The accompanying proxy is solicited by the Board of Directors of SONO-TEK CORPORATION, a New York corporation (the “Company”), for use at the 2024 Annual Meeting of Shareholders of the Company to be held on August 22, 2024.

All proxies that are properly completed, signed and returned to the Company prior to the Annual Meeting, and which have not been revoked, will be voted in accordance with the shareholder’s instructions contained in such proxy. In the absence of contrary instructions, shares represented by such proxy will be voted (i) FOR approval of the election of each of the individuals nominated as Directors to serve until the 2026 Annual Meeting of Shareholders as set forth herein, (ii) FOR the ratification of the appointment of Marcum LLP, as the Company’s auditors for the fiscal year ending February 28, 2025 and (iii) FOR approval of the compensation of the Company’s named executive officers. A shareholder may revoke his or her proxy at any time before it is exercised by filing with the Secretary of the Company at its offices in Milton, New York either a written notice of revocation or a duly executed proxy bearing a later date, or by appearing in person at the 2024 Annual Meeting and expressing a desire to vote his or her shares in person.

In order for business to be conducted at the Annual Meeting, a quorum must be present. A quorum will be present if shareholders of record holding a majority in voting power of the outstanding shares of the Company’s common stock entitled to vote at the Annual Meeting are present in person or are represented by proxies. For purposes of determining the presence or absence of a quorum, the Company intends to count as present shares present in person but not voting and shares for which the Company has received proxies but for which holders thereof have abstained. Furthermore, shares represented by proxies returned by a broker holding the shares in nominee or “street” name will be counted as present for purposes of determining whether a quorum is present, even if the broker is not entitled to vote the shares on matters where discretionary voting by the broker is not allowed (“broker non-votes”).

Holders of the Company’s common stock will vote as a single class and will be entitled to one vote per share with respect to each matter to be presented at the Annual Meeting. With respect to Item 1, the three nominees for director receiving a plurality of the votes cast by holders of common stock, at the Annual Meeting in person or by proxy, shall be elected to the Board of Directors. Approval of Items 2, and 3 requires the votes cast in favor of such proposal to exceed the votes cast against such proposals. Abstentions from voting, as well as broker non-votes, if any, are not treated as votes cast and, therefore, will have no effect on any of these proposals.

Shareholders may vote in any of the following ways:

VOTE BY INTERNET - www.proxyvote.com. If you own your shares through a bank, broker or other nominee, you may use the Internet to transmit your voting instructions and for electronic delivery of information up until 11:59 P.M. Have your proxy card in hand when you access the web site and follow the instructions to obtain your records and to create an electronic voting instruction form.

If you do not have proof of ownership, you may not be admitted to our Annual Meeting if you attend the meeting in person. Each shareholder and proxy holder attending the Annual Meeting in person may be asked to present a valid government-issued photo identification, such as a driver’s license or passport, before being admitted. Cameras, recording devices and other electronic devices will not be permitted at the in-person meeting location, and attendees may be subject to security inspections and other security precautions.

Questions or comments pertinent to meeting matters will be addressed during the Annual Meeting, subject to time constraints. Questions or comments that relate to proposals that are not properly before the Annual Meeting, relate to matters that are not proper subject for action by shareholders, are irrelevant to the Company’s business, relate to material non-public information of the Company, relate to personal concerns or grievances, are derogatory to individuals or that are otherwise in bad taste, are in substance repetitious of a question or comment made by another shareholder, or are not otherwise suitable for the conduct of the Annual Meeting as determined in the sole discretion of the Company, will not be answered.

This Proxy Statement and the accompanying Notice of Annual Meeting of Shareholders, the Proxy, and the 2024 Annual Report to Shareholders are intended to be mailed on or about July 25, 2024 to shareholders of record at the close of business on July 22, 2024. Effective April 1, 2000, the Company instituted the Sono-Tek Corporation 401(k) Plan ("401(k) Plan") for employees of the Company, its subsidiaries and affiliates pursuant to the Internal Revenue Code. Under the 401(k) Plan, an eligible employee can elect to make a salary reduction of up to 20% of his or her compensation as defined in the plan.

Clawback Policy

On November 16, 2023, the Board adopted an executive compensation recoupment policy consistent with the requirements of the Exchange Act Rule 10D-1 and the Nasdaq listing standards thereunder, to help ensure that incentive compensation is paid based on accurate financial and operating data, and the correct calculation of performance against incentive targets. The Company's policy addresses recoupment of amounts from performance-based awards paid to all corporate officers, including awards under our equity incentive plans, in the event of a financial restatement to the extent that the payout for such awards would have been less, or in the event of fraud, or intentional, willful or gross misconduct that contributed to the need for a financial restatement.

Pay Versus Performance

Pursuant to the Securities Exchange Act of 1934, as amended, the Company is required to disclose in this proxy statement certain information comparing the total compensation actually paid ("CAP") to the Company's Principal Executive Officer (the "PEO") and the average total compensation paid to the Company's other named executive officers ("Non-NEOs") and certain financial performance metrics of the Company using a methodology that has been prescribed by the SEC.

SEC rules require certain adjustments be made to the Summary Compensation Table totals to determine CAP as reported in the Pay versus Performance table. CAP does not necessarily represent cash and/or equity value transferred to the applicable NEO without restriction, but rather is a value calculated under applicable SEC rules. A significant portion of the CAP amounts shown relate to changes in values of unvested awards over the course of the

applicable reporting year. The Company's NEOs do not participate in a defined benefit plan so no adjustment for pension benefits is included in the table below.

The following tables below detail these adjustments to compensation as reported in the Summary Compensation Table:

The Company did not pay any audit related fees or other fees to its independent auditors during the past two fiscal years.

The Audit Committee's current policy is to pre-approve all audit and non-audit services, including the preparation of tax returns, that are to be performed and fees to be charged by the Company's independent auditor to ensure that the provision of these services does not impair the independence of the auditor. The Audit Committee was in compliance with the requirements of the Sarbanes-Oxley Act of 2002 regarding the pre-approval of all audit and non-audit services and fees. The Audit Committee (or the entire Board of Directors performing the equivalent functions of an audit committee) pre-approved all audit and non-audit services rendered by the Company's principal accountant in fiscal 2024 and 2023.

A representative of the auditors, Marcum LLP, is expected to be present at the Annual Meeting, will have an opportunity to make a statement if he/she desires, and will be available to respond to appropriate questions.

THE BOARD OF DIRECTORS RECOMMENDS THAT THE SHAREHOLDERS VOTE "FOR" THE RATIFICATION OF THE APPOINTMENT OF MARCUM LLP.

ITEM 3: ADVISORY VOTE ON EXECUTIVE COMPENSATION

The Company is asking shareholders to cast an advisory vote on the compensation of the Company's named executive officers disclosed in the Executive Compensation section of this Proxy Statement and of the change of control and severance payments disclosed in the Certain Relationships and Related Transactions section of this Proxy Statement. While this vote is non-binding, the Company values the opinions of shareholders and will consider the outcome of the vote when making future compensation decisions.

The Board believes that the objectives of the Company's executive compensation program are appropriate for a company of the size and stage of development of the Company and that the Company's compensation policies and practices help meet those objectives. In addition, the Board believes that the Company's executive compensation program achieves an appropriate balance between fixed compensation and variable incentive compensation and pays for performance. The Board also believes that the Company's executive compensation programs effectively align the interests of the Company's executive officers with those of the Company's shareholders by tying a significant portion of their compensation to the Company's performance and by providing a competitive level of compensation needed to recruit, retain and motivate talented executives critical to the Company's long-term success. Accordingly, the Company is asking shareholders to approve the compensation of the Company's named executive officers. This advisory vote

is not intended to be limited or specific to any particular element of compensation, but rather cover the overall compensation of the Company's named executive officers and the compensation policies and practices described in this proxy statement.

THE BOARD OF DIRECTORS RECOMMENDS THAT THE SHAREHOLDERS VOTE "FOR", IN A NON-BINDING VOTE, THE COMPENSATION OF THE COMPANY'S NAMED EXECUTIVE OFFICERS AS DISCLOSED ABOVE PURSUANT TO ITEM 402 OF REGULATION S-K IN THE EXECUTIVE COMPENSATION OF THIS PROXY STATEMENT.
