If you leave this section blank, or your named proxy does not attend the Meeting, the Chair will be your proxy. A proxy need not be a Shareholder of the Company.

All resolutions at the Meeting will be decided on a poll. Shareholders are therefore strongly encouraged to lodge directed proxies in advance of the Meeting.

If you do not mark any of the boxes on the Resolutions, your proxy may vote as he or she chooses. If you mark more than one box on a Resolution your vote on that Resolution will be invalid.

EXPLANATORY STATEMENT

This Explanatory Statement has been prepared to provide information which the Directors believe to be material to Shareholders in deciding whether or not to pass the Resolutions.

1. FINANCIAL STATEMENTS AND REPORTS

In accordance with the Corporations Act, the business of the Meeting will include receipt and consideration of the annual financial report of the Company for the financial year ended 30 June 2024 together with the declaration of the Directors, the Directors' report, the Remuneration Report and the auditor's report.

The Company will not provide a hard copy of the Company's annual financial report to Shareholders unless specifically requested to do so. The Company's annual financial report is available on its website at www.Haodex.com.au.

2. RESOLUTION 1 – ADOPTION OF REMUNERATION REPORT

2.1 General

The Corporations Act requires that at a listed company's annual general meeting, a resolution that the remuneration report be adopted must be put to the shareholders. However, such a resolution is advisory only and does not bind the company or the directors of the company.

The remuneration report sets out the company's remuneration arrangements for the directors and senior management of the company. The remuneration report is part of the directors' report contained in the annual financial report of the company for a financial year.

The chair of the meeting must allow a reasonable opportunity for its shareholders to ask questions about or make comments on the remuneration report at the annual general meeting.

2.2 Voting consequences

A company is required to put to its shareholders a resolution proposing the calling of another meeting of shareholders to consider the appointment of directors of the company (**Spill Resolution**) if, at consecutive annual general meetings, at least 25% of the votes cast on a remuneration report resolution are voted against adoption of the remuneration report and at the first of those annual general meetings a Spill Resolution was not put to vote. If required, the Spill Resolution must be put to vote at the second of those annual general meetings.

If more than 50% of votes cast are in favour of the Spill Resolution, the company must convene a shareholder meeting (**Spill Meeting**) within 90 days of the second annual general meeting.

All of the directors of the company who were in office when the directors' report (as included in the company's annual financial report for the most recent financial year) was approved, other than the managing director of the company, will cease to hold office immediately before the end of the Spill Meeting but may stand for re-election at the Spill Meeting.

Following the Spill Meeting those persons whose election or re-election as directors of the company is approved will be the directors of the company.

3. RESOLUTION 2 – ELECTION OF DIRECTOR – MR FRANK HUANG

3.1 General

The Constitution sets out the requirements for determining which Directors are to retire by rotation at an annual general meeting.

Mr Frank Huang who has served as a Director since 13 December 2017, and was last re-elected on 30 November 2022, retires by rotation pursuant to Clause 39.1(c) of the Constitution and seeks re- election.

3.2 Qualifications and other material directorships

Mr Huang has had over 25 years of executive management experience across a number of Australian and International companies and has been involved in a number of corporate leader roles within the technology sector.

Mr Huang has extensive corporate leadership skills and strong financial and business planning capabilities. This provides him with the capacity to manage the compete cycle of commercial activity, from strategy development, corporate financing, operational implementation and ongoing growth via organic means and/or acquisition.

Mr Huang is a Bachelor of Aeronautical Engineering from China Civil Aviation University.

3.3 Independence

Mr Huang does have interests, positions or relationships that might influence, or reasonably be perceived to influence, in a material respect their capacity to bring an independent judgement to bear on issues before the Board and to act in the best interest of the Company as a whole rather than in the interests of an individual security holder or other party.

If elected the Board does not consider Mr Huang will be an independent Director.

3.4 Board recommendation

The Board has reviewed Mr Huang's performance since his appointment to the Board and considers that Mr Huang's skills and experience will continue to enhance the Board's ability to perform its role. Accordingly, the Board supports the election of Mr Huang and recommends that Shareholders vote in favour of Resolution 2.

4. RESOLUTION 3 –APPROVAL TO ISSUE ADDITIONAL EQUITY SECURITIES UNDER NSX LISTING RULE 6.25

4.1 General

This Resolution seeks shareholder approval under NSX Listing Rule 6.25 to allow the Company to issue equity securities up to 10% of its ordinary securities on issue as at the date of this Notice, in addition to the Company's existing 15% capacity under Listing Rule 6.25.

4.2 NSX Listing Rule 6.25

NSX Listing Rule 6.25 allows an entity to issue (or agree to issue) equity securities up to 15% of the Company's ordinary securities on issue in any 12-month period without the approval of the Shareholders of the Company. If the Company wishes to issue equity securities above its 15% capacity, the Company must obtain shareholder approval at a general meeting prior to the issue, unless an exception applies.

As at the date of this Notice, the Company has on issue 151,995,338 fully paid ordinary securities, therefore, subject to Shareholder approval being obtained under this Resolution, the Company will have the capacity to issue 15,199,533 equity securities in addition to the capacity available under its existing 15% capacity.

Details regarding the purposes for which any particular issue under this Resolution is made will be more fully detailed in an announcement to the NSX at the time the issue is made.

Offers made under this Resolution may be made to parties (excluding any related parties) including professional and sophisticated investors or any other person to whom the Company is able to make an offer of equity securities.

If this Resolution is approved, the Company will have the ability to issue up to 10% of its issued capital as at the date of this Notice without further Shareholder approval and therefore allow it to take advantage of opportunities to obtain further funds if required and available in the future.

If this Resolution is not passed, the Company will not be able to access the additional 10% capacity to issue equity securities without Shareholder approval and will remain subject to the 15% limit on issuing equity securities without Shareholder approval set out in NSX Listing Rule 6.25.

The following information in relation to the issue of equity securities under this Resolution is provided to Shareholders for the purposes of Listing Rule 6.25:

- a) The identity of the allottees of equity securities under this Resolution will be determined at the time the Company decides to make an issue having regard to a number of factors.

- c) The equity securities will be issued within 12 months of Shareholder approval being obtained by the Company.
- d) The issue price of the equity securities to be issued under this Resolution will be determined at the time of issue, having regard to proximate trading prices of the Company's Share quoted on the NSX. In some circumstances, the Company may issue equity securities under this Resolution for non-cash consideration (for example, in lieu of cash payments to consultants, suppliers or vendors).
- e) If the equity securities are Shares, the Shares will be fully paid on issue and rank equally in all aspects with all existing fully paid ordinary shares previously issued by the Company.

- f) If the equity securities are Shares, fund raised from the issue of the Shares will be used by the Company for the acquisition of new resources, assets and investments (including expenses associated with such an acquisition) and continued development of the Company's current platform, ongoing market development and for general working capital purposes.
