

SKYX to Participate in the 13th Annual ROTH Technology Conference in New York City November 19-20, 2024

MIAMI, Nov. 18, 2024 (GLOBE NEWSWIRE) -- SKYX Platforms Corp. (NASDAQ: SKYX) (d/b/a SKYX Technologies) (the "Company" or "SKYX"), a highly disruptive platform technology company with over 97 pending and issued patents globally and over 60 lighting and home décor websites, with a mission to make homes and buildings become safe and smart as the new standard, today announced participation in the upcoming 13th Annual Roth Technology Conference to be held on November 19 - 20, 2024 at the Hard Rock Hotel in New York City.

Founder and Executive Chairman Rani Kohen and Co-CEO Lenny Sokolow will host one-on-one meetings on site with institutional investors and analysts. For further details, invitation requests, or to arrange a one-on-one meeting, please email nonone@roth.com or reach out to your ROTH MKM Representative, or contact the SKYX investor relations team directly at ir@skyplug.com.

About SKYX Platforms Corp.

As electricity is a standard in every home and building, our mission is to make homes and buildings become safe-advanced and smart as the new standard. SKYX has a series of highly disruptive advanced-safe-smart platform technologies, with over 97 U.S. and global patents and patent pending applications. Additionally, the Company owns over 60 lighting and home decor websites for both retail and commercial segments. Our technologies place an emphasis on high quality and ease of use, while significantly enhancing both safety and lifestyle in homes and buildings. We believe that our products are a necessity in every room in both homes and other buildings in the U.S. and globally.
