

[Press Release]

Announcement of a Partnership Agreement with TRM Labs, Inc.

SUNCORPORATION (Nagoya, Aichi, Japan, CEO: Ryusuke Utsumi, TSE Standard: 6736) has signed a strategic distribution partnership agreement for the Japanese market with TRM Labs, Inc. a leading blockchain intelligence company based in the US.

TRM Labs' blockchain intelligence solution supports 30 blockchains, the largest number in the industry. It enables automatic cross-chain tracing between different blockchains, and the linking of information from various information sources, including open sources, and has advanced features such as the ability to conduct forensic investigations of blockchains. The company's blockchain intelligence solutions have been implemented by numerous law enforcement agencies, regulators, tax authorities, financial institutions and crypto asset exchanges across the US, Latin America, Europe and Asia-Pacific.

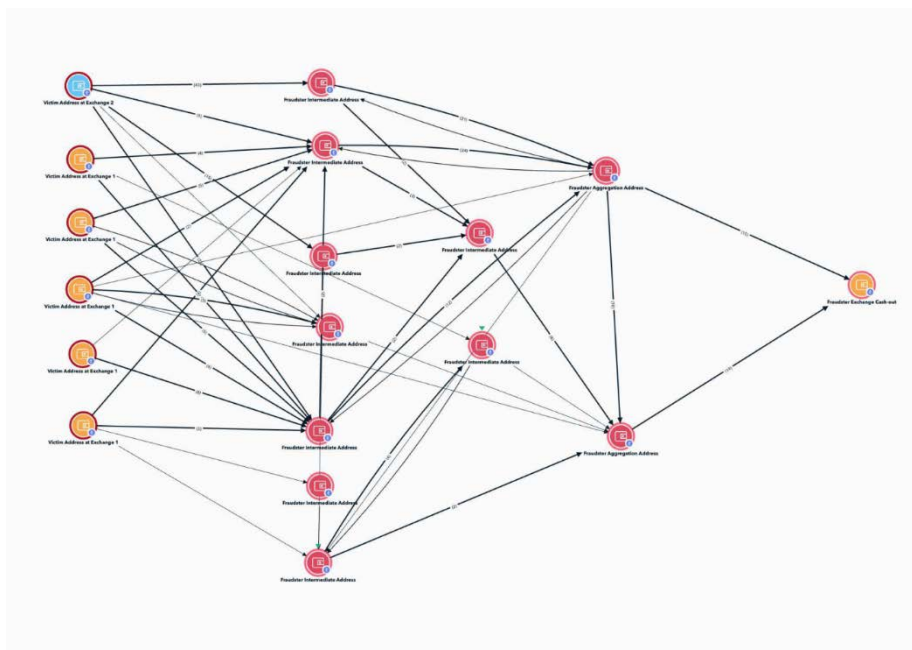

About TRM Labs
