SSGA ASL is the AQUA Product Issuer for the CHESSE Depository Interests (or "CDIs") created over interests in SPY which were first quoted on the AQUA market of the ASX on 13 October 2014. State Street Global Advisors Trust Company (ARBN 619 273 817) is the trustee of, and the issuer of interests in, the SPDR® S&P 500® ETF Trust, an ETF registered with the United States Securities and Exchange Commission under the Investment Company Act of 1940 and principally listed and traded on NYSE Arca, Inc. under the symbol "SPY".

This material is general information only and does not take into account your individual objectives, financial situation or needs and you should consider whether it is appropriate for you. You should seek professional advice and consider the product disclosure statement and target market determination, available at ssga.com/au, before deciding whether to acquire or continue to hold units in an ETF. This material should not be considered a solicitation to buy or sell a security.

ETFs trade like stocks, are subject to investment risk, fluctuate in market value and may trade at prices above or below the ETF's net asset value. ETFs typically invest by sampling an index, holding a range of securities that, in the aggregate, approximates the full index in terms of key risk factors and other characteristics. This may cause the fund to experience tracking errors relative to performance of the index. Investing involves risk including the risk of loss of principal.
