

#### **Bell Potter Healthcare Conference 2024 - Presentation**

Doctor Care Anywhere Group PLC (ASX:DOC, "Doctor Care Anywhere" or "the Company") announces that its Chief Executive Officer Ben Kent will be presenting virtually at the Bell Potter Healthcare conference 2024 on Tuesday 19 November at 17.00 (AEDT).

A copy of the presentation is attached.

This ASX announcement has been authorised for release by the Board of Directors.

#### **About Doctor Care Anywhere:**

Doctor Care Anywhere Group PLC is one of the UK's largest private providers of telehealth services. The Company works with insurers, healthcare providers and corporate customers to connect patients to a range of digitally enabled telehealth services on its proprietary platform. It is committed to delivering the best possible patient experience and clinical care through digitally enabled, joined up, evidence-based pathways.

## **Important Notice and Disclaimer**

This presentation is for information purposes only and it is not financial product or investment advice. The presentation is not intended to be comprehensive or provide all information required by investors to make an informed decision on any investment in Doctor Care Anywhere Group Plc, with English company number 08915336 and registered as a foreign company in Australia ARBN 645 163 873 (Company). In preparing this presentation, the Company did not take into account the investment objectives, financial situation or particular needs of any particular reader.

Readers should obtain their own investment, legal and tax advice before taking any action on any information dealt with in the presentation.

Whilst this presentation is based on information from sources which are considered reliable, no representation or warranty, express or implied, is made or given by or on behalf of the Company, any of its directors, or any other person about the accuracy, completeness or fairness of the information or opinions contained in this presentation.

No responsibility or liability is accepted by any of them for that information or those opinions or for any errors, omissions, misstatements (negligent or otherwise) or for any communication written or otherwise, contained or referred to in this presentation.

Neither the Company nor any of its directors, officers, employees, advisors, associated persons or subsidiaries are liable for any direct, indirect or consequential loss or damage suffered by any person as a result of relying upon any statement in the presentation or any document supplied with this presentation, or by any future communications in connection with those documents and all of those losses and damages are expressly disclaimed.

All amounts are in British pounds (£ or GBP) unless otherwise indicated. A number of figures, amounts, percentages, estimates, calculations of value and fractions in this presentation are subject to the effect of rounding. Accordingly, the actual calculation of these figures may differ from the figures set out in this presentation.

Investors should also be aware that certain financial data included in this presentation including EBITDA and measures described as "pro forma", are "non-IFRS financial information" under ASIC Regulatory Guide 230 (Disclosing non-IFRS financial information). The non-IFRS financial information financial measures do not have a standardised meaning prescribed by Australian International Financial Reporting Standards (AIFRS) and, therefore, may not be comparable to similarly titled measures presented by other companies, nor should they be construed as an alternative to other financial measures determined in accordance with AIFRS. Investors are cautioned, therefore, not to place undue reliance on any non-IFRS financial measures included in this presentation.

This presentation may contain forward-looking statements regarding the Company's intent, belief or current expectations with respect to its business and operations, market conditions, results of operations and financial conditions. Words such as 'will', 'may', 'expect', 'indicative', 'plan', 'intend', 'seek', 'would', 'should', 'risk', 'forecast' and similar expressions indicate forward-looking statements which reflect the Company's current views with respect to future events and are subject to change and involve risks, uncertainties and assumptions that could cause actual outcomes to differ materially from the outcomes anticipated. Accordingly, readers should not place undue reliance on forward-looking statements.

Any opinions expressed reflect the Company's position at the date of this presentation and are subject to change. Subject to law, the Company assumes no obligation to update, review or

revise any information contained in this presentation, whether as a result of new information, future events or otherwise. Past performance cannot be relied upon as a guide to future performance.
