NOTES TO THE FINANCIAL STATEMENTS
FOR THE PERIOD ENDED 30 JUNE 2024

(ii) Performance obligation and revenue recognition policy

Fee and commission income from contracts with customers is measured based on the consideration specified in a contract with a customer. The Bank recognises revenue when it transfers control over a service to a customer.

The following table provides information about the nature and timing of the satisfaction of performance obligations in contracts with customers, including significant payment terms, and the related revenue recognition policies.

Type of service	Nature and timing of satisfaction of performance obligations, including significant payment terms	Revenue recognition under IFRS 15
Retail and corporate banking service	The bank provides banking services to retail and corporate customers, including account management, provision of overdraft facilities and servicing fees. Fees for ongoing account management are charged to the customer's account on a monthly basis. The rates for the different class of accounts are set on an annual basis. Transaction-based fees for interchange and overdrafts are charged to the customer's account when the transaction takes place. Loan servicing fees are charged once when the transaction takes place.	Revenue from deposit related services are recognized overtime as the services are provided. Revenue from credit related services are recognized at a point in time when the transaction

(c) Fair value reserve

Fair value reserve comprise the cumulative net change in the fair value of equity securities designated at fair value through other comprehensive income.

(d) Statutory reserve

The Nigerian banking regulations require the Bank to make an annual appropriation to a statutory reserve. As stipulated by S.8.1.7 of the Amended Regulatory and Supervisory Guidelines for Microfinance Banks issued by the Central Bank of Nigeria (CBN), an appropriation of 50% of profit after tax is made if the statutory reserve is less than 50% of its paid-up share capital, 25% of profit after tax if the statutory reserve is greater than 50% but less than 100% of its paid-up share capital and 12.5% of profit after tax if the statutory reserve is greater than the paid up share capital.

There was no transfer to or from statutory reserves during the period ended 30 June 2024.
