**PROXY STATEMENT**

**GENERAL INFORMATION**  
**For the 2023 Annual Meeting of Shareholders**  
**To Be Held on June 15, 2023**

Our Board of Directors is soliciting proxies to be voted at our 2023 Annual Meeting of Shareholders (the “Annual Meeting”) to be held on Thursday, June 15, 2023, at 10:00 a.m., local time, for the purposes set forth in the attached Notice of Annual Meeting of Shareholders (the “Notice”) and in this Proxy Statement.

As used in this Proxy Statement, the terms “Company,” “we,” “us” and “our” refer to FinWise Bancorp, the term “Bank” refers to FinWise Bank and the terms “Board of Directors” and “Board” refer to the Board of Directors of the Company or the Bank, as the case may be.

**Questions and Answers about these Proxy Materials and the Annual Meeting**

**Question: *What information is contained in this Proxy Statement?***

**Answer:** This information relates to the proposals to be voted on at the Annual Meeting, the voting process, compensation of our directors and most highly paid executives, and certain other required information.

**Question: *Can I access the Company’s proxy materials and 2022 Annual Report electronically?***

**Answer:** Yes. The Proxy Statement, form of proxy card and 2022 Annual Report are available at the Company’s website, [www.finwisebancorp.com](http://www.finwisebancorp.com), under “Investor Relations”.

**Question: *What does it mean if I receive more than one set of proxy materials?***

**Answer:** It means that your shares are registered differently or are in more than one account. Please provide voting instructions for each account for which you have received a set of proxy materials.

**Question: *Who is soliciting my vote pursuant to this Proxy Statement?***

**Answer:** Our Board is soliciting your vote at the Annual Meeting.

**Question: *Who is entitled to vote?***

**Answer:** Only shareholders of record at the close of business on the Record Date will be entitled to vote at the Annual Meeting.

**Question: *How many shares are eligible to be voted?***

**Answer:** As of the Record Date, we had 12,824,572 shares of common stock issued and outstanding. Each outstanding share of our common stock will entitle its holder to one vote on each of the two (2) director nominees to be elected and one vote on the other matter to be voted on at the Annual Meeting.

**Question: *What am I voting on?***

**Answer:** You are voting on the following matters:

- The election of two (2) director nominees. Our director nominees are Gerald E. Cunningham and Lisa Ann Nievaard;
- The ratification of the appointment of Moss Adams LLP as the Company’s independent registered public accounting firm for the fiscal year ending December 31, 2023.

**Question:** *How does the Board recommend that I vote?*

**Answer:** Our Board recommends that shareholders vote their shares as follows:

- “FOR” each director nominee; and
- “FOR” the ratification of the appointment of Moss Adams LLP as the Company’s independent registered public accounting firm for the fiscal year ending December 31, 2023.

**Question:** *How many votes are required to hold the Annual Meeting and what are the voting procedures?*

**Answer:** Quorum Requirement: As of the Record Date, 12,824,572 shares of the Company’s common stock were issued and outstanding. A majority of the outstanding shares entitled to vote at the Annual Meeting, present or represented by proxy, constitutes a quorum for the purpose of adopting proposals at the Annual Meeting. If you submit a properly executed proxy, then you will be considered part of the quorum.

Required Votes: Each outstanding share of our common stock is entitled to one vote on each proposal at the Annual Meeting. If there is a quorum at the Annual Meeting, the matters to be voted upon by the shareholders require the following votes for such matter to be approved:

- ***Election of Directors.*** Directors are elected by a plurality of the voting power of the shares present in person or represented by proxy at the Annual Meeting and entitled to vote on the election of directors. Shareholders do not have cumulative voting rights. “Plurality” means that the nominees who receive the largest number of votes cast “FOR” are elected as directors. As a result, any shares not voted “FOR” a particular nominee (whether as a result of shareholder abstention or a broker non-vote) will not be counted in such nominee’s favor and will have no effect on the outcome of the election. Votes of “WITHHOLD” and broker non-votes have no legal effect on the election of directors due to the fact that such elections are by a plurality. Abstentions will have no effect on the outcome of this proposal. Broker non-votes will have no effect on the outcome of this proposal.
- ***Ratification of Independent Registered Public Accounting Firm.*** The affirmative vote of the holders of at least the majority of the shares for which votes are cast at the Annual Meeting is required for ratification of the appointment of Moss Adams LLP as our independent registered public accounting firm for the fiscal year ending December 31, 2023. Abstentions will not be counted as votes cast and, therefore, will not affect the outcome.

If a broker indicates on its proxy that it submits to the Company that it does not have authority to vote certain shares held in “street name,” the shares not voted are referred to as “broker non-votes.” Broker non-votes occur when brokers do not have discretionary voting authority to vote certain shares held in “street name” on particular proposals under the rules of the NASDAQ Stock Market, and the “beneficial owner” of those shares has not instructed the broker how to vote on those proposals. If you are a beneficial owner and you do not provide instructions to your broker, bank or other nominee, your broker, bank or other nominee is permitted to vote your shares for or against “routine” matters such as Item 2, the ratification of the appointment of our independent registered public accounting firm. Brokers are not permitted to exercise discretionary voting authority to vote your shares for or against “non-routine” matters. Item 1, the election of directors, is a “non-routine” matter.

**Question:** *What is the difference between a shareholder of record and a “street name” holder?*

**Answer:** These terms describe how your shares are held. If your shares are registered directly in your name with our stock transfer agent, you are considered the shareholder of record with respect to those shares. If your shares are held in a stock brokerage account or by a bank or other nominee, the nominee is considered the shareholder of record of those shares. You are considered the beneficial owner of these shares, and your shares are held in “street name.” If this is the case, then the proxy statement and proxy card have been forwarded to you by your nominee. As the beneficial owner, you have the right to direct your nominee concerning how to vote your shares by using the voting instructions your nominee included in the mailing or by following its instructions for voting.

**Question: *How can I vote my shares in person and participate at the Annual Meeting?***

**Answer:** You are entitled to attend the Annual Meeting only if you are a shareholder of record as of the close of business on April 17, 2023, the Record Date, or hold a valid proxy for the meeting. In order to be admitted to the Annual Meeting, you must present proof of ownership of company stock on the Record Date. This can be:

- a brokerage statement or letter from a bank or broker indicating ownership on April 17, 2023,
- a proxy card,
- a voting instruction form, or
- a legal proxy provided by your broker, bank or nominee.

Any holder of a proxy from a shareholder must present the proxy card, properly executed, and a copy of the proof of ownership. Shareholders and proxy holders must also present a form of photo identification such as a driver's license. We will be unable to admit anyone who does not present identification or refuses to comply with our security procedures.

Shares held in your name as the shareholder of record may be voted during the Annual Meeting. Shares for which you are the beneficial owner but not the shareholder of record also may be voted during the Annual Meeting in accordance with the instructions from your broker, bank or other nominee. However, even if you plan to attend the Annual Meeting, the Company recommends that you vote your shares in advance, so that your vote will be counted if you later decide not to attend the Annual Meeting.

For you to vote the shares that you beneficially own and that are held in "street name," you must provide us with a copy of a legal proxy from the broker, bank, or other nominee that was the record holder of your shares held in "street name" as of 5:00 p.m. Mountain Time on the record date, confirming that you were the beneficial owner of those shares as of 5:00 p.m. Mountain Time on the record date, stating the number of shares of which you were the beneficial owner that were held for your benefit at that time by that broker, bank, or other nominee, and appointing you as the record holder's proxy to vote the shares covered by that proxy at the Annual Meeting. To obtain instructions on how to provide the nominee-issued proxy to us in advance of the Annual Meeting, you should contact Michael O'Brien, Corporate Counsel of FinWise Bancorp by telephone at (801) 501-7200 or at the following address: FinWise Bancorp, 756 East Winchester, Suite 100, Murray UT 84107, Attn: Corporate Counsel.

**Question: *How can I vote my shares without attending the Annual Meeting?***

**Answer:** If you are the shareholder of record, you may vote by one of the following three methods as instructed on the enclosed proxy card:

- Via the Internet;
- By telephone; or
- By mail.

If you elect to vote by mail, you may mark, sign, date and mail the proxy card you received from us in the return envelope.

Whichever method of voting you use, the proxies identified on the proxy card will vote the shares of which you are the shareholder of record in accordance with your instructions. If you submit a proxy card properly voted and returned through available channels without giving specific voting instructions, the proxies will vote the shares as recommended by our Board.

If you own your shares in "street name," that is, through a brokerage account or in another nominee form, you must provide instructions to the broker or nominee as to how your shares should be voted. Your broker or nominee will usually provide you with the appropriate instruction forms at the time you receive the proxy materials. If you own your shares in this manner, you cannot vote in person at the Annual Meeting unless you receive a proxy to do so from the broker or the nominee.

**Question: *How may I cast my vote over the Internet or by telephone?***

**Answer:** Voting over the Internet: If you are a shareholder of record, you may use the Internet to transmit your vote up until 11:59 P.M., Eastern Time, June 14, 2023 (the day before the Annual Meeting). Visit [www.proxyvote.com](http://www.proxyvote.com) and have your proxy card in hand when you access the website and follow the instructions to obtain your records and to create an electronic voting instruction form.

Voting by Telephone: If you are a shareholder of record, you may call toll-free 1-800-690-6903 and use any touch-tone telephone to transmit your vote up until 11:59 P.M., Eastern Time, June 14, 2023 (the day before the Annual Meeting). Have your proxy card in hand when you call and then follow the instructions.

If you hold your shares in “street name,” that is through a broker, bank or other nominee, that institution will instruct you as to how your shares may be voted by proxy, including whether telephone or Internet voting options are available.

**Question: *How may a shareholder nominate someone at the Annual Meeting to be a director or bring any other business before the Annual Meeting?***

**Answer:** The Company’s Amended and Restated Bylaws (the “Bylaws”) require advance notice to the Company if a shareholder intends to attend an annual meeting of shareholders in person and to nominate someone for election as a director or to bring other business before the meeting. Such a notice may be made only by a shareholder of record within the time period established in the Bylaws and described in each year’s proxy statement. See “Shareholder Proposals for the 2024 Annual Meeting” beginning on page 33.

**Question: *How may I revoke or change my vote?***

**Answer:** If you are the record owner of your shares, and you completed and submitted a proxy card, you may revoke your proxy at any time before it is voted at the Annual Meeting by:

- submitting a new proxy card with a later date,
- delivering written notice to our Corporate Secretary on or before June 15, 2022 (the Annual Meeting date), stating that you are revoking your proxy,
- attending the Annual Meeting and voting your shares in person, or
- if you are a record owner of your shares and you submitted your proxy by telephone or via the Internet, you may change your vote or revoke your proxy with a later telephone or Internet proxy, as the case may be.

Please note that attendance at the Annual Meeting will not, in itself, constitute revocation of your proxy.

If you own your shares in “street name,” you may later revoke your voting instructions by informing the bank, broker or other holder of record in accordance with that entity’s procedures.

**Question: *Who is paying for the costs of this proxy solicitation?***

**Answer:** The Company will bear the cost of preparing, printing and mailing the materials in connection with this solicitation of proxies. In addition to mailing these materials, officers and regular employees of the Company may, without being additionally compensated, solicit proxies personally and by mail, telephone, facsimile or electronic communication.

**Question: *Where do I find the voting results of the Annual Meeting?***

**Answer:** The voting results will be disclosed in a Current Report on Form 8-K that we will file with the Securities and Exchange Commission (“SEC”) within four business days after the Annual Meeting.

**Question: *How can I obtain the Company’s Corporate Governance information?***

**Answer:** Our Corporate Governance information is available on our website at [www.finwisebancorp.com](http://www.finwisebancorp.com) under the Investor Relations section. Our shareholders may also obtain written copies at no cost by writing to us at FinWise Bancorp, 756 East Winchester Street, Suite 100, Murray, UT 84107, Attention: Investor Relations, or by calling 877-794-2410.

#### Corporate Governance Guidelines.

We are committed to sound corporate governance principles, which are essential to running our business efficiently and maintaining our integrity in the marketplace. Our Board of Directors has adopted Corporate Governance Guidelines, which set forth the framework within which our Board of Directors, assisted by the committees of our Board of Directors, directs the affairs of our organization. The Corporate Governance Guidelines address, among other things, the composition and functions of our Board of Directors, director independence, compensation of directors, management succession and review, committees of our Board of Directors and selection of new directors. Our Corporate Governance Guidelines are available on our website at [www.finwisebancorp.com](http://www.finwisebancorp.com) under the “Investor Relations” tab.

#### Director Qualifications.

We believe that our directors should have the highest professional and personal ethics and values. They should have broad experience at the policy-making level in business, government or banking. They should be committed to enhancing shareholder value and should have sufficient time to carry out their duties and to provide insight and practical wisdom based on experience. Their service on boards of other companies should be limited to a number that permits them, given their individual circumstances, to perform responsibly all director duties. Each director must represent the interests of all shareholders. When considering potential director candidates, our Board of Directors also considers the candidate’s character, judgment, diversity, skill set, specific business background and global or international experience in the context of our needs and those of the Board of Directors.

The Board Diversity Matrix below sets forth information about the diversity of our Board. The information shown is based on voluntary self-identification of members of our Board.

#### Director Independence.

Pursuant to Rule 5605(b)(1) of the NASDAQ Rules, a majority of the members of the Board must be “independent directors” as that term is defined by NASDAQ Rule 5605(a)(2). Our Board of Directors has evaluated the independence of its members based upon the rules of the Nasdaq Stock Market and the SEC. Applying these standards, our Board of Directors has affirmatively determined that six directors are “independent directors” under the applicable rules of the NASDAQ and the SEC. The independent directors of the Company are Howard I. Reynolds, James N. Giordano, Thomas E. Gibson, Jr., Lisa Ann Nievaard, Jeana Hutchings and Gerald E. Cunningham.

### **Election of Directors.**

In accordance with the terms of our Articles, our Board of Directors is elected by our shareholders on a staggered basis at each annual shareholders' meeting for a term of three-years and until their successors are elected and qualified, or until such director's earlier death, resignation or removal.

### **Leadership Structure.**

The Boards of Directors of the Company and the Bank have 12 regularly scheduled meetings per year.

Our Board of Directors does not have a formal policy requiring the separation of the roles of Chief Executive Officer and Chairman of the Board. It is the Board of Directors' view that rather than having a rigid policy, the Board of Directors, with the advice and assistance of the Nominating & Corporate Governance Committee, and upon consideration of all relevant factors and circumstances, will determine, as and when appropriate, whether the two offices should be separate. Currently, our leadership structure does not separate the offices of Chief Executive Officer and Chairman of the Board, with Kent Landvatter serving as both. Our Chairman has been closely involved with the Company since 2010 and has served as President and Chief Executive Officer since that time. Given his unique knowledge, experience and relationship with both the Board and management, the Board believes the combined role of Chairman and Chief Executive Officer promotes effective strategy development and execution, and facilitates information flow between management and the Board, which are essential to effective governance. The Board also believes the combined role of Chairman and Chief Executive Officer, together with a Lead Independent Director having the duties described below, provides significant value to the Company and is in the best interest of shareholders because it provides the appropriate balance between management and strategy development on the one hand and independent oversight on the other.

### **Lead Independent Director.**

Howard I. Reynolds, an independent director who serves as Chairman of the Nominating & Corporate Governance Committee, was elected by the Board of Directors to serve as the Lead Independent Director. As Lead Independent Director, Mr. Reynolds presides over all Board meetings when the Chairman is not present and meetings of the non-management directors held in executive session. Mr. Reynolds serves as a liaison between the Chairman and the independent directors and consults with the Chairman on major corporate decisions, strategy and Board meeting agendas.

The Lead Independent Director is nominated by the Nominating & Corporate Governance Committee and elected by the Board. When nominating and electing the Lead Independent Director, the Board considers, among other things, candidates' independence in accordance with Nasdaq listing standards and other applicable laws and regulations, knowledge of the Board, the Company, and banking industry, familiarity with corporate governance best practices and procedures, ability to achieve consensus and alignment among independent directors and between independent directors and the Chairman and ability to work effectively and constructively with and advise the Chairman.

### **Code of Ethics.**

Our Board of Directors has adopted a Code of Ethics that applies to all of our directors and employees. This code provides fundamental ethical principles to which these individuals are expected to adhere and operates as a tool to help our directors, officers and employees understand the high ethical standards required for employment by, or association with, our Company. A copy of the Code of Ethics is available without charge to any shareholder who requests it by writing to us at FinWise Bancorp, 756 East Winchester Street, Suite 100, Murray, UT 84107, Attention: Investor Relations, or by calling 877-794-2410. Our Code of Ethics is also available on our website at [www.finwisebancorp.com](http://www.finwisebancorp.com) under the "Investor Relations" tab. Any amendments to our Code of Ethics, or any waivers of its requirements, will be disclosed on our website, as well as by any other means required by NASDAQ rules or the SEC, including by filing a Current Report on Form 8-K.

### **Compensation Committee Interlocks and Insider Participation.**

None of the members of our Compensation Committee are or have been one of our officers or employees. In addition, none of our executive officers serves or has served as a member of the Compensation Committee or other Board committee performing equivalent functions of any entity that has one or more executive officers serving as one of our directors or on our Compensation Committee.

**Risk Management and Oversight.**

Our Board of Directors oversees our risk management process, which is a company-wide approach to risk management that is carried out by our management. Our full Board of Directors determines the appropriate risk for us generally, assesses the specific risks faced by us, and reviews the steps taken by management to manage those risks. While our full Board of Directors maintains the ultimate oversight responsibility for the risk management process, its committees oversee risk within their specific area of concern. Our Board of Directors monitors capital adequacy in relation to risk. Pursuant to our Board of Directors' instruction, management regularly reports on applicable risks to the relevant committee or the full Board, as appropriate, with additional review or reporting on risks conducted as needed or as requested by our Board of Directors and its committees.

**Shareholder Communications and Annual Meeting Attendance**

Shareholders may communicate with our Board by contacting Board of Directors, c/o Michael O'Brien, Corporate Counsel, FinWise Bancorp, 756 East Winchester Street, Suite 100, Murray, UT 84107. All communications will be forwarded directly to the Chairman of the Board for consideration.

The Board members are not required to attend our annual meetings of shareholders. However, all directors are encouraged to attend every annual meeting of shareholders as we believe that the annual meeting is an opportunity for shareholders to communicate directly with directors. If you would like an opportunity to discuss issues directly with the members of the Board, please consider attending this year's Annual Meeting. At our 2022 annual meeting of shareholders, all directors (who were serving as such) were in attendance.

Among other things, our Nominating & Corporate Governance Committee is responsible for:

- reviewing the performance of our Boards of Directors of the Company and each of our subsidiaries;

In carrying out its functions, the Nominating & Corporate Governance Committee has developed qualification criteria for all potential nominees for election, including incumbent directors, Board nominees and shareholder nominees to be included in the Company's future proxy statements. These criteria may include the following attributes:

- adherence to high ethical standards and high standards of integrity;

The Nominating & Corporate Governance Committee also evaluates potential nominees for the Company's Board of Directors to determine if they have any conflicts of interest that may interfere with their ability to serve as effective Board members and to determine whether they are "independent" in accordance with applicable SEC and NASDAQ rules (to ensure that, at all times, at least a majority of our directors are independent). Although we do not have a separate diversity policy, the Nominating & Corporate Governance Committee considers the diversity of the Company's directors and nominees in terms of knowledge, experience, skills, expertise and other factors that may contribute to the effectiveness of the Company's Board of Directors.

### Narrative Discussion of Summary Compensation Table

**General.** We have compensated our named executive officers through a combination of base salary, cash bonuses, equity awards and other benefits, including certain perquisites. Each of our named executive officers has substantial responsibilities relating to our day-to-day operations. Each year, the Compensation Committee conducts an evaluation of each named executive to determine if changes in the officer's compensation are appropriate taking into account the named executive's performance and contributions to the performance of the Company. In evaluating compensation for our named executives, the Compensation Committee reviews tally sheets and other summaries that include the following information:

- Salary and cash bonus compensation for prior years;
- Equity-based compensation awards for prior years;
- Vested and unvested equity-based compensation held; and
- The value of benefits and perquisites.

The Compensation Committee selected and directly retained Compensation Advisory Partners ("CAP"), an independent compensation consultant, to review the Company's executive compensation program for competitiveness as to levels and methods of compensation and to advise on current trends and issues in executive compensation. The Compensation Committee also retained CAP for assistance in evaluating compensation and performance metrics of peer companies; advising on different compensation mechanisms; and responding to other issues raised by the Compensation Committee.

**Base Salary.** The Compensation Committee reviews and approves base salaries of our named executive officers. In setting the base salary of each named executive officer for the periods presented above, the Compensation Committee relied on market data provided by our human resources department and survey data from industry resources. The Compensation Committee has the authority to retain independent consultants as it deems appropriate. Salary levels are typically considered annually as part of our regularly scheduled performance review process and otherwise upon a promotion or other change in job responsibility.

**Cash Bonuses.** Messrs. Landvatter, Noone and Jacobson are also eligible to receive an annual cash bonus based on our achievement of various metrics or as determined by our Board of Directors in its discretion. Annual incentive awards are intended to recognize and reward those named executive officers who contribute meaningfully to our performance for the corresponding year. Our Board of Directors has discretion to determine whether and in what amounts any such bonuses will be paid in a given year.

On March 21, 2023, our Board, acting on the recommendation of the Compensation Committee, adopted an executive compensation program for the Company's executive officers which, in addition to base salary and a long-term incentive plan, includes a cash bonus plan (the "Cash Bonus Plan") that will be used to calculate cash bonuses that may become payable with respect to 2023. The Cash Bonus Plan is intended to align pay with financial performance and shareholder value creation by basing cash bonuses on the achievement of specified levels of pre-tax net income. Such bonuses may range from 0% of the target bonus amounts to maximum bonus amounts to be established based on an aggregate bonus pool determined utilizing actual pre-tax net income realized by the Company. No bonus amount is provided for performance below the threshold level, which is 60% of the target level; 60% of the target bonus amount is provided for performance at the threshold level; the target bonus amount is provided for performance at the target level; and a greater bonus amount up to the maximum bonus amount is provided for performance greater than the target level. Actual bonus amounts are calculated by linear interpolation between the different levels, i.e., between the threshold and the target and between the target and the maximum bonus amounts.

For 2023, the amounts payable under the Cash Bonus Plan range from \$0 to the maximum bonus amount for Mr. Landvatter based on a target bonus of \$240,000, from \$0 to the maximum bonus amount for Mr. Noone based on a target bonus of \$400,000 and from \$0 to the maximum bonus amount for Mr. Jacobson based on a target bonus of \$90,000.

The Compensation Committee can reduce the bonus for all employees covered by the Cash Bonus Plan collectively by up to 25% if it determines, in its sole discretion, that inappropriate risk was taken by the Company. In addition, the Committee retains the ability to assess the incentive plan outcomes and determine if any discretionary adjustments should be considered for any covered employee to best align with overall performance and shareholder interests.

Mr. Tilis was eligible to receive bonuses under his employment agreement which is described below.

**Equity Awards.** The FinWise Bancorp 2019 Stock Option Plan, as amended, or the 2019 Plan, and the FinWise Bancorp 2016 Stock Option Plan, as amended, or the 2016 Plan, are described more fully below, and authorize the Compensation Committee to grant various forms of incentive awards and establish the terms and conditions of the awards, subject to the terms of each plan. Our Board of Directors has also issued equity awards that are not subject to either the 2019 Plan or the 2016 Plan. We believe all equity awards granted to our named executive officers, whether issued pursuant to or separate from a plan, help align the interests of management and our shareholders and reward our executive officers for improved Company performance.

**FinWise Bank 401(k) Plan.** The Bank's 401(k) Plan is designed to provide retirement benefits to all eligible full-time and part-time employees of the Bank. The 401(k) Plan provides employees the opportunity to save for retirement on a tax-favored basis. Our named executive officers may elect to participate in the Bank's 401(k) Plan on the same basis as all other employees.

**Health and Welfare Benefits.** Our named executive officers are eligible to participate in the same benefit plans of the Bank designed for all of the Bank's full-time employees, including health, dental, vision, disability and basic group life insurance coverage. The Bank covers 100% of the health care and dental insurance costs of Messrs. Landvatter, Noone, Jacobson and Tilis. The Bank also reimburses copayments and other healthcare expenses for the aforementioned executives but not the Bank's other employees. The purpose of the Bank's employee benefit plans is to help attract and retain quality employees, including executives, by offering benefit plans like those typically offered by our competitors.

**Perquisites.** We provide our named executive officers with a limited number of perquisites that we believe are reasonable and consistent with our overall compensation program to enable us to attract and retain superior employees for key positions. Our Compensation Committee periodically reviews the levels of perquisites and other personal benefits provided to named executive officers. Based on these periodic reviews, perquisites are awarded or adjusted on an individual basis. The perquisites received by our named executive officers in 2021 included payment of auto allowances.

## CERTAIN RELATIONSHIPS AND RELATED PARTY TRANSACTIONS

In addition to the compensation arrangements with directors and executive officers described in “Executive Compensation” above, the following is a description of transactions since January 1, 2021 to which we have been or are to be a party in which the amount involved exceeded or will exceed \$120,000, and in which any of our directors (including nominees for election as directors), executive officers or beneficial holders of 5% or more of our capital stock, or their respective immediate family members or entities affiliated with them, had or will have a direct or indirect material interest.

### *Policies and Procedures Regarding Related Party Transactions*

Transactions by us or the Bank with related persons are subject to regulatory requirements and restrictions. We have adopted written policies to comply with regulatory requirements and restrictions applicable to transactions by the Bank or us with related persons, including Sections 23A and 23B of the Federal Reserve Act (which govern certain transactions by the Bank with its affiliates) and the Federal Reserve’s Regulation O (which governs certain loans by the Bank to its executive officers, directors and principal shareholders).

In addition, our Board of Directors has adopted a written policy governing the approval of related party transactions that complies with all applicable requirements of the SEC and NASDAQ concerning related party transactions. A related party transaction is a transaction, arrangement or relationship or a series of similar transactions, arrangements or relationships in which the amount involved exceeds the lesser of \$120,000 or 1% of the average of our total assets at year-end for the last two completed fiscal years, in which we or the Bank participate (whether or not we or the Bank are a direct party to the transaction), and in which a related party had, has or will have a direct or indirect material interest. Our related parties include our or any of the Bank’s directors (including nominees for election as directors), executive officers, beneficial owners of 5% or more of our voting securities and immediate family members of any of the foregoing or any entity that any of them controls or in which any of them has a substantial beneficial ownership interest.

Our related party transaction policy is administered by our Audit Committee. This policy requires the Audit Committee to ensure that we maintain an ongoing review process for all related party transactions for potential conflicts of interest and requires that our Audit Committee pre-approve any such transactions or, if for any reason pre-approval is not obtained, to review, ratify and approve or cause the termination of such transactions. Our Audit Committee evaluates each related party transaction to determine whether the transaction is fair, reasonable and permitted to occur under our policy, and should be pre-approved or ratified. Relevant factors considered relating to any approval or ratification will include the benefits of the transaction to us, the terms of the transaction and whether the transaction will be or was on an arm’s-length basis and in the ordinary course of our business, the direct or indirect nature of the related party’s interest in the transaction, the size and expected term of the transaction and other facts and circumstances that bear on the materiality of the related party transaction under applicable law and listing standards. At least quarterly, management provides our Audit Committee with information pertaining to related party transactions. Related party transactions entered into, but not approved or ratified as required by our policy concerning related party transactions, are subject to termination by us or the Bank, if so directed by our Audit Committee or our Board of Directors, considering factors deemed appropriate and relevant.

### *Ordinary Banking Relationships*

Certain of our officers, directors and principal shareholders, as well as their immediate family members and affiliates, are customers of, or have or have entered into transactions with the Bank in the ordinary course of business. These transactions include deposits, loans and other financial services-related transactions. Related party transactions are entered into in the ordinary course of business, on substantially the same terms, including interest rates and collateral (where applicable), as those prevailing at the time for comparable transactions with persons not related to us, and do not involve more than normal risk of collectability or present other features unfavorable to us. Any loans we originate with officers, directors or principal shareholders, as well as their immediate family members and affiliates, are approved by our Board of Directors in accordance with the Bank’s regulatory requirements.

As of December 31, 2022, our officers, directors and beneficial holders of 5% or more of our capital stock as well as their immediate families and affiliated companies, as a group, were not indebted directly or indirectly to us, while deposits from this group totaled \$1.2 million as of such date. As of December 31, 2022, no related party loans were categorized as nonaccrual, past due, restructured or potential problem loans. We expect to continue to enter into transactions in the ordinary course of business on similar terms with our officers, directors and principal shareholders, as well as their immediate family members and affiliates.

### *BFG Transactions*

In 2014, we launched our SBA 7(a) lending program and began receiving loan referrals from Business Funding Group, LLC (“BFG”), a nationally significant referral source of SBA loans and the Bank’s primary SBA referral source. In 2021 and 2022, BFG was the primary source of SBA loan referrals for the Bank.

**Standstill Agreement.** We are party to a Standstill Agreement with BFG, dated January 19, 2016 (the “Standstill Agreement”), whereby BFG agreed, among other things, not to acquire shares of our common stock, participate in the solicitation of proxies or otherwise seek to acquire control of our Company. The Standstill Agreement was entered into in connection with BFG’s acquisition of our common stock. BFG no longer owns shares of our common stock. The Standstill Agreement by its terms will continue until our regulators approve a change of control of the Company.

**Option to Acquire BFG.** To further strengthen our relationship with BFG, we obtained a right of first refusal and an option to acquire 100% of BFG. Subject to the terms of the Right of First Refusal and Option Agreement, dated as of March 31, 2020, we were granted an option to acquire all of the ownership interests in BFG at any time after January 1, 2021 through January 1, 2028, at an earnings multiple mutually agreed upon by us and BFG or as determined by an independent third party provided that the earnings multiple shall not be less than 10 times BFG’s net profit based on the fiscal year ended immediately prior to the exercise of the option nor greater than 15 times BFG’s net profit. In addition, the Company has the right of first refusal, prior to the Company exercising its option, to acquire any ownership interests that any individual owner of BFG wishes to sell. As consideration for the right of first refusal and option, we issued warrants to each BFG member (other than the Company) with the right to acquire shares of our common stock on a pro rata basis according to each such person’s percentage ownership in BFG, not exceeding an aggregate of 270,000 shares, at an exercise price of \$6.67 per share. The warrants will expire on March 31, 2028. The exercise of our right of first refusal or our option, and the exercise of warrants to acquire our common stock by BFG members, are subject to all required regulatory approvals, including the Federal Reserve Bank and UDFI.

### *Directed Share Program*

At our request, the underwriters of our initial public offering reserved 159,091 shares of our common stock offered for sale in the initial public offering, at the initial public offering price, to our directors, officers, employees, principal shareholders, business associates, and related persons who had expressed an interest in purchasing our common stock in the initial public offering. These shares were offered to the extent permitted under applicable regulations in the United States through a directed share program.

### *Secured Promissory Note*

Following Mr. Alan Weichselbaum’s resignation from the Board on May 7, 2021, the Company and Mr. Weichselbaum entered into a secured promissory note, dated as of August 6, 2021 (the “2021 Note”), pursuant to which Mr. Weichselbaum borrowed \$143,410 in principal amount from us to pay an aggregate exercise price of the same amount for his exercise of stock options to purchase an aggregate of 30,000 shares of our common stock on August 6, 2021. The 2021 Note had an interest rate of 3% per annum and a maturity date of June 1, 2022 and was secured by a security interest in such shares pursuant to a related security agreement. Between 2018 and 2021, stock options for 9,000 and 12,000 of such shares were granted to Mr. Weichselbaum under the Company’s 2016 Stock Option Plan and 2019 Stock Option Plan, respectively, and stock options for an additional 9,000 of such shares were separately granted to him as non-qualified stock options during his prior period of service as a director of the Company for such service. The stock options had exercise prices ranging from \$2.36 to \$6.67 per share. Subsequent to the entry into the 2021 Note, the Company and Mr. Weichselbaum entered into a new secured promissory note, dated as of June 1, 2022 (the “2022 Note”), with the same principal amount as the 2021 Note. Mr. Weichselbaum used the proceeds of the 2022 Note borrowed from the Company to repay in full the 2021 Note. The 2022 Note had an interest rate of 4% per annum and a maturity date of December 31, 2022 and was secured by a security interest in such 30,000 shares pursuant to a related security agreement. On June 1, 2022, in connection with the repayment in full of the 2021 Note and entry into the 2022 Note, we received \$3,524 in interest payments under the 2021 Note and a \$2,868 renewal fee from Mr. Weichselbaum. On October 21, 2022, Mr. Weichselbaum repaid in full the \$143,410 aggregate principal amount plus \$2,232 in interest owed under the 2022 Note in accordance with its terms. As such, the obligations of the parties under the 2022 Note and a related security agreement were discharged and the 2022 Note and the security agreement were terminated.

### **DELINQUENT SECTION 16(A) REPORTS**

Section 16(a) of the Exchange Act requires our directors and executive officers and persons who own more than 10% of the outstanding shares of common stock to file reports with the SEC disclosing their ownership of common stock at the time they become subject to Section 16(a) and changes in such ownership that occur during the year. Based solely on a review of copies of such reports furnished to us, or on written representations that no reports were required, we believe that all directors, executive officers and holders of more than 10% of the common stock complied in a timely manner with the filing requirements applicable to them with respect to transactions during the year ended December 31, 2022, except for a Form 3 that was not timely filed by Mr. Weichselbaum.

**PROPOSAL 2: RATIFICATION OF THE APPOINTMENT OF MOSS ADAMS LLP  
AS THE COMPANY’S INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM FOR  
FISCAL YEAR 2023**

Shareholders will also be asked to ratify the Audit Committee’s appointment of Moss Adams LLP (“Moss Adams”) to audit the books and accounts of the Company for the fiscal year ended December 31, 2023. Moss Adams has served as the Company’s independent registered public accounting firm since 2018.

A representative of Moss Adams is expected to be present at the Annual Meeting, will have an opportunity to make a statement if he or she desires to do so, and will be available to respond to appropriate questions.

Because your vote is advisory, it will not be binding upon the Audit Committee, overrule any decision made by the Audit Committee, or create or imply any additional fiduciary duty by the Audit Committee. The Audit Committee may, however, take into account the outcome of the vote when considering future auditor appointments.

**Audit Fees and Services**

The following table shows the fees paid or accrued by the Company for the audit and other services provided by Moss Adams during fiscal years 2022 and 2021:

<u>Moss Adams LLP</u>	<u>2022</u>	<u>2021</u>
Audit Fees . . . . .	\$434,050	\$749,238
Audit-Related Fees . . . . .	—	—
Tax Fees . . . . .	37,369	26,579
All Other Fees . . . . .	<u>41,700</u>	<u>8,375</u>
Total . . . . .	<u>\$513,119</u>	<u>\$784,192</u>

Audit Fees incurred in fiscal years 2022 and 2021 includes fees related to the Company’s annual independent financial statement audit, quarterly reviews, reporting on internal control over financial reporting, and for services that are normally provided by the auditor in connection with statutory and regulatory filings or engagements. Audit-related fees include fees billed for assurance and related services that are reasonably related to the performance of the audit or review of the Company’s consolidated financial statements and are not reported under “Audit Fees,” and may include employee benefit plan audits and consultations concerning financial accounting and reporting standards. Tax fees includes fees for tax services rendered in preparation of state and federal tax returns for the Company and Bank, as well as allowable consultations regarding certain tax matters. The Audit Committee has reviewed summaries of the services provided and the related fees and has determined that the provision of non-audit services is compatible with maintaining the independence of Moss Adams.

**Audit Committee Pre-Approval Policies and Procedures**

The Audit Committee’s policy is to pre-approve all audit and permitted non-audit services, except that *de minimis* non-audit services, as defined in Section 10A(i)(1) of the Exchange Act, may be approved prior to the completion of the independent auditor’s audit. All of the 2022 and 2021 services described above were pre-approved by the Audit Committee. The Audit Committee has delegated to its Chairman authority to approve a request for pre-approval provided that the same is submitted to the Audit Committee for ratification at its next scheduled meeting.

**THE BOARD OF DIRECTORS UNANIMOUSLY RECOMMENDS THAT SHAREHOLDERS  
VOTE “FOR” THE RATIFICATION OF THE APPOINTMENT OF MOSS ADAMS  
AS THE COMPANY’S INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM  
FOR THE FISCAL YEAR ENDING DECEMBER 31, 2023**

## SHAREHOLDER PROPOSALS FOR THE 2024 ANNUAL MEETING

Any shareholder desiring to present a proposal pursuant to Rule 14a-8 of the Exchange Act to be included in the definitive proxy statement and voted on by the shareholders at the 2024 annual meeting of shareholders must submit a written proposal, including all supporting information, to the Company at its principal executive offices no later than December 30, 2023, or 120 days prior to the anniversary date that we released this Proxy Statement to our shareholders for the Annual Meeting, and must meet all other requirements for inclusion in the proxy statement. As provided in the Bylaws, if a shareholder intends to nominate an individual for election to our board of directors directly or to present a proposal for new business to be considered at the 2024 annual meeting of shareholders but does not seek inclusion of the proposal in the Company's proxy statement for that meeting, then such proposal, including all supporting information, must be delivered to and received by the Company's Corporate Secretary at our principal executive offices not earlier than December 18, 2023 and no later than January 17, 2024, or not more than 180 days nor less than 150 days before the first anniversary date of the previous year's annual meeting; provided, however, in the event that the date of the 2024 annual meeting is changed by more than thirty (30) days from the first anniversary date of the previous year's annual meeting, notice by the shareholder will be considered timely if it is delivered not earlier than the 180th day prior to the 2024 annual meeting and no later than the close of business on the tenth day following the date on which public notice of the date of the 2024 annual meeting is first made. Proposals received by the Company outside of these timelines will be considered untimely. If a shareholder proposal is not timely received, then the proxies will be authorized to exercise discretionary authority with respect to the proposal. Additionally, to comply with the universal proxy rules, shareholders who intend to solicit proxies in support of director nominees, other than the Company's nominees, must provide notice that sets forth the information required by Rule 14a-19 under the Exchange Act no later than April 16, 2024, or 60 days prior to the anniversary of the Annual Meeting, unless the required information has been provided in a preliminary or definitive proxy statement previously filed by the shareholder. If the date of the 2024 annual meeting is changed by more than 30 days from the anniversary of the Annual Meeting, then such notice must be provided by the later of 60 days prior to the date of the 2024 annual meeting or the tenth day following the day on which the Company publicly announces the date of the 2024 annual meeting. In order to comply with Rule 14a-19, the notice must be postmarked or transmitted electronically on or before the applicable deadline. The notice requirements under Rule 14a-19 are in addition to the applicable advance notice requirements under our bylaws as described above.

## OTHER BUSINESS

As of the date of this Proxy Statement, management does not know of any other matters that will be brought before the Annual Meeting requiring action of the shareholders. However, if any other matters requiring the vote of the shareholders properly come before the Annual Meeting, it is the intention of the persons named in the enclosed form of proxy to vote the proxies in accordance with the discretion of management. The persons designated as proxies will also have the right to approve any and all adjournments of the Annual Meeting for any reason.

## SHAREHOLDERS SHARING THE SAME ADDRESS

The SEC has adopted rules that permit companies and intermediaries (such as brokers, banks and other nominees) to implement a delivery procedure called "householding." Under this procedure, multiple shareholders who reside at the same address may receive a single copy of the Proxy Statement, the Annual Report and other proxy materials, unless the affected shareholder has provided contrary instructions. This procedure reduces printing costs and postage fees.

Under applicable law, if you consented or were deemed to have consented, your broker, bank or other intermediary may send only one copy of the Proxy Statement, the 2022 Annual Report, and other proxy materials to your address for all residents that own shares of Company common stock in street name. If you wish to revoke your consent to householding, you must contact your broker, bank or other intermediary. If you are receiving multiple copies of the Proxy Statement, the 2022 Annual Report, and other proxy materials, you may be able to request householding by contacting your broker, bank or other intermediary. Upon written or oral request, we will promptly deliver a separate set of the Proxy Statement, the 2022 Annual Report or other proxy materials to any beneficial owner at a shared address to which a single copy of any of those documents was delivered. If you wish to request copies free of charge of the Proxy Statement, the 2022 Annual Report or other proxy materials, please send your request to **Investor Relations, FinWise Bancorp, 756 East Winchester Street, Suite 100, Murray, UT 84107**, or call the Company with your request at 877-794-2410.

By Order of the Board of Directors,
