the Credit Facilities are collateralized by substantially all of the assets of TGP Holdings III LLC, TGPX Holdings II LLC, Traeger Pellet Grills Holdings LLC and certain subsidiaries of Traeger Pellet Grills Holdings LLC, including intellectual property, mortgages and the equity interest of each of these respective entities. The assets of Traeger SPE LLC, substantively consisting of our accounts receivable, collateralize the receivables financing agreement discussed below and do not collateralize the Credit Facilities. There are no guarantees from parent entities above Traeger, Inc.

The First Lien Credit Agreement contains certain affirmative and negative covenants that limit our ability to, among other things, incur additional indebtedness or liens (with certain exceptions), make certain investments, engage in fundamental changes or transactions including changes of control, transfer or dispose of certain assets, make restricted payments (including dividends), engage in new lines of business, make certain prepayments and engage in certain affiliate transactions. In addition, we are subject to a financial covenant whereby we are required to maintain a First Lien Net Leverage Ratio (as defined in the First Lien Credit Agreement) not to exceed 6.20 to 1.00. As of June 30, 2024, we were in compliance with the covenants under the Credit Facilities.

Accounts Receivable Credit Facility

On November 2, 2020, we entered into a receivables financing agreement (as amended, the “Receivables Financing Agreement”). Through the Receivables Financing Agreement, we participate in a trade receivables securitization program, administered on our behalf by MUFG Bank Ltd. (“MUFG”), using outstanding accounts receivables balances as collateral, which have been contributed by us to our wholly owned subsidiary, Traeger SPE LLC (the “SPE”). While we provide operational services to the SPE, the receivables are owned by the SPE once contributed to it by us. We are the primary beneficiary and hold all equity interests of the SPE, thus we consolidate the SPE without any significant judgments.

On November 8, 2023, we entered into Amendment No. 9 to the Receivables Financing Agreement in order to extend the expiration of the facility by one year to June 27, 2025. As part of the amendment, the maximum borrowing capacity was decreased from \$100.0 million to \$75.0 million and a mechanism was added to allow for seasonal adjustments to the maximum borrowing capacity, which can now be set between \$30.0 million and \$75.0 million. A seasonal adjustment schedule was established upon the effectiveness of Amendment No. 9, and further adjustments can be made up two times annually at our

[Table of Contents](#)

discretion (with consent of the lenders under the Receivables Financing Agreement). We are required to pay fixed interest on outstanding cash advances of 2.5%, a floating interest based on the CP Rate or Adjusted Term SOFR (each as defined in the Receivables Financing Agreement), and an unused capacity charge that ranges from 0.25% to 0.5%. Amendment No. 9 also implemented a new liquidity threshold at \$42.5 million of liquidity. If our liquidity falls below this threshold, it may result in an increase in the required level of reserves, which would result in a reduction of our borrowing base under the Receivables Financing Agreement during such a liquidity shortfall.

On August 6, 2024, we entered into Amendment No. 10 to the Receivables Financing Agreement in order to extend the expiration of the facility to August 6, 2027. As part of the amendment, we are required to pay an upfront fee for the facility, along with a fixed interest rate on outstanding cash advances of approximately 2.6% and a floating interest rate based on the CP Rate or Adjusted Term SOFR (each as defined in the Receivables Financing Agreement). We were in compliance with the covenants under the Receivables Financing Agreement as of June 30, 2024.

As of June 30, 2024, we had drawn down \$23.5 million under this facility for general corporate and working capital purposes.

Contractual Obligations

There have been no material changes to our contractual obligations as of June 30, 2024 from those disclosed in our [Annual Report on Form 10-K](#). Refer to the heading “Management’s Discussion and Analysis of Financial Condition and Results of Operations—Liquidity and Capital Resources” included in our [Annual Report on Form 10-K](#) for a discussion of our debt and operating lease obligations, respectively.

Critical Accounting Policies and Estimates

Our consolidated financial statements are prepared in accordance with accounting principles generally accepted in the United States of America (“U.S. GAAP”). The preparation of our financial statements in conformity with U.S. GAAP requires us to make estimates and assumptions that affect certain reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the consolidated financial statements and the reported amounts of revenue and expenses during the reporting period.

Our critical accounting policies and estimates are described under the heading “Management’s Discussion and Analysis of Financial Condition and Results of Operations—Critical Accounting Policies and Estimates” in our [Annual Report on Form 10-K](#), the notes to the consolidated financial statements included therein and Note 2 – *Summary of Significant Accounting Policies* to the accompanying unaudited condensed consolidated financial statements included in Item 1 of this Quarterly Report on Form 10-Q. During the six months ended June 30, 2024, there were no material changes to our critical accounting policies and estimates from those discussed in our [Annual Report on Form 10-K](#).

There have been no material changes to our disclosures regarding our exposure to market risk as described in Part II, Item 7A. “Quantitative and Qualitative Disclosures about Market Risk” of our [Annual Report on Form 10-K](#).

ITEM 4. CONTROLS AND PROCEDURES

Limitations on Effectiveness of Controls and Procedures

In designing and evaluating our disclosure controls and procedures, management recognizes that any controls and procedures, no matter how well designed and operated, can provide only reasonable assurance of achieving the desired control objectives. In addition, the design of disclosure controls and procedures must reflect the fact that there are resource constraints and that management is required to apply judgment in evaluating the benefits of possible controls and procedures relative to their costs.

Evaluation of Disclosure Controls and Procedures

Our management, with the participation of our principal executive officer and principal financial officer, evaluated, as of the end of the period covered by this Quarterly Report on Form 10-Q, the effectiveness of our disclosure controls and procedures (as defined in Rules 13a-15(e) and 15d-15(e) under the Exchange Act). Based on that evaluation, our Chief Executive Officer and Chief Financial Officer concluded that, as of June 30, 2024, our disclosure controls and procedures were effective at the reasonable assurance level.

Changes in Internal Control over Financial Reporting

There were no changes in our internal control over financial reporting (as defined in Rules 13a-15(f) and 15d-15(f) under the Exchange Act) during the quarter ended June 30, 2024 that have materially affected, or are reasonably likely to materially affect, our internal control over financial reporting.

PART II. OTHER INFORMATION

ITEM 1. LEGAL PROCEEDINGS

We are from time to time subject to various legal proceedings, claims, and governmental inspections, audits, or investigations that arise in the ordinary course of our business. We believe that the ultimate resolution of these matters would not be expected to have a material adverse effect on our business, financial condition, or operating results.

Amendment No. 1 to Stockholders Agreement
by and among
TRAEGER, INC.
and
THE STOCKHOLDERS NAMED HEREIN
Dated as of April 30, 2024

This First Amendment (the “First Amendment”) to that certain Stockholders Agreement, entered into on July 28, 2021 (the “Original Stockholders Agreement”), is dated as of April 30, 2024, and entered into by and among (i) Traeger, Inc., a Delaware corporation (the “Issuer”); (ii) AEA Investors Fund VI LP, a Cayman Islands exempted limited partnership (“AEA VI”); (iii) AEA TGP Holdco LP (the “AEA Stockholders”); (iii) 2594868 Ontario Limited (the “OTPP Stockholder”); (iv) TCP Traeger Holdings SPV LLC, a Delaware limited liability company (the “TCP Stockholder”); and (v) any other Person who becomes a party thereto pursuant to Article V thereof (each, such Person, the AEA Stockholder, the OTPP Stockholder and the TCP Stockholder, a “Stockholder” and such Person collectively with the AEA Stockholders, the OTPP Stockholder and the TCP Stockholder, the “Stockholders”).

RECITALS

WHEREAS, the Issuer and Stockholders entered into the Original Stockholders’ Agreement on July 28, 2021 and now desire to amend it on the terms and conditions set forth herein.

WHEREAS, Section 3.1 of the Original Stockholders Agreement provides for certain matters that require the consent of the Stockholders pursuant to the terms and conditions described therein.

NOW, THEREFORE, in consideration for the mutual covenants and agreements set forth herein, and for other good valuable consideration the receipt and sufficiency of which hereby acknowledged, the Issuer and Stockholders hereby agree to amend the Original Stockholders’ Agreement pursuant to Section 5.1 thereof as follows:

1. Amendments

Section 3.1 of the Original Stockholders Agreement is hereby deleted in its entirety and replaced as follows (with changes underlined and bolded below):

Section 3.1. Matters Requiring Consent. Notwithstanding anything herein or in the Certificate of Incorporation to the contrary, the Issuer and its Subsidiaries shall not, directly or indirectly, by amendment, merger, consolidation or otherwise, take any of the actions set forth below without the prior written consent of (i) the AEA Stockholders, to the extent the AEA Stockholders are entitled to designate two (2) AEA Designees as of the date of such proposed action; (ii) the OTPP Stockholder, to the extent the OTPP Stockholder is entitled to designate two (2) OTPP Designee as of the date of such action; and/or (iii) the TCP Stockholder, to the extent the TCP Stockholder is entitled to designate two (2) TCP Designee as of the date of such action, in each case, so long as the number of Shares collectively Beneficially Owned by the AEA Stockholders, the OTPP Stockholder and the TCP Stockholder, as of the date of such proposed action, is at least thirty percent (30%) of the aggregate number of Shares outstanding immediately following the consummation of the IPO:

- (a) increase or decrease the authorized number of Directors constituting the Board or the board of directors of any Subsidiary;
-

(b) terminate or appoint a Chief Executive Officer of the Issuer;

(c) in respect of the Issuer or any of its significant subsidiaries (as such term is defined under Rule 1-02(w) of Regulation S-X), initiate any voluntary election to wind up, liquidate or dissolve or to commence bankruptcy, insolvency, reorganization or relief proceedings or adopt a plan with respect thereto or admit in writing an inability to pay any indebtedness;

(d) acquire or dispose, or agree to acquire or dispose, of any assets or any business enterprise or division thereof, or invest in or enter into, any joint venture, alliance or other strategic or similar transaction, or agree to invest in or enter into any such transaction, for consideration in excess of two-hundred and fifty million (\$250.0 million) in any single transaction or series of related transactions; or

(e) enter into or effect a Change in Control.

For the avoidance of doubt, this Section shall not prevent the Issuer and its Subsidiaries from taking any of the actions set forth in any of the foregoing subsections (a)–(e) in the event that the Board of Directors should reasonably determine that permitting such action without first receiving the prior written consent of the Stockholders is necessary to comply with its fiduciary duties under Delaware law. If the Board of Directors determines to cause the Issuer and/or its Subsidiaries to take any action described in subsections (a)–(e) above without having received the prior written consent contemplated by this Section, it shall provide the Stockholders with reasonable notice and a reasonable opportunity to be heard at a meeting of the Board of Directors before such action is authorized, unless the Board of Directors reasonably determines that doing otherwise is necessary to comply with its fiduciary duties under Delaware law.

2. Miscellaneous

Except as specifically amended and restated herein with respect to Section 3.1, the Original Stockholders Agreement is hereby ratified and confirmed and shall remain in full force and effect in accordance with its terms, including terms used but not defined in Section 3.1 above.

This First Amendment shall be governed by, and construed in accordance with, the laws of the State of Delaware, without giving effect to any choice of law or conflict of law rules or provisions (whether of the State of Delaware or any other jurisdiction) that would cause the application of the laws of any jurisdiction other than the State of Delaware.

This First Amendment may be executed in separate counterparts, each of which will be an original and all of which together shall constitute one and the same agreement binding on all the parties hereto.

IN WITNESS WHEREOF, the parties hereto have executed this First Amendment on the day and year first above written.

Article I.
VESTING; FORFEITURE; SETTLEMENT

2.1 General Vesting. The PSUs will be earned and vest in connection with the achievement of [*] Goals or [*] Goal, as applicable, as defined in and as set forth in **Exhibit B**, subject to Participant’s continued Service with the Company or its Affiliates through the applicable Vesting Date(s) (as defined in **Exhibit B**), except to the extent provided in Sections 2.2 and 2.3 below. Dividend Equivalents (including any Dividend Equivalent Account balance) will vest upon the vesting of the PSUs with respect to which the Dividend Equivalent (including the Dividend Equivalent Account) relates.

2.2 Change in Control. If (i) a Change in Control occurs, (ii) Participant remains in continued Service until at least immediately prior to the Change in Control, and (iii) some or all PSUs remain outstanding as of immediately prior to such Change in Control, then:

(a) Any then-unvested Earned PSUs (as defined in **Exhibit B**) will vest immediately prior to the closing of such Change in Control.

(b) With respect to any PSUs that are not Earned PSUs, if a Change in Control occurs during the [*] Performance Period (as defined in **Exhibit B**), a number of PSUs equal to the Target PSUs shall become Earned PSUs as of immediately prior to the closing of such Change in Control if the [*] Goal is achieved based on the CIC Price (or, with respect to a Non-Transactional Change in Control, if the [*] is achieved as of the Change in Control date). Any PSUs that become Earned PSUs in accordance with this Section 2.2(b) will vest immediately prior to the closing of such Change in Control. Notwithstanding the generality of the foregoing, no more than a number of PSUs equal to the Target PSUs may become Earned PSUs pursuant to this Section 2.2(b).

(c) Notwithstanding anything to the contrary contained in Section 8.3 of the Plan, if, following the application of Section 2.2(b), any PSUs have not become Earned PSUs as of (or in connection with) the Change in Control, then such PSUs automatically will be forfeited and terminated as of immediately prior to such Change in Control without consideration therefor.

2.3 Termination of Service.

(a) If Participant experiences a Qualifying Termination, then (i) any PSUs that are Earned PSUs as of such Qualifying Termination will vest as of such termination date and (ii) any PSUs that are not Earned PSUs as of such Qualifying Termination will be forfeited and terminated without consideration therefor. For clarity, if the Qualifying Termination occurs following the end of the [*] Performance Period (as defined in **Exhibit B**) but prior to the filing of the Company’s Annual Report on Form 10-K for the [*] Performance Period, the PSUs shall remain outstanding and eligible to vest upon the filing of such Annual Report on Form 10-K to the extent an [*] Goal is achieved.

(b) The treatment set forth in Section 2.3(a)(i) is subject to and conditioned upon Participant's (or Participant's estate's) timely execution, delivery and non-revocation of a general release of claims in the form attached hereto as **Exhibit C** (the "**Release**") and continued compliance with the Restrictive Covenants (as defined below) through the effective date of the Release. The Release shall be delivered to Participant (or Participant's estate's) within five business days following the termination date, and Participant shall have 21 days thereafter (or 45 days, if necessary to comply with Applicable Law) to execute and deliver the Release to the Company. The Company may update the Release attached hereto to the extent necessary to reflect changes in law.

(c) If Participant experiences a termination of Service for any reason other than a Qualifying Termination, all PSUs that have not become vested on or prior to the date of such termination of Service (including any Earned PSUs) automatically will be forfeited and terminated as of the termination date without consideration therefor.

2.4 Forfeiture.

(a) Any PSUs that remain outstanding and are not Earned PSUs as of the close of business on the Expiration Date automatically will be forfeited and terminated at the close of business on the Expiration Date without consideration therefor.

(b) Upon Participant's material breach of any of the Restrictive Covenants, any PSUs underlying the Award that remain outstanding as of the date of such breach (if any) automatically will be forfeited and terminated as of the date that such breach is determined by the Administrator in its good faith discretion.

(c) Dividend Equivalents (including any Dividend Equivalent Account balance) will be forfeited upon the forfeiture of the PSUs with respect to which the Dividend Equivalent (including the Dividend Equivalent Account) relates.

2.5 Settlement.

(a) The PSUs will be paid in Shares, and Dividend Equivalents (including any Dividend Equivalent Account balance) will be paid in cash or Shares, as soon as practicable and in any event within 45 days after the vesting date of the applicable PSU, as determined pursuant to Section 2.2, Section 2.3(a) or **Exhibit B**.

(b) Notwithstanding the foregoing, the Company may delay any payment under this Agreement that the Company reasonably determines would violate Applicable Law until the earliest date the Company reasonably determines the making of the payment will not cause such a violation (in accordance with Treasury Regulation Section 1.409A-2(b)(7)(ii)); provided the Company reasonably believes the delay will not result in the imposition of excise taxes under Section 409A. For the avoidance of doubt, any Dividend Equivalents granted in connection with the PSUs issued hereunder, and any amounts that may become distributable in respect thereof, shall be treated separately from such PSUs and the rights arising in connection therewith for purposes of the designation of time and form of payments required by Section 409A.

(c) If a Dividend Equivalent is paid in Shares, the number of Shares paid with respect to the Dividend Equivalent will equal the quotient, rounded down to the nearest whole Share, of the Dividend Equivalent Account balance divided by the Fair Market Value of a Share on the day immediately preceding the payment date.

Article II.
TAXATION AND TAX WITHHOLDING

3.1 Representation. Participant represents to the Company that Participant has reviewed with Participant's own tax advisors the tax consequences of this award of PSUs and Dividend Equivalents (the "**Award**") and the transactions contemplated by the Grant Notice and this Agreement. Participant is relying solely on such advisors and not on any statements or representations of the Company or any of its agents.

3.2 Tax Withholding.

(a) Payment of the withholding tax obligations with respect to the Award may be by any of the following, or a combination thereof, as determined by Participant or the Administrator:

(i) Cash or check;

(ii) In whole or in part by delivery of Shares, including Shares delivered by attestation and Shares retained from the Award creating the tax obligation, valued at their Fair Market Value on the date of delivery

(iii) In whole or in part by the Company withholding of Shares otherwise vesting or issuable under this Award in satisfaction of any applicable withholding tax obligations.

(b) Unless Participant or the Administrator otherwise determines, and subject to Section 10.17 of the Plan, payment of the withholding tax obligations with respect to the Award shall be by delivery (including electronically or telephonically to the extent permitted by the Company) by Participant to the Company of a copy of irrevocable and unconditional instructions to a broker acceptable to the Company that Participant has placed a market sell order with such broker with respect to Shares then-issuable upon settlement of the Award, and that the broker has been directed to deliver promptly to the Company funds sufficient to satisfy the applicable tax withholding obligations; provided, that payment of such proceeds is then made to the Company at such time as may be required by the Administrator; or

(c) Subject to Section 9.5 of the Plan, the applicable tax withholding obligation will be determined based on Participant's Applicable Withholding Rate. Participant's "**Applicable Withholding Rate**" shall mean (i) if Participant is subject to Section 16 of the Exchange Act, the greater of (A) the minimum applicable statutory tax withholding rate or (B) with Participant's consent, the maximum individual tax withholding rate permitted under the rules of the applicable taxing authority for tax withholding attributable to the underlying transaction, or (ii) if Participant is not subject to Section 16 of the Exchange Act, the minimum applicable statutory tax withholding rate or such other higher rate approved by the Company; provided, however, that (i) in no event shall Participant's Applicable Withholding Rate exceed the maximum individual statutory tax rate in the applicable jurisdiction at the time of such withholding (or such other rate as may be required to avoid the liability classification of the applicable award under generally accepted accounting principles in the United States of America); and (ii) the number of Shares tendered or withheld, if applicable, shall be rounded up to the nearest whole Share sufficient to cover the applicable tax withholding obligation, to the extent rounding up to the nearest whole Share does not result in the liability classification of the RSUs under generally accepted accounting principles.

(d) Participant acknowledges that Participant is ultimately liable and responsible for all taxes owed in connection with the PSUs and the Dividend Equivalents, regardless of any action the Company or any affiliate takes with respect to any tax withholding obligations that arise in connection with the PSUs or Dividend Equivalents. Neither the Company nor any affiliate makes any representation or undertaking regarding the treatment of any tax withholding in connection with the awarding, vesting or payment of the PSUs or the Dividend Equivalents or the subsequent sale of Shares. The Company and its affiliates do not commit and are under no obligation to structure this Award to reduce or eliminate Participant's tax liability.

Article III. OTHER PROVISIONS

4.1 Adjustments. Participant acknowledges that the PSUs, the Shares subject to the PSUs, the Dividend Equivalents and the [*] Goals are subject to adjustment, modification and/or termination in certain events as provided in this Agreement and the Plan.

4.2 Clawback. Notwithstanding Section 10.13 of the Plan, the Award and the Shares issuable hereunder shall be subject to (i) any Company clawback or recoupment policy required in order to comply with Applicable Law, including the Company's Policy for Recovery of Erroneously Awarded Compensation, as amended from time to time, and (ii) any other Company clawback or recoupment policy approved by the Company's Board which applies to the senior executives of the Company. The Company and Participant acknowledge that neither this Section 4.2 nor Section 10.13 of the Plan are intended to limit any clawback and/or disgorgement of the Award and/or the Shares issuable hereunder pursuant to Section 304 of the Sarbanes-Oxley Act of 2002.

4.3 Notices. Any notice to be given under the terms of this Agreement to the Company must be in writing and addressed to the Company in care of the Company's General Counsel at the Company's principal office or the General Counsel's then-current email address or facsimile number. Any notice to be given under the terms of this Agreement to Participant must be in writing and addressed to Participant (or, if Participant is then deceased, to the Designated Beneficiary) at Participant's last known mailing address, email address or facsimile number in the Company's personnel files. By a notice given pursuant to this Section, either party may designate a different address for notices to be given to that party. Any notice will be deemed duly given when actually received, when sent by email, when sent by certified mail (return receipt requested) and deposited with postage prepaid in a post office or branch post office regularly maintained by the United States Postal Service, when delivered by a nationally recognized express shipping company or upon receipt of a facsimile transmission confirmation.

4.4 Titles. Titles are provided herein for convenience only and are not to serve as a basis for interpretation or construction of this Agreement.

4.5 Conformity to Securities Laws. Participant acknowledges that the Plan, the Grant Notice and this Agreement are intended to conform to the extent necessary with all Applicable Laws and, to the extent Applicable Laws permit, will be deemed amended as necessary to conform to Applicable Laws.

4.6 Successors and Assigns. The Company may assign any of its rights under this Agreement to a single or multiple assignees, and this Agreement will inure to the benefit of the successors and assigns of the Company. Subject to the restrictions on transfer set forth in this Agreement or the Plan, this Agreement will be binding upon and inure to the benefit of the heirs, legatees, legal representatives, successors and assigns of the parties hereto.

4.7 Limitations Applicable to Section 16 Persons. Notwithstanding any other provision of the Plan or this Agreement, if Participant is subject to Section 16 of the Exchange Act, the Plan, the Grant Notice, this Agreement and the PSUs and Dividend Equivalents will be subject to any additional limitations set forth in any applicable exemptive rule under Section 16 of the Exchange Act (including any amendment to Rule 16b-3) that are requirements for the application of such exemptive rule. To the extent Applicable Laws permit, this Agreement will be deemed amended as necessary to conform to such applicable exemptive rule.

4.8 Restrictive Covenants. In consideration of the benefits being provided to Participant pursuant to this Agreement, Participant agrees to be bound by the restrictive covenants (the “**Restrictive Covenants**”) contained in the Restrictive Covenant Agreement are incorporated herein by reference.

4.9 Entire Agreement; Amendment. The Plan, the Grant Notice and this Agreement (including any exhibit hereto) constitute the entire agreement of the parties and supersede in their entirety all prior undertakings and agreements of the Company and Participant with respect to the subject matter hereof. To the extent permitted by the Plan, this Agreement may be wholly or partially amended or otherwise modified, suspended or terminated at any time or from time to time by the Administrator or the Board; provided, however, that except as may otherwise be provided by the Plan, no amendment, modification, suspension or termination of this Agreement shall materially and adversely affect the PSUs or Dividend Equivalents without the prior written consent of Participant.

4.10 Agreement Severable. In the event that any provision of the Grant Notice or this Agreement is held illegal or invalid, the provision will be severable from, and the illegality or invalidity of the provision will not be construed to have any effect on, the remaining provisions of the Grant Notice or this Agreement.

4.11 Limitation on Participant’s Rights. Participation in the Plan confers no rights or interests other than as herein provided. This Agreement creates only a contractual obligation on the part of the Company as to amounts payable and may not be construed as creating a trust. Neither the Plan nor any underlying program, in and of itself, has any assets. Participant will have only the rights of a general unsecured creditor of the Company with respect to amounts credited and benefits payable, if any, with respect to the PSUs and Dividend Equivalents, and rights no greater than the right to receive cash or the Shares as a general unsecured creditor with respect to the PSUs and Dividend Equivalents, as and when settled pursuant to the terms of this Agreement.

4.12 Not a Contract of Service. Nothing in the Plan, the Grant Notice or this Agreement confers upon Participant any right to continue in the employ or service of the Company or any Subsidiary or interferes with or restricts in any way the rights of the Company and its Subsidiaries, which rights are hereby expressly reserved, to discharge or terminate the services of Participant at any time for any reason whatsoever, with or without cause, except to the extent expressly provided otherwise in a written agreement between the Company or a Subsidiary and Participant.

On the Seasonal Limit Change Date, pursuant to notification provided by the Administrative Agent to the Lenders, the Lenders shall rebalance Capital among the Lenders such that after giving effect thereto, the Aggregate Capital is distributed ratably among the Groups based on each Group's Group Commitment.

(i) if on any day the Unpaid Balance of any Pool Receivable is (A) reduced as a result of any defective or rejected goods or services, any discount, dispute, refunds, netting, rebates or any adjustment or otherwise by any Traeger Party or any Affiliate thereof (other than cash Collections on account of the Receivables) or (B) reduced or canceled as a result of a setoff in respect of any claim by any Person (whether such claim arises out of the same or a related transaction or an unrelated transaction) or any netting by any Person (any such reduction or adjustment, a "Reduction"), the Borrower shall be deemed to have received on such day a Collection of such Pool Receivable in the amount of such reduction or adjustment and shall within two (2) Business Days pay to a Collection Account (or as otherwise directed by the Administrative Agent at such time) for the benefit of the Credit Parties for application pursuant to Section 3.01(a), an amount equal to (x) if such Reduction occurs prior to the Termination Date and no Event of Default has occurred and is continuing, the lesser of (I)

the sum of all deemed Collections with respect to such Reduction and (II) an amount necessary to eliminate any Borrowing Base Deficit that exists at such time and (y) if such Reduction occurs on or after the Termination Date or at any time when an Event of Default has occurred and is continuing, the sum of all Deemed Collections with respect to such Reduction;

(ii) if (A) any of the representations or warranties in Section 6.01 is not true with respect to any Pool Receivable at the time made or deemed made or (B) any Receivable included in any Monthly Report or Interim Report as an Eligible Receivable or in any calculation of Net Receivable Pool Balance as an Eligible Receivable fails to be an Eligible Receivable at the time of such inclusion, the Borrower shall be deemed to have received on such day a Collection of such Pool Receivable in full and shall within two (2) Business Days pay to a Collection Account (or as otherwise directed by the Administrative Agent at such time) for the benefit of the Credit Parties for application pursuant to Section 3.01(a), an amount equal to (x) if such breach occurs prior to the Termination Date and no Event of Default has occurred and is continuing, the lesser of (I) the sum of all deemed Collections with respect to such breach and (II) an amount necessary to eliminate any Borrowing Base Deficit that exists at such time and (y) if such breach occurs on or after the Termination Date or at any time when an Event of Default has occurred and is continuing, the sum of all Deemed Collections with respect to such breach (Collections deemed to have been received pursuant to Sections 3.01(d)(i) and 3.01(d)(ii) are hereinafter sometimes referred to as “Deemed Collections”);

(iii) except as provided in clauses (i) or (ii) above or otherwise required by Applicable Law or the relevant Contract, all Collections received from an Obligor of any Receivable shall be applied to the Receivables of such Obligor in the order of the age of such Receivables, starting with the oldest such Receivable, unless such Obligor designates in writing its payment for application to specific Receivables; and

(iv) if and to the extent the Administrative Agent, any Credit Party, any Affected Person or any Borrower Indemnified Party shall be required for any reason to pay over to an Obligor (or any trustee, receiver, custodian or similar official in any insolvency proceeding) any amount received by it hereunder, such amount shall be deemed not to have been so received by such Person but rather to have been retained by the Borrower and, accordingly, such Person shall have a claim against the Borrower for such amount, payable when and to the extent that any distribution from or on behalf of such Obligor is made in respect thereof.

SECTION III.2. Payments and Computations, Etc. (a) All amounts to be paid by the Borrower or the Servicer to the Administrative Agent, any Credit Party, any Affected Person or any Borrower Indemnified Party hereunder shall be paid no later than noon (New York City time) on the day when due in same day funds to the applicable Group Agent’s Account.

(a) Each of the Borrower and the Servicer shall, to the extent permitted by Applicable Law, pay interest on any amount not paid or deposited by it when due hereunder, at an interest rate per annum equal to 2.00% per annum above the Base Rate, payable on demand.

(b) All computations of interest under subsection (b) above and all computations of Interest, Fees and other amounts hereunder shall be made on the basis of a year of 360 days (or, in the case of amounts determined by reference to the Base Rate, 365 or 366 days, as applicable) for the actual number of days (including the first but excluding the last day) elapsed. Whenever any payment or deposit to be made hereunder shall be due on a day other than a Business Day, such payment or deposit shall be made on the next succeeding Business Day and such extension of time shall be included in the computation of such payment or deposit.

ARTICLE IV

INCREASED COSTS; FUNDING LOSSES; TAXES; ILLEGALITY AND SECURITY INTEREST

SECTION IV.1. Increased Costs.

(a) Increased Costs Generally. If any Change in Law shall:

(i) impose, modify or deem applicable any reserve, special deposit, liquidity, compulsory loan, insurance charge or similar requirement against assets of, deposits with or for the account of, or credit extended or participated in by, any Affected Person;

(ii) subject any Affected Person to any Taxes (except to the extent such Taxes are (A) Indemnified Taxes for which relief is provided under Section 4.03, (B) Taxes described in clauses (b) through (d) of the definition of Excluded Taxes or (C) Other Connection Taxes that are imposed on or measured by net income (however denominated) or that are franchise Taxes or branch profits Taxes) on its loans, loan principal, letters of credit, commitments or other obligations, or its deposits, reserves, other liabilities or capital attributable thereto; or

(iii) impose on any Affected Person any other condition, cost or expense (other than Taxes) (A) affecting the Collateral, this Agreement, any other Transaction Document, any Program Support Agreement, any Loan or any participation therein or (B) affecting its obligations or rights to make Loans;

and the result of any of the foregoing shall be to increase the cost to such Affected Person of (A) acting as the Administrative Agent, a Group Agent or a Lender hereunder or as a Program Support Provider with respect to the transactions contemplated hereby, (B) funding or maintaining any Loan or (C) maintaining its obligation to fund or maintain any Loan, or to reduce the amount of any sum received or receivable by such Affected Person hereunder, then, upon request of such Affected Person (or its Group Agent), the Borrower shall pay to such Affected Person such additional amount or amounts as will compensate such Affected Person for such additional costs incurred or reduction suffered.

(b) Capital and Liquidity Requirements. If any Affected Person determines that any Change in Law affecting such Affected Person or any lending office of such Affected

Person or such Affected Person's holding company, if any, regarding capital or liquidity requirements, has or would have the effect of (x) increasing the amount of capital required to be maintained by such Affected Person or Affected Person's holding company, if any, (y) reducing the rate of return on such Affected Person's capital or on the capital of such Affected Person's holding company, if any, or (z) causing an internal capital or liquidity charge or other imputed cost to be assessed upon such Affected Person or Affected Person's holding company, if any, in each case, as a consequence of (A) this Agreement or any other Transaction Document, (B) the commitments of such Affected Person hereunder or under any other Transaction Document or related Program Support Agreement, (C) the Loans made by such Affected Person or (D) any Capital, to a level below that which such Affected Person or such Affected Person's holding company could have achieved but for such Change in Law (taking into consideration such Affected Person's policies and the policies of such Affected Person's holding company with respect to capital adequacy and liquidity), then from time to time, upon request of such Affected Person (or its Group Agent), the Borrower shall pay to such Affected Person such additional amount or amounts as will compensate such Affected Person or such Affected Person's holding company for any such increase, reduction or charge.

(c) Adoption of Changes in Law. The Borrower acknowledges that any Affected Person may institute measures in anticipation of a Change in Law (including, without limitation, the imposition of internal charges on such Affected Person's interests or obligations under any Transaction Document or Program Support Agreement), and may commence allocating charges to or seeking compensation from the Borrower under this Section 4.01 in connection with such measures, in advance of the effective date of such Change in Law, and the Borrower agrees to pay such charges or compensation to such Affected Person, following demand therefor in accordance with the terms of this Section 4.01, without regard to whether such effective date has occurred.

(d) Certificates for Reimbursement. A certificate of an Affected Person (or its Group Agent on its behalf) setting forth the amount or amounts necessary to compensate such Affected Person or its holding company, as the case may be, as specified in clause (a), (b) or (c) of this Section and delivered to the Borrower, shall be conclusive absent manifest error. The Borrower shall, subject to the priorities of payment set forth in Section 3.01, pay such Affected Person the amount shown as due on any such certificate on the first Settlement Date occurring after the Borrower's receipt of such certificate.

(e) Delay in Requests. Failure or delay on the part of any Affected Person to demand compensation pursuant to this Section shall not constitute a waiver of such Affected Person's right to demand such compensation.

SECTION IV.2. Funding Losses.

(a) The Borrower will pay each Lender all Breakage Fees.

(b) A certificate of a Lender (or its Group Agent on its behalf) setting forth the amount or amounts necessary to compensate such Lender, as specified in clause (a) above and delivered to the Borrower, shall be conclusive absent manifest error. The Borrower shall,

subject to the priorities of payment set forth in Section 3.01, pay such Lender the amount shown as due on any such certificate on the first Settlement Date occurring after the Borrower's receipt of such certificate.

SECTION IV.3. Taxes.

(a) Payments Free of Taxes. Any and all payments by or on account of any obligation of the Borrower under any Transaction Document shall be made without deduction or withholding for any Taxes, except as required by Applicable Law. If any Applicable Law (as determined in the good faith discretion of the Borrower, Servicer, Administrative Agent or Group Agent) requires the deduction or withholding of any Tax from any such payment to an Affected Person, then the Borrower, Servicer, Administrative Agent or Group Agent shall be entitled to make such deduction or withholding and shall timely pay the full amount deducted or withheld to the relevant Governmental Authority in accordance with Applicable Law, and, if such Tax is an Indemnified Tax, then the sum payable by the Borrower shall be increased as necessary so that after such deduction or withholding has been made (including such deductions and withholdings applicable to additional sums payable under this Section), the applicable Affected Person receives an amount equal to the sum it would have received had no such deduction or withholding been made.

(b) Payment of Other Taxes by the Borrower. The Borrower shall timely pay to the relevant Governmental Authority in accordance with Applicable Law, or, at the option of the Administrative Agent, timely reimburse the Administrative Agent (or, as applicable, the applicable Affected Person) for the payment of, any Other Taxes.

(c) Indemnification by the Borrower. The Borrower shall indemnify each Affected Person, within ten days after demand therefor, for the full amount of any (I) Indemnified Taxes (including Indemnified Taxes imposed or asserted on or attributable to amounts payable under this Section) payable or paid by such Affected Person or required to be withheld or deducted from a payment to such Affected Person and any penalties, interest and reasonable expenses arising therefrom or with respect thereto, whether or not such Indemnified Taxes were correctly or legally imposed or asserted by the relevant Governmental Authority and (II) Taxes that arise because a Loan is not treated consistently with the Intended Tax Treatment, except as otherwise required by Applicable Law. A certificate as to the amount of such payment or liability delivered to the Borrower by an Affected Person (with a copy to the Administrative Agent), or by the Administrative Agent on its own behalf or on behalf of an Affected Person, shall be conclusive absent manifest error.

(d) Indemnification by the Lenders. Each Lender (other than the Conduit Lenders) shall severally indemnify the Administrative Agent, within ten days after demand therefor, for (i) any Indemnified Taxes attributable to such Lender, its Related Conduit Lender or any of their respective Affiliates that are Affected Persons (but only to the extent that the Borrower and its Affiliates have not already indemnified the Administrative Agent for such Indemnified Taxes and without limiting any obligation of the Borrower, the Servicer or its Affiliates to do so), (ii) any Taxes attributable to the failure of such Lender, its Related Conduit Lender or any of their respective Affiliates that are Affected Persons to comply with Section

13.03(f) relating to the maintenance of a Participant Register and (iii) any Excluded Taxes attributable to such Lender, its Related Conduit Lender or any of their respective Affiliates that are Affected Persons, in each case, that are payable or paid by the Administrative Agent in connection with any Transaction Document, and any reasonable expenses arising therefrom or with respect thereto, whether or not such Taxes were correctly or legally imposed or asserted by the relevant Governmental Authority. A certificate as to the amount of such payment or liability delivered to any Lender (or its Group Agent) by the Administrative Agent shall be conclusive absent manifest error. Each Lender (other than the Conduit Lenders) hereby authorizes the Administrative Agent to set off and apply any and all amounts at any time owing to such Lender, its Related Conduit Lender or any of their respective Affiliates that are Affected Persons under any Transaction Document or otherwise payable by the Administrative Agent to such Lender, its Related Conduit Lender or any of their respective Affiliates that are Affected Persons from any other source against any amount due to the Administrative Agent under this clause (d).

(e) Evidence of Payments. As soon as practicable after any payment of Taxes by the Borrower to a Governmental Authority pursuant to this Section 4.03, the Borrower shall deliver to the Administrative Agent the original or a certified copy of a receipt issued by such Governmental Authority evidencing such payment, a copy of the return reporting such payment or other evidence of such payment reasonably satisfactory to the Administrative Agent.

(f) Status of Lenders. (i) Any Lender that is entitled to an exemption from or reduction of withholding Tax with respect to payments made under any Transaction Document shall deliver to the Borrower and the Administrative Agent, at the time or times reasonably requested by the Borrower or the Administrative Agent, such properly completed and executed documentation reasonably requested by the Borrower or the Administrative Agent as will permit such payments to be made without withholding or at a reduced rate of withholding. In addition, any Lender, if reasonably requested by the Borrower or the Administrative Agent, shall deliver such other documentation prescribed by Applicable Law or reasonably requested by the Borrower or the Administrative Agent as will enable the Borrower or the Administrative Agent to determine whether or not such Lender is subject to backup withholding or information reporting requirements. Notwithstanding anything to the contrary in the preceding two sentences, the completion, execution and submission of such documentation (other than such documentation set forth in Sections 4.03(f)(ii)(A), 4.03(f)(ii)(B) and 4.03(g)) shall not be required if, in the Lender's reasonable judgment, such completion, execution or submission would subject such Affected Person to any material unreimbursed cost or expense or would materially prejudice the legal or commercial position of such Lender.

(i) Without limiting the generality of the foregoing:

(A) any Lender that is a U.S. Person shall deliver to the Borrower and the Administrative Agent on or about the date on which such Lender becomes a Lender under this Agreement, and from time to time thereafter upon the reasonable request of the Borrower or the Administrative Agent, executed originals of Internal Revenue Service

Form W-9 certifying that such Lender is exempt from U.S. federal backup withholding tax;

(B) any Lender that is not a U.S. Person shall, to the extent it is legally entitled to do so, deliver to the Borrower and the Administrative Agent (in such number of copies as shall be requested by the recipient) on or about the date on which such Lender becomes a Lender under this agreement, and from time to time thereafter upon the reasonable request of the Borrower or the Administrative Agent, whichever of the following is applicable:

(1) in the case of such a Lender claiming the benefits of an income tax treaty to which the United States is a party, (x) with respect to payments of interest under any Transaction Document, executed originals of Internal Revenue Service Form W-8BEN or Internal Revenue Service Form W-8BEN-E, as applicable, establishing an exemption from, or reduction of, U.S. federal withholding Tax pursuant to the “interest” article of such tax treaty and (y) with respect to any other applicable payments under any Transaction Document, Internal Revenue Service Form W-8BEN or Internal Revenue Service Form W-8BEN-E, as applicable, establishing an exemption from, or reduction of, U.S. federal withholding Tax pursuant to the “business profits” or “other income” article of such tax treaty;

(2) executed originals of Internal Revenue Service Form W-8ECI;

(3) in the case of such a Lender claiming the benefits of the exemption for portfolio interest under Section 881(c) of the Code, (x) a certificate, in form and substance reasonably acceptable to the Borrower, to the effect that such Lender is not a “bank” within the meaning of Section 881(c)(3)(A) of the Code, a “10 percent shareholder” of the Borrower within the meaning of Section 881(c)(3)(B) of the Code, or a “controlled foreign corporation” described in Section 881(c)(3)(C) of the Code (a “U.S. Tax Compliance Certificate”) and (y) executed originals of Internal Revenue Service Form W-8BEN or Internal Revenue Service Form W-8BEN-E, as applicable; or

(4) to the extent such Lender is not the beneficial owner, executed originals of Internal Revenue Service Form W-8IMY, accompanied by Internal Revenue Service Form W-8ECI, Internal Revenue Service Form W-8BEN or Internal Revenue Service Form W-8BEN-E, as applicable, a U.S. Tax Compliance Certificate, Internal Revenue Service Form W-9, and/

or other certification documents from each beneficial owner, as applicable; provided that, if such Lender is a partnership and one or more direct or indirect partners of such Lender are claiming the portfolio interest exemption, such Lender may provide a U.S. Tax Compliance Certificate on behalf of each such direct and indirect partner; and

(C) any Lender that is not a U.S. Person shall, to the extent it is legally entitled to do so, deliver to the Borrower and the Administrative Agent (in such number of copies as shall be requested by the recipient) on or about the date on which such Lender becomes a Lender under this agreement, and from time to time thereafter upon the reasonable request of the Borrower or the Administrative Agent, executed originals of any other form prescribed by Applicable Law as a basis for claiming exemption from or a reduction in U.S. federal withholding Tax, duly completed, together with such supplementary documentation as may be prescribed by Applicable Law to permit the Borrower or the Administrative Agent to determine the withholding or deduction required to be made.

(g) Documentation Required by FATCA and other reporting regimes.

(i) Subject to Section 4.03(g)(iii) below, each Lender shall, within ten Business Days of a reasonable request by the Borrower: (a) confirm whether it is: (A) entitled to receive payments under the Transaction Documents free from any deduction or withholding required by FATCA (including any deduction or withholding resulting from the failure to comply with the applicable FATCA reporting requirements, including those contained in Section 1471(b) or 1472(b) of the Code) (a “FATCA Exempt Party”); or (B) not a FATCA Exempt Party; (b) supply to the Borrower such forms, documentation and other information relating to its status under FATCA as prescribed under Applicable Law (including as prescribed by Section 1471(b)(3)(C)(i) of the Code) or reasonably requested by the Borrower for the purposes of complying with FATCA or determining the amount, if any, to deduct and withhold from a payment made under the Transaction Documents; and (c) supply such forms, documentation and other information relating to its status as reasonably requested for the purposes of the Borrower’s compliance with any other law, regulation, or exchange of information regime relating to FATCA.

(ii) If a Lender confirms pursuant to Section 4.03(g)(i)(a) above that it is a FATCA Exempt Party and it subsequently becomes aware that it is not or has ceased to be a FATCA Exempt Party, it shall promptly notify the Borrower.

(iii) If a Lender fails to confirm whether or not it is a FATCA Exempt Party or to supply forms, documentation or other information requested in accordance with Section 4.03(g)(i)(a) or (b) above, then it shall be treated for the purposes of the Transaction Documents (and payments under them) as if it is not a FATCA Exempt Party until such time as it provides the requested confirmation, forms, documentation or other information.

(h) Treatment of Certain Refunds. If a Lender determines, in its sole discretion exercised in good faith, that it has received a refund of any Taxes as to which it has been indemnified by the Borrower pursuant to this Section (including by the payment of additional amounts pursuant to this Section), it shall pay to the Borrower an amount equal to such refund (but only to the extent of indemnity payments made under this Section with respect to the Taxes giving rise to such refund), net of all out-of-pocket expenses (including Taxes) of the Borrower and without interest (other than any interest paid by the relevant Governmental Authority with respect to such refund). The Borrower, upon the request of such Lender, shall repay the amount paid over pursuant to this paragraph (h) (plus any penalties, interest or other charges imposed by the relevant Governmental Authority) in the event that the Lender is required to repay such refund to such Governmental Authority. Notwithstanding anything to the contrary in this paragraph (h), in no event will the Lender be required to pay any amount to the Borrower pursuant to this paragraph (h) the payment of which would place the Lender in a less favorable net after-Tax position than the Lender would have been in if the Tax subject to indemnification and giving rise to such refund had not been deducted, withheld or otherwise imposed and the indemnification payments or additional amounts with respect to such Tax had never been paid. This paragraph shall not be construed to require the Lender to make available its Tax returns (or any other information relating to its Taxes that it deems confidential) to the Borrower or any other Person.

(i) Survival. Each party's obligations under this Section 4.03 shall survive the resignation or replacement of the Administrative Agent or any assignment of rights by, or the replacement of, a Credit Party or any other Affected Person, the termination of the Commitments and the repayment, satisfaction or discharge of all the Borrower Obligations and the Servicer's obligations hereunder.

(j) Updates. Each Affected Person agrees that if any form or certification it previously delivered pursuant to this Section 4.03 expires or becomes obsolete or inaccurate in any respect, it shall update such form or certification or promptly notify the Borrower and the Administrative Agent in writing of its legal inability to do so.

SECTION IV.4. Inability to Determine Rates; Changes in Legality.

(a) Subject to Section 4.06, if, on or prior to the first day of any Interest Period for any SOFR Loan:

(i) the Administrative Agent determines (which determination shall be conclusive and binding absent manifest error) that "Term SOFR" or "Daily Simple SOFR", as applicable, cannot be determined pursuant to the definition thereof; or

(ii) the Majority Group Agents determine that for any reason in connection with any request for a SOFR Loan or a conversion thereto or a continuation thereof that Term SOFR or Daily Simple SOFR, as applicable, for any requested Interest Period with respect to a proposed SOFR Loan does not adequately and fairly reflect the cost to the applicable Lenders of making or maintaining such Loan, and the Majority Group Agents have provided notice of such determination to the Administrative Agent;

the Administrative Agent will promptly so notify the Borrower and each Lender.

Upon notice thereof by the Administrative Agent to the Borrower, any obligation of the Lenders to make SOFR Loans, and any right of the Borrower to continue SOFR Loans or to convert Base Rate Loans to SOFR Loans, shall be suspended (to the extent of the affected SOFR Loans or affected Interest Periods) until the Administrative Agent (with respect to clause (ii), at the instruction of the Majority Group Agents) revokes such notice. Upon receipt of such notice, (i) the Borrower may revoke any pending Loan Request for a borrowing of, conversion to or continuation of SOFR Loans (to the extent of the affected SOFR Loans or affected Interest Periods) or, failing that, the Borrower will be deemed to have converted any such Loan Request into a request for a Loan of or conversion to Base Rate Loans in the amount specified therein and (ii) any outstanding affected SOFR Loans will be deemed to have been converted into Base Rate Loans at the end of the applicable Interest Period. Upon any such conversion, the Borrower shall also pay accrued interest on the amount so converted, together with any additional amounts required pursuant to Section 4.02. Subject to Section 4.06, if the Administrative Agent determines (which determination shall be conclusive and binding absent manifest error) that “Term SOFR” or “Daily Simple SOFR”, as applicable, cannot be determined pursuant to the definition thereof on any given day, the interest rate on Base Rate Loans shall be determined by the Administrative Agent without reference to clause (c) of the definition of “Base Rate” until the Administrative Agent revokes such determination.

(b) If any Lender determines that any Applicable Law has made it unlawful, or that any Governmental Authority has asserted that it is unlawful, for any Lender or its applicable lending office to make, maintain or fund Loans whose interest is determined by reference to SOFR, the Term SOFR Reference Rate, Term SOFR or Daily Simple SOFR, or to determine or charge interest based upon Daily Simple SOFR, SOFR, the Term SOFR Reference Rate or Term SOFR, then, upon notice thereof by such Lender to the Borrower (through the Administrative Agent) (an “Illegality Notice”), (a) any obligation of the Lenders to make SOFR Loans, and any right of the Borrower to continue SOFR Loans or to convert Base Rate Loans to SOFR Loans, shall be suspended, and (b) the interest rate on which Base Rate Loans shall, if necessary to avoid such illegality, be determined by the Administrative Agent without reference to clause (c) of the definition of “Base Rate”, in each case until each affected Lender notifies the Administrative Agent and the Borrower that the circumstances giving rise to such determination no longer exist. Upon receipt of an Illegality Notice, the Borrower shall, if necessary to avoid such illegality, upon demand from any Lender (with a copy to the Administrative Agent), prepay or, if applicable, convert all SOFR Loans to Base Rate Loans (the interest rate on which Base Rate Loans shall, if necessary to avoid such illegality, be determined by the Administrative Agent without reference to clause (c) of the definition of “Base Rate”), on the last day of the Interest Period therefor, if all affected Lenders may lawfully continue to maintain such SOFR Loans to such day, or immediately, if any Lender may not lawfully continue to maintain such SOFR Loans to such day, in each case until the Administrative Agent is advised in writing by each affected Lender that it is no longer illegal for such Lender to determine or charge interest rates based upon Daily Simple SOFR, SOFR, the Term SOFR Reference Rate or Term SOFR. Upon any such prepayment or conversion, the Borrower shall also pay accrued interest on the

amount so prepaid or converted, together with any additional amounts required pursuant to Section 4.02.

SECTION IV.5. Security Interest.

(a) As security for the performance by the Borrower of all the terms, covenants and agreements on the part of the Borrower to be performed under this Agreement or any other Transaction Document, including the punctual payment when due of the Aggregate Capital and all Interest in respect of the Loans and all other Borrower Obligations, the Borrower undertakes to grant and hereby grants to the Administrative Agent for its benefit and the ratable benefit of the Secured Parties, a continuing security interest in, all of the Borrower's right, title and interest in, to and under all of the following, whether now or hereafter owned, existing or arising (collectively, the "Collateral"): (i) all Pool Receivables, (ii) all Related Security with respect to such Pool Receivables, (iii) all Collections with respect to such Pool Receivables, (iv) the Lock-Boxes and Collection Accounts and all amounts on deposit therein, and all certificates and instruments, if any, from time to time evidencing such Lock-Boxes and Collection Accounts and amounts on deposit therein, (v) all rights (but none of the obligations) of the Borrower under the Purchase and Contribution Agreement, (vi) all goods (including inventory, equipment and any accessions thereto), instruments (including promissory notes), documents, accounts, chattel paper (whether tangible or electronic), deposit accounts, securities accounts, securities entitlements, letter-of-credit rights, commercial tort claims, securities and all other investment property, supporting obligations, money, any other contract rights or rights to the payment of money, insurance claims and proceeds, and all general intangibles (including all payment intangibles) (each as defined in the UCC), (vii) all other personal and fixture property or assets of the Borrower of every kind and nature and (viii) all proceeds of, and all amounts received or receivable under any or all of, the foregoing.

(b) The Administrative Agent (for the benefit of the Secured Parties) shall have, with respect to all the Collateral, and in addition to all the other rights and remedies available to the Administrative Agent (for the benefit of the Secured Parties), all the rights and remedies of a secured party under any applicable UCC and all other Applicable Law. The Borrower hereby authorizes the Administrative Agent to file financing statements and any other applicable filings in any applicable jurisdiction describing as the collateral covered thereby as "all of the debtor's personal property or assets" or words to that effect, notwithstanding that such wording may be broader in scope than the collateral described in this Agreement.

(c) Immediately upon the occurrence of the Final Payout Date, the Collateral shall be automatically released from the lien created hereby, and this Agreement and all obligations (other than those expressly stated to survive such termination) of the Administrative Agent, the Lenders and the other Credit Parties hereunder shall terminate, all without delivery of any instrument or performance of any act by any party, and all rights to the Collateral shall revert to the Borrower; provided, however, that promptly following written request therefor by the Borrower delivered to the Administrative Agent following any such termination, and at the expense of the Borrower, the Administrative Agent shall execute and deliver to the Borrower

UCC-3 termination statements and such other documents as the Borrower shall reasonably request to evidence such termination.

SECTION IV.6. Benchmark Replacement Setting.

(a) Benchmark Replacement. Notwithstanding anything to the contrary herein or in any other Transaction Document, upon the occurrence of a Benchmark Transition Event, the Administrative Agent and the Borrower may amend this Agreement to replace the then-current Benchmark with a Benchmark Replacement. Any such amendment with respect to a Benchmark Transition Event will become effective at 5:00 p.m. (New York City time) on the fifth (5th) Business Day after the Administrative Agent has posted such proposed amendment to all affected Lenders and the Borrower so long as the Administrative Agent has not received, by such time, written notice of objection to such amendment from the Majority Group Agents. No replacement of a Benchmark with a Benchmark Replacement pursuant to this Section 4.06(a) will occur prior to the applicable Benchmark Transition Start Date.

(b) Benchmark Replacement Conforming Changes. In connection with the use, administration, adoption or implementation of a Benchmark Replacement, the Administrative Agent will have the right, after consultation with the Borrower, to make Conforming Changes from time to time and, notwithstanding anything to the contrary herein or in any other Transaction Document, any amendments implementing such Conforming Changes will become effective without any further action or consent of any other party to this Agreement or any other Transaction Document.

(c) Notices; Standards for Decisions and Determinations. The Administrative Agent will promptly notify the Borrower and the Lenders of (i) the implementation of any Benchmark Replacement and (ii) the effectiveness of any Conforming Changes in connection with the use, administration, adoption or implementation of a Benchmark Replacement. The Administrative Agent will notify the Borrower of (x) the removal or reinstatement of any tenor of a Benchmark pursuant to clause (d) below and (y) the commencement of any Benchmark Unavailability Period. Any determination, decision or election that may be made by the Administrative Agent or, if applicable, any Lender (or group of Lenders) pursuant to this Section 4.06, including any determination with respect to a tenor, rate or adjustment or of the occurrence or non-occurrence of an event, circumstance or date and any decision to take or refrain from taking any action or any selection, will be conclusive and binding absent manifest error and may be made in its or their sole discretion and without consent from any other party to this Agreement or any other Transaction Document, except, in each case, as expressly required pursuant to this Section 4.06.

(d) Unavailability of Tenor of Benchmark. Notwithstanding anything to the contrary herein or in any other Transaction Document, at any time (including in connection with the implementation of a Benchmark Replacement), (i) if the then-current Benchmark is a term rate (including the Term SOFR Reference Rate) and either (A) any tenor for such Benchmark is not displayed on a screen or other information service that publishes such rate from time to time as selected by the Administrative Agent in its reasonable discretion or (B) the regulatory supervisor for the administrator of such Benchmark has provided a public statement or

publication of information announcing that any tenor for such Benchmark is not or will not be representative, then the Administrative Agent may, after consultation with the Borrower, modify the definition of “Interest Period” (or any similar or analogous definition) for any Benchmark settings at or after such time to remove such unavailable or non-representative tenor and (ii) if a tenor that was removed pursuant to clause (a) above either (A) is subsequently displayed on a screen or information service for a Benchmark (including a Benchmark Replacement) or (B) is not, or is no longer, subject to an announcement that it is not or will not be representative for a Benchmark (including a Benchmark Replacement), then the Administrative Agent may, after consultation with the Borrower, modify the definition of “Interest Period” (or any similar or analogous definition) for all Benchmark settings at or after such time to reinstate such previously removed tenor.

(e) Benchmark Unavailability Period. Upon the Borrower’s receipt of notice of the commencement of a Benchmark Unavailability Period, the Borrower may revoke any pending request for a SOFR Loan, conversion to or continuation of SOFR Loans to be made, converted or continued during any Benchmark Unavailability Period and, failing that, the Borrower will be deemed to have converted any such request into a Loan Request for a borrowing of or conversion to a Base Rate Loan. During a Benchmark Unavailability Period or at any time that a tenor for the then-current Benchmark is not an Available Tenor, the component of the Base Rate based upon the then-current Benchmark or such tenor for such Benchmark, as applicable, will not be used in any determination of the Base Rate.

(f) Rates. The Administrative Agent does not warrant or accept responsibility for, and shall not have any liability with respect to (a) the continuation of, administration of, submission of, calculation of or any other matter related to Base Rate, the Term SOFR Reference Rate or Term SOFR, or any component definition thereof or rates referred to in the definition thereof, or any alternative, successor or replacement rate thereto (including any Benchmark Replacement), including whether the composition or characteristics of any such alternative, successor or replacement rate (including any Benchmark Replacement) will be similar to, or produce the same value or economic equivalence of, or have the same volume or liquidity as, Base Rate, the Term SOFR Reference Rate, Term SOFR or any other Benchmark prior to its discontinuance or unavailability, or (b) the effect, implementation or composition of any Conforming Changes. The Administrative Agent and its affiliates or other related entities may engage in transactions that affect the calculation of the Base Rate, the Term SOFR Reference Rate, Term SOFR, any alternative, successor or replacement rate (including any Benchmark Replacement) or any relevant adjustments thereto, in each case, in a manner adverse to the Borrower. The Administrative Agent may select information sources or services in its reasonable discretion to ascertain Base Rate, the Term SOFR Reference Rate, Term SOFR or any other Benchmark, in each case pursuant to the terms of this Agreement, and shall have no liability to the Borrower, any Lender or any other person or entity for damages of any kind, including direct or indirect, special, punitive, incidental or consequential damages, costs, losses or expenses (whether in tort, contract or otherwise and whether at law or in equity), for any error or calculation of any such rate (or component thereof) provided by any such information source or service.

(g) Certain Defined Terms. As used in this Section 4.06:

“Available Tenor” means, as of any date of determination and with respect to the then-current Benchmark, as applicable, (x) if such Benchmark is a term rate, any tenor for such Benchmark (or component thereof) that is or may be used for determining the length of an interest period pursuant to this Agreement or (y) otherwise, any payment period for interest calculated with reference to such Benchmark (or component thereof) that is or may be used for determining any frequency of making payments of interest calculated with reference to such Benchmark pursuant to this Agreement, in each case, as of such date and not including, for the avoidance of doubt, any tenor for such Benchmark that is then-removed from the definition of “Interest Period” pursuant to clause (d) of this Section 4.06.

“Benchmark” means, initially, the Term SOFR Reference Rate; provided that if a Benchmark Transition Event has occurred with respect to the Term SOFR Reference Rate or the then-current Benchmark, then “Benchmark” means the applicable Benchmark Replacement to the extent that such Benchmark Replacement has replaced such prior benchmark rate pursuant to clause (a) of this Section 4.06.

“Benchmark Replacement” means, with respect to any Benchmark Transition Event, the sum of: (a) the alternate benchmark rate that has been selected by the Administrative Agent and the Borrower giving due consideration to (i) any selection or recommendation of a replacement benchmark rate or the mechanism for determining such a rate by the Relevant Governmental Body or (ii) any evolving or then-prevailing market convention for determining a benchmark rate as a replacement to the then-current Benchmark for U.S. Dollar-denominated syndicated credit facilities at such time and (b) the related Benchmark Replacement Adjustment; provided that, if such Benchmark Replacement as so determined would be less than the Floor, such Benchmark Replacement will be deemed to be the Floor for the purposes of this Agreement and the other Transaction Documents.

“Benchmark Replacement Adjustment” means, with respect to any replacement of the then-current Benchmark with an Unadjusted Benchmark Replacement, the spread adjustment, or method for calculating or determining such spread adjustment, (which may be a positive or negative value or zero) that has been selected by the Administrative Agent and the Borrower giving due consideration to (a) any selection or recommendation of a spread adjustment, or method for calculating or determining such spread adjustment, for the replacement of such Benchmark with the applicable Unadjusted Benchmark Replacement by the Relevant Governmental Body or (b) any evolving or then-prevailing market convention for determining a spread adjustment, or method for calculating or determining such spread adjustment, for the replacement of such Benchmark with the applicable Unadjusted Benchmark Replacement for U.S. Dollar-denominated syndicated credit facilities at such time.

“Benchmark Replacement Date” means the earliest to occur of the following events with respect to the then-current Benchmark:

- (1) in the case of clause (1) or (2) of the definition of “Benchmark Transition Event,” the later of (a) the date of the public statement or publication of information referenced therein and (b) the date on which the administrator of such Benchmark (or the published component used in the calculation thereof) permanently or indefinitely ceases to provide all Available Tenors of such Benchmark (or such component thereof); or
- (2) in the case of clause (3) of the definition of “Benchmark Transition Event”, the first date on which such Benchmark (or the published component used in the calculation thereof) has been determined and announced by the regulatory supervisor for the administrator of such Benchmark (or such component thereof) to be non-representative; provided that such non-representativeness will be determined by reference to the most recent statement or publication referenced in such clause (3) and even if any Available Tenor of such Benchmark (or such component thereof) continues to be provided on such date.

For the avoidance of doubt, the “Benchmark Replacement Date” will be deemed to have occurred in the case of clause (1) or (2) with respect to any Benchmark upon the occurrence of the applicable event or events set forth therein with respect to all then-current Available Tenors of such Benchmark (or the published component used in the calculation thereof).

“Benchmark Transition Event” means the occurrence of one or more of the following events with respect to the then-current Benchmark:

- (1) a public statement or publication of information by or on behalf of the administrator of such Benchmark (or the published component used in the calculation thereof) announcing that such administrator has ceased or will cease to provide all Available Tenors of such Benchmark (or such component thereof), permanently or indefinitely; provided that, at the time of such statement or publication, there is no successor administrator that will continue to provide any Available Tenor of such Benchmark (or such component thereof);
- (2) a public statement or publication of information by the regulatory supervisor for the administrator of such Benchmark (or the published component used in the calculation thereof), the Federal Reserve Board, the Federal Reserve Bank of New York, an insolvency official with jurisdiction over the administrator for such Benchmark (or such component), a resolution authority with jurisdiction over the administrator for such Benchmark (or such component) or a court or an entity with similar insolvency or resolution authority over the administrator for such Benchmark (or such component), which states that the administrator of such Benchmark (or such component) has ceased or will cease to provide all Available Tenors of such Benchmark (or such component thereof) permanently or indefinitely; provided that, at the time of such statement or publication, there is no successor administrator that will continue to provide any Available Tenor of such Benchmark (or such component thereof); or
- (3) a public statement or publication of information by the regulatory supervisor for the administrator of such Benchmark (or the published component used in the calculation thereof) announcing that all Available Tenors of such Benchmark (or such component thereof) are not, or as of a specified future date will not be, representative.

For the avoidance of doubt, a “Benchmark Transition Event” will be deemed to have occurred with respect to any Benchmark if a public statement or publication of information set forth above has occurred with respect to each then-current Available Tenor of such Benchmark (or the published component used in the calculation thereof).

“Benchmark Transition Start Date” means, in the case of a Benchmark Transition Event, the earlier of (a) the applicable Benchmark Replacement Date and (b) if such Benchmark Transition Event is a public statement or publication of information of a prospective event, the 90th day prior to the expected date of such event as of such public statement or publication of information (or if the expected date of such prospective event is fewer than 90 days after such statement or publication, the date of such statement or publication).

“Benchmark Unavailability Period” means, the period (if any) (a) beginning at the time that a Benchmark Replacement Date has occurred if, at such time, no Benchmark Replacement has replaced the then-current Benchmark for all purposes hereunder and under any Transaction Document in accordance with this Section 4.06 and (b) ending at the time that a Benchmark Replacement has replaced the then-current Benchmark for all purposes hereunder and under any Transaction Document in accordance with this Section 4.06.

The Borrower shall only terminate a Collection Account Bank or close a Collection Account (or a related Lock-Box), in each case, with the prior written consent of the Administrative Agent. The Borrower shall at its expense, timely and fully perform and comply in all material respects with all provisions, covenants and other promises required to be observed by it under the Contracts related to the Pool Receivables, and timely and fully comply with the Credit and Collection Policy with regard to each Pool Receivable and the related Contract in all material respects.

(k) Change in Credit and Collection Policy. The Borrower will not make any material change in the Credit and Collection Policy without the prior written consent of the Administrative Agent and the Majority Group Agents. Promptly following any material change in the Credit and Collection Policy, the Borrower will deliver a copy of the updated Credit and Collection Policy to the Administrative Agent and each Lender.

(l) Fundamental Changes. The Borrower shall not, without the prior written consent of the Administrative Agent and the Majority Group Agents, (i) permit itself (x) to merge or consolidate with or into, or convey, transfer, lease or otherwise dispose of (whether in one transaction or in a series of transactions) all or substantially all of its assets (whether now owned or hereafter acquired) to, any Person or (y) to be directly owned by any Person other than with respect to the Borrower, an Originator or (ii) undertake any division of its rights, assets, obligations, or liabilities pursuant to a plan of division or otherwise pursuant to Applicable Law.

A photocopy or other reproduction of this Agreement shall be sufficient as a financing statement where permitted by law.

(iii) The Borrower will not change its name, location, identity or corporate structure unless (x) the Borrower, at its own expense, shall have taken all action

(x) Transaction Information. None of the Borrower, any Affiliate of the Borrower or any third party with which the Borrower or any Affiliate thereof has contracted, shall deliver, in writing or orally, to any Rating Agency, any Transaction Information without providing such Transaction Information to the applicable Group Agent prior to delivery to such Rating Agency and will not participate in any oral communications with respect to Transaction Information with any Rating Agency without the participation of such Group Agent.

The Servicer shall not permit funds other than Collections on Pool Receivables and other Collateral to be deposited into any Collection Account. If such funds are nevertheless deposited into any Collection Account, the Servicer will within two (2) Business Days after receipt transfer such funds to the appropriate Person entitled to such funds. (n) Further Assurances; Change in Name or Jurisdiction of Origination, etc. The Servicer hereby authorizes and hereby agrees from time to time, at its own expense, promptly to execute (if necessary) and deliver all further instruments and documents, and to take all further actions, that may be necessary or desirable, or that the Administrative Agent may reasonably request, to perfect, protect or more fully evidence the security interest granted pursuant to this Agreement or any other Transaction Document, or to enable the Administrative Agent (on behalf of the Secured Parties) to exercise and enforce the Secured Parties' rights and remedies under this Agreement and the other Transaction Document. Without limiting the foregoing, the Servicer hereby authorizes, and will, upon the request of the Administrative Agent, at the Servicer's own expense, execute (if necessary) and file such financing statements or continuation statements, or amendments thereto, and such other instruments and documents, that may be necessary or desirable, or that the Administrative Agent may reasonably request, to perfect, protect or evidence any of the foregoing.

(t) Evading and Avoiding. The Servicer will not engage in, or permit any of its Subsidiaries, Affiliates or any director, officer, employee, agent or other Person acting on behalf of the Servicer or any of its Subsidiaries in any capacity in connection with or directly benefitting from the Agreement to engage in, or to conspire to engage in, any transaction that evades or avoids, or has the purpose of evading or avoiding, or attempts to violate, any of the prohibitions set forth in any Anti-Corruption Laws, Anti-Money Laundering Laws and Sanctions.

(u) Use of Proceeds. Traeger shall not directly or indirectly (including any amounts representing the purchase price paid to Traeger by the Borrower for Receivables under the Purchase and Sale Agreement) use any proceeds of Loans to make any substantially concurrent “Restricted Payments” (as defined in the First Lien Credit Agreement) to any Person.

SECTION VII.3. Separate Existence of the Borrower. Each of the Borrower and the Servicer hereby acknowledges that the Secured Parties, the Group Agents and the Administrative Agent are entering into the transactions contemplated by this Agreement and the other Transaction Documents in reliance upon the Borrower’s identity as a legal entity separate from any other Traeger Party and their Affiliates. Therefore, the Borrower and Servicer shall take all steps specifically required by this Agreement or reasonably required by the Administrative Agent or any Group Agent to continue the Borrower’s identity as a separate legal entity and to make it apparent to third Persons that the Borrower is an entity with assets and liabilities distinct from those of any other Traeger Party and any other Person, and is not a division of any Traeger Party or any of its Affiliates or any other Person. Without limiting the generality of the foregoing and in addition to and consistent with the other covenants set forth herein, the Borrower and the Servicer shall take such actions as shall be required in order that:

The Borrower shall (A) give written notice to the Administrative Agent of the election or appointment, or proposed election or appointment, of a new Independent Director of the Borrower, which notice shall be given not later than ten (10) Business Days prior to the date such appointment or election would be effective (except when such election or appointment is necessary to fill a vacancy caused by the death, disability, or incapacity of the existing Independent Director, or the failure of such Independent Director to satisfy the criteria for an Independent Director set forth in the Borrower's Organizational Documents, in which case the Borrower shall provide written notice of such election or appointment within one (1) Business Day) and (B) with any such written notice, certify to the Administrative Agent that the Independent Director satisfies such criteria for an Independent Director.

The Borrower's Organizational Documents shall provide that, among other things: (A) the Borrower's board of directors shall not approve, or take any other action to cause the filing of, a voluntary bankruptcy petition with respect to the Borrower unless the Independent Director shall approve the taking of such action in writing before the taking of such action and (B) such provision and each other provision requiring an Independent Director cannot be amended without the prior written consent of the Independent Director.

No Independent Director shall at any time serve as a trustee in bankruptcy for any Traeger Party or any of their respective Affiliates.

The Borrower shall maintain its Organizational Documents in conformity with this Agreement, such that it does not amend, restate, supplement or otherwise modify its ability to comply with the terms and provisions of any of the Transaction Documents, including, without limitation, Section 7.01(q).

(e) Conduct of Business. The Borrower shall conduct its affairs strictly in accordance with its Organizational Documents and observe all necessary, appropriate and customary company formalities, including, but not limited to, holding all regular and special members' and board of directors' meetings appropriate to authorize all company action, keeping separate and accurate minutes of its meetings, passing all resolutions or consents necessary to authorize actions taken or to be taken, and maintaining accurate and separate books, records and accounts, including, but not limited to, payroll and intercompany transaction accounts.

(f) Employees. The Borrower shall not have any employees.

(g) Compensation. Any employee, consultant or agent of the Borrower will be compensated from the Borrower's funds for services provided to the Borrower, and to the extent that the Borrower shares the same officers or other employees as the Servicer (or any other Affiliate thereof), the salaries and expenses relating to providing benefits to such officers and other employees shall be fairly allocated among such entities, and each such entity shall bear its fair share of the salary and benefit costs associated with such common officers and employees. The Borrower will not engage any agents other than its attorneys, auditors and other professionals, and a servicer and any other agent contemplated by the Transaction Documents for the Receivables Pool, which servicer will be fully compensated for its services by payment of the Servicing Fee.

(h) Servicing and Costs. The Borrower will contract with the Servicer to perform for the Borrower all operations required on a daily basis to service the Receivables Pool. The Borrower will not incur any indirect or overhead expenses for items shared with the Servicer (or any other Affiliate thereof) that are not reflected in the Servicing Fee. To the extent, if any, that the Borrower (or any Affiliate thereof) shares items of expenses not reflected in the Servicing Fee, such as legal, auditing and other professional services, such expenses will be allocated to the extent practical on the basis of actual use or the value of services rendered, and otherwise on a basis reasonably related to the actual use or the value of services rendered.

(i) Operating Expenses. The Borrower shall pay its operating expenses and liabilities from its own assets.

(j) Stationery. The Borrower will use, to the extent used, separate stationery, invoices and checks.

(k) Books and Records. The Borrower's books and records will be maintained separately from those of the other Traeger Parties and any of their Affiliates and in a manner such that it will not be difficult or costly to segregate, ascertain or otherwise identify the assets and liabilities of the Borrower.

(l) Disclosure of Transactions. All financial statements of the Traeger Parties or any Affiliate thereof that are consolidated to include the Borrower will disclose that (i) the Borrower's sole business consists of the purchase or acceptance through capital contributions of the Receivables and Related Rights from the Originators and the subsequent retransfer of or granting of a security interest in such Receivables and Related Rights to the Administrative Agent pursuant to this Agreement, (ii) the Borrower is a separate legal entity with its own separate creditors who will be entitled, upon its liquidation, to be satisfied out of the Borrower's assets prior to any assets or value in the Borrower becoming available to the Borrower's equity holders and (iii) the assets of the Borrower are not available to pay creditors of the other Traeger Parties or any Affiliate thereof.

(m) Segregation of Assets. The Borrower's assets will be maintained in a manner that facilitates their identification and segregation from those of the other Traeger Parties or any Affiliates thereof.

(n) Corporate Formalities. The Borrower will strictly observe limited liability company formalities in its dealings with the Servicer, the Parent, the Originators or any Affiliates thereof, and funds or other assets of the Borrower will not be commingled with those of the Servicer, the Parent, the Originators or any Affiliates thereof except as permitted by this Agreement in connection with servicing the Pool Receivables. The Borrower shall not maintain joint bank accounts or other depository accounts to which the Servicer, the Parent, the Originators or any Affiliate thereof (other than the Servicer solely in its capacity as such) has independent access. The Borrower is not named, and the Borrower has not entered into any agreement to be named, directly or indirectly, as a direct or contingent beneficiary or loss payee on any insurance policy with respect to any loss relating to the property of the Servicer, the Parent, the Originators or any Subsidiaries or other Affiliates thereof. The Borrower will pay to the appropriate Affiliate the marginal increase or, in the absence of such increase, the market amount of its portion of the premium payable with respect to any insurance policy that covers the Borrower and such Affiliate.

(o) Arm's-Length Relationships. The Borrower will maintain arm's-length relationships with each of the other Traeger Parties and any Affiliates thereof. Any Person that renders or otherwise furnishes services to the Borrower will be compensated by the Borrower at market rates for such services it renders or otherwise furnishes to the Borrower. Neither the Borrower on the one hand, nor any other Traeger Party or any Affiliate thereof, on the other

hand, will be or will hold itself out to be responsible for the debts of the other or the decisions or actions respecting the daily business and affairs of the other. Each Traeger Party and their respective Affiliates will immediately correct any known misrepresentation with respect to the foregoing, and they will not operate or purport to operate as an integrated single economic unit with respect to each other or in their dealing with any other entity.

(p) Allocation of Overhead. To the extent that Borrower, on the one hand, and each of the other Traeger Parties or any Affiliate thereof, on the other hand, have offices in the same location, there shall be a fair and appropriate allocation of overhead costs between them, and the Borrower shall bear its fair share of such expenses, which may be paid through the Servicing Fee or otherwise.

ARTICLE VIII

ADMINISTRATION AND COLLECTION OF RECEIVABLES

SECTION VIII.1. Appointment of the Servicer.

(a) The servicing, administering and collection of the Pool Receivables shall be conducted by the Person so designated from time to time as the Servicer in accordance with this Section 8.01. Until the Administrative Agent gives notice to Traeger (in accordance with this Section 8.01) of the designation of a new Servicer, Traeger is hereby designated as, and hereby agrees to perform the duties and obligations of, the Servicer pursuant to the terms hereof. Upon the occurrence of an Event of Default, the Administrative Agent may (with the consent of the Majority Group Agents) and shall (at the direction of the Majority Group Agents) designate as Servicer any Person (including itself) to succeed Traeger or any successor Servicer, on the condition in each case that any such Person so designated shall agree to perform the duties and obligations of the Servicer pursuant to the terms hereof.

(b) Upon the designation of a successor Servicer as set forth in clause (a) above, Traeger agrees that it will terminate its activities as Servicer hereunder in a manner that the Administrative Agent reasonably determines will facilitate the transition of the performance of such activities to the new Servicer, and Traeger shall cooperate with and assist such new Servicer. Such cooperation shall include access to and transfer of records (including all Contracts) related to Pool Receivables and use by the new Servicer of all licenses (or the obtaining of new licenses), hardware or software necessary or reasonably desirable to collect the Pool Receivables and the Related Security.

(c) Traeger acknowledges that, in making its decision to execute and deliver this Agreement, the Administrative Agent and each member in each Group have relied on Traeger's agreement to act as Servicer hereunder. Accordingly, Traeger agrees that it will not voluntarily resign as Servicer without the prior written consent of the Administrative Agent and the Majority Group Agents.

(d) The Servicer may delegate its duties and obligations hereunder to any subservicer (each a “Sub-Servicer”); provided, that, in each such delegation: (i) such Sub-Servicer shall agree in writing to perform the delegated duties and obligations of the Servicer pursuant to the terms hereof, (ii) the Servicer shall remain liable for the performance of the duties and obligations so delegated, (iii) the Borrower, the Administrative Agent, each Lender and each Group Agent shall have the right to look solely to the Servicer for performance, (iv) the terms of any agreement with any Sub-Servicer shall provide that the Administrative Agent may terminate such agreement upon the termination of the Servicer hereunder by giving notice of its desire to terminate such agreement to the Servicer (and the Servicer shall provide appropriate notice to each such Sub-Servicer) and (v) if such Sub-Servicer is not an Affiliate of the Parent, the Administrative Agent and the Majority Group Agents shall have consented in writing in advance to such delegation.

SECTION VIII.2. Duties of the Servicer.

(a) The Servicer shall take or cause to be taken all such action as may be necessary or reasonably advisable to service, administer and collect each Pool Receivable from time to time, all in accordance with this Agreement and all Applicable Laws, with reasonable care and diligence, and in accordance with the Credit and Collection Policy and consistent with the past practices of the Originators. The Servicer shall set aside, for the accounts of each Group, the amount of Collections to which each such Group is entitled in accordance with Article III hereof. The Servicer may, in accordance with the Credit and Collection Policy and consistent with past practices of the Originators, take such action, including modifications, waivers or restructurings of Pool Receivables and related Contracts, as the Servicer may reasonably determine to be appropriate to maximize Collections thereof or reflect adjustments expressly permitted under the Credit and Collection Policy or as expressly required under Applicable Laws or the applicable Contract; provided, that for purposes of this Agreement: (i) such action shall not, and shall not be deemed to, change the number of days such Pool Receivable has remained unpaid from the original due date or invoice date of such Pool Receivable, (ii) such action shall not alter the status of such Pool Receivable as a Delinquent Receivable or a Defaulted Receivable or limit the rights of any Secured Party under this Agreement or any other Transaction Document and (iii) if an Event of Default has occurred and is continuing, the Servicer may take such action only upon the prior written consent of the Administrative Agent. The Borrower shall deliver to the Servicer and the Servicer shall hold for the benefit of the Administrative Agent (individually and for the benefit of each Group), in accordance with their respective interests, all records and documents (including computer tapes or disks) with respect to each Pool Receivable. Notwithstanding anything to the contrary contained herein, if an Event of Default has occurred and is continuing, the Administrative Agent may direct the Servicer to commence or settle any legal action to enforce collection of any Pool Receivable that is a Defaulted Receivable or to foreclose upon or repossess any Related Security with respect to any such Defaulted Receivable.

(b) The Servicer shall, as soon as practicable following actual receipt of collected funds, turn over to the Borrower the collections of any indebtedness that is not a Pool Receivable, less, if Traeger or an Affiliate thereof is not the Servicer, all reasonable and

appropriate out-of-pocket costs and expenses of such Servicer of servicing, collecting and administering such collections. The Servicer, if other than Traeger or an Affiliate thereof, shall, as soon as practicable upon demand, deliver to the Borrower all records in its possession that evidence or relate to any indebtedness that is not a Pool Receivable, and copies of records in its possession that evidence or relate to any indebtedness that is a Pool Receivable.

(c) The Servicer's obligations hereunder shall terminate on the Final Payout Date. Promptly following the Final Payout Date, the Servicer shall deliver to the Borrower all books, records and related materials that the Borrower previously provided to the Servicer, or that have been obtained by the Servicer, in connection with this Agreement.

SECTION VIII.3. Collection Account. Prior to the Closing Date, the Borrower shall have entered into Collection Account Control Agreements with all of the Collection Account Banks and delivered executed counterparts of each to the Administrative Agent. Upon the occurrence and during the continuance of an Event of Default or a Level 1 Liquidity Shortfall, the Administrative Agent may (with the consent of the Majority Group Agents) and shall (upon the direction of the Majority Group Agents) at any time thereafter give notice to each Collection Account Bank that the Administrative Agent is exercising its rights under the Collection Account Control Agreements to do any or all of the following: (a) to have the exclusive dominion and control of the Collection Accounts transferred to the Administrative Agent (for the benefit of the Secured Parties) and to exercise exclusive dominion and control over the funds deposited therein (for the benefit of the Secured Parties), (b) to have the proceeds that are sent to the respective Collection Accounts redirected pursuant to the Administrative Agent's instructions rather than deposited in the applicable Collection Account and (c) to take any or all other actions permitted under the applicable Collection Account Control Agreement. The Borrower and the Servicer hereby agrees that if the Administrative Agent at any time takes any action set forth in the preceding sentence, the Administrative Agent shall have exclusive control (for the benefit of the Secured Parties) of the proceeds (including Collections) of all Pool Receivables and the Borrower and the Servicer hereby further agrees to take any other action and to cause each Originator to take any other action, in each case, that the Administrative Agent may reasonably request to transfer such control. Any proceeds of Pool Receivables received by the Borrower or the Servicer thereafter shall be sent immediately to, or as otherwise instructed by, the Administrative Agent.

SECTION VIII.4. Enforcement Rights.

(a) At any time following the occurrence and during the continuation of an Event of Default:

(i) the Administrative Agent (at the Borrower's expense) may direct the Obligors that payment of all amounts payable under any Pool Receivable is to be made directly to the Administrative Agent or its designee;

(ii) the Administrative Agent may instruct the Borrower or the Servicer to give notice of the Secured Parties' interest in Pool Receivables to each Obligor, which notice shall direct that payments be made directly to the Administrative

Agent or its designee (on behalf of the Secured Parties), and the Borrower or the Servicer, as the case may be, shall give such notice at the expense of the Borrower or the Servicer, as the case may be; provided, that if the Borrower or the Servicer, as the case may be, fails to so notify each Obligor within two (2) Business Days following instruction by the Administrative Agent, the Administrative Agent (at the Borrower's or the Servicer's, as the case may be, expense) may so notify the Obligors;

(iii) the Administrative Agent may request the Servicer to, and upon such request the Servicer shall: (A) assemble all of the records necessary or desirable to collect the Pool Receivables and the Related Security, and transfer or license to a successor Servicer the use of all software necessary or desirable to collect the Pool Receivables and the Related Security, and make the same available to the Administrative Agent or its designee (for the benefit of the Secured Parties) at a place selected by the Administrative Agent and (B) segregate all cash, checks and other instruments received by it from time to time constituting Collections in a manner reasonably acceptable to the Administrative Agent and, promptly upon receipt, remit all such cash, checks and instruments, duly endorsed or with duly executed instruments of transfer, to the Administrative Agent or its designee;

(iv) notify the Collection Account Banks that no Traeger Party will any longer have any access to the Collection Accounts;

(v) the Administrative Agent may (or, at the direction of the Majority Group Agents shall) replace the Person then acting as Servicer; and

(vi) the Administrative Agent may collect any amounts due from an Originator under the Purchase and Contribution Agreement or the Performance Guarantor under the Performance Guaranty.

For the avoidance of doubt, the foregoing rights and remedies of the Administrative Agent upon an Event of Default are in addition to and not exclusive of the rights and remedies contained herein and under the other Transaction Documents.

(a) The Borrower hereby authorizes the Administrative Agent (on behalf of the Secured Parties), and irrevocably appoints the Administrative Agent as its attorney-in-fact with full power of substitution and with full authority in the place and stead of the Borrower, which appointment is coupled with an interest, to take any and all steps in the name of the Borrower and on behalf of the Borrower necessary or desirable, in the reasonable determination of the Administrative Agent, after the occurrence and during the continuation of an Event of Default, to collect any and all amounts or portions thereof due under any and all Collateral, including endorsing the name of the Borrower on checks and other instruments representing Collections and enforcing such Collateral. Notwithstanding anything to the contrary contained in this subsection, none of the powers conferred upon such attorney-in-fact pursuant to the preceding sentence shall subject such attorney-in-fact to any liability if any action taken by it shall prove to be inadequate or invalid, nor shall they confer any obligations upon such attorney-in-fact in any manner whatsoever.

(b) The Servicer hereby authorizes the Administrative Agent (on behalf of the Secured Parties), and irrevocably appoints the Administrative Agent as its attorney-in-fact with full power of substitution and with full authority in the place and stead of the Servicer, which appointment is coupled with an interest, to take any and all steps in the name of the Servicer and on behalf of the Servicer necessary or desirable, in the reasonable determination of the Administrative Agent, after the occurrence and during the continuation of an Event of Default, to collect any and all amounts or portions thereof due under any and all Collateral, including endorsing the name of the Servicer on checks and other instruments representing Collections and enforcing such Collateral. Notwithstanding anything to the contrary contained in this subsection, none of the powers conferred upon such attorney-in-fact pursuant to the preceding sentence shall subject such attorney-in-fact to any liability if any action taken by it shall prove to be inadequate or invalid, nor shall they confer any obligations upon such attorney-in-fact in any manner whatsoever.

SECTION VIII.5. Responsibilities of the Borrower.

(a) Anything herein to the contrary notwithstanding, the Borrower shall: (i) perform all of its obligations, if any, under the Contracts related to the Pool Receivables to the same extent as if interests in such Pool Receivables had not been transferred hereunder, and the exercise by the Administrative Agent, or any other Credit Party of their respective rights hereunder shall not relieve the Borrower from such obligations and (ii) pay when due any Taxes, including any sales taxes, payable in connection with the Pool Receivables and their creation and satisfaction. None of the Credit Parties shall have any obligation or liability with respect to any Collateral, nor shall any of them be obligated to perform any of the obligations of the Borrower, the Servicer or any Originator thereunder.

(b) Traeger hereby irrevocably agrees that if at any time it shall cease to be the Servicer hereunder, it shall act (if the then-current Servicer so requests) as the data-processing agent of the Servicer and, in such capacity, Traeger shall conduct the data-processing functions of the administration of the Receivables and the Collections thereon in substantially the same way that Traeger conducted such data-processing functions while it acted as the Servicer. In connection with any such processing functions, the Borrower shall pay to Traeger its reasonable out-of-pocket costs and expenses from the Borrower's own funds (subject to the priority of payments set forth in Section 3.01).

SECTION VIII.6. Servicing Fee.

Accrued Servicing Fees shall be payable from Collections to the extent of available funds in accordance with Section 3.01(a).

reasonable costs and expenses incurred by such successor Servicer in connection with the performance of its obligations as Servicer hereunder.

The Administrative Agent shall not have any duties other than those expressly set forth in the Transaction Documents, and no implied obligations or liabilities shall be read into any Transaction Document, or otherwise exist, against the Administrative Agent. The Administrative Agent does not assume, nor shall it be deemed to have assumed, any obligation to, or relationship of trust or agency with, the Borrower or any Affiliate thereof or any Credit Party except for any obligations expressly set forth herein. Notwithstanding any provision of this Agreement or any other Transaction Document, in no event shall the Administrative Agent ever be required to take any action which exposes the Administrative Agent to personal liability or which is contrary to any provision of any Transaction Document or Applicable Law.

SECTION X.2. Administrative Agent's Reliance, Etc. Neither the Administrative Agent nor any of its directors, officers, agents or employees shall be liable for any action taken or omitted to be taken by it or them as Administrative Agent under or in connection with this Agreement (including, without limitation, the Administrative Agent's servicing, administering or collecting Pool Receivables in the event it replaces the Servicer in such capacity pursuant to Section 8.01), in the absence of its or their own gross negligence or willful misconduct. Without limiting the generality of the foregoing, the Administrative Agent: (a) may consult with legal counsel (including counsel for any Credit Party or the Servicer), independent certified public accountants and other experts selected by it and shall not be liable for any action taken or omitted to be taken in good faith by it in accordance with the advice of such counsel, accountants or

SECTION X.3. Administrative Agent and Affiliates. With respect to any Credit Extension or interests therein owned by any Credit Party that is also the Administrative Agent, such Credit Party shall have the same rights and powers under this Agreement as any other Credit Party and may exercise the same as though it were not the Administrative Agent. The Administrative Agent and any of its Affiliates may generally engage in any kind of business with the Borrower or any Affiliate thereof and any Person who may do business with or own securities of the Borrower or any Affiliate thereof, all as if the Administrative Agent were not the Administrative Agent hereunder and without any duty to account therefor to any other Secured Party.

SECTION X.4. Indemnification of Administrative Agent. Each Committed Lender agrees to indemnify the Administrative Agent (to the extent not reimbursed by the Borrower or any Affiliate thereof), ratably according to the respective Percentage of such Committed Lender, from and against any and all liabilities, obligations, losses, damages, penalties, actions, judgments, suits, costs, expenses or disbursements of any kind or nature whatsoever which may be imposed on, incurred by, or asserted against the Administrative Agent in any way relating to or arising out of this Agreement or any other Transaction Document or any action taken or omitted by the Administrative Agent under this Agreement or any other Transaction Document; provided that no Committed Lender shall be liable for any portion of such liabilities, obligations, losses, damages, penalties, actions, judgments, suits, costs, expenses or disbursements resulting from the Administrative Agent's gross negligence or willful misconduct.

SECTION X.5. Delegation of Duties. The Administrative Agent may execute any of its duties through agents or attorneys-in-fact and shall be entitled to advice of counsel concerning all matters pertaining to such duties. The Administrative Agent shall not be responsible for the negligence or misconduct of any agents or attorneys-in-fact selected by it with reasonable care.

SECTION X.6. Action or Inaction by Administrative Agent. The Administrative Agent shall in all cases be fully justified in failing or refusing to take action under any Transaction Document unless it shall first receive such advice or concurrence of the Group Agents or the Majority Group Agents, as the case may be, and assurance of its indemnification

by the Committed Lenders, as it deems appropriate. The Administrative Agent shall in all cases be fully protected in acting, or in refraining from acting, under this Agreement or any other Transaction Document in accordance with a request or at the direction of the Group Agents or the Majority Group Agents, as the case may be, and such request or direction and any action taken or failure to act pursuant thereto shall be binding upon all Credit Parties. The Credit Parties and the Administrative Agent agree that unless any action to be taken by the Administrative Agent under a Transaction Document (i) specifically requires the advice or concurrence of all Group Agents or (ii) may be taken by the Administrative Agent alone or without any advice or concurrence of any Group Agent, then the Administrative Agent may take action based upon the advice or concurrence of the Majority Group Agents.

SECTION X.7. Notice of Events of Default; Action by Administrative Agent. The Administrative Agent shall not be deemed to have knowledge or notice of the occurrence of any Unmatured Event of Default or Event of Default unless the Administrative Agent has received notice from any Credit Party or the Borrower stating that an Unmatured Event of Default or Event of Default has occurred hereunder and describing such Unmatured Event of Default or Event of Default. If the Administrative Agent receives such a notice, it shall promptly give notice thereof to each Group Agent, whereupon each Group Agent shall promptly give notice thereof to its respective Conduit Lender(s) and Related Committed Lender(s). The Administrative Agent may (but shall not be obligated to) take such action, or refrain from taking such action, concerning an Unmatured Event of Default or Event of Default or any other matter hereunder as the Administrative Agent deems advisable and in the best interests of the Secured Parties.

SECTION X.8. Non-Reliance on Administrative Agent and Other Parties. Each Credit Party expressly acknowledges that neither the Administrative Agent nor any of its directors, officers, agents or employees has made any representations or warranties to it and that no act by the Administrative Agent hereafter taken, including any review of the affairs of the Borrower or any Affiliate thereof, shall be deemed to constitute any representation or warranty by the Administrative Agent. Each Credit Party represents and warrants to the Administrative Agent that, independently and without reliance upon the Administrative Agent or any other Credit Party and based on such documents and information as it has deemed appropriate, it has made and will continue to make its own appraisal of, and investigation into, the business, operations, property, prospects, financial and other conditions and creditworthiness of the Borrower, the Performance Guarantor, each Originator or the Servicer and the Pool Receivables and its own decision to enter into this Agreement and to take, or omit, action under any Transaction Document. Except for items expressly required to be delivered under any Transaction Document by the Administrative Agent to any Credit Party, the Administrative Agent shall not have any duty or responsibility to provide any Credit Party with any information concerning the Borrower, the Performance Guarantor, any Originator or the Servicer that comes into the possession of the Administrative Agent or any of its directors, officers, agents, employees, attorneys-in-fact or Affiliates.

SECTION X.9. Successor Administrative Agent.

(a) The Administrative Agent may, upon at least thirty (30) days' notice to the Borrower, the Servicer and each Group Agent, resign as Administrative Agent. Except as provided below, such resignation shall not become effective until a successor Administrative Agent is appointed by the Majority Group Agents as a successor Administrative Agent and has accepted such appointment. If no successor Administrative Agent shall have been so appointed by the Majority Group Agents, within thirty (30) days after the departing Administrative Agent's giving of notice of resignation, the departing Administrative Agent may, on behalf of the Secured Parties, appoint a successor Administrative Agent as successor Administrative Agent. If no successor Administrative Agent shall have been so appointed by the Majority Group Agents within sixty (60) days after the departing Administrative Agent's giving of notice of resignation, the departing Administrative Agent may, on behalf of the Secured Parties, petition a court of competent jurisdiction to appoint a successor Administrative Agent.

(b) Upon such acceptance of its appointment as Administrative Agent hereunder by a successor Administrative Agent, such successor Administrative Agent shall succeed to and become vested with all the rights and duties of the resigning Administrative Agent, and the resigning Administrative Agent shall be discharged from its duties and obligations under the Transaction Documents. After any resigning Administrative Agent's resignation hereunder, the provisions of this Article X and Article XII shall inure to its benefit as to any actions taken or omitted to be taken by it while it was the Administrative Agent.

SECTION X.10. Erroneous Payments.

(a) If the Administrative Agent notifies a Lender or Secured Party, or any Person who has received funds on behalf of a Lender or Secured Party such Lender (any such Lender, Secured Party or other recipient, a "***Payment Recipient***") that the Administrative Agent has determined in its sole discretion (whether or not after receipt of any notice under immediately succeeding clause (b)) that any funds received by such Payment Recipient from the Administrative Agent or any of its Affiliates were erroneously transmitted to, or otherwise erroneously or mistakenly received by, such Payment Recipient (whether or not known to such Lender, Secured Party or other Payment Recipient on its behalf) (any such funds, whether received as a payment, prepayment or repayment of principal, interest, fees, distribution or otherwise, individually and collectively, an "***Erroneous Payment***") and demands the return of such Erroneous Payment (or a portion thereof), such Erroneous Payment shall at all times remain the property of the Administrative Agent and shall be segregated by the Payment Recipient and held in trust for the benefit of the Administrative Agent, and such Lender or Secured Party shall (or, with respect to any Payment Recipient who received such funds on its behalf, shall cause such Payment Recipient to) promptly, but in no event later than two Business Days thereafter, return to the Administrative Agent the amount of any such Erroneous Payment (or portion thereof) as to which such a demand was made, in same day funds (in the currency so received), together with interest thereon in respect of each day from and including the date such Erroneous Payment (or portion thereof) was received by such Payment Recipient to the date such amount is repaid to the Administrative Agent in same day funds at the greater of the Federal Funds Rate and a rate determined by the Administrative Agent in accordance with banking industry rules on

interbank compensation from time to time in effect. A notice of the Administrative Agent to any Payment Recipient under this clause (a) shall be conclusive, absent manifest error.

(b) Without limiting immediately preceding clause (a), each Payment Recipient hereby further agrees that if it receives a payment, prepayment or repayment (whether received as a payment, prepayment or repayment of principal, interest, fees, distribution or otherwise) from the Administrative Agent (or any of its Affiliates) (x) that is in a different amount than, or on a different date from, that specified in a notice of payment, prepayment or repayment sent by the Administrative Agent (or any of its Affiliates) with respect to such payment, prepayment or repayment (a “**Payment Notice**”), (y) that was not preceded or accompanied by a Payment Notice, or (z) that such Payment Recipient otherwise becomes aware was transmitted, or received, in error or by mistake (in whole or in part) in each case:

(A) in the case of immediately preceding clauses (x) or (y), an error shall be presumed to have been made (absent written confirmation from the Administrative Agent to the contrary) or (B) an error has been made (in the case of immediately preceding clause (z)), in each case, with respect to such payment, prepayment or repayment; and

(B) such Lender, Issuing Bank or Secured Party shall (and shall cause any other recipient that receives funds on its respective behalf to) promptly (and, in all events, within one Business Day of its knowledge of such error) notify the Administrative Agent of its receipt of such payment, prepayment or repayment, the details thereof (in reasonable detail) and that it is so notifying the Administrative Agent pursuant to this Section 10.10(b).

(c) Each Lender or Secured Party hereby authorizes the Administrative Agent to set off, net and apply any and all amounts at any time owing to such Lender or Secured Party under any Transaction Document, or otherwise payable or distributable by the Administrative Agent to such Lender or Secured Party from any source, against any amount due to the Administrative Agent under immediately preceding clause (a) or under the indemnification provisions of this Agreement.

(d) In the event an Erroneous Payment (or portion thereof) is not recovered by the Administrative Agent for any reason, after demand therefor by the Administrative Agent in accordance with immediately preceding clause (a), from any Lender that has received such Erroneous Payment (or portion thereof) (or from any Payment Recipient who received such Erroneous Payment (or portion thereof) on its respective behalf) (such unrecovered amount, an “**Erroneous Payment Return Deficiency**”), upon the Administrative Agent’s request to such Lender at any time, (i) such Lender shall be deemed to have assigned its Loans (but not its Commitments) of the relevant Class with respect to which such Erroneous Payment was made (the “**Erroneous Payment Impacted Class**”) in an amount equal to the Erroneous Payment Return Deficiency (or such lesser amount as the Administrative Agent may specify) (such assignment of the Loans (but not Commitments) of the Erroneous Payment Impacted Class, the “**Erroneous Payment Deficiency Assignment**”) at par plus any accrued and unpaid interest (with

the assignment fee to be waived by the Administrative Agent in such instance), and is hereby (together with the Borrower) deemed to execute and deliver an Assignment and Acceptance Agreement with respect to such Erroneous Payment Deficiency Assignment, (ii) the Administrative Agent as the assignee Lender shall be deemed to acquire the Erroneous Payment Deficiency Assignment, (iii) upon such deemed acquisition, the Administrative Agent as the assignee Lender shall become a Lender hereunder with respect to such Erroneous Payment Deficiency Assignment and the assigning Lender shall cease to be a Lender hereunder with respect to such Erroneous Payment Deficiency Assignment, excluding, for the avoidance of doubt, its obligations under the indemnification provisions of this Agreement and its applicable Commitments which shall survive as to such assigning Lender and (iv) the Administrative Agent may reflect in the Register its ownership interest in the Loans subject to the Erroneous Payment Deficiency Assignment. The Administrative Agent may, in its discretion, sell any Loans acquired pursuant to an Erroneous Payment Deficiency Assignment and upon receipt of the proceeds of such sale, the Erroneous Payment Return Deficiency owing by the applicable Lender shall be reduced by the net proceeds of the sale of such Loan (or portion thereof), and the Administrative Agent shall retain all other rights, remedies and claims against such Lender (and/or against any recipient that receives funds on its respective behalf). For the avoidance of doubt, no Erroneous Payment Deficiency Assignment will reduce the Commitments of any Lender and such Commitments shall remain available in accordance with the terms of this Agreement. In addition, each party hereto agrees that, except to the extent that the Administrative Agent has sold a Loan (or portion thereof) acquired pursuant to an Erroneous Payment Deficiency Assignment, and irrespective of whether the Administrative Agent may be equitably subrogated, the Administrative Agent shall be contractually subrogated to all the rights and interests of the applicable Lender or Secured Party under the Loan Documents with respect to each Erroneous Payment Return Deficiency (the “Erroneous Payment Subrogation Rights”).

(e) The parties hereto agree that an Erroneous Payment shall not pay, prepay, repay, discharge or otherwise satisfy any Obligations owed by the Borrower or Servicer, except, in each case, to the extent such Erroneous Payment is, and solely with respect to the amount of such Erroneous Payment that is, comprised of funds received by the Administrative Agent from the Borrower or Servicer for the purpose of making such Erroneous Payment.

(f) To the extent permitted by applicable law, no Payment Recipient shall assert any right or claim to an Erroneous Payment, and hereby waives, and is deemed to waive, any claim, counterclaim, defense or right of set-off or recoupment with respect to any demand, claim or counterclaim by the Administrative Agent for the return of any Erroneous Payment received, including without limitation waiver of any defense based on “discharge for value” or any similar doctrine.

(g) Each party’s obligations, agreements and waivers under this Section 4.06 shall survive the resignation or replacement of the Administrative Agent, any transfer of rights or obligations by, or the replacement of, a Lender, the termination of the Commitments and/or the repayment, satisfaction or discharge of all Borrower Obligations (or any portion thereof) under any Transaction Document.

ARTICLE XI

SECTION XI.1. Authorization and Action. Each Credit Party that belongs to a Group hereby appoints and authorizes the Group Agent for such Group to take such action as agent on its behalf and to exercise such powers under this Agreement as are delegated to such Group Agent by the terms hereof, together with such powers as are reasonably incidental thereto. No Group Agent shall have any duties other than those expressly set forth in the Transaction Documents, and no implied obligations or liabilities shall be read into any Transaction Document, or otherwise exist, against any Group Agent. SECTION XI.2. Group Agent's Reliance, Etc. No Group Agent nor any of its directors, officers, agents or employees shall be liable for any action taken or omitted to be taken by it or them as a Group Agent under or in connection with this Agreement or any other Transaction Documents in the absence of its or their own gross negligence or willful misconduct. Without limiting the generality of the foregoing, a Group Agent: (a) may consult with legal counsel (including counsel for the Administrative Agent, the Borrower or the Servicer), independent certified public accountants and other experts selected by it and shall not be liable for any action taken or omitted to be taken in good faith by it in accordance with the advice of such counsel, accountants or experts; (b) makes no warranty or representation to any Credit Party (whether written or oral) and shall not be responsible to any Credit Party for any statements, warranties or representations (whether written or oral) made by any other party in or in connection with this Agreement or any other Transaction Document; (c) shall not have any duty to ascertain or to inquire as to the performance or observance of any of the terms, covenants or conditions of this Agreement or any other Transaction Document on the part of the Borrower or any Affiliate thereof or any other Person or to inspect the property (including the books and records) of the Borrower or any Affiliate thereof; (d) shall not be responsible to any Credit Party for the due execution, legality, validity, enforceability, genuineness, sufficiency or value of this Agreement, any other Transaction Documents or any other instrument or document furnished pursuant hereto; and (e) shall be entitled to rely, and shall be fully protected in so relying, upon any notice (including notice by telephone), consent, certificate or other instrument or writing (which may be by facsimile) believed by it to be genuine and signed or sent by the proper party or parties.

SECTION XI.3. Group Agent and Affiliates. With respect to any Credit Extension or interests therein owned by any Credit Party that is also a Group Agent, such Credit Party shall have the same rights and powers under this Agreement as any other Lender and may exercise the same as though it were not a Group Agent. A Group Agent and any of its Affiliates

may generally engage in any kind of business with the Borrower or any Affiliate thereof and any Person who may do business with or own securities of the Borrower or any Affiliate thereof or any of their respective Affiliates, all as if such Group Agent were not a Group Agent hereunder and without any duty to account therefor to any other Secured Party.

SECTION XI.4. Indemnification of Group Agents. Each Committed Lender in any Group agrees to indemnify the Group Agent for such Group (to the extent not reimbursed by the Borrower or any Affiliate thereof), ratably according to the proportion of the Percentage of such Committed Lender to the aggregate Percentages of all Committed Lenders in such Group, from and against any and all liabilities, obligations, losses, damages, penalties, actions, judgments, suits, costs, expenses or disbursements of any kind or nature whatsoever which may be imposed on, incurred by, or asserted against such Group Agent in any way relating to or arising out of this Agreement or any other Transaction Document or any action taken or omitted by such Group Agent under this Agreement or any other Transaction Document; provided that no Committed Lender shall be liable for any portion of such liabilities, obligations, losses, damages, penalties, actions, judgments, suits, costs, expenses or disbursements resulting from such Group Agent's gross negligence or willful misconduct.

SECTION XI.5. Delegation of Duties. Each Group Agent may execute any of its duties through agents or attorneys-in-fact and shall be entitled to advice of counsel concerning all matters pertaining to such duties. No Group Agent shall be responsible for the negligence or misconduct of any agents or attorneys-in-fact selected by it with reasonable care.

SECTION XI.6. Notice of Events of Default. No Group Agent shall be deemed to have knowledge or notice of the occurrence of any Unmatured Event of Default or Event of Default unless such Group Agent has received notice from the Administrative Agent, any other Group Agent, any other Credit Party, the Servicer or the Borrower stating that an Unmatured Event of Default or Event of Default has occurred hereunder and describing such Unmatured Event of Default or Event of Default. If a Group Agent receives such a notice, it shall promptly give notice thereof to the Credit Parties in its Group and to the Administrative Agent (but only if such notice received by such Group Agent was not sent by the Administrative Agent). A Group Agent may take such action concerning an Unmatured Event of Default or Event of Default as may be directed by Committed Lenders in its Group representing a majority of the Commitments in such Group (subject to the other provisions of this Article XI), but until such Group Agent receives such directions, such Group Agent may (but shall not be obligated to) take such action, or refrain from taking such action, as such Group Agent deems advisable and in the best interests of the Conduit Lenders and Committed Lenders in its Group.

SECTION XI.7. Non-Reliance on Group Agent and Other Parties. Each Credit Party expressly acknowledges that neither the Group Agent for its Group nor any of such Group Agent's directors, officers, agents or employees has made any representations or warranties to it and that no act by such Group Agent hereafter taken, including any review of the affairs of the Borrower or any Affiliate thereof, shall be deemed to constitute any representation or warranty by such Group Agent. Each Credit Party represents and warrants to the Group Agent for its Group that, independently and without reliance upon such Group Agent, any other Group Agent,

the Administrative Agent or any other Credit Party and based on such documents and information as it has deemed appropriate, it has made and will continue to make its own appraisal of, and investigation into, the business, operations, property, prospects, financial and other conditions and creditworthiness of the Borrower or any Affiliate thereof and the Receivables and its own decision to enter into this Agreement and to take, or omit, action under any Transaction Document. Except for items expressly required to be delivered under any Transaction Document by a Group Agent to any Credit Party in its Group, no Group Agent shall have any duty or responsibility to provide any Credit Party in its Group with any information concerning the Borrower or any Affiliate thereof that comes into the possession of such Group Agent or any of its directors, officers, agents, employees, attorneys-in-fact or Affiliates.

SECTION XI.8. Successor Group Agent. Any Group Agent may, upon at least thirty (30) days' notice to the Administrative Agent, the Borrower, the Servicer and the Credit Parties in its Group, resign as Group Agent for its Group. Such resignation shall not become effective until a successor Group Agent is appointed by the Lender(s) in such Group. Upon such acceptance of its appointment as Group Agent for such Group hereunder by a successor Group Agent, such successor Group Agent shall succeed to and become vested with all the rights and duties of the resigning Group Agent, and the resigning Group Agent shall be discharged from its duties and obligations under the Transaction Documents. After any resigning Group Agent's resignation hereunder, the provisions of this Article XI and Article XII shall inure to its benefit as to any actions taken or omitted to be taken by it while it was a Group Agent.

SECTION XI.9. Reliance on Group Agent. Unless otherwise advised in writing by a Group Agent or by any Credit Party in such Group Agent's Group, each party to this Agreement may assume that (i) such Group Agent is acting for the benefit and on behalf of each of the Credit Parties in its Group, as well as for the benefit of each assignee or other transferee from any such Person and (ii) each action taken by such Group Agent has been duly authorized and approved by all necessary action on the part of the Credit Parties in its Group.

ARTICLE XII

INDEMNIFICATION

SECTION XII.1. Indemnification by the Borrower.

(a) Without limiting any other rights that the Administrative Agent, the Credit Parties, the Affected Persons and their respective assigns, officers, directors, agents and employees (each, a "Borrower Indemnified Party") may have hereunder or under Applicable Law, the Borrower hereby agrees to indemnify each Borrower Indemnified Party from and against any and all claims, losses and liabilities (including Attorney Costs) (all of the foregoing being collectively referred to as "Borrower Indemnified Amounts") arising out of or resulting from this Agreement or any other Transaction Document or the use of proceeds of the Credit Extensions or the security interest in respect of any Pool Receivable or any other Collateral; excluding, however, (a) Borrower Indemnified Amounts to the extent a final non-appealable judgment of a court of competent jurisdiction holds that such Borrower Indemnified Amounts resulted solely from the gross negligence or willful misconduct by such Borrower Indemnified

Party seeking indemnification and (b) Taxes that are covered by Section 4.03 (other than Taxes specifically enumerated below). Without limiting or being limited by the foregoing, the Borrower shall pay on demand (it being understood that if any portion of such payment obligation is made from Collections, such payment will be made at the time and in the order of priority set forth in Section 3.01), to the Borrower Indemnified Party any and all amounts necessary to indemnify the Borrower Indemnified Party from and against any and all Borrower Indemnified Amounts relating to or resulting from any of the following (but excluding Borrower Indemnified Amounts and Taxes described in clauses (a) and (b) above):

(i) any Pool Receivable which the Borrower or the Servicer includes as an Eligible Receivable as part of the Net Receivable Pool Balance but which is not an Eligible Receivable at such time;

(ii) any representation, warranty or statement made or deemed made by the Borrower (or any of its respective officers) under or in connection with this Agreement or any of the other Transaction Documents (including in any report or certificate required to be delivered under any Transaction Document) shall have been untrue or incorrect when made or deemed made;

(iii) the failure by the Borrower to comply with any Applicable Law with respect to any Pool Receivable or the related Contract; or the failure of any Pool Receivable or the related Contract to conform to any such Applicable Law;

(iv) the failure to vest in the Administrative Agent a first priority perfected security interest in all or any portion of the Collateral, in each case free and clear of any Adverse Claim;

(v) the failure to have filed, or any delay in filing, financing statements, financing statement amendments, continuation statements or other similar instruments or documents under the UCC of any applicable jurisdiction or other Applicable Laws with respect to any Pool Receivable and the other Collateral and Collections in respect thereof, whether at the time of any Credit Extension or at any subsequent time;

(vi) any dispute, claim, offset or defense (other than discharge in bankruptcy) of an Obligor to the payment of any Pool Receivable (including, without limitation, a defense based on such Pool Receivable or the related Contract not being a legal, valid and binding obligation of such Obligor enforceable against it in accordance with its terms), or any other claim resulting from or relating to collection activities with respect to such Pool Receivable or the furnishing or failure to furnish any such goods or services or other similar claim or defense not arising from the financial inability of any Obligor to pay undisputed indebtedness;

(vii) any Taxes imposed upon the Borrower Indemnified Party relating to or with respect to any Pool Receivable or other Collateral, and any reasonable costs and expenses relating thereto or arising therefrom;

- (viii) any failure of the Borrower to timely and fully comply with the Credit and Collection Policy in regard to each Pool Receivable;
- (ix) any products liability, environmental or other claim arising out of or in connection with any Pool Receivable or other merchandise, goods or services which are the subject of or related to any Pool Receivable;
- (x) the commingling of Collections of Pool Receivables at any time with other funds;
- (xi) any investigation, litigation or proceeding (actual or threatened) related to this Agreement or any other Transaction Document or the use of proceeds of any Credit Extensions or in respect of any Pool Receivable or other Collateral or any related Contract;
- (xii) any failure of the Borrower to comply with its covenants, obligations and agreements contained in this Agreement or any other Transaction Document;
- (xiii) any setoff with respect to any Pool Receivable;
- (xiv) any claim brought by any Person other than the Borrower Indemnified Party arising from any activity by the Borrower or any Affiliate of the Borrower in servicing, administering or collecting any Pool Receivable;
- (xv) [Reserved]
- (xvi) any failure of an Collection Account Bank to comply with the terms of the applicable Collection Account Control Agreement, the termination by a Collection Account Bank of any Collection Account Control Agreement or any amounts (including in respect of an indemnity) payable by the Administrative Agent to a Collection Account Bank under any Collection Account Control Agreement;
- (xvii) [Reserved];
- (xviii) any action taken by the Administrative Agent as attorney-in-fact for the Borrower, any Originator or the Servicer pursuant to this Agreement or any other Transaction Document;
- (xix) the failure or delay to provide any Obligor with an invoice or other evidence of indebtedness;
- (xx) any civil penalty or fine assessed by OFAC or any other Governmental Authority administering any Anti-Corruption Law or Sanctions, and all reasonable costs and expenses (including reasonable documented legal fees and disbursements) incurred in connection with defense thereof by, the Borrower Indemnified

Party in connection with the Transaction Documents as a result of any action of any Traeger Party or any of their respective Affiliates;

(xxi) the use of proceeds of any Credit Extension; or

(xxii) any reduction in Capital as a result of the distribution of Collections if all or a portion of such distributions shall thereafter be rescinded or otherwise must be returned for any reason.

(b) Notwithstanding anything to the contrary in this Agreement, solely for purposes of the Borrower's indemnification obligations in clauses (ii), (iii), (viii) and (xii) of this Article XII, any representation, warranty or covenant qualified by the occurrence or non-occurrence of a Material Adverse Effect or similar concepts of materiality shall be deemed to be not so qualified.

(c) If for any reason the foregoing indemnification is unavailable to any Borrower Indemnified Party or insufficient to hold it harmless for any Borrower Indemnified Amount, then the Borrower shall contribute to such Borrower Indemnified Party the amount paid or payable by such Borrower Indemnified Party as a result of such loss, claim, damage or liability in such proportion as is appropriate to reflect the relative economic interests of the Borrower and its Affiliates on the one hand and such Borrower Indemnified Party on the other hand in the matters contemplated by this Agreement as well as the relative fault of the Borrower and its Affiliates and such Borrower Indemnified Party with respect to such loss, claim, damage or liability and any other relevant equitable considerations. The reimbursement, indemnity and contribution obligations of the Borrower under this Section shall be in addition to any liability which the Borrower may otherwise have, shall extend upon the same terms and conditions to each Borrower Indemnified Party, and shall be binding upon and inure to the benefit of any successors, assigns, heirs and personal representatives of the Borrower and the Borrower Indemnified Parties.

(d) Any indemnification or contribution under this Section shall survive the termination of this Agreement.

SECTION XII.2. Indemnification by the Servicer.

(a) The Servicer hereby agrees to indemnify and hold harmless the Borrower, the Administrative Agent, the Credit Parties, the Affected Persons and their respective assigns, officers, directors, agents and employees (each, a "Servicer Indemnified Party"), from and against any loss, liability, expense, damage or injury suffered or sustained by reason of any acts, omissions or alleged acts or omissions arising out of activities of the Servicer pursuant to this Agreement or any other Transaction Document, including any judgment, award, settlement, Attorney Costs and other costs or expenses incurred in connection with the defense of any actual or threatened action, proceeding or claim (all of the foregoing being collectively referred to as, "Servicer Indemnified Amounts"); excluding (i) Servicer Indemnified Amounts to the extent a final non-appealable judgment of a court of competent jurisdiction holds that such Servicer Indemnified Amounts resulted solely from the gross negligence or willful misconduct by such

Servicer Indemnified Party seeking indemnification and (ii) Servicer Indemnified Amounts to the extent the same includes losses in respect of Pool Receivables that are uncollectible solely on account of the insolvency, bankruptcy, lack of creditworthiness or other financial inability to pay of the related Obligor. Without limiting or being limited by the foregoing, the Servicer shall pay on demand, to each Servicer Indemnified Party any and all amounts necessary to indemnify such Servicer Indemnified Party from and against any and all Servicer Indemnified Amounts relating to or resulting from any of the following (but excluding Servicer Indemnified Amounts described in clauses (i) and (ii) above):

(i) any Pool Receivable which the Servicer includes as an Eligible Receivable as part of the Net Receivable Pool Balance but which is not an Eligible Receivable at such time;

(ii) any representation, warranty or statement made or deemed made by the Servicer (or any of its respective officers) under or in connection with this Agreement or any of the other Transaction Documents (including in any report or certificate required to be delivered under any Transaction Document) shall have been untrue or incorrect when made or deemed made;

(iii) the failure by the Servicer to comply with any Applicable Law with respect to any Pool Receivable or the related Contract;

(iv) the failure by any Pool Receivable or the related Contract to conform to any Applicable Law;

(v) any civil penalty or fine assessed by OFAC or any other Governmental Authority administering any Anti-Corruption Law or Sanctions, and all reasonable costs and expenses (including reasonable documented legal fees and disbursements) incurred in connection with defense thereof by, any Servicer Indemnified Party in connection with the Transaction Documents as a result of any action of any Traeger Party or any of their respective Affiliates;

(vi) any failure of a Collection Account Bank to comply with the terms of the applicable Account Control Agreement, the termination by a Collection Account Bank of any Account Control Agreement or any amounts (including in respect of an indemnity) payable by the Administrative Agent to a Collection Account Bank under any Account Control Agreement;

(vii) any breach of the representations and warranties under Section 6.01(z) or the covenants under Section 7.01(bb);

(viii) any liability of the Borrower under Section 4.03; or

(ix) any failure of the Servicer to comply with its covenants, obligations and agreements contained in this Agreement or any other Transaction Document.

(b) If for any reason the foregoing indemnification is unavailable to any Servicer Indemnified Party or insufficient to hold it harmless, then the Servicer shall contribute to the amount paid or payable by such Servicer Indemnified Party as a result of such loss, claim, damage or liability in such proportion as is appropriate to reflect the relative economic interests of the Servicer and its Affiliates on the one hand and such Servicer Indemnified Party on the other hand in the matters contemplated by this Agreement as well as the relative fault of the Servicer and its Affiliates and such Servicer Indemnified Party with respect to such loss, claim, damage or liability and any other relevant equitable considerations. The reimbursement, indemnity and contribution obligations of the Servicer under this Section shall be in addition to any liability which the Servicer may otherwise have, shall extend upon the same terms and conditions to each Servicer Indemnified Party, and shall be binding upon and inure to the benefit of any successors, assigns, heirs and personal representatives of the Servicer and the Servicer Indemnified Parties.

(c) Any indemnification or contribution under this Section shall survive the termination of this Agreement.

ARTICLE XIII

MISCELLANEOUS

SECTION XIII.1. Amendments, Etc.

(a) No failure on the part of any Credit Party to exercise, and no delay in exercising, any right hereunder shall operate as a waiver thereof; nor shall any single or partial exercise of any right hereunder preclude any other or further exercise thereof or the exercise of any other right. No amendment or waiver of any provision of this Agreement or consent to any departure by any of the Borrower or any Affiliate thereof shall be effective unless in a writing signed by the Administrative Agent and the Majority Group Agents (and, in the case of any amendment, also signed by the Borrower), and then such amendment, waiver or consent shall be effective only in the specific instance and for the specific purpose for which given; provided, however, that (A) no amendment, waiver or consent shall, unless in writing and signed by the Servicer, affect the rights or duties of the Servicer under this Agreement; (B) no amendment, waiver or consent shall, unless in writing and signed by the Administrative Agent and each Group Agent:

(i) change (directly or indirectly) the definitions of, Borrowing Base Deficit, Borrowing Base Deficit, Defaulted Receivable, Delinquent Receivable, Eligible Receivable, Facility Limit, Final Maturity Date, Net Receivable Pool Balance, Adjusted Net Receivables Pool Balance, Required Reserves or Stress Factor contained in this Agreement, or increase the then existing Specified Concentration Percentage for any Obligor or change the calculation of the Borrowing Base;

(ii) reduce the amount of Capital or Interest that is payable on account of any Loan or with respect to any other Credit Extension or delay any scheduled date for payment thereof;

- (iii) change any Event of Default;
- (iv) release all or a material portion of the Collateral from the Administrative Agent's security interest created hereunder;
- (v) release the Performance Guarantor from any of its obligations under the Performance Guaranty or terminate the Performance Guaranty;
- (vi) change any of the provisions of this Section 13.01 or the definition of "Majority Group Agents"; or
- (vii) change the order of priority in which Collections are applied pursuant to Section 3.01.

Notwithstanding the foregoing, (A) no amendment, waiver or consent shall increase any Committed Lender's Commitment hereunder without the consent of such Committed Lender and (B) no amendment, waiver or consent shall reduce any Fees payable by the Borrower to any member of any Group or delay the dates on which any such Fees are payable, in either case, without the consent of the Group Agent for such Group.

SECTION XIII.2. Notices, Etc. All notices and other communications hereunder shall, unless otherwise stated herein, be in writing (which shall include facsimile and email communication) and faxed, emailed or delivered, to each party hereto, at its address set forth under its name on Schedule III hereto or at such other address, facsimile number or email address as shall be designated by such party in a written notice to the other parties hereto. Notices and communications by facsimile or email shall be effective when sent receipt confirmed by electronic or other means (such as by the "return receipt requested" function, as available, return electronic mail or other acknowledgement), and notices and communications sent by other means shall be effective when received.

SECTION XIII.3. Assignability.

(a) Assignment by Conduit Lenders. This Agreement and the rights of each Conduit Lender hereunder (including each Loan made by it hereunder) shall be assignable by such Conduit Lender and its successors and permitted assigns (i) to any Program Support Provider of such Conduit Lender without prior notice to or consent from the Borrower or any other party, or any other condition or restriction of any kind, (ii) to any other Lender with prior notice to the Borrower but without consent from the Borrower or (iii) with the prior written consent of the Borrower (such consent not to be unreasonably withheld, conditioned or delayed; provided, however, that such consent shall not be required if an Event of Default has occurred and is continuing), to any other Eligible Assignee. Each assignor of a Loan or any interest therein may, in connection with the assignment or participation, disclose to the assignee or Participant any information relating to the Borrower and its Affiliates, including the Receivables, furnished to such assignor by or on behalf of the Borrower and its Affiliates or by the Administrative Agent; provided that, prior to any such disclosure, the assignee or Participant agrees to preserve the confidentiality of any confidential information relating to the Borrower

and its Affiliates received by it from any of the foregoing entities in a manner consistent with Section 13.06(b).

(b) Assignment by Committed Lenders. Each Committed Lender may assign to any Eligible Assignee or to any other Committed Lender all or a portion of its rights and obligations under this Agreement (including, without limitation, all or a portion of its Commitment and any Loan or interests therein owned by it); provided, however that

(i) except for an assignment by a Committed Lender to either an Affiliate of such Committed Lender or any other Committed Lender, each such assignment shall require the prior written consent of the Borrower (such consent not to be unreasonably withheld, conditioned or delayed; provided, however, that such consent shall not be required if an Event of Default has occurred and is continuing);

(ii) each such assignment shall be of a constant, and not a varying, percentage of all rights and obligations under this Agreement; and

(iii) the parties to each such assignment shall execute and deliver to the Administrative Agent, for its acceptance and recording in the Register, an Assignment and Acceptance Agreement.

Upon such execution, delivery, acceptance and recording from and after the effective date specified in such Assignment and Acceptance Agreement, (x) the assignee thereunder shall be a party to this Agreement, and to the extent that rights and obligations under this Agreement have been assigned to it pursuant to such Assignment and Acceptance Agreement, have the rights and obligations of a Committed Lender hereunder and (y) the assigning Committed Lender shall, to the extent that rights and obligations have been assigned by it pursuant to such Assignment and Acceptance Agreement, relinquish such rights and be released from such obligations under this Agreement (and, in the case of an Assignment and Acceptance Agreement covering all or the remaining portion of an assigning Committed Lender's rights and obligations under this Agreement, such Committed Lender shall cease to be a party hereto).

(c) Register. The Administrative Agent shall, acting solely for this purpose as an agent of the Borrower, maintain at its address referred to on Schedule III of this Agreement (or such other address of the Administrative Agent notified by the Administrative Agent to the other parties hereto) a copy of each Assignment and Acceptance Agreement delivered to and accepted by it and a register for the recordation of the names and addresses of the Committed Lenders and the Conduit Lenders, the Commitment of each Committed Lender and the aggregate outstanding Capital (and stated interest) of the Loans of each Conduit Lender and Committed Lender from time to time (the "Register"). The entries in the Register shall be conclusive and binding for all purposes, absent manifest error, and the Borrower, the Servicer, the Administrative Agent, the Group Agents, and the other Credit Parties shall treat each Person whose name is recorded in the Register pursuant to the terms of this Agreement as a Committed Lender or Conduit Lender, as the case may be, under this Agreement for all purposes of this Agreement. The Register shall be available for inspection by the Borrower, the Servicer, any

Group Agent, any Conduit Lender or any Committed Lender at any reasonable time and from time to time upon reasonable prior notice.

(d) Procedure. Upon its receipt of an Assignment and Acceptance Agreement executed and delivered by an assigning Committed Lender and an Eligible Assignee or assignee Committed Lender, the Administrative Agent shall, if such Assignment and Acceptance Agreement has been duly completed, (i) accept such Assignment and Acceptance Agreement, (ii) record the information contained therein in the Register and (iii) give prompt notice thereof to the Borrower and the Servicer.

(e) Participations. Each Committed Lender may sell participations to one or more Eligible Assignees (each, a “Participant”) in or to all or a portion of its rights and/or obligations under this Agreement (including, without limitation, all or a portion of its Commitment and the interests in the Loans owned by it); provided, however, that

(i) such Committed Lender’s obligations under this Agreement (including, without limitation, its Commitment to the Borrower hereunder) shall remain unchanged, and

(ii) such Committed Lender shall remain solely responsible to the other parties to this Agreement for the performance of such obligations.

The Administrative Agent, the Group Agents, the Conduit Lenders, the other Committed Lenders, the Borrower and the Servicer shall have the right to continue to deal solely and directly with such Committed Lender in connection with such Committed Lender’s rights and obligations under this Agreement. The Borrower agrees that each Participant shall be entitled to the benefits of Sections 4.01 and 4.03 (subject to the requirements and limitations therein, including the requirements under Section 4.03(f) (it being understood that the documentation required under Section 4.03(f) shall be delivered to the participating Lender)) to the same extent as if it were a Lender and had acquired its interest by assignment pursuant to paragraph (b) of this Section; provided that such Participant shall not be entitled to receive any greater payment under Section 4.01 or 4.03, with respect to any participation, than its participating Lender would have been entitled to receive, except to the extent such entitlement to receive a greater payment results from a Change in Law that occurs after the Participant acquired the applicable participation.

(f) Participant Register. Each Committed Lender that sells a participation shall, acting solely for this purpose as a non-fiduciary agent of the Borrower, maintain a register on which it enters the name and address of each Participant and the principal amounts (and stated interest) of each Participant’s interest in the Loans or other obligations under this Agreement (the “Participant Register”); provided that no Committed Lender shall have any obligation to disclose all or any portion of the Participant Register (including the identity of any Participant or any information relating to a Participant’s interest in any Commitments, Loans or its other obligations under any this Agreement) to any Person except to the extent that such disclosure is necessary to establish that such Commitment, Loan or other obligation is in registered form under Section 5f.103-1(c) of the United States Treasury Regulations. The entries in the Participant Register shall be conclusive absent manifest error, and such Committed Lender shall

treat each Person whose name is recorded in the Participant Register as the owner of such participation for all purposes of this Agreement notwithstanding any notice to the contrary. For the avoidance of doubt, the Administrative Agent (in its capacity as Administrative Agent) shall have no responsibility for maintaining a Participant Register.

(g) Assignments by Agents. This Agreement and the rights and obligations of the Administrative Agent and each Group Agent herein shall be assignable by the Administrative Agent or such Group Agent, as the case may be, and its successors and assigns; provided that in the case of an assignment to a Person that is not an Affiliate of the Administrative Agent or such Group Agent, so long as no Event of Default or Unmatured Event of Default has occurred and is continuing, such assignment shall require the Borrower's consent (not to be unreasonably withheld, conditioned or delayed).

(h) Assignments by the Borrower or the Servicer. Neither the Borrower nor, except as provided in Section 8.01, the Servicer may assign any of its respective rights or obligations hereunder or any interest herein without the prior written consent of the Administrative Agent and each Group Agent (such consent to be provided or withheld in the sole discretion of such Person).

(i) Pledge to a Federal Reserve Bank. Notwithstanding anything to the contrary set forth herein, (i) any Lender, Program Support Provider or any of their respective Affiliates may at any time pledge or grant a security interest in all or any portion of its interest in, to and under this Agreement (including, without limitation, rights to payment of Capital and Interest) and any other Transaction Document to secure its obligations to a Federal Reserve Bank, without notice to or the consent of the Borrower, the Servicer, any Affiliate thereof or any Credit Party; provided, however, that that no such pledge shall relieve such assignor of its obligations under this Agreement.

(j) Pledge to a Security Trustee. Notwithstanding anything to the contrary set forth herein, (i) any Lender, Program Support Provider or any of their respective Affiliates may at any time pledge or grant a security interest in all or any portion of its interest in, to and under this Agreement (including, without limitation, rights to payment of Capital and Interest) and any other Transaction Document to a security trustee in connection with the funding by such Person of Loans, without notice to or the consent of the Borrower, the Servicer, any Affiliate thereof or any Credit Party; provided, however, that that no such pledge shall relieve such assignor of its obligations under this Agreement.

SECTION XIII.4. Costs and Expenses. In addition to the rights of indemnification granted under Section 12.01 hereof, the Borrower agrees to pay on demand all reasonable out-of-pocket costs and expenses in connection with the preparation, negotiation, execution, delivery and administration of this Agreement, any Program Support Agreement (or any supplement or amendment thereof) related to this Agreement and the other Transaction Documents (together with all amendments, restatements, supplements, consents and waivers, if any, from time to time hereto and thereto), including, without limitation, (i) the reasonable Attorney Costs for the Administrative Agent and the other Credit Parties and any of their respective Affiliates with respect thereto and with respect to advising the Administrative Agent and the other Credit Parties

and their respective Affiliates as to their rights and remedies under this Agreement and the other Transaction Documents and (ii) reasonable accountants', auditors' and consultants' fees and expenses for the Administrative Agent and the other Credit Parties and any of their respective Affiliates and the fees and charges of any nationally recognized statistical rating agency incurred in connection with the administration and maintenance of this Agreement or advising the Administrative Agent or any other Credit Party as to their rights and remedies under this Agreement or as to any actual or reasonably claimed breach of this Agreement or any other Transaction Document. In addition, the Borrower agrees to pay on demand all reasonable out-of-pocket costs and expenses (including reasonable Attorney Costs), of the Administrative Agent and the other Credit Parties and their respective Affiliates, incurred in connection with the enforcement of any of their respective rights or remedies under the provisions of this Agreement and the other Transaction Documents.

SECTION XIII.5. No Proceedings; Limitation on Payments.

(a) Each of the parties hereto agrees, for the benefit of the holders of the privately or publicly placed indebtedness for borrowed money of each Conduit Lender, not, prior to the date which is two (2) years and one (1) day after the payment in full of all privately or publicly placed indebtedness for borrowed money of such Conduit Lender outstanding, to acquiesce, petition or otherwise, directly or indirectly, invoke, or cause such Conduit Lender to invoke, the process of any court or any other governmental authority for the purpose of (i) commencing, or sustaining, a case against such Conduit Lender under any federal or state bankruptcy, insolvency or similar law (including the Bankruptcy Code), (ii) appointing a receiver, liquidator, assignee, trustee, custodian, sequestrator or other similar official of such Conduit Lender, or any substantial part of its property, or (iii) ordering the winding up or liquidation of the affairs of such Conduit Lender.

(b) Each of the Servicer, each Group Agent, each Lender and each assignee of a Loan or any interest therein, hereby covenants and agrees that it will not institute against, or join any other Person in instituting against, the Borrower any insolvency proceeding until one year and one day after the Final Payout Date; provided, that the Administrative Agent may take any such action in its sole discretion following the occurrence of an Event of Default.

(c) Notwithstanding any provisions contained in this Agreement to the contrary, a Conduit Lender shall not, and shall be under no obligation to, pay any amount, if any, payable by it pursuant to this Agreement or any other Transaction Document unless (i) such Conduit Lender has received funds which may be used to make such payment and which funds are not required to repay such Conduit Lender's Notes when due and (ii) after giving effect to such payment, either (x) such Conduit Lender could issue Notes to refinance all of its outstanding Notes and Discretionary Advances (assuming such outstanding Notes and Discretionary Advances matured at such time) in accordance with the program documents governing such Conduit Lender's securitization program or (y) all of such Conduit Lender's Notes and Discretionary Advances are paid in full. Any amount which any Conduit Lender does not pay pursuant to the operation of the preceding sentence shall not constitute a claim (as defined in Section 101 of the Bankruptcy Code) against or company obligation of such Conduit

Lender for any such insufficiency unless and until such Conduit Lender satisfies the provisions of clauses (i) and (ii) above. The provisions of this Section 13.05 shall survive any termination of this Agreement.

SECTION XIII.6. Confidentiality.

(a) Each of the Borrower and the Servicer covenants and agrees to hold in confidence, and not disclose to any Person, the terms of this Agreement or the Fee Letter (including any fees payable in connection with this Agreement, the Fee Letter or any other Transaction Document or the identity of the Administrative Agent or any other Credit Party), except as the Administrative Agent and each Group Agent may have consented to in writing prior to any proposed disclosure; provided, however, that it may disclose such information (i) to its Advisors and Representatives, (ii) to the extent such information has become available to the public other than as a result of a disclosure by or through the Borrower, the Servicer or their Advisors and Representatives or (iii) to the extent it should be (A) required by Applicable Law, or in connection with any legal or regulatory proceeding or (B) requested by any Governmental Authority to disclose such information; provided, that, in the case of clause (iii) above, the Borrower and the Servicer will use reasonable efforts to maintain confidentiality and will (unless otherwise prohibited by Applicable Law) notify the Administrative Agent and the affected Credit Party of its intention to make any such disclosure prior to making such disclosure. Each of the Borrower and the Servicer agrees to be responsible for any breach of this Section by its Representatives and Advisors and agrees that its Representatives and Advisors will be advised by it of the confidential nature of such information and shall agree to comply with this Section. Notwithstanding the foregoing, it is expressly agreed that each of the Borrower, the Servicer and their respective Affiliates may publish a press release or otherwise publicly announce the existence and principal amount of the Commitments under this Agreement and the transactions contemplated hereby; provided that the Administrative Agent shall be provided a reasonable opportunity to review such press release or other public announcement prior to its release and provide comment thereon; and provided, further, that no such press release shall name or otherwise identify the Administrative Agent, any other Credit Party or any of their respective Affiliates without such Person's prior written consent (such consent not to be unreasonably withheld, conditioned or delayed). Notwithstanding the foregoing, the Borrower consents to the publication by the Administrative Agent or any other Credit Party of a tombstone or similar advertising material relating to the financing transactions contemplated by this Agreement.

(b) Each of the Administrative Agent and each other Credit Party, severally and with respect to itself only, agrees to hold in confidence, and not disclose to any Person, any confidential and proprietary information concerning the Borrower, the Servicer and their respective Affiliates and their businesses or the terms of this Agreement (including any fees payable in connection with this Agreement or the other Transaction Documents), except as the Borrower or the Servicer may have consented to in writing prior to any proposed disclosure; provided, however, that it may disclose such information (i) to its Advisors and Representatives and to any related Program Support Provider, (ii) to its assignees and Participants and potential assignees and Participants and their respective counsel if they agree in writing to hold it confidential, (iii) to the extent such information has become available to the public other than as

a result of a disclosure by or through it or its Representatives or Advisors or any related Program Support Provider, (iv) to any nationally recognized statistical rating organization in connection with obtaining or maintaining the rating of any Conduit Lender's Notes or as contemplated by 17 CFR 240.17g-5(a)(3), (v) at the request of a bank examiner or other regulatory authority or in connection with an examination of any of the Administrative Agent, any Group Agent or any Lender or their respective Affiliates or Program Support Providers or (vi) to the extent it should be (A) required by Applicable Law, or in connection with any legal or regulatory proceeding or (B) requested by any Governmental Authority to disclose such information; provided, that, in the case of clause (vi) above, the Administrative Agent, each Group Agent and each Lender will use reasonable efforts to maintain confidentiality and will (unless otherwise prohibited by Applicable Law) notify the Borrower and the Servicer of its making any such disclosure as promptly as reasonably practicable thereafter. Each of the Administrative Agent, each Group Agent and each Lender, severally and with respect to itself only, agrees to be responsible for any breach of this Section by its Representatives, Advisors and Program Support Providers and agrees that its Representatives, Advisors and Program Support Providers will be advised by it of the confidential nature of such information and shall agree to comply with this Section.

(c) As used in this Section, (i) "Advisors" means, with respect to any Person, such Person's accountants, attorneys and other confidential advisors and (ii) "Representatives" means, with respect to any Person, such Person's Affiliates, Subsidiaries, directors, managers, officers, employees, members, investors, financing sources, insurers, professional advisors, representatives and agents; *provided* that such Persons shall not be deemed to Representatives of a Person unless (and solely to the extent that) confidential information is furnished to such Person.

(d) Notwithstanding the foregoing, to the extent not inconsistent with applicable securities laws, each party hereto (and each of its employees, Representatives or other agents) may disclose to any and all Persons, without limitation of any kind, the Tax treatment and tax structure (as defined in Section 1.6011-4 of the Treasury Regulations) of the transactions contemplated by the Transaction Documents and all materials of any kind (including opinions or other tax analyses) that are provided to such Person relating to such Tax treatment and Tax structure.

SECTION XIII.7. GOVERNING LAW. THIS AGREEMENT, INCLUDING THE RIGHTS AND DUTIES OF THE PARTIES HERETO, SHALL BE GOVERNED BY, AND CONSTRUED IN ACCORDANCE WITH, THE LAWS OF THE STATE OF NEW YORK (INCLUDING SECTIONS 5-1401 AND 5-1402 OF THE GENERAL OBLIGATIONS LAW OF THE STATE OF NEW YORK, BUT WITHOUT REGARD TO ANY OTHER CONFLICTS OF LAW PROVISIONS THEREOF, EXCEPT TO THE EXTENT THAT THE PERFECTION, THE EFFECT OF PERFECTION OR PRIORITY OF THE INTERESTS OF ADMINISTRATIVE AGENT OR ANY LENDER IN THE COLLATERAL IS GOVERNED BY THE LAWS OF A JURISDICTION OTHER THAN THE STATE OF NEW YORK).

SECTION XIII.8. Execution in Counterparts. This Agreement may be executed in any number of counterparts, each of which when so executed shall be deemed to be an original

and all of which when taken together shall constitute one and the same agreement. Delivery of an executed signature page of this Agreement by facsimile transmission, emailed pdf. or any other electronic means that reproduces an image of the actual executed signature page shall be effective as delivery of an original executed counterpart hereof. The words “execution,” “signed,” “signature,” “delivery,” and words of like import in or relating to any document to be signed in connection with this Agreement and the transactions contemplated hereby shall be deemed to include an electronic sound, symbol, or process attached to, or associated with, a contract or other record and adopted by a Person with the intent to sign, authenticate or accept such contract or record, deliveries or the keeping of records in electronic form, each of which shall be of the same legal effect, validity or enforceability as a manually executed signature, physical delivery thereof or the use of a paper-based recordkeeping system, as the case may be, to the extent and as provided for in any applicable law, including the Federal Electronic Signatures in Global and National Commerce Act, the New York State Electronic Signatures and Records Act, or any other similar state laws based on the Uniform Electronic Transactions Act.

SECTION XIII.9. Integration; Binding Effect; Survival of Termination. This Agreement and the other Transaction Documents contain the final and complete integration of all prior expressions by the parties hereto with respect to the subject matter hereof and shall constitute the entire agreement among the parties hereto with respect to the subject matter hereof superseding all prior oral or written understandings. This Agreement shall be binding upon and inure to the benefit of the parties hereto and their respective successors and permitted assigns. This Agreement shall create and constitute the continuing obligations of the parties hereto in accordance with its terms and shall remain in full force and effect until the Final Payout Date; provided, however, that the provisions of Sections 4.01, 4.02, 4.03, 10.04, 10.07, 11.04, 11.06, 12.01, 12.02, 13.04, 13.05, 13.06, 13.09, 13.11 and 13.13 shall survive any termination of this Agreement.

SECTION XIII.10. CONSENT TO JURISDICTION. (a) EACH PARTY HERETO HEREBY IRREVOCABLY SUBMITS TO THE EXCLUSIVE JURISDICTION OF ANY NEW YORK STATE OR FEDERAL COURT SITTING IN NEW YORK CITY, NEW YORK IN ANY ACTION OR PROCEEDING ARISING OUT OF OR RELATING TO THIS AGREEMENT OR ANY OTHER TRANSACTION DOCUMENT, AND EACH PARTY HERETO HEREBY IRREVOCABLY AGREES THAT ALL CLAIMS IN RESPECT OF SUCH ACTION OR PROCEEDING SHALL BE HEARD AND DETERMINED IN SUCH NEW YORK STATE COURT OR, TO THE EXTENT PERMITTED BY LAW, IN SUCH FEDERAL COURT. NOTHING IN THIS SECTION 13.10 SHALL AFFECT THE RIGHT OF THE ADMINISTRATIVE AGENT OR ANY OTHER CREDIT PARTY TO BRING ANY ACTION OR PROCEEDING AGAINST THE BORROWER OR THE SERVICER OR ANY OF THEIR RESPECTIVE PROPERTY IN THE COURTS OF OTHER JURISDICTIONS. EACH OF THE BORROWER AND THE SERVICER HEREBY IRREVOCABLY WAIVES, TO THE FULLEST EXTENT IT MAY EFFECTIVELY DO SO, THE DEFENSE OF AN INCONVENIENT FORUM TO THE MAINTENANCE OF SUCH ACTION OR PROCEEDING. THE PARTIES HERETO AGREE THAT A FINAL JUDGMENT IN ANY SUCH ACTION OR PROCEEDING SHALL BE CONCLUSIVE AND MAY BE ENFORCED

IN OTHER JURISDICTIONS BY SUIT ON THE JUDGMENT OR IN ANY OTHER MANNER PROVIDED BY LAW.

(a) EACH OF THE BORROWER AND THE SERVICER CONSENTS TO THE SERVICE OF ANY AND ALL PROCESS IN ANY SUCH ACTION OR PROCEEDING BY THE MAILING OF COPIES OF SUCH PROCESS TO IT AT ITS ADDRESS SPECIFIED IN SECTION 13.02. NOTHING IN THIS SECTION 13.10 SHALL AFFECT THE RIGHT OF THE ADMINISTRATIVE AGENT OR ANY OTHER CREDIT PARTY TO SERVE LEGAL PROCESS IN ANY OTHER MANNER PERMITTED BY LAW.

SECTION XIII.11. WAIVER OF JURY TRIAL. EACH PARTY HERETO HEREBY WAIVES, TO THE MAXIMUM EXTENT PERMITTED BY APPLICABLE LAW, TRIAL BY JURY IN ANY JUDICIAL PROCEEDING INVOLVING, DIRECTLY OR INDIRECTLY, ANY MATTER (WHETHER SOUNDING IN TORT, CONTRACT OR OTHERWISE) IN ANY WAY ARISING OUT OF, RELATED TO, OR CONNECTED WITH THIS AGREEMENT OR ANY OTHER TRANSACTION DOCUMENT.

SECTION XIII.12. Ratable Payments. If any Credit Party, whether by setoff or otherwise, has payment made to it with respect to any Borrower Obligations in a greater proportion than that received by any other Credit Party entitled to receive a ratable share of such Borrower Obligations, such Credit Party agrees, promptly upon demand, to purchase for cash without recourse or warranty a portion of such Borrower Obligations held by the other Credit Parties so that after such purchase each Credit Party will hold its ratable proportion of such Borrower Obligations; provided that if all or any portion of such excess amount is thereafter recovered from such Credit Party, such purchase shall be rescinded and the purchase price restored to the extent of such recovery, but without interest.

SECTION XIII.13. Limitation of Liability.

(a) No claim may be made by any Traeger Party against any Credit Party or their respective Affiliates, members, directors, officers, employees, incorporators, attorneys or agents for any special, indirect, consequential or punitive damages in respect of any claim for breach of contract or any other theory of liability arising out of or related to the transactions contemplated by this Agreement or any other Transaction Document, or any act, omission or event occurring in connection herewith or therewith; and each of the Borrower and the Servicer hereby waives, releases, and agrees not to sue upon any claim for any such damages, whether or not accrued and whether or not known or suspected to exist in its favor. None of the Credit Parties and their respective Affiliates shall have any liability to the Borrower or any Affiliate thereof or any other Person asserting claims on behalf of or in right of the Borrower or any Affiliate thereof in connection with or as a result of this Agreement or any other Transaction Document or the transactions contemplated hereby or thereby, except to the extent that any losses, claims, damages, liabilities or expenses incurred by the Borrower or any Affiliate thereof result from the breach of contract, gross negligence or willful misconduct of such Credit Party in performing its duties and obligations hereunder and under the other Transaction Documents to which it is a party.

(b) The obligations of the Administrative Agent and each of the other Credit Parties under this Agreement and each of the Transaction Documents are solely the corporate obligations of such Person. No recourse shall be had for any obligation or claim arising out of or based upon this Agreement or any other Transaction Document against any member, director, officer, employee or incorporator of any such Person.

SECTION XIII.14. Intent of the Parties. The Borrower has structured this Agreement with the intention that the Loans and the obligations of the Borrower hereunder will be treated under United States federal, and applicable state, local and foreign tax law as debt (the “Intended Tax Treatment”). The Borrower, the Servicer, the Administrative Agent and the other Credit Parties agree to file no tax return, or take any action, inconsistent with the Intended Tax Treatment unless required by law. Each assignee and each Participant acquiring an interest in a Credit Extension, by its acceptance of such assignment or participation, agrees to comply with the immediately preceding sentence.

SECTION XIII.15. USA Patriot Act. Each of the Administrative Agent and each of the other Credit Parties hereby notifies the Borrower and the Servicer that pursuant to the requirements of the USA PATRIOT Act, Title III of Pub. L. 107-56 (signed into law October 26, 2001) (the “PATRIOT Act”), the Administrative Agent and the other Credit Parties may be required to obtain, verify and record information that identifies the Borrower, the Performance Guarantor, the Originators and the Servicer, which information includes the name, address, tax identification number and other information regarding the Borrower, the Performance Guarantor, the Originators and the Servicer that will allow the Administrative Agent and the other Credit Parties to identify the Borrower, the Performance Guarantor, the Originators and the Servicer in accordance with the PATRIOT Act. This notice is given in accordance with the requirements of the PATRIOT Act. Each of the Borrower and the Servicer agrees to provide the Administrative Agent and each other Credit Parties, from time to time, with all documentation and other information required by bank regulatory authorities under “know your customer” and anti-money laundering rules and regulations, including, without limitation, the PATRIOT Act and the Beneficial Ownership Rule.

SECTION XIII.16. Right of Setoff. Each Credit Party is hereby authorized (in addition to any other rights it may have), at any time during the continuance of an Event of Default, to setoff, appropriate and apply (without presentment, demand, protest or other notice which are hereby expressly waived) any deposits and any other indebtedness held or owing by such Credit Party (including by any branches or agencies of such Credit Party) to, or for the account of, the Borrower or the Servicer against amounts owing by the Borrower or the Servicer hereunder (even if contingent or unmatured); provided that such Credit Party shall notify the Borrower or the Servicer, as applicable, promptly following such setoff.

SECTION XIII.17. Severability. Any provisions of this Agreement which are prohibited or unenforceable in any jurisdiction shall, as to such jurisdiction, be ineffective to the extent of such prohibition or unenforceability without invalidating the remaining provisions hereof, and any such prohibition or unenforceability in any jurisdiction shall not invalidate or render unenforceable such provision in any other jurisdiction.

SECTION XIII.18. Mutual Negotiations. This Agreement and the other Transaction Documents are the product of mutual negotiations by the parties thereto and their counsel, and no party shall be deemed the draftsman of this Agreement or any other Transaction Document or any provision hereof or thereof or to have provided the same. Accordingly, in the event of any inconsistency or ambiguity of any provision of this Agreement or any other Transaction Document, such inconsistency or ambiguity shall not be interpreted against any party because of such party's involvement in the drafting thereof.

SECTION XIII.19. Captions and Cross References. The various captions (including the table of contents) in this Agreement are provided solely for convenience of reference and shall not affect the meaning or interpretation of any provision of this Agreement. Unless otherwise indicated, references in this Agreement to any Section, Schedule or Exhibit are to such Section Schedule or Exhibit to this Agreement, as the case may be, and references in any Section, subsection, or clause to any subsection, clause or subclause are to such subsection, clause or subclause of such Section, subsection or clause.

Capitalized terms used in this Seasonal Commitment Change Request and not otherwise defined herein shall have the meanings assigned thereto in the Agreement.

This letter constitutes a Seasonal Commitment Change Request pursuant to Section 2.02(h) of the Agreement. The Borrower hereby requests a modification in the Commitment of each Committed Lender for each applicable Fiscal Month to the amount set forth on Schedule I hereto with an effective date as of [____], 2022 (the "Seasonal Limit Change Date"). Each of the parties countersigning this Seasonal Commitment Change Request hereby consents to the modification in the Commitments for each applicable Fiscal Month to the amounts set forth on Schedule I hereto effective as of the Seasonal Limit Change Date.

This Seasonal Commitment Change Request shall be effective as of the Seasonal Limit Change Date with respect to each Committed Lender that has countersigned this Seasonal Commitment Change Request upon receipt by the Administrative Agent of counterparts hereto signed by at least one Committed Lender. In the event that one or more Committed Lenders fails to countersign this Seasonal Commitment Change Request, this Seasonal Commitment Change Request shall not be effective to modify the Commitment for any Fiscal Month of any such Committed Lender that has not countersigned this Seasonal Commitment Change Request.

The Borrower hereby represents and warrants as of the date hereof, and after giving effect to such Commitment modifications, as follows:

Exhibit L-1

(i) the representations and warranties of the Borrower and the Servicer contained in Sections 6.01 and 6.02 of the Agreement are true and correct on and as of the Seasonal Limit Change Date as if made on and as of such date (or, to the extent such representations and warranties specifically relate to an earlier date, that such representations and warranties were true and correct in all material respects, or true and correct, as the case maybe, as of such earlier date);

(vi) no Event of Default, Unmatured Event of Default, Termination Event or Unmatured Termination Event has occurred and is continuing, and no Event of Default, Unmatured Event of Default, Termination Event or Unmatured Termination Event would result from such Commitment modification;

(vii) no Borrowing Base Deficit exists or would exist after giving effect to such Commitment modification;

(viii) the Aggregate Capital will not exceed the Facility Limit;

(ix) the aggregate Commitment of the Committed Lenders for each Fiscal Month does not exceed \$75,000,000;

(x) the aggregate Commitment of the Committed Lenders for each Fiscal Month is not less than \$30,000,000; and

(xi) the Termination Date has not occurred.

THIS SEASONAL COMMITMENT CHANGE REQUEST, INCLUDING THE RIGHTS AND DUTIES OF THE PARTIES HERETO, SHALL BE GOVERNED BY, AND CONSTRUED IN ACCORDANCE WITH, THE LAWS OF THE STATE OF NEW YORK (INCLUDING SECTIONS 5-1401 AND 5-1402 OF THE GENERAL OBLIGATIONS LAW OF THE STATE OF NEW YORK, BUT WITHOUT REGARD TO ANY OTHER CONFLICT OF LAWS PROVISIONS THEREOF).

Delivery of an executed signature page of this Seasonal Commitment Change Request by facsimile transmission, emailed pdf. or any other electronic means that reproduces an image of the actual executed signature page shall be effective as delivery of an original executed counterpart hereof or any other electronic means as provided in the immediately following sentence.
